**MOTION OF ENERGY FUTURE HOLDINGS CORPORATION FOR ENTRY OF
ORDER APPROVING ASSUMPTION OF ONCOR TAX SHARING AGREEMENT
PRIOR TO PLAN EFFECTIVE DATE**

Energy Future Holdings Corp. ("EFH Corp.") files this motion (this "Motion") for entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Order"), approving the assumption, prior to the Plan Effective Date (as defined below), of the Amended and Restated Tax Sharing Agreement, dated as of November 5, 2008 (the "Oncor TSA"), attached hereto as **Exhibit 1** to **Exhibit A**, by and among EFH Corp., Oncor Electric Delivery Holdings Company LLC ("Oncor Holdings"), Oncor Electric Delivery Company LLC ("Oncor"), Texas Transmission Investment LLC ("TTI"), and Oncor Management Investment LLC ("Oncor Management" and, collectively, the "Oncor TSA Parties"). In support of this Motion, EFH Corp. respectfully states as follows.

Jurisdiction and Venue

1. The United States Bankruptcy Court for the District of Delaware (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended*

¹ The last four digits of Energy Future Holdings Corp.'s tax identification number are 8810. The location of the debtors' service address is 1601 Bryan Street, Dallas, Texas 75201. Due to the large number of debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the debtors' claims and noticing agent at <http://www.efhcaseinfo.com>.

Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012. EFH Corp. confirms its consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Bankruptcy Rules”), to entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief requested herein are section 365 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2002, 6004, 6006, and 9014 of the Federal Rules of Bankruptcy Procedure, and Local Bankruptcy Rule 9013-1.

Relief Requested

4. By this Motion, the Debtors seek entry of the Order authorizing EFH Corp. to assume the Oncor TSA and pay the Cure Amount (as defined below) in accordance with section 365 of the Bankruptcy Code prior to the Plan Effective Date (as defined below).

Background

5. On April 29, 2014, each of the above-captioned debtors and debtors in possession (the “Debtors”) filed a voluntary petition with the Court under the Bankruptcy Code. EFH Corp. is operating its business and managing its property as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Court has entered a final order for joint administration of these chapter 11 cases [D.I. 849]. The Court has not appointed a trustee. The Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”) formed an official committee of unsecured creditors of Energy Future Competitive Holdings Company LLC

(“EFCH”), Texas Competitive Electric Holdings Company LLC (“TCEH”), the direct and indirect Debtor subsidiaries of EFCH and TCEH, and EFH Corporate Services Company (the “TCEH Creditors’ Committee”) on May 13, 2014 [D.I. 420] and an official committee of unsecured creditors of Energy Future Holdings Corp., Energy Future Intermediate Holding Company (“EFIH”), LLC, EFIH Finance, Inc., and EECI, Inc. (the “EFH Creditors’ Committee”) on October 27, 2014 [D.I. 2570]. Further information regarding the Debtors’ business operations and capital structure is set forth in the declaration of Paul Keglevic in support of the Debtors’ first day motions [D.I. 98].

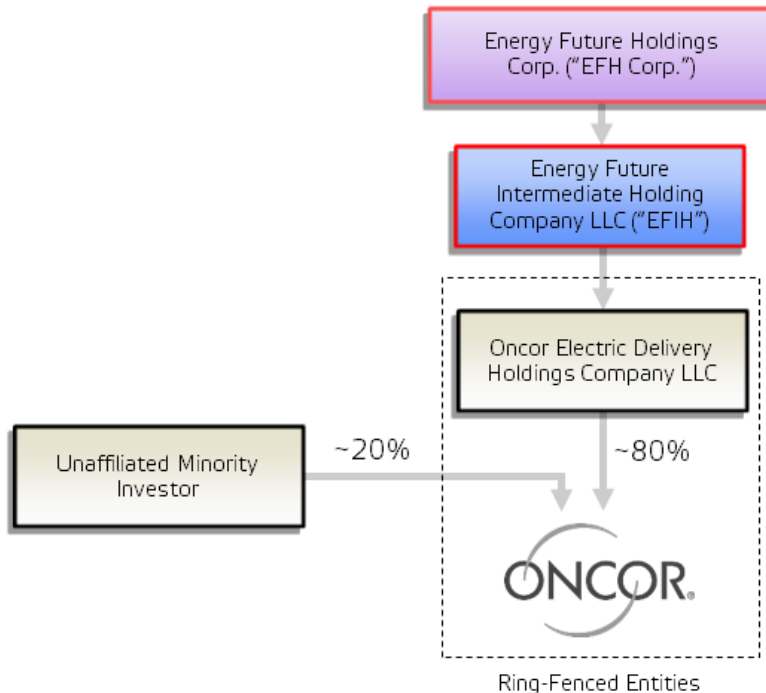

6. On August 29, 2016, the Court entered an order confirming the *Third Amended Joint Plan of Reorganization of Energy Future Holdings Corp., et al., Pursuant to Chapter 11 of the Bankruptcy Code* as it applies to the TCEH and EFH Shared Services Debtors. *See Order Confirming the Third Amended Joint Plan of Reorganization of Energy Future Holdings Corp., et al., Pursuant to Chapter 11 of the Bankruptcy Code as it Applies to the TCEH Debtors and EFH Shared Services Debtors* [D.I. 9421]. The TCEH Debtors (which include Luminant) and EFH Shared Services Debtors emerged from chapter 11 on October 3, 2016, and are no longer debtors-in-possession. *See Notice of Entry of TCEH Confirmation Order and Occurrence of TCEH Effective Date* [D.I. 9742].

7. On February 17, 2017, the Court entered an order confirming the *Eighth Amended Joint Plan of Reorganization of Energy Future Holdings Corp., et al., Pursuant to Chapter 11 of the Bankruptcy Code* [D.I. 10853] (the “E-Side Plan”). The effective date of the E-Side Plan (the “Plan Effective Date”) has not yet occurred.

Oncor TSA

8. EFH Corp., through its wholly-owned subsidiary EFIH, owns 100% of the equity interests in Oncor Holdings, which, in turn, owns approximately 80% of Oncor. An unaffiliated

investor, TTI, and certain members of Oncor Management through a separate investment vehicle, own the remaining equity interests in Oncor.

9. EFH Corp. files a U.S. federal income tax return that includes the results of EFIH and Oncor Holdings. EFH Corp. is the parent of the EFH Corp. consolidated group, while EFIH and Oncor Holdings are each disregarded from EFH Corp. for U.S. federal income tax purposes. Accordingly, EFH Corp. is treated as owning the interests in Oncor directly for such purposes. Oncor is a partnership for U.S. federal income tax purposes and is not a corporate member of the EFH Corp. consolidated group. Accordingly, Oncor's items of taxable income, gain, loss, and deduction flow through to its members (*i.e.*, TTI, Oncor Management, and EFH Corp.), who ultimately bear the tax benefit or burden, as the case may be, associated with Oncor's earnings.²

² The Texas franchise tax also has a "combined group" concept, but differs from federal consolidated tax regulations in that EFH must report 100% of Oncor's taxable margin on its Texas franchise return, as opposed to reporting only its 80% share of Oncor's taxable income on its federal tax return.

10. The Oncor TSA creates certain rights and obligations among EFH Corp., Oncor Holdings, Oncor, Oncor Management, and TTI with respect to federal and state tax liabilities. In general, with respect to U.S. federal income taxes, the Oncor TSA provides that each of Oncor Holdings and Oncor will pay EFH Corp. its share of an amount calculated to approximate the amount of tax liability such entity would have owed if it filed a separate corporate tax return. Similar calculations are performed for state law purposes. Importantly, the majority of payments made under the Oncor TSA are made on an estimated basis (*i.e.*, they are made before there is certainty about Oncor's overall taxable income or loss for a given year and, indeed, they are made before certain important retroactive tax statutes are passed). The Oncor TSA provides for a true-up mechanism to the extent of any overpayments. Payments are made directly to (and from) EFH Corp. (and the minority holders, as applicable) under the agreement.

11. In connection with the assumption of the Oncor TSA, Oncor will receive an agreed and allowed cure claim that is currently estimated to be \$134,979,783.00 (as adjusted to reflect the date of payment and Oncor's projected or actual taxable income or loss, the "Cure Amount").³ EFH Corp. owes Oncor the Cure Amount under the Oncor TSA because of a combination of (a) overpayments from Oncor to EFH Corp. with respect to the 2015 tax year, which accounts for approximately \$70.5 million of the estimated Cure Amount; and (b) the final resolution of multiple audits of prepetition tax years, which resulted in numerous adjustments to items of gain and loss for those years, which accounts for approximately \$64.5 million of the Cure Amount.

³ Because of, among other things, the constantly-accruing nature of the obligations under the Oncor TSA, the exact Cure Amount cannot be known with certainty until the date such payment is finally calculated and made. The estimated approximately \$135 million amount is based on a payment date of April 30, 2017. This amount was provided for in the *Amended Plan Supplement as it Relates to the EFH Debtors and EFIH Debtors for the Seventh Amended Joint Plan of Reorganization of Energy Future Holdings Corp., et al., Pursuant to Chapter 11 of the Bankruptcy Code* [D.I. 10827] (expressly providing for payment by EFH Corp. to Oncor of a \$134,979,783.00 cure payment, subject to certain adjustments).

12. The confirmed E-Side Plan already authorizes EFH Corp. to assume the Oncor TSA and pay the approximately \$135 million Cure Amount on Plan Effective Date.⁴ Moreover, the Debtors' cash estimates, including recovery estimates in the disclosure statement for the E-Side Plan, have always assumed payment of the Cure Amount. No party objected to assumption of the Oncor TSA or payment of the Cure Amount under the E-Side Plan.

13. The relief requested in this Motion would merely accelerate the payment of the Cure Amount to on or about the date the Order approving the Motion is entered. EFH Corp. is requesting this accelerated relief to, among other things, ensure that Oncor makes its first-quarter dividend payment, which will in turn ensure compliance with the minimum-liquidity covenant under the EFiH debtor-in-possession financing facility. Compliance with these DIP covenants is important to permit the consummation of the NEE transaction and EFH Corp.'s emergence from chapter 11. Oncor's chief financial officer has agreed to recommend to Oncor's board of directors that the dividend be paid after payment of the Cure Amount.

Basis for Relief

14. Section 365 of the Bankruptcy Code provides that a debtor, "subject to the court's approval, may assume or reject any executory contract." 11 U.S.C. § 365(a). In evaluating a debtor's decision to assume or reject an executory contract, courts apply the business judgment test, which asks "whether rejection would benefit the estate." *In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982) *aff'd sub nom. N.L.R.B. v. Bildisco & Bildisco*, 465 U.S. 513 (1984); *see also In re Decora Indus., Inc.*, No. 00-4459, 2002 WL 32332749, at *8 (D. Del. May 20, 2002) ("A debtor

⁴ See E-Side Plan, Article IV.F ("On the EFH Effective Date, the Oncor Tax Sharing Agreement will be assumed by Reorganized EFH, as such agreement may be amended or assigned in a manner agreed by Oncor, Reorganized EFH, and the Plan Sponsor.").

satisfies the ‘business judgment’ test when it determines, in good faith, that assumption of an executory contract will benefit the estate and unsecured creditors [generally].”).

15. The business judgment presumption underlying this inquiry assumes that “the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company.” *Freedman v. Redstone*, 753 F.3d 416, 427 (3d Cir. 2014). Once the debtor demonstrates that its decision with regard to an executory contract will benefit the estate, that decision “must be summarily affirmed unless it is the product of bad faith, or whim or caprice.” *In re Trans World Airlines, Inc.*, 261 B.R. 103, 121 (Bankr. D. Del. 2001) (internal quotation marks omitted); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (stating that “[o]vercoming the presumptions of the business judgment rule on the merits is a near-Herculean task,” requiring a showing that the decision was “so far beyond the bounds of reasonable business judgment that its only explanation is bad faith”).

16. As discussed above, the Court already approved assumption of the Oncor TSA through the E-Side Plan on the Plan Effective Date. Thus, the Court need not revisit the bases for that assumption. In any event, EFH Corp.’s assumption of the Oncor TSA is a sound exercise of business judgment. The Oncor TSA is an integral component of the relationship between EFH Corp. and Oncor. Importantly, it provides EFH Corp. with the right to be reimbursed by Oncor for a share of Oncor’s taxable income that flows to EFH Corp., a valuable go-forward right. Were EFH Corp. to reject the Oncor TSA, it would lose this valuable right. Moreover, Oncor could seek to collect in full on the Cure Amounts through a number of methods even if the Oncor TSA were not assumed, including by asserting administrative priority status

for the majority of the claim.⁵ Because the benefits of assuming the Oncor TSA outweigh the costs, assumption of the Oncor TSA and payment of the Cure Amount is appropriate.

17. Granting the relief requested in this Motion would merely accelerate the payment of the Cure Amount. Acceleration of the payment is in the best interests of EFH Corp.'s estate because it will ensure compliance with the EFIH DIP facility covenants which, in turn, allows EFH Corp. to consummate the NEE transaction and emerge from chapter 11 for the benefit of all of the debtors, including EFH Corp. Thus, EFH Corp. respectfully requests that the Court grant the Motion.

Reservation of Rights

18. Nothing contained in this Motion or any actions taken by the Debtors pursuant to relief granted in the Order is intended or should be construed as: (a) an admission as to the validity or amount of any particular claim against a Debtor entity; (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds; (c) an implication or admission that any particular claim is of a type specified or defined in this Motion; (d) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; (e) a request or authorization to assume or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code other than the Oncor TSA; (f) a promise or requirement to pay any particular amount in connection with any claim other than the Cure Amount; (g) an admission by the Debtors that the Oncor TSA is executory or unexpired; or (h) a waiver of any party's rights to assert that any other party is in breach or default of any agreement.

⁵ The Debtors reserve all rights with respect to any such efforts or assertions.

Waiver of Bankruptcy Rules 6006(c) and 6004(h)

19. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6006(c) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

SECTION 4. Allocation of Liability. (a) With respect to the portion of the Oncor Holdings Separate Tax Liability and the Oncor Separate Tax Liability that is not described in Section 6(b) of this Agreement and relates to income of Oncor and Oncor Holdings that is included in the Tax Returns of the EFH Group, Minority Investor or the members of Management Investor as applicable:

(i) Other than with respect to the Applicable Tax Year described in clause (ii), for each Applicable Tax Year, Oncor shall pay to each of EFH, Minority Investor and Management Investor an amount equal to their Sharing Percentages of such Oncor Separate Tax Liability and shall indemnify and hold each EFH Indemnified Party, Minority Investor and Management Investor harmless for an amount equal to their Sharing Percentage of such Oncor Separate Tax Liability.

(ii) Solely with respect to the Applicable Taxable Year commencing January 1, 2008, Oncor shall pay (A) to Minority Investor, an amount equal to (x) 19.75% multiplied by a fraction equal to $(366-X)/366$ where X = the number of days prior to the admission of Minority Investor as a party to this Agreement multiplied by (y) such Oncor Separate Tax Liability for such year, (B) to Management Investor, an amount equal to (x) 0.2083% multiplied by a fraction equal to $(366-X)/366$ where X = the number of days prior to the admission of Management Investor as a party to this Agreement multiplied by (y) such Oncor Separate Tax Liability for such year, and (C) to EFH, an amount equal to such Oncor Separate Tax Liability minus the amounts paid in clauses (A) and (B), and shall indemnify and hold each of Minority Investor, Management Investor and each EFH Indemnified Party harmless for an amount equal to the amounts described in clauses (A), (B) and (C) respectively.

(iii) Oncor Holdings shall pay to EFH the Oncor Holdings Excess Separate Tax Liability and shall indemnify and hold each EFH Indemnified Party harmless for an amount equal to the Oncor Holdings Excess Separate Tax Liability.

(b) In the event that Oncor or a member of the Oncor Distributions Group realizes a loss or credit in an Applicable Taxable Year that would be permitted under applicable

provisions of the Code to be carried back to one or more prior Applicable Taxable Years, the Oncor Holdings Excess Separate Tax Liability or Oncor Separate Tax Liability, as appropriate, shall be recomputed for each such prior Applicable Taxable Year to take into account such carryback. EFH, Minority Investor and Management Investor shall make an adjusting payment to Oncor Holdings or Oncor, as appropriate, promptly after the date when the benefit of such carryback would have been realized by a member of the Oncor Distributions Group, or by Oncor, if it had filed its own Tax Return reflecting such carryback, or as soon as such adjustment can practicably be calculated, if later. Such adjusting payment shall be in the amount required such that, for each such prior Applicable Taxable Year, the payments made by Oncor Holdings or Oncor pursuant to the terms of this Agreement less the payments made by EFH, Minority Investor and Management Investor to Oncor Holdings or Oncor, respectively, pursuant to the terms of this Agreement, or, with respect to Applicable Taxable Years that ended prior to the Effective Date, such payments that are actually made in accordance with prior practice, equals the Oncor Holdings Excess Separate Tax Liability or the Oncor Separate Tax Liability, as appropriate, for such taxable year. Any payment required to be made to Oncor under this Section 4(b) will be made by EFH, Minority Investor and Management Investor in accordance with their Sharing Percentages for the Applicable Taxable Year to which the realized loss or credit would be permitted to be carried back.

(c) For purposes of this Agreement, except as set forth in Sections 4(b) and 8, all payments that would have been due by one Party to another Party pursuant to this Agreement with respect to Applicable Taxable Years that ended prior to the Effective Date shall be treated as if they were made on a timely basis.

(d) (i) For the avoidance of doubt, notwithstanding anything in this Agreement, to the extent required by law, Oncor shall remain jointly and severally liable for Taxes of the EFH Group for Applicable Taxable Years ending on or prior to the Effective Date as a successor to Oncor Electric Delivery Company.

(ii) EFH shall indemnify and hold Oncor harmless for any Taxes of the EFH Group (other than Taxes of Oncor or Oncor Electric Delivery Company as a predecessor to Oncor) that are imposed on Oncor under Treasury Regulations Section 1.1502-6 or, if any, applicable similar provisions of state or local law for any Applicable Taxable Year during which Oncor Electric Delivery Company was a member of a combined or consolidated group of which EFH was the parent.

SECTION 5. Calculations.

(a) EFH shall determine the Oncor Holdings Excess Separate Tax Liability and Oncor Separate Tax Liability (i) in accordance with this Agreement and EFH Group's method of federal income tax allocation (in the manner set forth in Exhibit A), in a manner that is consistent with Sections 1.1502-33(d) and 1.1552-1 of the Treasury Regulations or, in the case of Taxes other than United States federal income taxes, any other permissible allocation methodology and (ii) consistent with general Tax accounting principles and past practice.

(b) For each Tax Return filed by EFH, EFH shall provide Oncor Holdings or Oncor, as appropriate, in good faith, within 3 Business Days prior to the due date of any payment required to be made by Oncor Holdings or Oncor pursuant to Sections 4(a) and 6, with a calculation of the amount (if any) of any (i) Oncor Holdings Excess Separate Tax Liability and Oncor Separate Tax Liability, (ii) estimated Oncor Holdings Excess Separate Tax Liability and estimated Oncor Separate Tax Liability and/or (iii) True-up Payment (for purposes of Section 6).

Such calculation shall provide sufficient detail to permit Oncor Holdings or Oncor, as appropriate, to reasonably understand such calculation. Oncor Holdings or Oncor, as appropriate, shall have the right to review and comment on such calculation. If EFH and Oncor Holdings or Oncor, as appropriate, cannot agree on the calculations prepared under this Section 5, then such dispute shall be resolved pursuant to Section 12. For the avoidance of doubt, any calculations provided by EFH in accordance with this Section 5 will apply for purposes of this Agreement pending the resolution of any such dispute pursuant to Section 12.

SECTION 6. Settlement.

(a) All amounts due pursuant to Section 4(a) hereof shall be paid at least 5 Business Days before each Estimated Tax Installment Date and on each such date such paid amount shall equal the amount of any estimated Oncor Holdings Excess Separate Tax Liability and Oncor Separate Tax Liability that Oncor Holdings or Oncor, respectively, would have otherwise been required to pay to a Taxing Authority on such Estimated Tax Installment Date (for the avoidance of doubt, treating Oncor Holdings and Oncor as corporations). Any amounts due pursuant to this Section 6(a) shall be calculated in accordance with the method described in Section 6655(d) of the Code, as appropriate, unless all the Parties to this Agreement agree to an alternative method.

(b) (i) Oncor Holdings and Oncor shall pay to the applicable Taxing Authority the portion of the Oncor Holdings Excess Separate Tax Liability and Oncor Separate Tax Liability, respectively, for which they are directly liable, on or before the date such payment is required to be paid to a Tax Authority.

(ii) Oncor Holdings and Oncor shall pay to EFH, the portion of the Oncor Holdings Excess Separate Tax Liability and Oncor Separate Tax Liability, respectively, for

which EFH is, but Oncor Holdings, Oncor, Minority Investor or Management Investor, is not, liable to pay on behalf of Oncor Holdings or Oncor, respectively, including, without limitation any liability relating to the Texas Franchise Tax, Chapter 171 of the Texas Tax Code (or any succeeding tax), at least 2 Business Days prior to the date such payment is required to be made by EFH to a Tax Authority.

(c) If, for any taxable year, the payments made by Oncor Holdings or Oncor pursuant to Sections 6(a) and (b) are different from the Oncor Holdings Excess Separate Tax Liability or the Oncor Separate Tax Liability, respectively, for such taxable year, then EFH, Minority Investor, Management Investor, Oncor Holdings or Oncor, as the case may be, shall make an adjusting payment two Business Days prior to the filing of the applicable Tax Return for such taxable year (the "True-up Payment Date") in the amount required such that payments made by Oncor Holdings and Oncor for such taxable year (taking into account the adjustments, if any, pursuant to Section 4(b) and this Section 6(c)) equal the Oncor Holdings Excess Separate Tax Liability and the Oncor Separate Tax Liability, respectively, for such taxable year (such difference, the "True-up Payment"). Any payment required to be made to Oncor under this Section 6(c) which relate to Taxes described in Section 6(a) shall be made by EFH, Minority Investor and Management Investor in accordance with their Sharing Percentages for the taxable year to which the True-up Payment relates, and any payment that relates to any Taxes described in Section 6(b)(ii) shall be made by EFH.

(d) If any payments are required to be made by Management Investor to Oncor under this Agreement (including, without limitation, any True-up Payment), Oncor may, in its sole discretion, elect to collect payment of such amounts due by offsetting against such amounts any subsequent payments by it to the Management Investor under this Agreement. Nothing in this Section 6(d) shall reduce or modify the obligations of the Management Investor to make payments at the time and in the manner specified in this Agreement.

SECTION 7. Tax Proceedings. EFH shall have exclusive control of any Tax Proceeding with respect to any member of the EFH Group or the Oncor Holdings Group; provided that EFH shall not settle any such Tax Proceeding without the consent of Oncor Holdings or Oncor (such consent not to be unreasonably conditioned, delayed or withheld) if such settlement would increase the relevant Oncor Holdings Excess Separate Tax Liability or Oncor Separate Tax Liability, respectively; and provided further that EFH shall conduct a particular Tax Proceeding at the direction of Oncor Holdings or Oncor if such Tax Proceeding would affect only the Tax Liability of a member of the Oncor Distributions Group or the Tax Liability of Oncor, respectively.

SECTION 8. Recomputation. If, for any Applicable Taxable Year, the Tax liability of any member of the EFH Group or Oncor Holdings Group is redetermined as a result of a Final Determination, whether as a result of a refund (including a refund resulting from a carryback), an Internal Revenue Service adjustment or otherwise, the payment obligations of the Parties pursuant to the terms of this Agreement, or, with respect to Applicable Taxable Years that ended prior to the date of this Agreement, the payment obligations as determined in accordance with prior practice, shall be redetermined by EFH in a reasonable manner, and either EFH, Minority Investor, Management Investor, Oncor Holdings and/or Oncor, as the case may be, shall make an adjusting payment to the other in the amount required such that, for such taxable year (and for each other Applicable Taxable Year), the payments made by Oncor Holdings and Oncor equals the Oncor Holdings Excess Separate Tax Liability and the Oncor Separate Tax Liability, respectively (taking into account the correlative effects of such redetermination). Any payment

required to be made to (or by) Oncor under this Section 8 which relates to Taxes described in Section 6(a) with respect to the Oncor Separate Tax Liability shall be made by (or to) EFH, Minority Investor and Management Investor in accordance with their Sharing Percentages for the Applicable Tax Year with respect to which the Tax liability of Oncor is redetermined as a result of such Final Determination, and any payment that relates to Taxes described in Section 6(b)(ii) shall be made by EFH.

SECTION 9. Prohibited Actions. Oncor Holdings and Oncor agree not to take any actions that would increase the Tax liability (other than as a result of Oncor Holdings Excess Separate Tax Liabilities and Oncor Separate Tax Liabilities) of any member of the EFH Group for any Applicable Taxable Year (the "Additional EFH Group Tax Liability"). In the event Oncor Holdings or Oncor takes, or fails to take, any action that causes an Additional EFH Group Tax Liability, then Oncor Holdings and/or Oncor, as appropriate, shall be liable to indemnify and hold harmless the appropriate EFH Indemnified Parties to the extent such Additional EFH Group Tax Liability does not increase the Oncor Holdings Excess Separate Tax Liability or the Oncor Separate Tax Liability. Oncor Holdings and/or Oncor shall pay to EFH at least 2 Business Days before each Estimated Tax Installment Date and True-up Payment Date the amount that EFH is required to pay to a Taxing Authority on or before such Estimated Tax Installment Date and True-up Payment Date due to the applicable Additional EFH Group Tax Liability. For the avoidance of doubt, Oncor Holdings and Oncor shall together not be liable to indemnify the EFH Indemnified Parties pursuant to this Section 9 for an amount that exceeds, in the aggregate, the Additional EFH Group Tax Liability.

SECTION 10. Applicability. This Agreement shall apply to any Tax Return in respect of any member of the EFH Group or the Oncor Holdings Group that is due (after taking into

account any legally permissible extensions) following the Effective Date and to any Tax Return in respect of any member of the EFH Group or the Oncor Holdings Group, for so long as the applicable statute of limitations remains open (the “Applicable Tax Returns”).

SECTION 11. Assistance and Cooperation. EFH, Minority Investor, Management Investor, Oncor Holdings and/or Oncor, as appropriate, shall and shall cause their respective Affiliates to (i) cooperate fully in preparing for any Tax Proceedings with respect to any Applicable Tax Return, (ii) make available to the others as reasonably requested all information, records, and documents relating to any Applicable Tax Return, (iii) provide timely notice to the others of any pending or threatened tax audits or assessments with respect to any Applicable Taxable Year and (iv) furnish the others with copies of all correspondence received from any Taxing Authority in connection with any Tax Proceeding or information request with respect to any Applicable Taxable Year.

SECTION 12. Disputes.

(a) Negotiation by Officers. In the event of a controversy, dispute or claim arising out of, in connection with, or in relation to the negotiation, interpretation, performance, nonperformance, validity or breach of this Agreement or otherwise arising out of, or in any way related to this Agreement, including, without limitation, any claim based on contract, tort, statute or constitution (collectively, “Agreement Disputes”), officers appointed by the chief executive officers of the relevant parties shall negotiate in good faith for a reasonable period of time to settle such Agreement Dispute. If that Agreement Dispute cannot be settled through direct discussions by the 20th calendar day (or as such date may be extended by the mutual agreement of the parties) after such officers first discuss the matter, then the Agreement Dispute will be resolved as set forth below:

(b) Mediation. If any Agreement Dispute is not resolved pursuant to Section 12(a), the Parties agree to attempt to settle the dispute in an amicable manner by mediation with a jointly appointed Tax Professional. Each party to the mediation shall bear its own expenses with respect to the mediation and the parties shall share equally the fees and expenses of the mediator. Any demand for initiation of mediation of a dispute must be given in writing and must set forth in reasonable detail the nature of the dispute. Mediation may be concluded by any party thereto at any time. The mediator shall not have the authority to render any award or otherwise bind the parties to any action. Each party to the mediation shall bear its own expenses with respect to the mediation and the parties shall share equally the fees and expenses of the mediator. Any mediation conducted pursuant hereto shall be conducted at a site in Dallas, Texas selected by the mediator that is reasonably convenient to the parties. The mediator shall be disqualified as a witness, consultant, expert or counsel for any party with respect to the dispute of any related matter. All information and documents disclosed in mediation by any Person shall remain private and confidential to the disclosing Person and may not be disclosed by any Person outside the mediation. No privilege or right with respect to any information or document disclosed in mediation shall be waived or lost by such disclosure.

(c) Arbitration. In the event that any Agreement Dispute is not settled pursuant to the mediation procedures set forth above, such Agreement Dispute shall be resolved by final and binding arbitration conducted pursuant to the American Arbitration Association Commercial Arbitration Rules, Title 9 of the U.S. Code and the Texas Arbitration Act. Notwithstanding anything to the contrary contained herein, the parties agree that the American Arbitration Association shall not administer any Agreement Dispute. Judgment on the award rendered by the arbitrators may be entered in any federal court in the Northern District of Texas, Dallas

Division or a state court in Dallas County, Texas. Any challenge to any arbitration award shall be filed in and each party agrees not to remove or transfer such action from a federal court in the Northern District of Texas, Dallas Division or a state court in Dallas County, Texas. Notwithstanding the foregoing, in the event the Minority Investor is a party to an Agreement Dispute, any challenge to any arbitration award shall in the first instance be filed in and each party agrees not to remove or transfer such action from the United States District Court for the Southern District of New York or any state court setting in the City of New York, Borough of Manhattan.

(1) Any party desiring to commence arbitration shall send a written notice (an "Arbitration Notice") to the other party describing the dispute and setting forth the matters to be resolved by the arbitration. Within ten Business Days after the date of such notice (an "Arbitration Notice Period"), the other party may, if such party does not agree with the description or statement of matters to be resolved, send an Arbitration Notice to the other party describing the dispute and setting forth the matters to be resolved by the arbitration. Within ten Business Days after the end of the Arbitration Notice Period, the parties shall, if they can agree, select an arbitrator to resolve the dispute. In the event that the parties have not selected an arbitrator within ten Business Days of the end of the Arbitration Notice Period, then the dispute shall be resolved by majority decision of a panel of three arbitrators, one selected by each party and the third selected by the two party-selected arbitrators, which the parties agree to instruct such arbitrators to make.

(2) The place of arbitration shall be Dallas, Texas.

(3) The arbitrator(s) shall have no authority to award punitive damages or any other damages not measured by the prevailing party's actual losses, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of this Agreement.

(4) At any time after the commencement of arbitration hereunder, any party may make an application to the arbitrator(s) seeking injunctive relief to maintain the status quo until such time as the arbitration award is rendered or the controversy is otherwise resolved. Either party may also apply to any court having jurisdiction hereof at any time to seek injunctive relief until such time as the arbitration award is rendered or the controversy is otherwise resolved.

(5) Except as required by Law, or with the consent of both parties involved in an arbitration, no party hereto shall disclose or disseminate any information relating to an Agreement Dispute or to the dispute resolution proceedings called for hereby except for disclosure to those of its officers, employees, accountants, attorneys and agents whose duties reasonably require them to have access to such information.

(6) The parties in the arbitration shall share equally the costs and expenses of the arbitration. Each party shall otherwise bear its own fees and expenses.

SECTION 13. Interest. Payments pursuant to this Agreement shall bear interest (i) if such payments are not made within the period prescribed in this Agreement (the "Payment Period"), for the period from and including the date immediately following the last date of the Payment Period through and including the date of payment, and (ii) if such payments are made in accordance with the resolution of a dispute pursuant to Section 12, for the period from and including the date on which notice was first given by the disputing party through and including the date of such resolution; in each case at a per annum rate equal to the lesser of (i) the prime rate as published in the Wall Street Journal on the last day of such payment period, plus two

percent (2%) and (ii) the maximum lawful amount of interest then permitted to be charged. Such interest shall be payable at the same time as the payment to which it relates and shall be calculated on the basis of a year of 365 days and the actual number of days for which it is due.

SECTION 14. Tax Treatment of Certain Entities. As of the date of this Agreement, Oncor Holdings is treated as a disregarded entity for U.S. federal income tax purposes and Oncor is treated as a partnership for U.S. federal income tax purposes.

SECTION 15. Jointly Owned Entities. EFH, Oncor Holdings and Oncor represent that they will not own a direct or indirect interest in a Jointly Owned Entity.

SECTION 16. Amendment. This Agreement may be amended, modified or supplemented only by a written agreement signed by the Parties hereto.

SECTION 17. Assignment. This Agreement shall not be assignable, in whole or in part, directly or indirectly, by any party without the prior written consent of the other Parties, and any attempt to assign any rights or obligations arising under this Agreement without such consent shall be void.

SECTION 18. Successors and Assigns. The terms of this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

SECTION 19. Governing Law. This Agreement and all claims arising out of or based upon this Agreement or relating to the subject matter hereof shall be governed by and construed in accordance with the laws of the State of Texas without giving effect to any choice or conflict of laws provision or rule that would cause the application of the laws of any other jurisdiction.

IN WITNESS WHEREOF, the parties hereto have duly executed this Amended and Restated Tax Sharing Agreement as of the date first above written.

EXHIBIT A

(a) **Applicable Taxable Years Ending after the Effective Date.** For purposes of computing the Oncor Holdings Separate Tax Liability and the Oncor Separate Tax Liability with respect to U.S. federal consolidated income taxes or other taxes shown on combined returns for Applicable Taxable Years ending after the Effective Date, the Tax liability of the Oncor Group and the Oncor Holdings Group (each referred to in this exhibit as a “Member”), calculated as if such group had filed a consolidated or combined Tax Return (assuming each was treated as a corporation for tax purposes) for itself and each Member of the group separate and apart from the EFH Group, shall be determined by the following formula (with each step further described below):

1. Regular tax liability
2. Add: alternative minimum tax
3. Subtract: credits against tax
4. Subtotal: tax liability due from Member
5. Subtract: prior payments from Member
6. Total: payment due from Member

(1) *Step 1: Regular Tax Liability.* Each Member shall be charged or credited for its regular tax liability. The regular tax liability is equal to the taxable income of the Member determined as if such Member were a corporation multiplied by 35%. A Member has a net operating loss for any year in which the taxable income of the Member is negative.

(2) *Step 2: Alternative Minimum Tax.* Each Member shall be charged for its alternative minimum tax liability or credited for its minimum tax credit utilized. The alternative minimum tax liability or minimum tax credit utilized by a Member is calculated as follows:

(a) *Step 2A: Tentative Minimum Tax.* Calculate the tentative minimum tax of each Member. The tentative minimum tax of a Member is equal to the alternative minimum taxable income or loss of the Member multiplied by 20%. The alternative minimum taxable income or loss of a Member shall be computed on the basis of the Member’s taxable income as determined in Step 1 above adjusted to take into account (i) the adjustments and preferences provided in Code Sections 56 (excluding the Code Section 56(g) adjustment relating to ACE), 57, and 58, and (ii) the portion of the consolidated ACE adjustment under Proposed Treasury Regulation Section 1.1502-55(b)(3) attributable to such Member.

(b) *Step 2B: Alternative Minimum Tax Liability.* Calculate the alternative minimum tax liability of each Member. The alternative minimum tax liability of a Member is equal to the difference of (but not less than zero) the (i) tentative minimum tax of the Member (calculated as provided in step 2A above) and (ii) the regular tax liability of the Member (calculated as provided in step 1 above) adjusted as provided in Code Section 55(c) (relating to foreign tax credits and other adjustments).

(3) *Step 3: Credits Against Tax.* Each Member is credited for any credits against tax reflected on the balance sheet of the Member on the Effective Date or properly allocable to the Member following the Effective Date.

(4) *Step 4: Subtotal—Tax Liability Due From Member.* The total of the amounts in steps 1 through 3 represents the amount due from each Member to EFH, or in the case of Oncor, to EFH, Minority Investor and Management Investor in accordance with Section 4 of this Agreement.

(5) *Step 5: Prior Payments.* Each Member shall be credited for all prior payments to EFH, or in the case of Oncor, to EFH, Minority Investor and Management Investor, for the relevant period with respect to the relevant tax.

(6) *Step 6: Payment Due.* The difference between the amount calculated in step 4 and the credit in step 5 shall represent the amount due from the Member to EFH, or in the case of Oncor, to EFH, Minority Investor and Management Investor.

(b) Applicable Taxable Years Ending prior to the Effective Date. For purposes of computing the Oncor Holdings Separate Tax Liability and the Oncor Separate Tax Liability with respect to U.S. federal consolidated income taxes or other taxes shown on combined returns for Applicable Taxable Years ending prior to the Effective Date, the Tax liability of each Member shall be determined by the following formula (with each step further described below):

1. Regular tax liability
2. Add: alternative minimum tax
3. Subtract: credits against tax
4. Subtotal: tax liability due from (to) Member
5. Subtract: prior payments from (to) Member
6. Total: payment due from (to) Member

(1) *Step 1: Regular Tax Liability.* Each Member shall be charged or credited for its regular tax liability. The regular tax liability of a Member is calculated as follows:

(a) *Consolidated Taxable Income.* If the Consolidated Group has zero or positive consolidated taxable income for the year (as determined under Treasury Regulation Section 1.1502-11(a)), the regular tax liability of each Member is equal to the taxable income of the Member multiplied by 35%.

(b) *Consolidated Net Operating Loss.* If the Consolidated Group has a consolidated net operating loss for the year (as defined in Treasury Regulation Section 1.1502-21(e)),

(1) the regular tax liability of any Member having positive taxable income is equal to the taxable income of the Member multiplied by 35%, and

(2) the regular tax liability of any Member having negative taxable income (i.e., a net operating loss) is a credit equal to the aggregate regular tax liability of all Members having positive taxable income multiplied by a fraction the numerator of which is net operating loss of the Member and the denominator of which is the total net operating loss of all Members having a net operating loss.

(c) *Taxable Income of a Member*

(1) *In General.* The taxable income of a Member shall be determined in accordance with Treasury Regulation Section 1.1552-1(a)(1)(ii) (excluding the last sentence of such subdivision which causes a Member's taxable income to be zero if the calculation results in an excess of deductions over gross income). A Member has a net operating loss for any year in which the taxable income of the Member is negative.

(2) *Allocation of Consolidated Net Operating Loss Deduction.* For purposes of computing the taxable income of a Member for any year, the portion of the consolidated net operating loss deduction for such year (if any) attributable to such Member shall be an amount equal to the consolidated net operating loss deduction for such year ("loss absorption year") multiplied by a fraction, the numerator of which is the Member's net operating loss for the year in which the net operating loss carryover or carryback arises ("loss origination year"), and the denominator of which is the total of the net operating losses of all Members for the loss origination year to the extent such losses are included in the net operating loss carryover or carryback utilized in the loss absorption year.

(d) *Full Allocation.* The sum of the regular tax liabilities of all Members shall be equal to the consolidated regular tax liability of the group as defined in Proposed Treasury Regulation Section 1.1502-2(a)(1)(i).

(2) *Step 2: Alternative Minimum Tax.* Each Member shall be charged for its alternative minimum tax liability or credited for its minimum tax credit utilized. The alternative minimum tax liability or minimum tax credit utilized by a Member is calculated as follows:

(a) *Step 2A: Tentative Minimum Tax.* Calculate the tentative minimum tax of each Member. The tentative minimum tax of a Member is equal to the alternative minimum taxable income or loss of the Member multiplied by 20%, minus the portion of the consolidated alternative minimum tax foreign tax credit attributable to the Member. The alternative minimum taxable income or loss of a Member shall be computed on the basis of the Member's taxable income

as determined in Step 1 above adjusted to take into account (i) the adjustments and preferences provided in Code Sections 56 (excluding the Code Section 56(g) adjustment relating to ACE), 57, and 58, (ii) the portion of the consolidated ACE adjustment under Proposed Treasury Regulation Section 1.1502-55(b)(3) attributable to such Member, and (iii) the portion of the consolidated ATNOL deduction under Proposed Treasury Regulation Section 1.1502-55(b)(4) attributable to such Member. The sum of the tentative minimum tax of all Members shall be equal to the consolidated AMT of the group as defined in Proposed Treasury Regulation Section 1.1502-55(a)(1).

(b) *Step 2B: Separate Tax Liability.* Calculate the separate tax liability of each Member. The separate tax liability of a Member is equal to the greater of the (i) tentative minimum tax of the Member (calculated as provided in step 2A above) and (ii) the regular tax liability of the Member (calculated as provided in step 1 above) adjusted as provided in Code Section 55(c) (relating to foreign tax credits and other adjustments).

(c) *Step 2C: Separate Alternative Minimum Tax.* Calculate for each Member the separate alternative minimum tax. The separate alternative minimum tax of a Member is equal to the excess (if any) of the regular tax liability of the Member as calculated in step 2B(ii) over the separate tax liability of the Member as calculated in step 2B.

(d) *Step 2D: Consolidated AMT Difference.* Calculate for the consolidated AMT difference. The consolidated AMT difference is equal to (i) the sum of the tentative minimum tax amounts for all Members of the Consolidated Group, minus (ii) the sum of the separate tax liability amounts for all Members of the Consolidated Group.

(e) *Step 2E: Allocated Consolidated AMT Difference.* Calculate the allocated consolidated AMT difference for each Member. The allocated consolidated AMT difference of a Member is equal to the consolidated AMT difference calculated in step 2D, multiplied by a fraction, the numerator of which is the separate alternative minimum tax of the Member calculated in step 2C, and the denominator of which is the sum of the separate alternative minimum tax amounts for all Members as calculated in step 2C.

(f) *Step 2F: Alternative Minimum Tax Liability or Minimum Tax Credit Utilized.* Calculate the alternative minimum tax for each Member. The alternative minimum tax of a Member is the sum of (i) the separate alternative minimum tax of the Member calculated in step 2C and (ii) the allocated consolidated AMT of the Member calculated in step 2E. A positive sum represents alternative minimum tax liability incurred (minimum tax credit generated), and a negative sum represents minimum tax credit utilized (regular tax liability reduced).

(3) *Step 3: Credits Against Tax.* Each Member is credited for the portion of the consolidated credits against tax under sections 21 through 52 of the Code attributable to the Member. The portion of any particular credit attributable to any Member shall be based on a fraction, the numerator of which is the Member's gross credit on a stand alone basis (i.e., without reduction for any limitation based on the Member's tax liability or other factors), and the denominator of which is the total gross credit of all Members).

(4) *Step 4: Subtotal - Tax Liability Due From (To) Member.* The sum of the charges (positive amounts) and credits (negative amounts) in steps 1 through 3 represents the amount due from each Member to EFH (if the net amount is a positive amount) or due from EFH to the Member (if the net amount is a negative amount).

(5) *Step 5: Prior Payments.* Each Member shall be credited for all prior payments to EFH, and charged for all prior payments by EFH to the Member, with respect to the Consolidated Tax Liability for the taxable year.

(6) *Step 6: Payment Due.* The subtotal calculated in step 4 as adjusted for the charges or credits in step 5 shall represent the amount due from the Member to EFH (if positive) or from EFH to the Member (if negative) with respect to the adjustments to the Consolidated Tax Liability or tax items of Members for the taxable year.

(c) Utilization of Carryback Items. Treasury Regulation 1.1502-21 or any successor provision shall govern the ordering and priority of utilization of any carryback item, including any Ventures Carryback Item, to any return filed by the Consolidated Group.

(d) Treatment of EFH. For purposes of the allocation of taxes under this agreement, EFH is a Member of the Consolidated Group with respect to its tax items, and the aggregate payments due from or to EFH shall take into account payments due to or from EFH in its role as a Member of the group, such that the net amount of all payments from and to EFH is zero.
