**APPLICATION FOR AN ORDER AUTHORIZING THE
RETENTION AND EMPLOYMENT OF FTI CONSULTING, INC.
AS FINANCIAL ADVISOR TO THE OFFICIAL COMMITTEE
OF UNSECURED CREDITORS EFFECTIVE AS OF DECEMBER 3, 2025.**

The Official Committee of Unsecured Creditors (the “Committee”) of the above-captioned debtor and debtor in possession (collectively, the “Debtor”) hereby moves the Court for entry of an order under sections 328(a) and 1103 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 2014 of the Federal Rules of Bankruptcy Procedure approving this application (the “Application”) authorizing the employment and retention of FTI Consulting, Inc. (together with its wholly owned subsidiaries, “FTI”), as financial advisors for the Committee. In support of this Application, the Committee relies on the Declaration of Narendra Ganti (the “Ganti Declaration”), filed contemporaneously herewith and attached hereto as **Exhibit A**, and respectfully states as follows:

Jurisdiction and Venue

1. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b).
2. Venue of these proceedings and this Application is proper in this district pursuant to 28 U.S.C. § 1408.

¹ The Debtor in this chapter 11 case, along with the last four digits of Debtor’s federal tax identification number, is: Hansen-Mueller Co. (9385). Debtor’s location is 13321 California Street, Suite 100, Omaha, NE 68154.

3. The predicates for the relief sought herein are Bankruptcy Code sections 328(a) and 1103(a) and Rules 2014(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

Background

A. General Background

4. On November 17, 2025 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in this Court. The Debtor continues to operate its business and manage its assets as debtor in possession pursuant to Bankruptcy Code sections 1107(a) and 1108. No request for appointment of a trustee or examiner has been made in this chapter 11 case.

5. On November 19, 2025, the Office of the United States Trustee for Region 13 (the “U.S. Trustee”) filed the Notice of Appointment of Committee of Unsecured Creditors [Docket No. 60]. The Committee members appointed: Bunge Canada, AG Mark LLC, CoMark Equity Alliance, Alliance AG & Grain LLC, Chisholm Trail Terminal, AG Valley Coop, Lagniappe Planting Company. Following a motion to reconstitute, the United States Trustee additionally appointed Viserion Grain LLC to The Committee [Docket No. 110] on December 04, 2025.

6. On December 3, 2025, the Committee selected FTI as its financial advisor.

B. FTI’s Qualifications

7. FTI provides services in areas ranging from corporate finance and interim management to economic consulting, forensic and litigation consulting, strategic communications, and technology. FTI’s clients include many of the world’s largest public companies and majorities of the twenty-five largest banks and one-hundred largest law firms in the world. FTI’s expertise includes liquidity and capital structure assessment, debt and equity restructuring advice, and identification of reorganization alternatives.

8. The Committee is familiar with FTI's professional standing and reputation. FTI has considerable experience in providing financial advisory services in restructurings and reorganizations and enjoys an excellent reputation for the results it has obtained for debtors and creditors in chapter 11 cases throughout the United States. The Committee requires FTI's services to enable it to assess and monitor the efforts of the Debtor and its professional advisors to maximize the value of its estate and to reorganize successfully. Finally, FTI is well qualified and able to represent the Committee in a cost-effective, efficient, and timely manner.

C. Services to be Rendered

9. FTI will provide such financial advisory services to the Committee and its legal advisor as they deem appropriate and feasible to advise the Committee in the course of this chapter 11 case, including, but not limited to, the following:

- Assistance in the review of financial related disclosures required by the Court, including the Schedules of Assets and Liabilities, the Statement of Financial Affairs and Monthly Operating Reports;
- Assistance in the preparation of analyses required to assess any proposed Debtor-In-Possession ("DIP") financing or use of cash collateral;
- Assistance with the assessment and monitoring of the Debtor's short term cash flow, liquidity, and operating results;
- Assistance with the review of the Debtor's proposed employee compensation and benefits programs;
- Assistance with the review of the Debtor's potential disposition or liquidation of both core and non-core assets;
- Assistance with the review of the Debtor's cost/benefit analysis with respect to the affirmation or rejection of various executory contracts and leases;
- Assistance with the review of the Debtor's identification of potential cost savings, including overhead and operating expense reductions and efficiency improvements;
- Assistance in the review and monitoring of the asset sale process, including, but not limited to an assessment of the adequacy of the marketing process, completeness of any buyer lists, review and quantifications of any bids;

- Assistance with review of any tax issues associated with, but not limited to, claims/stock trading, preservation of net operating losses, refunds due to the Debtor, plans of reorganization, and asset sales;
- Assistance in the review of the claims reconciliation and estimation process;
- Assistance in the review of other financial information prepared by the Debtor, including, but not limited to, cash flow projections and budgets, business plans, cash receipts and disbursement analysis, asset and liability analysis, and the economic analysis of proposed transactions for which Court approval is sought;
- Attendance at meetings and assistance in discussions with the Debtor, potential investors, banks, other secured lenders, the Committee and any other official committees organized in these chapter 11 proceedings, the U.S. Trustee, other parties in interest and professionals hired by the same, as requested;
- Assistance in the review and/or preparation of information and analysis necessary for the confirmation of a plan and related disclosure statement in this chapter 11 proceeding;
- Assistance in the evaluation and analysis of avoidance actions, including fraudulent conveyances and preferential transfers;
- Assistance in the prosecution of Committee responses/objections to the Debtor's motions, including attendance at depositions and provision of expert reports/testimony on case issues as required by the Committee; and
- Render such other general business consulting or such other assistance as the Committee or its counsel may deem necessary that are consistent with the role of a financial advisor and not duplicative of services provided by other professionals in this proceeding.

D. FTI's Eligibility for Employment

10. FTI has informed the Committee that, to the best of FTI's knowledge, information, and belief, other than as set forth in the Ganti Declaration, FTI: (a) has no connection with the Debtor, its creditors, its equity security holders, or other parties in interest or its respective attorneys or accountants, the U.S. Trustee, any person employed in the office of the U.S. Trustee, or any United States district judge or bankruptcy judge in this district in any matter related to the Debtor or its estate; (b) does not hold any interest adverse to the Debtor's estate; and (c) believes that it is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14). FTI has not provided, and will not provide, any professional services to the Debtor, any of the creditors,

other parties-in-interest, or its respective attorneys and accountants with regard to any matter related to this chapter 11 case. If any new material facts or relationships are discovered or arise, FTI will inform the Court as required by Bankruptcy Rule 2014(a).

11. FTI has agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with this case.

E. Terms of Retention

12. FTI is not owed any amounts with respect to pre-petition fees and expenses.

13. The Committee understands that FTI intends to apply to the Court for allowances of compensation and reimbursement of expenses for its financial advisory services in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, orders of this Court, and guidelines established by the United States Trustee.

14. FTI seeks to be compensated on an hourly-fee basis, plus reimbursement of actual and necessary expenses incurred by FTI. Actual and necessary expenses would include any reasonable legal fees incurred by FTI related to FTI's retention or preparation of fee applications in this case, subject to Court approval. FTI understands that interim and final fee awards are subject to approval by this Court.

15. The customary hourly rates, subject to periodic adjustments, charged by FTI professionals anticipated to be assigned to this case are as follows:

<u>United States</u>	<u>Per Hour (USD)</u>
Senior Managing Directors	\$1,270 - 1,580
Directors / Senior Directors / Managing Directors	940 - 1,195
Consultants/Senior Consultants	535 - 850
Administrative / Paraprofessionals	195 - 395

16. FTI will maintain records in support of any actual, necessary costs and expenses incurred in connection with the rendering of its services in this chapter 11 case. In the event FTI seeks reimbursement for attorneys' fees during the term of the Debtor's chapter 11 case, FTI will

include the applicable invoices and supporting time records from such attorneys (in summary form and redacted for privilege and work product). Such attorneys do not need to have been retained under Bankruptcy Code section 327.

17. FTI believes that the foregoing fee structure and terms are reasonable and comparable to those generally charged by financial advisors and consultants of similar stature to FTI for comparable engagements, both in and out of chapter 11.

F. Indemnification

18. In addition to the foregoing, and as a material part of the consideration for the agreement of FTI to furnish services to the Committee pursuant to the terms of this Application, FTI believes that the following indemnification terms are customary and reasonable for financial advisors in chapter 11 cases:

- a. subject to the provisions of subparagraphs (b) and (c) below and approval of the Court, the Debtor is authorized to indemnify, and shall indemnify, FTI for any claims arising from, related to, or in connection with FTI's engagement under this Application, but not for any claim arising from, related to, or in connection with FTI's performance of any other services other than those in connection with the engagement, unless such services and indemnification therefor are approved by this Court; and
- b. the Debtor shall have no obligation to indemnify FTI for any claim or expense that is either (i) judicially determined (the determination having become final) to have arisen primarily from FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, unless the Court determines that indemnification would be permissible pursuant to applicable law, or (ii) settled prior to a judicial determination as to FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, but determined by this Court, after notice and a hearing, to be a claim or expense for which FTI is not entitled to receive indemnity under the terms of this Application; and
- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in this case (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing this chapter 11 case, FTI believes that it is entitled to the payment of any amounts by the Debtor on account of the Debtor's indemnification obligations under the Application, including, without limitation, the advancement of defense costs, FTI must file an application in this Court, and the Debtor may not pay any such amounts to FTI before the entry of an order by this Court approving

the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by FTI for indemnification, and not as a provision limiting the duration of the Debtor's obligation to indemnify FTI.

The Committee believes that indemnification is customary and reasonable for financial advisors in chapter 11 proceedings. *See In re Joan & David Halpern, Inc.*, 248 B.R. 43 (Bankr. S.D.N.Y. 2000).

Relief Requested

19. The Committee seeks entry of an order approving the Application pursuant to Bankruptcy Code section 1103. Bankruptcy Code section 1103(a) provides, in relevant part, that a creditors' committee, with the Court's approval, "may select and authorize the employment by such committee of one or more attorneys, accountants, or other agents, to represent or perform services for such committee." 11 U.S.C. § 1103(a). The employment of FTI and its professionals by the Committee are reasonable and in line with the terms and conditions typical for engagements of this size and character. Because the Committee will require substantial assistance with this chapter 11 case, it is reasonable for the Committee to seek to employ and retain FTI to serve as its financial advisor on the terms and conditions in this Application.

20. Bankruptcy Code section 328(a) provides, in relevant part, that the Committee "with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103 . . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis." 11 U.S.C. § 328(a).

21. FTI's fee structure is fair and reasonable in light of the services being provided and commensurate with the fee structures generally offered by firms of similar stature to FTI for comparable engagements. In addition, given the numerous issues FTI may need to address during

this chapter 11 case, FTI's commitment to the variable level of time and effort necessary to address all such related issues as they arise, and the market prices for FTI's services for engagements of this nature in an out-of-court context, the Committee has determined that the FTI fee arrangement is fair and reasonable.

22. Finally, to the best of the Committee's knowledge, information, and belief, FTI does not have any interest materially adverse to the Debtor's estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtor, or for any other reason. Further, the Committee understands that FTI believes it is disinterested because, to the best of FTI's knowledge, information, and belief, FTI has no connection with the Debtor, its creditors, or any other party-in-interest, except as disclosed in the Ganti Declaration.

No Duplication of Services

23. The services that FTI will provide to the Committee will be appropriately directed by the Committee and its counsel so as to avoid duplication of efforts among the other professionals retained in this chapter 11 case and performed in accordance with applicable standards of the profession. FTI will work collaboratively with the Committee and other professionals employed by the Committee to avoid duplication of services. The Committee believes that the services to be provided by FTI will complement and will not be duplicative of any services of the Committee's other professionals.

No Prior Request

24. No prior Application for the relief requested herein has been made to this or any other Court.

Notice

25. Notice of this Application has been provided via the Court's CM/ECF system to: (a) the Office of the United States Trustee for the District of Nebraska; (b) counsel for Debtor; (c) Debtor's prepetition secured lenders, BMO Bank N.A., Farm Credit Services of America, PCA, Farm Credit Mid-America, PCA, and CoBank, FCB.; and (d) any party that has requested notice pursuant to Bankruptcy Rule 2002.

26. Notice of this Application has also been provided via United States Postal Service first-class mail, postage prepaid upon the list of parties who are not on the list to receive email notice/service for this case (who therefore require manual noticing/service) as listed in the Certificate of Service below.

27. In light of the nature of the relief requested, the Committee submits that no further notice is required.

WHEREFORE, the Committee respectfully requests that the Court enter an order, substantially in the form attached hereto, authorizing the Committee to employ and retain FTI as financial advisors for the Committee for the purposes set forth above, effective as of December 3, 2025, and grant such further relief as is just and proper.

**DECLARATION OF NARENDRA GANTI IN SUPPORT OF THE
APPLICATION FOR AN ORDER AUTHORIZING THE RETENTION
AND EMPLOYMENT OF FTI CONSULTING, INC. AS FINANCIAL
ADVISOR TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS**

Pursuant to 28 U.S.C. section 1746, Narendra Ganti, declares as follows:

1. I am a Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, “FTI”), an international consulting firm. I submit this declaration (the “Declaration”) on behalf of FTI in support of the application (the “Application”) of the Official Committee of Unsecured Creditors (the “Committee”) of the above-captioned debtor and debtor-in-possession (collectively, the “Debtor”), for entry of an order authorizing the employment and retention of FTI as financial advisor to the Committee under the terms and conditions set forth in the Application. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules. Except as otherwise noted, I have personal knowledge of the matters set forth herein, and, if called as a witness, I would testify thereto.²

Disinterestedness and Eligibility

2. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtor, its affiliates, and certain entities holding large claims against, or

¹ The Debtor in this chapter 11 case, along with the last four digits of Debtor’s federal tax identification number, is: Hansen-Mueller Co. (9385). Debtor’s location is 13321 California Street, Suite 100, Omaha, NE 68154.

² Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

equity interests in, the Debtor that were made reasonably known to FTI. A listing of the parties reviewed is reflected on **Exhibit A** to this Declaration. FTI's review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database³ containing names of individuals and entities that are present or recent former clients of FTI. A listing of such relationships that FTI identified during this process is set forth on **Exhibit B** to this Declaration.

3. Based on the results of its review, FTI does not have a relationship with any of the parties on Exhibit A in matters related to the Debtor or this proceeding. FTI has provided, and could reasonably expect to continue to provide, services unrelated to the Debtor's case for the various entities shown on Exhibit B. FTI's assistance to these parties has been related to providing various financial restructuring, litigation support, technology, strategic communications, and economic consulting services. To the best of my knowledge and except as otherwise disclosed herein, no services have been provided to these parties in interest that involve their rights in the Debtor's case, nor does FTI's involvement in this case compromise its ability to continue such consulting services.

4. As part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties-in-interest in the Debtor's chapter 11 case. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in this proceeding. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in

³ For the avoidance of doubt, FTI's computer database covers FTI Consulting, Inc. and its wholly owned subsidiaries globally.

this chapter 11 case in matters unrelated to the Debtor and this case. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests adverse to the Debtor's estate and none are in connection with the Debtor's chapter 11 case.

5. FTI is not a "creditor" of the Debtor within the meaning of Bankruptcy Code section 101(10). Further, neither I, nor any other member of the FTI engagement team serving the Committee, to the best of my knowledge, (a) is a creditor, equity security holder, or insider of the Debtor; (b) is or has been within two years before the Petition Date, a director, officer, or employee of the Debtor; or (c) has any interest materially adverse to the interests of the Debtor's estate or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtor, or for any other reason. As such, to the best of my knowledge, and based upon the results of the relationship search described above and disclosed herein, FTI (i) is a "disinterested person" as defined in Bankruptcy Code section 101(14) and (ii) does not hold or represent any interest adverse to the Debtor's estate. Therefore, FTI believes it is eligible to represent the Committee under Bankruptcy Code section 1103(b).

6. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will file a supplemental declaration pursuant to Bankruptcy Rule 2014(a).

Professional Compensation

7. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, the local rules of this District, orders of this Court, and applicable U.S. Trustee guidelines, FTI will seek payment for compensation on an hourly basis,

plus reimbursement of actual and necessary expenses incurred by FTI, including legal fees related to the preparation of the Application (if any), as approved by the Court. FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are adjusted periodically, typically on an annual basis. I believe that the fee structure as set forth in the Application is reasonable and comparable to those generally charged by financial advisors and consultants of similar stature to FTI for comparable engagements, both in and out of chapter 11.

8. To the extent FTI utilizes independent or third party contractors or subcontractors (the "Contractors") in the provision of services to the Committee, FTI will (i) pass through the fees of such Contractors at the same rate that FTI pays the Contractors and (ii) seek reimbursement for actual costs of the Contractors only. In addition, FTI will ensure that each Contractor will file a separate declaration evidencing its disinterestedness in this chapter 11 case as required by the Bankruptcy Code and Bankruptcy Rules.

9. According to FTI's books and records, during the ninety days before the Petition Date, FTI did not receive any payments from the Debtor.

10. To the best of my knowledge, (a) no commitments have been made or received by FTI with respect to compensation or payment in connection with this case other than in accordance with the provisions of the Bankruptcy Code and (b) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with this chapter 11 case.

No Duplication of Services

11. The Committee and FTI intend that FTI's services will be appropriately directed by the Committee so as to avoid duplication of efforts among the other professionals retained by the Committee in this Chapter 11 case and performed in accordance with applicable standards of the

profession. FTI will work collaboratively with the Committee's other professionals to avoid duplication of services among professionals. I believe that the services to be provided by FTI will complement and will not be duplicative of any services of the Committee's other professionals.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on January 6, 2026.
