Further, in resolving any such objection, the Independent Accountant may not assign a value to any particular item greater than the greatest value for such item claimed by either Party or less than the lowest value for such item claimed by either Party.

(c) Settlement. If the Final Working Capital Adjustment (as finally determined pursuant to **Section 2.05(b)**) is positive, then on or before the second (2nd) Business Day after such final determination, Purchaser shall pay to Seller, an aggregate amount equal to the Final Working Capital Adjustment to such account(s) as specified by Seller by wire transfer of immediately available funds in U.S. Dollars. If the Final Working Capital Adjustment (as finally determined pursuant to **Section 2.05(b)**) is negative, then on or before the second (2nd) Business Day after such final determination, Seller shall pay to Purchaser, an aggregate amount equal to the absolute value of the Final Working Capital Adjustment to such account(s) as specified by Purchaser by wire transfer of immediately available funds in U.S. Dollars. All Purchase Price adjustments made pursuant to this **Section 2.05(c)** shall be treated by all parties for tax purposes as adjustments to the Purchase Price.

(d) Fees of the Independent Accountants. Purchaser shall pay a portion of the fees and expenses of the Independent Accountant equal to one hundred percent (100%) multiplied by a fraction, the numerator of which is the amount of disputed amounts submitted to the Independent Accountant that are resolved in favor of Seller (that being the absolute value of the difference between the Independent Accountants' determination and Purchaser's determination) and the denominator of which is the total amount of disputed amounts submitted to the Independent Accountants (that being the sum total by which Seller's determination and Purchaser's determination differ from the determination of the Independent Accountants). Seller shall pay that portion of the fees and expenses of the Independent Accountants that the Purchaser is not required to pay hereunder.

Section 2.06 Further Assurances; Post-Closing Cooperation.

(a) Subject to the terms and conditions of this Agreement, at any time or from time to time after the Closing, each of the Parties hereto shall use its commercially reasonable efforts to execute, acknowledge and deliver such other documents and instruments, provide such materials and information, and take such other actions as may reasonably be necessary, proper or advisable, to the extent permitted by Law, to fulfill its obligations under this Agreement.

(b) Subject in each case to applicable confidentiality obligations to third parties (so long as the applicable Party has used its commercially reasonable efforts to obtain the consents necessary to waive such confidentiality obligations), following the Closing, Seller and Purchaser shall, and Purchaser shall cause the Company to, use commercially reasonable efforts to afford the other Party, its counsel and its accountants, during normal business hours, reasonable access to the books, records and other data, documents or reports relating to the business or financial or

operating condition of the Company in their possession with respect to periods prior to the Closing Date and the right to make copies and extracts therefrom, in each case solely to the extent that such access may reasonably be required by the requesting Party in connection with (i) compliance with the requirements of any Governmental or Regulatory Authority or (ii) in connection with any actual or threatened Action or Proceeding; provided, however, that Seller and its Affiliates (other than the Company) shall not be required to make available their income Tax Returns. Further, Seller and Purchaser shall not, and Purchaser shall cause the Company to not, for a period extending seven (7) years after the Closing Date, or such longer period as such books, records and other data remain relevant to open Tax years or to any pending investigation by a Governmental or Regulatory Authority or any pending litigation if such investigation or litigation relates in any material respect to matters occurring prior to the Closing, destroy or otherwise dispose of any such books, records and other data unless such Party shall first offer by notice to the other to surrender such books, records and other data to the notifying Party, to be held subject to appropriate confidentiality restrictions as applicable, and such other Party shall not agree in writing to take possession thereof during the ten (10) day period after such offer is made.

Section 2.07 Withholding. If any amount is required by Law to be deducted or withheld on account of any Tax with respect to payments made under this Agreement to Seller, such Tax shall be deducted by Purchaser or the Escrow Agent, as applicable, from the amounts required to be paid under this Agreement and such Person shall promptly remit such deduction or withholding on account of any Tax (if any) to the relevant Governmental or Regulatory Authority and shall promptly provide the Seller with the appropriate receipts for such payments. All Tax amounts deducted or withheld from payments pursuant to the preceding sentence shall be treated as having been actually paid to the Seller for purposes of this Agreement.

Section 2.08 Pre-Closing Restructuring. Immediately prior to the Closing and upon the terms and conditions set forth in this Agreement, Seller will cause the transactions set forth on **Section 2.08 of the Seller Disclosure Schedule** to occur (such transactions, collectively, the “**Pre-Closing Restructuring**”).

Section 2.09 Purchase Price Allocation. Purchaser and Seller agree that, for U.S. federal income tax purposes, the purchase of the Interests will be treated as an acquisition of the assets of the Company. In consideration for the Purchase Price and the applicable liabilities of the Company, within sixty (60) days after the Purchase Price is finally determined pursuant to **Section 2.05**, Purchaser shall prepare and deliver to Seller an allocation statement (the “**Allocation**”) allocating the Purchase Price (and any assumed liabilities to the extent properly taken into account under the Code) among the assets of the Company in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of state, local or foreign Law, as appropriate). Seller shall provide the Allocation to NRG for review and comment and shall send Purchaser a written notice of any objections to the Allocation within a commercially reasonable period of time following the Closing Date. Seller, NRG and Purchaser shall work in good faith to resolve any disputes relating to the Allocation. If Seller, NRG and Purchaser are unable to resolve any such dispute within twenty (20) days after Purchaser’s receipt of objections by Seller and/or NRG, any remaining disputes shall be submitted to a nationally recognized independent public accounting firm as mutually agreed to by Seller, NRG and Purchaser. The Allocation, as finally determined hereunder, shall be adjusted to reflect any adjustment to the Purchase Price provided under this Agreement as mutually agreed by Purchaser and Seller (and

agreed to by NRG). Purchaser and Seller shall file all Tax Returns (including, but not limited to, Internal Revenue Service Form 8594) consistent with the Allocation, as finally determined hereunder (as adjusted in accordance with this **Section 2.09**). Neither Purchaser nor Seller shall take any Tax position inconsistent with such Allocation (as adjusted in accordance with this **Section 2.09**) except as required, after using good faith efforts to support the Allocation in any applicable challenge by a Governmental or Regulatory Authority, to settle a dispute with a Governmental or Regulatory Authority with respect to the Allocation.

Section 2.10 Post-Closing Excess Fuel Inventory Payments.

(a) Fuel Inventory Payments. After the Closing, Purchaser and the Company shall pay, or shall cause to be paid, to Seller or its designee for all Excess Fuel Inventory as follows (such payments set forth in Section 2.10(a)(i) and Section 2.10(a)(ii), the “**Fuel Inventory Payments**”):

(i) Monthly Consumption Payment. With respect to each calendar month that ends during the Fuel Inventory Payment Period, a cash payment in an amount equal to the actual amount of No. 6 Oil consumed at the Project during such calendar month (the “**Monthly Consumption**”), *multiplied* by the Market Price; and

(ii) True Up Payment. At the end of the Fuel Inventory Payment Period, if the aggregate Monthly Consumption during the Fuel Inventory Payment Period is less than the Excess Fuel Inventory (a “**Fuel Inventory Payment Shortfall**”), a cash payment equal to the positive difference between (A) the Excess Fuel Inventory and (B) the aggregate Monthly Consumption during the Fuel Inventory Payment Period, *multiplied* by the Market Price.

(b) Payment Timing. Each Fuel Inventory Payment is a separate stand-alone payment obligation and Seller’s entitlement to any Fuel Inventory Payment is not contingent upon any other Fuel Inventory Payment having accrued. Each Fuel Inventory Payment owing to Seller hereunder shall be due and payable to Seller within ten (10) Business Days after (i) with respect to Section 2.10(a)(i), the end of the applicable calendar month, and (ii) with respect to Section 2.10(a)(ii), after the end of the Fuel Inventory Payment Period. Concurrently with such payment, Purchaser shall cause the Company to provide reasonably detailed documentation regarding the then-current amount of Excess Fuel Inventory and the Monthly Consumption during the applicable Fuel Inventory Payment Period.

(c) Failure to Pay. If Purchaser fails to pay any Fuel Inventory Payment owing pursuant to this Section 2.10 within the time period specified, as applicable, then Purchaser shall pay the costs and expenses (including reasonable legal fees and expenses) incurred by Seller in connection with any Action or Proceeding taken to collect payment of such amount, together with interest on such unpaid amount at the Applicable Rate, calculated on a daily basis from the date such amounts were required to be paid until the date of actual payment.

(d) Assignment of Fuel Inventory Payments. Notwithstanding anything in this Agreement to the contrary, upon notice to Purchaser, Seller shall have the right at any time to sell, assign or transfer all or a portion of its right to receive the Fuel Inventory Payments under this Section 2.10.

(e) Tax Treatment of Fuel Inventory Payments. Seller and Purchaser agree that, for applicable tax purposes, the right to receive the Fuel Inventory Payments will not constitute a purchase price adjustment but, instead, shall constitute separate consideration paid by Purchaser to Seller at Closing. Seller and Purchaser shall value the right to receive the Fuel Inventory Payments at Closing in a manner consistent with applicable federal income tax law and shall include such amount in the amount realized by Seller at Closing. The valuation determined pursuant to the preceding sentence shall control for all applicable tax purposes (including, but not limited to, **Section 2.09**) notwithstanding anything in this Agreement to the contrary. If Purchaser and Seller are unable to resolve any dispute with respect to this **Section 2.10(e)** then all such unresolved disputes shall be submitted to a nationally recognized independent public accounting firm as mutually agreed to by Seller and Purchaser.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLER

performance of its obligations under, this Agreement and the Seller Transaction Documents, and the consummation of the transactions contemplated hereby and thereby, including the Pre-Closing Restructuring, do not:

(a) conflict with or result in a violation, breach or default of any of the terms, conditions or provisions of the Governance Documents of Seller;

(b) conflict with or result in a violation, breach or default of any term or provision of any Law or Order applicable to Seller or any of its Assets except, in each case, where such conflict, violation, breach or default would not, individually or in the aggregate, reasonably be expected to be material to the condition (financial or otherwise), assets, liabilities, businesses or result of operations of the Company;

(d) result in the creation or imposition of any Lien on the Interests (other than (i) Liens imposed under the Company LLC Agreement, (ii) restrictions on transfer that may be imposed by applicable federal or state securities Laws, (iii) encumbrances that arise solely out of any actions taken by Purchaser or its Affiliates, or taken on Purchaser's behalf by Purchaser's Representatives or Lenders or by any other Person at the request of Purchaser or its Affiliates, and (iv) such other Liens as will be discharged in full prior to or at the Closing).

The Company is qualified or licensed to do business and is in good standing in the states in which the conduct of its business or locations of its assets and properties makes such qualification necessary, except where failure to be so qualified or be in good standing would not, individually or in the aggregate, reasonably be expected to result in a Company Material Adverse Effect. Agreement or the performance by Seller of its obligations under this Agreement or the Seller Transaction Documents.

Except for Credit Suisse Securities (USA) LLC, the fees and expenses of which will be paid by GenOn Energy, Inc., no broker, finder or agent acting on behalf of Seller, its Affiliates or any of their respective stakeholders is entitled to any fee or commission with respect to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby that would be payable by Purchaser or its Affiliates (including, after the Closing, the Company).

Section 5.01 Legal Existence. Purchaser is a limited liability company duly formed, validly existing and in good standing under the Laws of the State of Delaware. Purchaser is qualified to do business and is in good standing in the states that the conduct of its business or locations of its assets and properties makes such qualification necessary, except where failure to be so qualified or to be in good standing would not, individually or in the aggregate, reasonably be expected to be material to Purchaser’s ability to perform its obligations hereunder or under other

agreements and instruments to be executed and delivered by Purchaser in connection with this Agreement (the “**Purchaser Transaction Documents**”). Purchaser has all requisite power and authority to execute, deliver and perform its obligations under this Agreement and the Purchaser Transaction Documents, including to purchase the Interests pursuant hereto.

The execution and delivery by Purchaser of, and the performance by Purchaser of its obligations under, this Agreement and the Purchaser Transaction Documents and the consummation by Purchaser of the transactions contemplated hereby and thereby have been duly and validly authorized by all required action on the part of Purchaser. This Agreement and each of the Purchaser Transaction Documents has been duly and validly executed and delivered by Purchaser and, assuming the due authorization, execution and delivery thereof by the other parties hereto and thereto, constitutes a legal, valid and binding obligation of Purchaser enforceable against Purchaser in accordance with its terms, except as the same may be limited by the Enforceability Limitations.

Section 5.03 No Conflicts. Except as described on **Section 5.03 of the Purchaser Disclosure Schedule**, and assuming all filings, notices, consents, approvals, authorizations, and other actions described in **Section 5.04 of the Purchaser Disclosure Schedule** have been obtained, the execution and delivery by Purchaser of, and the performance of its obligations under, this Agreement, the Purchaser Transaction Documents and the consummation of the transactions contemplated hereby and thereby, including the Pre-Closing Restructuring, will not:

- (a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of any Governance Document of Purchaser;
- (b) conflict with or result in a violation or breach of any term or provision of any Law or Order applicable to Purchaser or any of its assets and properties; or
- (c) (i) conflict with or result in a material violation or material breach of, (ii) constitute (with or without notice, lapse of time or both) a material default (or give rise to any right of termination, cancellation or acceleration) under, or (iii) require Purchaser to obtain any consent, approval or action of, make any filing with or give any notice to any Person as a result or under the terms of, any material Contract, Permit or Governmental or Regulatory Approval to which Purchaser is a party or by which any of its assets and properties is bound.

Section 5.04 Governmental or Regulatory Approvals. Except as set forth in **Section 5.04 of the Purchaser Disclosure Schedule**, no Governmental or Regulatory Approval on the part of Purchaser is required in connection with the execution and delivery by Purchaser of this Agreement, the Purchaser Transaction Documents or the consummation of the transactions contemplated hereby and thereby, including the Pre-Closing Restructuring.

Section 5.05 Legal Proceedings. There are no Actions or Proceedings pending or, to the Knowledge of Purchaser, threatened in writing against Purchaser or any of its assets or properties that would reasonably be expected to result in the issuance of an Order restraining, enjoining or otherwise prohibiting, delaying or making illegal the purchase by Purchaser of the Interests under this Agreement or the performance by Purchaser of its obligations under this Agreement or the Purchaser Transaction Documents.

Section 5.06 Investment Representations. Purchaser is a knowledgeable and sophisticated investor experienced (or owned or managed by Persons experienced) in evaluating investments and, in particular (either on its own or with advisors), power generation facilities and has the knowledge, experience and resources to enable it to evaluate and to bear the risks of the investment contemplated hereunder. Purchaser understands that (a) the purchase and sale of the Interests under this Agreement will not be registered or qualified under the Securities Act of 1933, as amended, or any state securities or blue sky Laws, (b) there is no public market for the Interests and it is not anticipated that there shall be and (c) the Interests must be held, and Purchaser must continue to bear the economic risk of the investment in the Interests, until the Interests or the sale thereof, as applicable, are subsequently registered under the Securities Act and any applicable state or non-U.S. securities Laws or an exemption from registration is available. The Interests are being acquired by Purchaser for its own account for the purpose of investment and not with a view to distribution in violation of the Securities Act, as amended, or any applicable state securities or blue sky Laws.

Section 5.07 Brokers. No broker, finder or agent acting on behalf of Purchaser or its Affiliates is entitled to any fee or commission with respect to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby that would be payable by Seller or its Affiliates.

Section 5.08 Financing.

(a) Purchaser has received and accepted an executed commitment letter dated as of the date of this Agreement (together with each exhibit, annex, schedule or other attachment thereto, as amended, modified, supplemented, replaced or extended from time to time after the date of this Agreement in compliance with **Section 7.06(b)**, the “**Debt Commitment Letter**”) from the lenders party thereto (including any lenders who become party thereto by joinder in accordance with the terms thereof) (collectively, the “**Lenders**”) pursuant to which the Lenders have agreed, subject to the terms and conditions thereof, to provide the debt amounts set forth therein, which is the full amount of the debt financing required to consummate the transactions contemplated by this Agreement (such debt financing and any permitted Alternative Debt Financing, the “**Debt Financing**”). Purchaser has delivered to Seller true, complete and correct copies of the executed Debt Commitment Letter, the Equity Commitment Letter and a customary redacted (i.e. redacted as to pricing terms, market flex and other economic terms) version of the fee letter referred to in the Debt Commitment Letter (and none of such redacted portions would adversely affect the amount, conditionality or availability of the Debt Financing) (each as amended, modified, supplemented, replaced or extended from time to time after the date of this Agreement in compliance with **Section 7.06(b)**, the “**Fee Letter**”). The Commitment Letters have not been amended or modified prior to the date of this Agreement and no such amendment or modification that could reasonably be expected to impact the conditionality or aggregate amount of the Financing is contemplated. As of the date of this Agreement, (a) the respective commitments contained in the Commitment Letters have not been withdrawn, modified, amended, terminated or rescinded in any respect and (b) no such withdrawal, termination, rescission, amendment or modification is contemplated (other than amendments and modifications permitted under **Section 7.06(b)**). Except as set forth in the Commitment Letters, there are no conditions precedent to the obligations of the Lenders or Equity Financing providers to provide the Financing or any contingencies that would permit the Lenders or Equity Financing providers to reduce the

total amount of the Financing. There are no agreements, side letters or other arrangements relating to the Financing to which Purchaser or any of its Affiliates is a party that could impose conditions to the funding of the Financing, other than those set forth in the Commitment Letters. As of the date of this Agreement, the Commitment Letters are in full force and effect and constitute the legal, valid and binding obligations of Purchaser and, to the Knowledge of Purchaser, the other parties thereto, subject to the qualification that such enforceability may be limited by bankruptcy, insolvency, reorganization or other laws of general application relating to or affecting rights of creditors and that equitable remedies, including specific performance, are discretionary and may not be ordered. Assuming the Financing is funded in accordance with the Commitment Letters and the accuracy of the representations and warranties of Seller and the Company set forth in this Agreement and performance by each of them of their respective obligations hereunder, as of the date of this Agreement, Purchaser is able to, and does not have any reason to believe that it will be unable to, satisfy on a timely basis any term or condition to the initial funding of the Financing on the Closing Date contained in the Commitment Letters required to be satisfied by it. Subject to its terms and conditions, the Financing, when funded in accordance with the Commitment Letters and the Fee Letter, will provide Purchaser with cash on the Closing Date, together with available cash, sufficient to consummate the transactions contemplated by this Agreement (including making all necessary payments of fees and expenses in connection with the transactions contemplated hereby). As of the date of this Agreement, Purchaser has paid in full any and all commitment fees or other fees required to be paid pursuant to the terms of the Commitment Letters or the Fee Letter on or before the date of this Agreement, and will pay in full any such amounts due on or before the Closing Date when such amounts are due.

(b) The Limited Guarantee is valid and in full force and effect and constitutes the valid and binding obligation of the Guarantor, enforceable in accordance with its terms.

(b) Purchaser shall use, and shall cause its Affiliates to use, its reasonable best efforts to comply with its obligations, and enforce its rights, under the Commitment Letters and any Definitive Agreements. Purchaser shall give Seller prompt notice of any material breach (or

alleged or purported material breach) by any party to the Commitment Letters of which Purchaser has become aware or any termination (or alleged or purported termination) of the Commitment Letters. Purchaser shall keep Seller informed on a reasonably current basis in reasonable detail of the status of its efforts to obtain the proceeds of the Debt Financing and shall not permit any amendment or modification to, or any waiver of any material provision or remedy under, the Commitment Letters if such amendment, modification, waiver or remedy (x) would materially delay the occurrence of the Closing, taking into account the expected timing of the Marketing Period, (y) reduces the aggregate amount of the Financing (except as contemplated by the Commitment Letters) or (z) adds new conditions or amends the existing conditions to the drawdown of the Financing, unless Purchaser has available cash sufficient to consummate the Closing. Notwithstanding the foregoing, failure to obtain the Financing and compliance by Purchaser with this **Section 7.06(b)** shall not relieve Purchaser of its obligation to consummate the transactions contemplated by this Agreement whether or not the Financing is available.

(c) In the event that any portion of the Debt Financing becomes unavailable on the terms and conditions (including any “flex provisions”) contemplated in the Debt Commitment Letter and the Fee Letter, regardless of the reason therefor, Purchaser will (i) as promptly as practicable following the occurrence of such event, use its reasonable best efforts to obtain alternative debt financing (the “**Alternative Debt Financing**”) (in an amount sufficient, when taken together with any then-available Debt Financing pursuant to any then-existing Debt Commitment Letter, to consummate the transactions contemplated by this Agreement and to pay related fees and expenses earned, due and payable as of the Closing Date) on terms not less favorable in the aggregate to Purchaser than those contained in the Debt Commitment Letter and the Fee Letter that the Alternative Debt Financing would replace (taking into account any flex provisions) from the same or other sources and that do not include any incremental conditionality to the consummation of such Alternative Debt Financing that are more onerous to Purchaser, Seller and the Company (in each case, in the aggregate) than the conditions set forth in the Debt Commitment Letter in effect as of the date of this Agreement and (ii) as soon as commercially practicable notify Seller of such unavailability and the reason therefor.

(d) For purposes of the foregoing **Section 7.06(a)** through **Section 7.06(c)**, (i) the term “**Debt Commitment Letter**” shall be deemed to include any commitment letter (or similar agreement) with respect to any Alternative Debt Financing arranged in compliance herewith (and any Debt Commitment Letter remaining in effect at the time in question), (ii) the term “**Fee Letter**” shall be deemed to include any fee letter (or similar agreement) and engagement letter (or similar agreement) with respect to any Alternative Debt Financing arranged in compliance with this **Section 7.06**, and (iii) the term “**Lenders**” shall be deemed to include any lenders providing the Alternative Debt Financing arranged in compliance herewith. Purchaser shall keep Seller reasonably informed on a reasonably current basis of the status of its efforts to consummate the Debt Financing. Purchaser shall provide Seller with reasonably prompt notice of (x) any breach, or default by any Financing Source party to any Debt Commitment Letters that the Chief Financial Officer, Chief Executive Officer or General Counsel of Purchaser gains actual knowledge and that such Chief Financial Officer, Chief Executive Officer or General Counsel reasonably believes would result in a Debt Financing Failure and (y) the receipt of written notice or oral notice (only to the extent that the Chief Financial Officer, Chief Executive Officer or General Counsel of Purchaser has actual knowledge of such oral notice) from any Financing

Source party to any Debt Commitment Letters with respect to any breach or default or, termination or repudiation by such Financing Source resulting in a Debt Financing Failure.

(e) Notwithstanding the foregoing or anything contained in this Agreement, Purchaser acknowledges and agrees that the consummation of the transactions contemplated by this Agreement is not conditional upon the receipt by Purchaser of the proceeds of the Financing.

Section 7.07 Canal 3 Transaction Closing. Purchaser shall use commercially reasonable efforts to cause its Affiliates to close the transactions contemplated by the Canal 3 PSA and satisfy all closing conditions thereto; provided, however, that Purchaser, at Purchaser's sole discretion, may cure any breach of this **Section 7.07** by waiving the condition in **Section 9.10** within 10 Business Days of receiving notice of such breach from Seller (and such breach shall not be deemed to be a breach of this Agreement for purposes of the other provisions of this Agreement unless such breach is uncured as of the expiration of such cure period); and provided, further, that if the Canal 3 PSA is terminated due to a failure by Purchaser to cause its Affiliates to obtain financing to consummate the transactions contemplated by the Canal 3 PSA (a "**Canal 3 Financing Failure**"), then **Section 9.10** shall be deemed waived. Purchaser shall promptly give notice to Seller of any anticipated delays or issues satisfying the condition in **Section 9.10**. Notwithstanding the foregoing, Purchaser shall not and shall cause its Affiliates not to (i) amend or waive any term or provision of the Canal 3 PSA (including, for the avoidance of doubt, any exhibits, schedules or annexes thereto) if such amendment or waiver would reasonably be expected to prevent, materially impair or materially delay the consummation of the transactions contemplated by the Canal 3 PSA, unless Purchaser waives **Section 9.10** simultaneously with such amendment or waiver or (ii) agree to amend the Canal 3 PSA to extend the Termination Date (as defined in the Canal 3 PSA) without the prior written consent of Seller.

Section 7.08 Financial Assurances. With respect to any Contract or Lease that is assumed by or assigned to Company after giving effect to the Pre-Closing Restructuring, Purchaser shall provide adequate assurance as required under the Bankruptcy Code of the future performance by Purchaser of each such Contract or Lease. Purchaser and Seller agree that they will promptly take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under such Contract or Lease, such as furnishing timely requested and factually accurate affidavits and other documents or information for filing with the Bankruptcy Court and making Purchaser's employees and Representatives available to testify before the Bankruptcy Court.

ARTICLE VIII ADDITIONAL COVENANTS

Section 8.01 Casualty.

(a) If any of the Assets of the Company are damaged or destroyed by casualty loss after the date of this Agreement and prior to the Closing (each such event, a "**Casualty Loss**"), and the cost of restoring, repairing or replacing such damaged or destroyed Assets to a condition reasonably comparable to their prior condition not taking into account insurance (such amount with respect to any Assets as determined by an independent qualified firm reasonably acceptable to Purchaser and Seller, the "**Restoration Cost**") is greater than \$3,200,000 but does not exceed

\$32,000,000, Seller may elect to (i) reduce the amount of the Closing Purchase Price by the Restoration Cost, less the amount of any insurance proceeds actually received by the Company for such restoration, or (ii) restore, repair or replace the assets or properties relating to such Casualty Loss to a condition reasonably comparable to their prior condition, in each case by notice to Purchaser. If Seller elects to reduce the Closing Purchase Price pursuant to clause (i) above, such Casualty Loss shall not affect the Closing. If Seller elects to restore, repair or replace the assets or properties pursuant to clause (ii) above, then Seller will complete or cause to be completed, using commercially reasonable efforts, the repair, replacement or restoration of the damaged assets or property in accordance with Good Industry Practice prior to the Closing and the Closing Date shall be postponed for the amount of time reasonably necessary to complete the restoration, repair or replacement of such property or assets as reasonably agreed among Purchaser and Seller (provided that such postponement shall not extend beyond the date that is five (5) Business Days prior to the Termination Date and such postponement shall not affect Purchaser's rights to terminate this Agreement pursuant to **Section 12.01(b)** or **Section 12.01(c)**). If Seller does not make any such election by the earlier of forty-five (45) days after the date of such Casualty Loss and the date that is ten (10) Business Days prior to the Termination Date, Purchaser may elect to (x) terminate this Agreement pursuant to **Section 12.01(b)(iii)** within ten (10) Business Days after the end of such time period by written notice to Seller or (y) reduce the amount of the Closing Purchase Price by the Restoration Cost, less the amount of any insurance proceeds actually received by the Company for such restoration. If the Restoration Cost is in excess of \$32,000,000 then Seller or Purchaser may, by notice to the other Party, terminate the Agreement pursuant to **Section 12.01(b)(iii)**. If the Restoration Cost is \$3,200,000 or less, (1) neither Purchaser nor Seller shall have the right or option to terminate this Agreement pursuant to **Section 12.01(b)(iii)** and (2) there shall be no reduction in the amount of the Closing Purchase Price. In the event of a Casualty Loss, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to collect amounts due (if any) under available insurance arrangements in respect of any such Casualty Loss and shall cause any such insurance proceeds to be contributed or assigned to the Company that has suffered such Casualty Loss (provided that in the event the Closing Purchase Price is reduced due to such Casualty Loss, and such Purchase Price reduction does not take into account such insurance proceeds, or Seller elects to restore, repair or replace the assets or properties pursuant to clause (ii) above then any such insurance proceeds that are received by the Company following the Closing shall be promptly remitted to Seller).

(b) To assist Purchaser in its evaluation of any and all Casualty Losses (including Restoration Costs), Seller shall provide Purchaser such access to the properties and assets and such information as Purchaser may reasonably request in connection therewith.

Section 8.02 Condemnation.

(a) If any of the Assets of the Company are taken by condemnation or the power of eminent domain (each, a "**Condemnation**") after the date of this Agreement and prior to the Closing, and the cost of restoring or replacing such Assets to a condition reasonably comparable to their prior condition not taking into account any condemnation award (such amount with respect to any Assets as determined by an independent qualified firm reasonably acceptable to Purchaser and Seller, the "**Condemnation Value**") is greater than \$3,200,000 but does not exceed \$32,000,000, Seller may elect to (i) reduce the amount of the Closing Purchase Price by such Condemnation Value, less the amount of any condemnation award actually received by the

Company or (ii) restore or replace the assets or properties relating to such Condemnation to a condition reasonably comparable to their prior condition, in each case by notice to Purchaser. If Seller elects to reduce the Closing Purchase Price pursuant to clause (i) above, such Condemnation shall not affect the Closing. If Seller elects to restore or replace the assets or properties pursuant to clause (ii) above, then Seller will complete or cause to be completed, using commercially reasonable efforts, the replacement or restoration of the assets or property relating to such Condemnation in accordance with Good Industry Practice prior to the Closing and the Closing Date shall be postponed for the amount of time reasonably necessary to complete the restoration or replacement of such property or assets as reasonably agreed among Purchaser and Seller (provided that such postponement shall not extend beyond the date that is five (5) Business Days prior to the Termination Date and such postponement shall not affect Purchaser's rights to terminate this Agreement pursuant to **Section 12.01(b)** or **Section 12.01(c)**). If Seller does not make any such election by the earlier of forty-five (45) days after the date of such Condemnation and the date that is ten (10) Business Days prior to the Termination Date, Purchaser may elect to (x) terminate this Agreement pursuant to **Section 12.01(b)(iii)** within ten (10) Business Days after the end of such time period by written notice to Seller or (y) reduce the amount of the Closing Purchase Price by the Condemnation Value, less the amount of any condemnation award actually received by the Company. If the Condemnation Value is in excess of \$32,000,000, then either Seller or Purchaser may, by notice to the other Party, terminate this Agreement pursuant to **Section 12.01(b)(iii)**. If the Condemnation Value is \$3,200,000 or less, (1) neither Purchaser nor Seller shall have the right or option to terminate this Agreement pursuant to **Section 12.01(b)(iii)** and (2) there shall be no reduction in the amount of the Closing Purchase Price. In the event of any Condemnation, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to collect amounts due (if any) under any applicable condemnation award in respect of any such Condemnation and shall cause any such condemnation award to be contributed or assigned to the Company that has suffered such Condemnation (provided that in the event the Purchase Price is reduced due to such Condemnation, and such Purchase Price reduction does not take into account such condemnation award, or Seller elects to restore or replace the assets or properties pursuant to clause (ii) above then any condemnation award that is received by the Company following the Closing shall promptly be remitted to Seller).

(b) To assist Purchaser in its evaluation of any and all Condemnation (including Condemnation Value), Seller shall provide Purchaser such access to the properties and assets and such information as Purchaser may reasonably request in connection therewith.

Section 8.03 Certain Tax Matters.

(a) Purchaser, at its own expense, shall timely prepare and file, or caused to be timely prepared and filed, all Tax Returns required to be filed by, or with respect to, the Company after the Closing Date and pay all Taxes due with respect to such Tax Returns (whether relating to a period ending on, before or after the Closing Date); provided, that (A) any GenOn Income Tax Returns filed on a separate basis shall be prepared and filed by the taxpayer responsible to the applicable Governmental or Regulatory Authority for the Taxes payable with respect to such Tax Returns, and (B) any GenOn Income Tax Return filed with respect to a combined, consolidated, or unitary group, shall be filed by the taxpayer which is the common parent of the group of entities included in such Tax Return.

(b) Purchaser and Seller shall cooperate fully, and Purchaser shall cause the Company to cooperate fully, as and to the extent reasonably requested by the other Party (or Parties), in connection with the preparation and filing of Tax Returns pursuant to (a) and any audit, claim or refund, voluntary disclosure agreement process or administrative or judicial proceeding involving any asserted liability with respect to Taxes (each, a “**Tax Proceeding**”). Such cooperation shall include: (i) the provision, in hard copy and electronic forms, of any Tax Returns of the Company, books, records (including information regarding ownership and Tax basis of property), documentation and other information relating to such Tax Returns, including accompanying schedules, related work papers, and documents relating to rulings or other determinations by Taxing Authorities with respect to the Company; (ii) the execution of any document (including any power of attorney) reasonably requested by another Party in connection with any Tax Proceedings of the Company, or the filing of a Tax Return or a refund claim of the Parties or their respective subsidiaries; (iii) the use of the Party’s commercially reasonable efforts to obtain any documentation in connection with a Tax matter relating to the Company or any subsidiary; (iv) making employees, advisors, and facilities available, without charge, on a reasonable and mutually convenient basis in connection with the foregoing matters in a manner that does not interfere with the ordinary business operations of such Party; and (v) retaining or causing to be retained all Tax Returns, schedules and work papers, and all material records or other documents relating thereto in their possession with respect to Taxes or Tax Returns of the Company for a Pre-Closing Tax Period, including all such electronic records, and maintaining all hardware necessary to retrieve such electronic records, in all cases until sixty (60) days after the expiration of the applicable statute of limitations (including any waivers or extensions thereof) of the taxable periods to which such Tax Returns and other documents relate or until the expiration of any additional period that any Party reasonably requests, in writing, with respect to specific material records and documents; provided that a Party intending to destroy any material records or documents shall provide the other Party with reasonable advance notice and the opportunity to copy or take possession of such records and documents; provided, further, the Parties hereto will notify each other in writing of any waivers or extensions of the applicable statute of limitations that may affect the period for which the foregoing records or other documents must be retained.

(c) The Purchaser shall control, at its sole cost and expense, all Tax Proceedings relating to the Company; provided that, the any Tax Proceeding which relates to a GenOn Income Tax Return filed on a separate basis shall be controlled by the taxpayer that is responsible for paying the Taxes with respect to such GenOn Income Tax Return and any Tax Proceeding with respect to a GenOn Income Tax Return filed with respect to any consolidated, combined, or unitary group shall be controlled by the taxpayer that is the common parent of such group.

(d) All transfer, documentary, sales, use, stamp, recording, registration, controlling interest transfer and other similar Taxes and fees (including any penalties and interest) (the “**Transfer Taxes**”) (if any such Transfer Taxes are incurred after accounting for applicable bankruptcy law) incurred in connection with the sale of Interests pursuant to this Agreement (excluding, for the avoidance of doubt, any Transfer Taxes attributable to the Pre-Closing Restructuring) (collectively, the “**Transaction Transfer Taxes**”), shall be borne by Purchaser. Purchaser shall remit the payment for all of the Transaction Transfer Taxes and file or cause to be filed all Tax Returns and other documentation required to be filed by Purchaser with respect to any such Transaction Transfer Taxes, and, if required by applicable Law, Seller shall cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. The Parties

shall cooperate in good faith to take such commercially reasonable actions as will minimize or reduce the amount of such Transaction Transfer Taxes.

(e) Seller and Purchaser acknowledge and agree that the Purchaser is not contractually assuming any Taxes of Seller except as specifically set forth in this Agreement and the Company is not a party to the Tax Matters Agreement that governs certain Tax matters of GenOn and its subsidiaries and Company has no rights or obligations under the Tax Matters Agreement. The Purchaser acknowledges and agrees that pursuant to the Tax Matters Agreement NRG has certain contractual rights and obligations with respect to certain Tax matters and consequently that NRG may need to consent to the manner by which Seller exercise certain rights under this Agreement or Seller's agreement to waive or modify any provision herein relating to Tax matters.

Section 8.04 Collective Bargaining Agreements. Purchaser acknowledges and agrees that the collective bargaining agreement set forth on **Section 4.15(b) of the Seller Disclosure Schedule** (including each related memorandum of understanding, letter of agreement, and other ancillary agreement thereto) applicable to certain of the Business Employees will remain in effect in accordance with its terms immediately following the Closing, and that the Company (or such other Person designated by Purchaser in satisfaction of its obligations under **Section 8.05**, in accordance with **Section 8.05(f)**) will remain bound by the terms and conditions of such agreements until they expire, or are terminated or modified, in accordance with applicable Law.

Section 8.05 Employee Matters.

(a) Prior to Closing, Purchaser shall make offers to each Business Employee with such offers of employment to be effective as of 12:01 A.M. Eastern time on the Closing Date, unless such Business Employee is on a leave of absence on the Closing Date, in which case Seller shall, or shall cause its Affiliates to, retain the employment of such Business Employees until, and such employment offer will be effective as of when, the Business Employee is available to return to active employment if such availability to return occurs within six (6) months following the Closing Date (or any later date to the extent such Business Employee has instatement, reinstatement, re-hire or similar rights under applicable Law on such later date). Such offer shall provide for substantially the same (i) salary, (ii) wages and (iii) target annual bonus of employment as enjoyed by such Business Employee immediately prior to the Closing Date. By extending an offer, Purchaser agrees to hire any Business Employee who chooses to accept such offer, and each Business Employee who accepts such offer of employment from and commences employment with Purchaser or its Affiliate is referred to herein as a "**Transferred Employee**". Except as otherwise specifically provided in this **Section 8.05** or as required by applicable Law, effective as of the Closing Date (or with respect to Business Employees who are on a leave of absence as of the Closing Date, the date on which such individual becomes a Transferred Employee), the employment of the Transferred Employees with Seller shall terminate and the Transferred Employees shall cease all active participation in and accrual of benefits under any applicable Seller Employee Plan. Notwithstanding the foregoing, the terms and conditions of employment for the unionized Transferred Employees shall be as set forth in the applicable collective bargaining agreement or as otherwise agreed by Purchaser and the labor union representing such Transferred Employees.

(b) As of Closing, Purchaser shall cause to be honored each Transferred Employee's (other than any Transferred Employee who is in the bargaining unit covered by the collective bargaining agreement, which such Transferred Employees shall be subject to the terms of the collective bargaining agreement) accrued but unused vacation, paid time off and sick time under NRG's paid time off plans or policies, but only to the extent included in **Annex A** as adjustments to Working Capital and set forth in a schedule delivered to Purchaser on the Closing Date (in accordance with **Section 8.04** if applicable to such Business Employee).

(c) As of the Closing, Seller shall cause to be paid to each Transferred Employee a pro-rata bonus based on the performance period occurring prior to Closing.

(d) Notwithstanding any contrary provision of this Agreement, Seller shall be responsible and liable for providing, or continuing to provide, health care continuation coverage as required under COBRA with respect to any individual who experienced or experiences a COBRA "qualifying event" under any Seller Employee Plan subject to COBRA.

(e) For purposes of payroll taxes with respect to Transferred Employees, Seller and Purchaser, and their respective Affiliates, shall use commercially reasonable efforts to treat the transaction contemplated by this Agreement as a transaction described in Treasury Regulation Sections 31.3121(a)(1)-1(b)(2) and 31.3306(b)(1)-1(b)(2), and the parties further agree to implement this treatment by utilizing Section 4 of Revenue Procedure 2004-53, STANDARD PROCEDURE FOR PREDECESSORS AND SUCCESSORS.

(f) Notwithstanding anything herein to the contrary, Purchaser may satisfy any or all of its or the Company's obligations under **Section 8.04** and this **Section 8.05** (including, but not limited to, the provision of offers of employment) by causing a Person designated by Purchaser to take action such that Purchaser's obligations are satisfied, and for purposes of **Section 8.04** and this **Section 8.05**, all references to the Company or Purchaser or its Affiliates shall be deemed to include such Person. If and only if, such Person assumes Purchaser's obligations under this **Section 8.05** in writing signed by such Person and acknowledges Seller's rights as a third party beneficiary with respect to such obligations, Purchaser shall have no further obligations with respect to this **Section 8.05**. In the event Purchaser uses such Person to satisfy its obligations under this **Section 8.05** to provide offers of employment to all Business Employees, Purchaser will require such Person to assume the collective bargaining agreement set forth on **Section 4.15(b)** of the Seller Disclosure Schedule (including each related memorandum of understanding, letter of agreement, and other ancillary agreement thereto) and apply its terms to those Transferred Employees in the bargaining unit covered by such collective bargaining agreement.

(g) This **Section 8.05** shall be binding upon and inure solely to the benefit of each of the parties to this Agreement, and nothing in this **Section 8.05**, express or implied, shall confer upon any Business Employee, or any legal representative or beneficiary thereof, any rights or remedies, including any right to employment or continued employment for any specified period, or compensation or benefits of any nature or kind whatsoever under this Agreement. Nothing in this **Section 8.05**, express or implied, shall be deemed to establish or amend any plan providing benefits to any Business Employee or as altering the at-will nature of any Transferred Employee's employment.

Section 8.06 Escrow Release. The Parties agree that on the date that is twelve (12) months from the Closing Date, Purchaser and Seller shall direct the Escrow Agent to disburse to Seller an amount equal to the difference between the balance of the Escrow Amount less the aggregate amount of all Losses claimed as Losses with respect to Seller and the Company immediately prior to Closing subject to an indemnification obligation to the Purchaser Indemnitees pursuant to this Agreement in notifications delivered in accordance with this Agreement. Any amounts so retained in the Escrow Account shall remain therein until final resolution of the claims associated therewith at which time, following application of **Section 11.06**, such amounts shall be disbursed to Seller.

Section 8.07 Release.

(a) Except with respect to this Agreement, the other agreements and instruments contemplated hereby and the transactions contemplated hereby and thereby, from and after the Closing, Seller, on its own behalf and on behalf of its Affiliates and its and their respective successors and past, present and future assigns (each, a “**Release Party**”) hereby absolutely and unconditionally releases, acquits and forever discharges the Company and its Representatives (excluding, for the avoidance of doubt, Purchaser and its Affiliates) from any and all Liabilities, claims, disputes, demands, rights or cause of action (including any claims as to rights to compensation or other benefit as to services rendered or otherwise) that any such Release Party ever had, now has or hereafter may have against the Company and its Representatives (excluding, for the avoidance of doubt, Purchaser and its Affiliates), whether known or unknown, foreseen or unforeseen, matured or unmatured, suspected or unsuspected, both in law or in equity, whether related to any period of time before or on the Closing Date (collectively, the “**Released Claims**”).

(b) From and after the Closing, and except as specifically set forth in **Section 11.03**, Seller, on its own behalf and on behalf of each other Release Party, hereby expressly waives any rights such Release Party may have under applicable law to preserve Released Claims which such Release Party does not know or suspect to exist in such Release Party’s favor as of the date hereof. Seller, on its own behalf and on behalf of each other Release Party, understands and acknowledges that such Release Party may discover facts different from, or in addition to, those which such Release Party knows or believes to be true with respect to the claims released herein, and agrees that the release provided in **Section 8.07(a)** shall be and remain effective in all respects notwithstanding any subsequent discovery of different or additional facts. If any Release Party discovers that any fact relied upon in entering into the release provided in **Section 8.07(a)** was untrue, or that any fact was concealed, or that an understanding of the facts or law was incorrect, such Release Party shall not be entitled to any relief as a result thereof, and Seller, on its own behalf and on behalf of each other Release Party, surrenders any rights such Release Party might have to rescind the release provided in **Section 8.07(a)** on any ground. Such release is intended to be and is final and binding regardless of any claim of misrepresentation, promise made with the intention of performing, concealment of fact, mistake of law, or any other circumstances whatsoever.

(c) From and after the Closing, and except as specifically set forth in **Section 11.03**, Seller, on behalf of itself and the other Release Parties, irrevocably covenants that it will not, and will ensure that no other Release Party will, assert or attempt to assert any claim or

demand, or commence, institute or cause to be commenced, any proceeding of any kind against the Company and its Representatives based upon any Released Claim.

(d) Seller, on behalf of itself and the other Release Parties, represents and warrants that it has not made any assignment or transfer of any Released Claim.

(e) From and after the Closing and except as otherwise agreed between Purchaser and Seller, Seller, on its own behalf and on behalf of each Release Party, hereby absolutely and unconditionally waives any rights it or they may have to acquire interests in Canal 3, including pursuant to that certain Cooperation Agreement dated as of December 14, 2017, by and between Seller and NRG.

Section 8.08 Closing Conditions. From the date hereof until the Closing, and without prejudice to each Party's other obligations under this Agreement, each Party shall use commercially reasonable efforts to take such actions as are necessary to timely satisfy the closing conditions set forth in this Agreement.

ARTICLE IX CONDITIONS TO OBLIGATIONS OF PURCHASER

The obligation of Purchaser to consummate the transactions described in **Section 2.01, Section 2.03** and **Section 2.04** are subject to the fulfillment, at or before the Closing, of each of the following conditions (all or any of which may be waived in whole or in part by Purchaser in its sole discretion):

Section 9.02 Performance. Seller and the Company shall have performed and complied in all material respects with the agreements, covenants and obligations required by this Agreement to be so performed or complied with by Seller and the Company at or before the Closing.

Section 9.03 Officers' Certificates. Seller shall have delivered to Purchaser an officer's certificate, dated the Closing Date and executed on behalf of Seller, certifying that all of the conditions set forth in **Sections 9.01** and **9.02** have been satisfied.

Section 9.05 Governmental or Regulatory Approvals. All Governmental or Regulatory Approvals or filings for such Governmental or Regulatory Approvals set forth on **Section 9.05 of the Seller Disclosure Schedule** shall have been obtained, made or given, and shall be in full force and effect or shall have occurred, in each case the terms and conditions of which shall not, and any response from any Governmental or Regulatory Authority with regard to Items 6 through 10 of **Section 4.04 of the Seller Disclosure Schedule** shall not, individually or in the aggregate, impose terms, conditions, liabilities, obligations, commitments or Sanctions upon Purchaser or the Company or withhold approval with regard to such Items, that would have, or be reasonably likely to have a material and adverse effect on the condition (financial or otherwise), assets, liabilities, businesses or result of operations of the Company, taken as a whole, or Purchaser, and each such Governmental or Regulatory Approval obtained from a Governmental or Regulatory Authority shall be a Final Order.

Section 9.06 Resignation of Members, Managers, Officers and Directors. Seller shall have delivered to Purchaser the resignations and releases of all claims with respect to the Company of all managers, officers and directors, as applicable, nominated or appointed by Seller or its Affiliates to any board or operating, management or other committee established under the Company Organizational Documents, in form and substance reasonably acceptable to Purchaser.

Section 9.07 Closing Deliveries. Seller and the Company shall have executed and delivered, or have caused to be executed and delivered, all of the certificates, instruments and other documents specified to be delivered by it hereunder, including (a) an assignment and assumption agreement substantially in the form attached hereto as **Exhibit C** and (b) evidence of the consummation of the Pre-Closing Restructuring.

Section 9.08 FIRPTA Certificate. Seller shall have caused to be delivered a certificate to Purchaser and the Escrow Agent, dated as of the Closing Date and substantially in the form and to the effect of **Exhibit D**, that satisfies the requirements set forth in Treasury Regulation Sections 1.1445-2, attesting that Seller is not a “foreign person” for U.S. federal income tax purposes.

Section 9.12 Approval of Transaction. The Bankruptcy Court shall have entered the Final Sale Order. The Purchaser shall constitute a “Purchaser” (as such term is defined in the

Confirmation Order), the Closing Date shall constitute a “Sale Closing Date” (as such term is defined in the Confirmation Order) and the Confirmation Order shall constitute a Final Order.

Section 9.13 Frustration of Closing Conditions. Purchaser may not rely on the failure of any condition set forth in this **Article IX** to be satisfied if such failure was primarily caused by Purchaser’s failure to act in good faith or to use its commercially reasonable efforts to cause the Closing to occur.

ARTICLE X CONDITIONS TO OBLIGATIONS OF SELLER

The obligation of Seller to consummate the transactions described in **Section 2.01**, **Section 2.03** and **Section 2.04** are subject to the fulfillment, at or before the Closing, of each of the following conditions (all or any of which may be waived in whole or in part by Seller, in its sole discretion):

Section 10.01 Representations and Warranties. (a) The Purchaser Fundamental Representations shall be true and correct in all respects as of the date hereof and as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except for *de minimis* inaccuracies; and (b) the representations and warranties of Purchaser contained in this Agreement (other than the Purchaser Fundamental Representations) shall be true and correct as of the date hereof and as of the Closing Date as though such representations and warranties were made on and as of the Closing Date (or, to the extent such representations and warranties expressly relate to an earlier date, on and as of such earlier date), except in the case of this clause (b) where the failure of such representations and warranties to be true and correct (in each case disregarding all qualifications and exceptions contained therein relating to materiality, material adverse effect or words of similar import) would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of Purchaser to perform its obligations hereunder.

Section 10.02 Performance. Purchaser shall have performed and complied in all material respects with the agreements, covenants and obligations required by this Agreement to be performed or complied with by Purchaser at or before the Closing.

Section 10.03 Officer’s Certificates. Purchaser shall have delivered to Seller an officer’s certificate, dated the Closing Date and executed in the name and on behalf of Purchaser, certifying that all of the conditions set forth in **Sections 10.01** and **10.02** have been satisfied.

Section 10.04 Orders and Laws. There shall not be in effect on the Closing Date any Order or Law restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by this Agreement.

Section 10.05 Governmental or Regulatory Approvals. All Governmental or Regulatory Approvals set forth on **Section 10.05 of the Purchaser Disclosure Schedule** shall have been obtained, made or given, shall be in full force and effect or shall have occurred, in each case the terms and conditions of which shall not, individually or in the aggregate, impose terms, conditions, liabilities, obligations, commitments or Sanctions upon Seller, taken as a whole, that

would have, or be reasonably likely to have a material and adverse effect on the condition (financial or otherwise), assets, liabilities, businesses or result of operations of Seller, taken as a whole, and each such Governmental or Regulatory Approval shall be a Final Order.

Section 10.06 Third-Party Consents. The consents (or waivers in lieu thereof) set forth in **Section 10.06 of the Purchaser Disclosure Schedule** shall have been obtained, made or given, and shall be in full force and effect.

Section 10.07 Escrow Agreement. Purchaser shall have delivered to Seller the Escrow Agreement, executed by Purchaser.

Section 10.08 Excess Fuel Inventory Security. Purchaser shall have delivered to Seller either (a) an equity commitment letter substantially in the form of the Equity Commitment Letter, executed by Stonepeak Infrastructure Fund II LP, a Delaware limited partnership, committing to fund to the Seller or its designee (in fulfillment of Purchaser and the Company's Fuel Inventory Payment obligations hereunder) an amount equal to the Excess Fuel Inventory *multiplied by* the Market Price, which commitment shall be reduced by an amount equal to each Fuel Inventory Payment upon payment thereof, or (b) documentation reasonably acceptable to Seller providing to Seller a first-priority security interest in an amount of No. 6 Oil equal to the Excess Fuel Inventory, which security interest shall be released with respect to portions of such amount upon payment of the corresponding Fuel Inventory Payments.

Section 10.09 Closing Deliveries. Purchaser shall have executed and delivered all of the certificates, instruments and other documents specified to be delivered by it hereunder.

Section 10.10 Frustration of Closing Conditions. Seller may not rely on the failure of any condition set forth in this **Article X** to be satisfied if such failure was primarily caused by Seller's or the Company's failure to act in good faith or to use commercially reasonable efforts to cause the Closing to occur.

ARTICLE XI INDEMNIFICATION

Section 11.01 Survival. Subject to the limitations and other provisions of this Agreement, the representations, warranties, agreements and covenants contained in this Agreement will survive the Closing and remain in full force and effect until (a) with respect to the Seller Fundamental Representations and the Purchaser Fundamental Representations, the date that is the later of (i) the sixth anniversary of the Closing Date and (ii) thirty (30) days after the last date of the full period of all applicable statutes of limitation (giving effect to any waiver, mitigation or extension thereof), (b) with respect to **Section 4.17**, the date that is three years after the Closing Date, (c) with respect to **Section 4.14** and **Section 4.15**, the date that is thirty (30) days after the last date of the full period of all applicable statutes of limitation (giving effect to any waiver, mitigation or extension thereof), (d) with respect to all other representations and warranties, the date that is one year after the Closing Date and (e) with respect to agreements and covenants, the date fully performed. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching Party to the breaching Party prior to the expiration date of the applicable survival period

shall not thereafter be barred by the expiration of the relevant representation, warranty, covenant or agreement and such claims shall survive until finally resolved.

Section 11.02 Indemnification by Seller. From and after the Closing, subject to the other terms and conditions of this **Article XI**, Seller shall indemnify and defend each of Purchaser and its Affiliates (including the Company) and their respective Representatives (collectively, the “**Purchaser Indemnitees**”) against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Purchaser Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Seller or the Company contained in this Agreement or in any certificate or instrument delivered by or on behalf of Seller or the Company pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date); and

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Seller or the Company pursuant to this Agreement.

Section 11.03 Indemnification by Purchaser. From and after the Closing, subject to the other terms and conditions of this **Article XI**, Purchaser shall indemnify and defend Seller and its Affiliates and their respective Representatives (collectively, the “**Seller Indemnitees**”) against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Seller Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Purchaser contained in this Agreement or in any certificate or instrument delivered by or on behalf of Purchaser pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date); or

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Purchaser pursuant to this Agreement.

Section 11.04 Certain Limitations. The indemnification provided for in **Section 11.02** and **Section 11.03** shall be subject to the following limitations:

(a) Subject to the other provisions of this Agreement, any Losses payable to a Purchaser Indemnatee for any breach or inaccuracy of any representation or warranty or failure to perform a covenant pursuant to **Section 11.02** shall be satisfied solely as follows: (i) first, until the aggregate amount of all Losses in respect of indemnification thereof exceeds \$1,600,000, Seller shall not be responsible therefor, (ii) second, from the Escrow Account, to the extent of the amounts remaining therein, but only in respect of individual Loss items or related Loss items that equal or exceed \$25,000, and (iii) third, from the R&W Insurance Policy (to the extent covered

thereby). For the avoidance of doubt, the sole sources for recovery of claims for Losses by a Purchaser Indemnatee shall be as set forth in this subsection (a). Notwithstanding any other provision of this Agreement, no Purchaser Indemnatee shall seek any recovery for indemnification under this Agreement from any source or Person other than the Escrow Amount and the R&W Insurance Policy.

(b) For purposes of this **Article XI**, the inaccuracy in or breach of, and the amount of Losses with respect to any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, material adverse effect or other similar qualification contained in or otherwise applicable to such representation or warranty.

Section 11.05 Indemnification Procedures. The Party making a claim under this **Article XI** is referred to as the “**Indemnified Party**”, and the Party against whom such claims are asserted under this **Article XI** is referred to as the “**Indemnifying Party**”.

(a) *Third Party Claims.* If any Indemnified Party receives notice of the assertion or commencement of any Action or Proceeding made or brought by any Person who is not a Party to this Agreement or an Affiliate of a Party to this Agreement or a Representative of the foregoing (a “**Third Party Claim**”) against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) calendar days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party’s expense and by the Indemnifying Party’s own counsel, and the Indemnified Party shall cooperate in good faith in such defense; provided that if the Indemnifying Party is Seller, such Indemnifying Party shall not have the right to defend or direct the defense of any such Third Party Claim that (x) is asserted directly by or on behalf of a Person that is a supplier or customer of the Company, (y) seeks an injunction or other equitable relief against the Indemnified Party or (z) where such Third Party Claim could reasonably result in a claim solely against the R&W Insurance Policy. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to **Section 11.05(b)**, it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party’s right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party, provided, that if in the reasonable opinion of counsel to the Indemnified Party, (i) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party or (ii) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of one counsel to the Indemnified Party in each jurisdiction for which

the Indemnified Party determines counsel is required. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to **Section 11.05(b)**, pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. Seller and Purchaser shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available records relating to such Third Party Claim and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending Party, management employees of the non-defending Party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

(b) *Settlement of Third Party Claims.* Notwithstanding any other provision of this Agreement, if the Indemnifying Party asserts control over a Third Party Claim pursuant to paragraph (a) above, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party, except as provided in this **Section 11.05(b)**. If the Indemnifying Party asserts control over a Third Party Claim pursuant to paragraph (a) above, and a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within ten (10) days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to **Section 11.05(a)**, it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed), solely to the extent that such settlement proceeds would be payable from the Escrow Amount.

(c) *Direct Claims.* Any Action or Proceeding by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a “**Direct Claim**”) shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and

the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the Company's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such 30-day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

Section 11.06 Payments; R&W Insurance Policy.

(a) Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this **Article XI**, the Indemnifying Party shall satisfy its obligations within twelve (12) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds. The Parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such 12-Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Party or final, non-appealable adjudication to and including the date such payment has been made at a rate per annum equal to 18%. Such interest shall be calculated daily on the basis of a 365-day year and the actual number of days elapsed.

(b) Notwithstanding anything to the contrary in this Agreement, (i) Purchaser will purchase the R&W Insurance Policy on its own behalf at its own expense, (ii) neither Seller nor its Affiliates shall be entitled to any proceeds from the R&W Insurance Policy, (iii) any limits on indemnification in this **Article XI** shall not limit the Purchaser's rights under the R&W Insurance Policy and (iv) to the extent that the procedures of the R&W Insurance Policy conflict with the indemnification procedures in this **Article XI**, it shall not be a breach of such procedures in this **Article XI** if the Purchaser Indemnitees comply with such procedures of the R&W Insurance Policy.

Section 11.07 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the Parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

Section 11.08 Exclusive Remedies. Subject to **Section 2.05**, **Section 8.03** and **Section 13.08**, the Parties acknowledge and agree that, from and after Closing, their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud, criminal activity or willful misconduct on the part of a Party hereto in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in this **Article XI**. In furtherance of the foregoing, each Party hereby waives, from and after Closing, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other Parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in Article VI and this **Article XI**. Nothing in this **Section 11.08** shall limit any Person's right to seek and obtain any equitable relief to which any Person

shall be entitled or to seek any remedy on account of any Party's fraudulent, criminal or willful misconduct on the part of a Party hereto in connection with the transactions contemplated by this Agreement.

ARTICLE XII TERMINATION

Section 12.01 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, at any time by written notice from Seller or Purchaser to the other (except for paragraph (a) below):

- (a) by mutual written consent of Purchaser and Seller;
- (b) by either Purchaser or Seller:

(i) if the Closing has not occurred on or before the six (6) month anniversary of the date of this Agreement (which date may be extended by any Party, by notice to the other Parties, for one additional three (3) month period if (A) one or more applicable Governmental or Regulatory Approvals have not been obtained by the date that is six (6) months after the date of this Agreement and (B) the lack of any such Governmental or Regulatory Approvals is the sole reason that the unwaived conditions set forth in **Article IX** and **Article X** to consummate the Closing are unfulfilled as of the date that is six (6) months after the date of this Agreement) (the "**Termination Date**"); provided that the right to terminate this Agreement pursuant to this **Section 12.01(b)(i)** shall not be available to a Party at any time that such Party has violated, or is in breach of, any covenant, representation or warranty hereunder, if such violation or breach would be reasonably expected to prevent satisfaction of any of the non-breaching Party's conditions to Closing hereunder (and such condition(s) has not been waived by the non-breaching Party) or, if capable of being cured, has not been cured by the breaching Party; provided further that if the Termination Date (as defined in the Canal 3 PSA) is extended pursuant to Section 12.01(b)(i) of the Canal 3 PSA, the Termination Date under this Agreement will automatically be extended without further action by the Parties to the Termination Date under the Canal 3 PSA;

(ii) if any court of competent jurisdiction in the United States or other Governmental or Regulatory Authority shall have issued a Final Order or enacted any Law or taken any other final action restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement and such Order or Law or other action is or shall have become final and nonappealable; or

(iii) under the circumstances set forth in, and in accordance with, **Section 8.01** or **Section 8.02**;

(c) at any time before the Closing, by Purchaser if there has been a breach by Seller or the Company of any covenant, agreement or obligation contained in this Agreement or if any representation or warranty of Seller or the Company is or shall have become untrue, in either case such that the conditions set forth in **Section 9.01** or **Section 9.02** would not be satisfied, and such breach or inaccuracy is not curable, or, if curable, is not cured within the earlier of (A) thirty (30) days after written notice of such breach is given to Seller by Purchaser and (B) the Termination Date; provided that the right to terminate this Agreement pursuant to this **Section**

12.01(c) shall not be available to Purchaser at any time that Purchaser has violated, or is in breach of, any covenant, representation or warranty hereunder, if such violation or breach has prevented satisfaction of any of Seller's conditions to Closing hereunder (and such condition(s) has not been waived by Seller) or, if capable of being cured, has not been cured by Purchaser;

(d) at any time before the Closing, by Seller if there has been a breach by Purchaser of any covenant, agreement or obligation contained in this Agreement or if any representation or warranty of Purchaser is or shall have become untrue, in either case such that the conditions set forth in **Sections 10.01** or **Section 10.02** would not be satisfied, and such breach or inaccuracy is not curable, or, if curable, is not cured within the earlier of (A) thirty (30) days after written notice of such breach is given to Purchaser by Seller and (B) the Termination Date; provided, however, that no cure period shall apply to Purchaser's obligation to pay the Purchase Price. The right to terminate this Agreement pursuant to this **Section 12.01(d)** shall not be available to Seller at any time that Seller or the Company have violated, or are in breach of, any covenant, representation or warranty hereunder, if such violation or breach has prevented satisfaction of any of Purchaser's conditions to Closing hereunder (and such condition(s) has not been waived by Purchaser) or, if capable of being cured, has not been cured by Seller or the Company; or

(e) at any time before the Closing, by Seller if Purchaser has failed to consummate the transactions contemplated hereby on the date that the Closing would have occurred, pursuant to and subject to the provisions of **Section 2.04**, if Purchaser had not failed to consummate the transactions contemplated hereby, and all of the conditions set forth in **Article IX** would have been satisfied if the Closing were to have occurred on such date; provided that, Seller and the Company are not then in breach of this Agreement so as to cause the conditions set forth in **Article IX** not to be satisfied.

Section 12.02 Effect of Termination.

(a) Except as provided in this **Section 12.02**, if this Agreement is validly terminated pursuant to **Section 12.01**, then this Agreement will forthwith become null and void and there will be no liability or obligation on the part of any Party or any other Person in respect of this Agreement other than for any willful material breach of this Agreement occurring prior to such termination and for willful misconduct or actual fraud; provided, that the agreements of the Parties in **Article I**, **Section 6.09(b)**, **Section 7.05**, this **Section 12.02**, **Section 13.03**, and **Article XIII** will continue to apply following any termination hereof.

(b) Notwithstanding this **Section 12.02** or anything else in this Agreement to the contrary, Purchaser affirms that it is not a condition to the Closing or to any of its obligations under this Agreement that Purchaser (or the Company) obtain financing for or related to any of the transactions contemplated by this Agreement.

(c) If Seller terminates this Agreement pursuant to and in accordance with **Section 12.01(d)** or **Section 12.01(e)** (including with respect to any Debt Financing Failure), then Purchaser shall promptly, but in no event later than two (2) Business Days after the date of such termination, pay or cause to be paid to Seller an amount equal to \$16,000,000 (the "**Termination Fee**") by wire transfer of cash in immediately available funds to an account or accounts designated

by Seller. The Parties acknowledge and agree that (1) the Parties have expressly negotiated the provisions of this **Section 12.02(c)**, (2) in light of the circumstances existing at the time of the execution of this Agreement (including the inability of the Parties to quantify the damages that may be suffered by Seller and its Affiliates) the provisions of this **Section 12.02(c)** are reasonable, (3) the Termination Fee represents a good faith, fair estimate of the damages that Seller and its Affiliates would suffer, and (4) the Termination Fee shall be payable as liquidated damages (and not as a penalty) without requiring Seller or any other Person to prove actual damages.

(d) Notwithstanding anything herein to the contrary, if Purchaser fails to consummate the transactions contemplated by this Agreement in breach of Purchaser's obligations under this Agreement, Seller may, in its sole discretion: (i) seek specific performance pursuant to **Section 13.08**; (ii) withdraw any claim for specific performance and require payment of the Termination Fee if applicable under **Section 12.02(c)**; or (iii) if Seller is unable for any reason to obtain specific performance, require payment of the Termination Fee if applicable under **Section 12.02(c)**. The Parties acknowledge and agree that in no event shall (x) the Purchaser be required to pay the Termination Fee on more than one occasion, (y) the Purchaser be liable for any damages under this Agreement in excess of the Termination Fee or specific performance or (z) the Seller, the Company or any of their respective Affiliates be entitled to both specific performance pursuant to **Section 13.08** and the Termination Fee.

(e) Concurrently with the execution of this Agreement, Purchaser has delivered to Seller a limited guarantee, dated the date hereof, of Stonepeak Infrastructure Fund II LP (the "**Guarantor**"), guaranteeing Purchaser's obligations pursuant to this **Section 12.02**, subject to the terms and conditions set forth therein (the "**Limited Guarantee**").

ARTICLE XIII MISCELLANEOUS

Section 13.01 Entire Agreement. This Agreement and the agreements and documents referred to herein contain the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, whether written or oral, relating to such subject matter in any way (including, for the avoidance of doubt, the Confidentiality Agreement). The Parties have voluntarily agreed to define their rights, liabilities and obligations with respect to the transactions contemplated hereby exclusively in contract pursuant to the express terms and provisions of this Agreement, and the Parties expressly disclaim that they are owed any duties or are entitled to any remedies not expressly set forth in this Agreement. Furthermore, this Agreement embodies the justifiable expectations of sophisticated parties derived from arm's-length negotiations and shall not be deemed to create a partnership between Seller or any of its Affiliates, on the one hand, and Purchaser or any of its Affiliates, on the other hand, and no Person has any other special relationship with another Person that would justify any expectation beyond that of an ordinary buyer and an ordinary seller in an arm's-length transaction.

Section 13.02 Expenses; Payments.

(a) Except as otherwise specified in this Agreement, whether or not the transactions contemplated hereby are consummated, each Party shall pay its own costs and

expenses, and, other than as provided in **Section 13.02(b)**, Seller shall pay the costs and expenses of the Company immediately prior to Closing incurred in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated hereby, including the Transaction Fees and Expenses.

(b) Purchaser shall pay all costs and expenses (other than the costs and expenses for Seller's Representatives) associated with (i) filings under the HSR Act, (ii) obtaining all Governmental or Regulatory Approvals and (iii) pursuant to **Section 11.06(b)**, obtaining the R&W Insurance Policy.

(c) Each Party agrees that, where not otherwise specified, all amounts required to be paid hereunder shall be paid in United States currency and, except as otherwise expressly set forth in this Agreement, without discount, rebate or reduction and subject to no counterclaim or offset, on the dates specified herein (with time being of the essence). Subject to the provisions of **Section 2.05** (which shall govern any dispute arising thereunder), in the event any Action or Proceeding is commenced or threatened by any Person to enforce its rights under this Agreement against any other Person, if the defendant in such Action or Proceeding is the prevailing party in such Action or Proceeding, all fees, costs and expenses, including reasonable attorneys' fees and court costs, incurred by such prevailing party in connection with such Action or Proceeding shall be reimbursed by the non-prevailing party in such Action or Proceeding; provided that if the defendant in such Action or Proceeding prevails in part, and loses in part, the court, arbitrator or other adjudicator presiding over such Action or Proceeding shall award a reimbursement of the fees, costs and expenses incurred by such defendant on an equitable basis. For purposes hereof, and without limitation, the defendant shall be deemed to have prevailed in any Action or Proceeding if the Person attempting to enforce its rights hereunder commences or threatens any such Action or Proceeding and (i) such underlying claim(s) are subsequently dropped, voluntarily dismissed or voluntarily reduced and/or (ii) such defendant defeats any such claim(s).

Section 13.03 Confidentiality.

(a) Each Party will, and will cause its Affiliates and Representatives to, hold, in strict confidence, all documents and information concerning another Party or any of its Affiliates furnished to it by another Party or such other Party's Affiliates or Representatives in connection with this Agreement or the transactions contemplated hereby (the "**Confidential Information**"), and treat all such Confidential Information as proprietary, secret and confidential; provided, however, that, solely for the purposes of this **Section 13.03**, the portfolio companies or other investments of funds advised by Stonepeak Partners LP shall be deemed Affiliates of the Purchaser to the extent Stonepeak Partners LP or any of its subsidiaries receives Confidential Information; provided further that from and after the Closing, (x) such confidentiality obligations of Purchaser and its Affiliates and Representatives shall terminate with respect to all Confidential Information other than with respect to any Confidential Information that relates exclusively to Seller or Seller's Affiliates (other than the Company immediately prior to Closing) and (y) all Confidential Information relating to the Company or its businesses or operations shall be deemed to be the Confidential Information of Purchaser. Except with respect to Purchaser to the extent Purchaser's confidentiality obligations are terminated from and after the Closing pursuant to the previous sentence, in no event shall either Party distribute to third parties any Confidential Information;

provided, however, that nothing in this **Section 13.03** shall limit the disclosure by any Party of any Confidential Information:

(i) to the extent required by Law or Order (provided that the disclosing Party agrees to give the non-disclosing Party prompt and reasonably sufficient written notice thereof so as to enable the non-disclosing Party to seek a protective order, oppose any action by the disclosing Party, or pursue any other appropriate remedy, if so desired by the non-disclosing Party). If such a protective order or other remedy is not obtained, or if the non-disclosing Party, in its sole discretion, waives in writing compliance with this Agreement, the disclosing Party (or such other Person required to disclose the Confidential Information) may disclose only that portion of the Confidential Information that it is legally required to disclose to avoid contempt or other penalty in the reasonable opinion of counsel to the disclosing Party (or such other Person required to disclose the Confidential Information), and shall exercise reasonable best efforts to obtain reliable assurance that confidential treatment will be accorded such Confidential Information so disclosed;

(ii) in an Action or Proceeding brought by a Party in pursuit of its rights or in the exercise of its remedies under this Agreement or the transactions contemplated hereby;

(iii) to the extent that such Confidential Information can be shown to have come within the public domain through no action or omission of the disclosing Party or its Affiliates or Representatives; and

(iv) later acquired by the receiving Party from another source if the receiving Party is not aware that such source is under an obligation to another Party hereto to keep such Confidential Information confidential.

(b) To the extent that any Confidential Information may include materials subject to the attorney-client privilege, Seller is not waiving, and Seller will not be deemed to have waived or diminished, its attorney work-product protections, attorney-client privileges or similar protections and privileges as a result of disclosing any Confidential Information (including Confidential Information related to pending or threatened litigation) to Purchaser, its Affiliates or their respective Representatives, regardless of whether Seller has asserted or is or may be entitled to assert such privileges and protections. In furtherance of the foregoing, neither Purchaser nor its Affiliates shall claim or contend, in proceedings involving either Party, that Seller waived its attorney work-product protections, attorney-client privileges or similar protections and privileges with respect to any information, documents or other material (whether or not disclosed to Purchaser or its Affiliates) due to Seller's disclosure of Confidential Information (including Confidential Information related to pending or threatened litigation) to Purchaser, its Affiliates or their respective Representatives.

(c) In the event this Agreement is terminated in accordance with **Section 12.01**, upon the written request of either Party, the other Party will, and will cause its Affiliates and Representatives to, promptly (and in no event later than five (5) Business Days after such written request) redeliver or destroy and certify in writing (email to suffice) as destroyed, or cause to be redelivered or destroyed and certified in writing (email to suffice) as destroyed (as requested by such Party), all copies of Confidential Information furnished by such other Party in connection

with this Agreement or the transactions contemplated hereby and all notes, memoranda, summaries, analyses, compilations and other writings related to or based on such information or documents prepared by the Party furnished with such Confidential Information or its Affiliates or Representatives.

Section 13.04 Announcements. From the date of this Agreement until, or in connection with, the Closing, Seller and Purchaser shall not issue or make any reports, statements or releases to the public or generally to the employees, customers, suppliers or other Persons to whom the Company sells goods or provides services or with whom the Company otherwise has significant business relationships with respect to this Agreement or the transactions contemplated hereby without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; provided that for purposes of clarity, the foregoing shall not restrict such disclosures (a) that are necessary for the procurement of any required consents, approvals, payoff letters and similar documentation, (b) made by a Party to its Representatives as necessary in connection with the ordinary conduct of its business or the negotiation and consummation of the transactions contemplated hereunder or (c) that a Party determines in good faith, after consultation with legal counsel, is required by Law in order to discharge such Party's or its Affiliates' disclosure obligations; provided, further, that in the case of a disclosure pursuant to clause (c), the disclosing Party shall use commercially reasonable efforts to allow the other Parties reasonable time to comment on such disclosure in advance of making such disclosure and shall promptly furnish the other Parties with a copy thereof. Seller, on the one hand, and Purchaser, on the other hand, shall also obtain the other Party's prior approval of any press release to be issued immediately following the Closing announcing the consummation of the transactions contemplated by this Agreement. Notwithstanding any provision of this Agreement to the contrary, Purchaser shall have the right to contact the Governmental or Regulatory Authorities with whom the filings identified in Items 8 and 9 of **Section 4.04** of the **Seller Disclosure Schedule** are made to discuss how such Governmental or Regulatory Authorities are responding to such filings; provided that Seller shall be permitted to participate in such contact and discussions.

Section 13.05 No Waiver. Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition. No waiver by any Party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any prior or future occasion.

Section 13.06 Amendments. Any provision of this Agreement may be modified, supplemented or waived only by an instrument in writing duly executed by Purchaser and Seller. Any such modification, supplement or waiver shall be for such period and subject to such conditions as shall be specified in the instrument effecting the same and shall be binding upon each of Purchaser and Seller, and any such waiver shall be effective only in the specific instance and for the purposes for which given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Person under or by reason of this Agreement. Notwithstanding anything to the contrary contained herein, this **Section 13.06**, or any of **Section 13.12**, **Section 13.16**, **Section 13.17** or **Section 13.20** (or to any other provision or definition of this Agreement to the extent that such amendment or waiver would modify the substance of any

such foregoing Section or defined term used therein) shall not be amended, supplemented, waived or otherwise modified in a manner materially adverse to the Financing Sources without the prior written consent of the Financing Sources.

Section 13.07 Addresses for Notices. All notices and other communications required or permitted to be given or made under this Agreement shall be given or made in writing, by physical (including by mail or courier) or facsimile or electronic mail delivery to the address specified below or such other address as shall be designated in a notice in writing. Notices will be effective and deemed to have been given (a) when personally delivered, sent by fax or email (with hard copy to follow) or sent by reputable overnight express courier (charges prepaid), or (b) three (3) calendar days following mailing by certified or registered mail, postage prepaid and return receipt requested.

Section 13.08 Specific Performance.

(a) Each Party acknowledges that the rights of each Party to consummate the transactions contemplated hereby are unique and recognize and affirm that in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached, money damages would be inadequate (and therefore the non-breaching Party would have no adequate remedy at law) and the non-breaching Party would be irreparably damaged. Accordingly, each Party agrees that, subject to **Section 12.02**, (a) each other Party shall be entitled to specific performance, an injunction or other equitable relief (without posting of bond or other security or needing to prove irreparable harm or damages) to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof in any action instituted in any state or federal court sitting in the Borough of Manhattan, the City of New York, New York, in addition to any other remedy to which such Person may be entitled, at law or in equity, and (b) the right of specific performance and other equitable relief is an integral part of the transactions contemplated by this Agreement and without that right as provided in this **Section 13.08**, none of the Parties would have entered into this Agreement. The Parties hereto agree not to assert that a remedy of specific performance or other equitable relief is unenforceable, invalid, contrary to law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the Parties otherwise have an adequate remedy at law. If, on or prior to the Termination Date, any Party brings any action, in each case in accordance with the terms hereof, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Termination Date shall automatically be extended (x) for the period during which such action is pending, plus ten (10) Business Days or (y) by such other time period established by the court presiding over such action, as the case may be. Notwithstanding anything herein to the contrary, (x) in no event shall this **Section 13.08**, be used, alone or together with any other provision of this Agreement, to require any Party to remedy any inaccuracy of any representation or warranty made by such Party herein and (y) Purchaser expressly acknowledges that nothing contained in this sentence shall restrict Seller from enforcing specifically the obligations of Purchaser set forth in **Section 7.06(c)**.

(b) Notwithstanding anything to the contrary in this Agreement, it is explicitly agreed that Seller shall be entitled to seek specific performance of Purchaser's obligation to cause the Equity Financing to occur or to cause Purchaser to effect the Closing in accordance with **Section 2.04**, on the terms and subject to the conditions set forth in this Agreement, if and only in the event that (i) all of the conditions set forth in **Article IX** have been satisfied or waived (other than those conditions which by their nature cannot be satisfied until Closing), (ii) the Debt Financing has been funded or will be funded at the Closing if the Equity Financing is funded at the Closing and (iii) the Seller has irrevocably confirmed in writing that if specific performance is granted and the Equity Financing and Debt Financing are funded, then it reasonably believes that the Closing pursuant to **Section 2.04** will occur.

Section 13.09 Captions. The captions and section headings appearing in this Agreement are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

Section 13.10 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

Section 13.11 Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by any Party (including by operation of law) without the prior written consent of the other Party; provided, however, that Purchaser may assign its rights, interests and obligations hereunder to any Affiliate or Affiliates of Purchaser, or to Purchaser's lenders for collateral security purposes, but such assignment shall not release Purchaser from its obligations hereunder.

Section 13.12 No Third-Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each Party hereto and their respective successors or permitted assigns, and it is not the intention of the Parties to confer third-party beneficiary rights upon any other Person other than with respect to the Indemnified Employees under **Section 7.04**, the Purchaser Indemnitees under **Section 11.02**, the Seller Indemnitees under **Section 11.03**, the Non-Party Affiliates identified in **Section 13.13(b)**, K&E under **Section 13.19**, and the Financing Sources under **Section 13.15**, **Section 13.16**, **Section 13.17**, **Section 13.20** and the proviso of **Section 13.06**, each of which provisions is intended to be for the benefit of the Persons covered thereby or to be paid thereunder and may be enforced by such Person.

Section 13.13 Disclaimer; Non-Recourse.

(a) EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, THE INTERESTS ARE BEING TRANSFERRED "AS IS, WHERE IS, WITH ALL FAULTS," AND, WITHOUT LIMITING THE GENERALITY OF **SECTION 7.05**, SELLER AND THE COMPANY EXPRESSLY DISCLAIM ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE CONDITION, VALUE OR QUALITY OF THE INTERESTS OR THE PROSPECTS (FINANCIAL OR OTHERWISE), RISKS AND OTHER INCIDENTS OF THE COMPANY, THE BUSINESS AND/OR THE PROJECT. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, PURCHASER WAIVES, RELEASES AND FOREVER DISCHARGES ALL CLAIMS AND RIGHTS OF ACTION, WHETHER AT LAW OR EQUITY, AGAINST SELLER OR THE COMPANY

ARISING WITH RESPECT TO THE PROJECT OR RELATING TO THE TRANSACTIONS UNDER THIS AGREEMENT, INCLUDING ANY CLAIMS OR RIGHTS OF ACTION UNDER CERCLA OR ANY OTHER ENVIRONMENTAL LAWS.

(b) All claims or causes of action (whether in contract or in tort or otherwise) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), may be made only against the Persons that are expressly identified as Parties. No Person who is not a named Party to this Agreement, including any past, present or future direct or indirect director, officer, employee, incorporator, member, manager, partner, equityholder, Affiliate, agent, attorney or other Representative of any named Party to this Agreement (such Persons, collectively, “**Non-Party Affiliates**”), shall have any liability (whether in contract or in tort or otherwise, or based upon any theory that seeks to impose liability of an entity party against its owners or Affiliates) for any obligations or liabilities arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of this Agreement or its negotiation or execution, and each Party waives and releases all such liabilities, claims and obligations against any such Non-Party Affiliates. Non-Party Affiliates are expressly intended as third-party beneficiaries of this **Section 13.13(b)**.

Section 13.14 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the Parties to this Agreement may execute this Agreement by signing any such counterpart. In the event that any signature is delivered by facsimile transmission or by email delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof. This Agreement shall become effective when each Party shall have received a counterpart hereof signed by all of the other Parties.

Section 13.15 Governing Law. This Agreement and the transactions contemplated hereby shall be interpreted and construed in accordance with the laws of the State of Delaware and any and all claims, controversies, disputes, suits, proceedings and causes of action arising out of or relating to this Agreement, whether sounding in contract, tort or statute, shall be governed by the laws of the State of Delaware, including its statutes of limitations, without giving effect to any conflict of law or other rule that would result in the application of the laws of a different jurisdiction; provided, however, that any right or obligation with respect to any Financing Source in connection with the Debt Financing and the Debt Commitment Letter shall be interpreted and construed in accordance with the laws of the State of New York.

Section 13.16 Consent to Jurisdiction.

(a) For all purposes of this Agreement (other than **Section 2.05(b)**, which shall govern all disputes thereunder), and for all purposes of any Action or Proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, each Party hereto submits to the personal jurisdiction of the state and federal courts within the Borough of Manhattan, the City of New York, New York, and hereby irrevocably and unconditionally agrees that any such Action or Proceeding shall be heard and determined in such New York court or, to the extent permitted

by law, in such federal court; provided that each Party hereto agrees that a final judgment in any such Action or Proceeding may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by law or at equity. The Parties further agree that the mailing by certified or registered mail, return receipt requested, of any process required by any such court shall constitute valid and lawful service of process against them, without necessity for service by any other means provided by statute or rule of court; provided that nothing in this Agreement shall affect the right of any Party to serve legal process in any other manner permitted by law or at equity.

(i) Each Party hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so: (i) any objection that it may now or hereafter have to the laying of venue of any Action or Proceeding arising out of or relating to this Agreement or any related matter in any state and federal courts within the Borough of Manhattan, the City of New York, New York; and (ii) the defense of an inconvenient forum to the maintenance of such Action or Proceeding in any such court.

(b) Notwithstanding anything in this Agreement to the contrary and without limitation of the rights of the Financing Sources set forth in **Section 13.20**, the Parties hereby agree that they will not bring or support, or permit any of their Affiliates or Representatives to bring or support, any suit, proceeding, action, cause of action, claim, cross-claim or third party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Financing Source in any way relating to this Agreement or any of the transactions contemplated by this Agreement, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof, in any forum other than the Supreme Court of the State of New York sitting in the Borough of Manhattan in the City of New York, New York, and the United States District Court for the Southern District of New York and any appellate courts thereof, and hereby irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action in any such court.

Section 13.17 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY LEGAL ACTION, SUIT, OR PROCEEDING (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) TO ENFORCE OR INTERPRET THE PROVISIONS OF THIS AGREEMENT OR THAT OTHERWISE RELATES TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES HEREUNDER, INCLUDING ANY LEGAL ACTION, SUIT, OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF UNDER OR IN CONNECTION WITH THE FINANCING OR ANY CLAIM OR PROCEEDING INVOLVING OR AGAINST ANY FINANCING SOURCE.

Section 13.18 Disclosure. Any fact or item disclosed in any section of the Seller Disclosure Schedule shall be deemed disclosed in each other section of the Seller Disclosure Schedule to which such fact or item may apply so long as (a) such other section is referenced by applicable cross-reference or (b) it is reasonably apparent that such disclosure is applicable such other section. The headings contained in the Seller Disclosure Schedule are for convenience of reference only and shall not be deemed to modify or influence the interpretation of the information

contained in the Seller Disclosure Schedule or this Agreement. The Seller Disclosure Schedule is not intended to constitute, and shall not be construed as, an admission or indication that any such fact or item is required to be disclosed. Any fact or item disclosed in the Seller Disclosure Schedule shall not by reason only of such inclusion be deemed to be material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement and matters reflected in the Seller Disclosure Schedule are not necessarily limited to matters required by this Agreement to be reflected herein and may be included solely for information purposes. No disclosure in the Seller Disclosure Schedule relating to any possible breach or violation of any Contract, Law or order shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. The information contained in the Seller Disclosure Schedule shall be kept strictly confidential by the Parties and no third party may rely on any information disclosed or set forth therein.

Section 13.19 Legal Representation. Purchaser agrees and will cause the Company to agree, on their own behalf and on behalf of their directors, managers, members, partners, officers, employees and Affiliates and each of their successors and assigns (all such parties, the “**Waiving Parties**”), that Kirkland & Ellis LLP (“**K&E**”) (or any successor thereto) may represent Seller or any direct or indirect director, manager, member, partner, officer, employee, equityholder, Affiliate or other Representative of Seller, in connection with any dispute, litigation, claim, proceeding or obligation arising out of or relating to this Agreement, any agreement entered into in connection herewith or the transactions contemplated hereby (any such representation, the “**Post-Closing Representation**”) notwithstanding its representation (or any continued representation) of the Company, and Purchaser consents thereto and will cause the Company to consent thereto on behalf of itself and the Waiving Parties, and Purchaser irrevocably waives (and will not assert) and will cause the Company to irrevocably waive (and not assert) any conflict of interest or any objection arising therefrom or relating thereto. Purchaser acknowledges and will cause the Company to acknowledge that the foregoing provision applies whether or not K&E provides legal services to the Company after the Closing Date. Purchaser irrevocably acknowledges and agrees and will cause the Company to irrevocably acknowledge and agree, for itself and the Waiving Parties, that all communications among K&E, the Company, Seller and/or any director, officer, manager, member, employee or other Representative of any of the foregoing made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or proceeding arising out of or relating to, this Agreement, any agreement entered into in connection herewith, the transactions contemplated hereby or any matter relating to any of the foregoing, are privileged communications and the attorney-client privilege and the expectation of client confidence belongs to solely to Seller and may be controlled by Seller and shall not pass to or be claimed by Purchaser or the Company and from and after the Closing none of Purchaser, the Company or any Person purporting to act on behalf of or through Purchaser, the Company or any of the Waiving Parties, will seek to obtain the same by any process. From and after the Closing, Purchaser, on behalf of itself and the Waiving Parties, waives and will not assert and will cause the Company to waive and not assert any attorney-client privilege with respect to any communication among K&E, the Company, Seller and/or any director, officer, manager, member, employee or other Representative of any of the foregoing occurring prior to the Closing in connection with any Post-Closing Representation. Notwithstanding the foregoing, in the event that a dispute arises between Purchaser or the Company, on the one hand, and a third party other than Seller, on the other hand, Purchaser and the Company may assert the attorney-client privilege to prevent disclosure of confidential communications to such third party; provided, however, that

none of Purchaser or the Company may waive such privilege without the prior written consent of Seller and none of Seller or its Affiliates may waive such privilege without the written consent of Purchaser.

Section 13.20 Financing Sources. Notwithstanding anything in this Agreement to the contrary, Seller and any of its Affiliates or Representatives, and each of their successors or permitted assigns, (i) hereby agree that none of the Debt Financing Sources shall have any liability or obligation to Seller and any of its Affiliates or Representatives relating to, and waive any rights or claims against each of the Financing Sources relating to or arising out of this Agreement, the Debt Financing, the Debt Commitment Letter and the transactions contemplated hereby and thereby, whether at law or in equity and whether in tort, contract or otherwise, (ii) hereby agree not to bring or support any suit, action or proceeding against any Financing Source in connection with this Agreement, the Debt Financing, the Debt Commitment Letter and the transactions contemplated hereby and thereby, whether at law or in equity and whether in tort, contract or otherwise and (iii) hereby agree to cause any suit, action or proceeding asserted against any Financing Source by or on behalf of the Seller and any of its Affiliates or Representatives, and each of their successors or permitted assigns in connection with this Agreement, the Debt Financing, the Debt Commitment Letter and the transactions contemplated hereby and thereby to be dismissed or otherwise terminated. Nothing in this Section 13.20 shall limit the rights of Purchaser in respect of the Debt Financing under any Commitment Letter, related Fee Letters or any definitive documentation in respect of the foregoing. In furtherance and not in limitation of the foregoing waivers and agreements, it is acknowledged and agreed that no Financing Source shall have any liability for any claims or damages to Seller and any of its Affiliates or Representatives, and each of their successors or permitted assigns in connection with this Agreement, the Debt Financing, the Debt Commitment Letter and the transactions contemplated hereby and thereby. Without limiting the foregoing, the Financing Sources shall be beneficiaries of all limitations on remedies and damages in this Agreement that apply to Purchaser hereto and are express third party beneficiaries of this **Section 13.20**.

Section 1445 of the Internal Revenue Code of 1986, as amended (the “*Code*”), and the Treasury regulations promulgated thereunder, provide that a transferee of a United States real property interest must withhold tax if the transferor is a foreign person. For United States federal income tax purposes (including Section 1445 of the Code), the owner of a disregarded entity (which has legal title to a United States real property interest under local law) will be the transferor of the property and not the disregarded entity. To inform Stonepeak Kestrel Holdings LLC, a limited liability company organized under the laws of the State of Delaware (the “*Transferee*”) that withholding of tax is not required upon transfer of any interest in the assets (including any United States real property interests, if any) of NRG Americas, Inc., a corporation organized under the laws of the State of Delaware (the “*Transferor*”), to the Transferee, the undersigned hereby certifies the following on behalf of the Transferor:

1. The Transferor is not a foreign corporation, foreign partnership, foreign trust or foreign estate (as those terms are defined in the Code and Treasury regulations).
2. Transferor is not a disregarded entity as defined in Treasury Regulation Section 1.1445-2(b)(2)(iii).
3. The Transferor’s employer identification number is 58-2042323. The Transferor’s principal office address is:

NRG Americas, Inc.
804 Carnegie Center
Princeton, New Jersey 08540

The undersigned understands and acknowledges that this certification may be disclosed to the Internal Revenue Service by the Transferee and that any false statement contained herein could be punished by fine, imprisonment or both.

Under penalties of perjury, the undersigned declares that it has examined this certification and to the best of its knowledge and belief, it is true, correct and complete, and the undersigned further declares that it has authority to sign and deliver this certification on behalf of the Transferor. This certificate is dated effective as of the date first written below.
