**ORDER (I) APPROVING PURCHASE AGREEMENT, (II) AUTHORIZING SALE
FREE AND CLEAR OF ALL LIENS, CLAIMS, ENCUMBRANCES,
AND OTHER INTERESTS, AND (III) GRANTING RELATED RELIEF**

Upon consideration of the motion (the “Motion”)² of the above-captioned Debtors and Debtors in possession (collectively, the “Debtors”), pursuant to sections 105(a), 363, 365, 503 and 507 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”), Rules 2002, 3007, 6004, 6006, 9006, 9007 and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 6004-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), for the entry of an order (this “Sale Order”) authorizing and approving (i) the Sale pursuant to that certain Asset Purchase Agreement, dated as of October 20, 2020, attached hereto as **Exhibit 1** (including all exhibits and schedules related thereto) between the

¹ The Debtors in these Chapter 11 Cases, along with the last four digits of each Debtors' tax identification number, as applicable, are: ONE Aviation Corporation (9649); ACC Manufacturing, Inc. (1364); Aircraft Design Company (1364); Brigadoon Aircraft Maintenance, LLC (9000); DR Management, LLC (8703); Eclipse Aerospace, Inc. (9000); Innovatus Holding Company (9129); Kestrel Aircraft Company, Inc. (2053); Kestrel Brunswick Corporation (6741); Kestrel Manufacturing, LLC (1810); Kestrel Tooling Company (9439); and OAC Management, Inc. (9986). The Debtors' corporate headquarters is located at 3520 Spirit Drive SE, Albuquerque, NM 87106.

2 Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Motion or the Purchase Agreement (defined herein), as applicable; *provided, however*, that nothing in the Purchase Agreement (defined below) or this Order shall be construed to include in the definition of Purchased Assets any assets owned by Kestrel Brunswick Corporation or Kestrel Manufacturing LLC on which any Kestrel Secured Creditor (defined below) has a security interest and previously obtained relief from the automatic stay.

Debtors and the Buyer (as may be amended, modified, or supplemented in accordance with the terms thereof, the “Purchase Agreement”), (ii) authorizing, at Closing, the sale of the Purchased Assets and the assumption and assignment of the executory contracts and unexpired leases to be assumed and assigned to the Buyer at Closing pursuant to this Sale Order and the Purchase Agreement (collectively, the “Assigned Contracts”) free and clear of all liens, claims, encumbrances, and other interests, other than any Permitted Encumbrances as set forth in the Purchase Agreement; and (iii) granting related relief; and the Debtors having determined that the highest or otherwise best offer for the Purchased Assets was made by the Buyer pursuant to the Purchase Agreement; and the Court having conducted a hearing on November 6, 2020 (the “Sale Hearing”), at which time all parties in interest were offered an opportunity to be heard with respect to the Sale, to consider the approval of the Sale pursuant to the terms and conditions of the Purchase Agreement, and the Court having considered (i) the Motion and any objections thereto, (ii) the Sale, (iii) the arguments of counsel made, and evidence adduced, related thereto, and (iv) the full record in the Chapter 11 Cases, including the record related to the Sale Hearing; and all parties in interest having been heard, or having had the opportunity to be heard regarding the Motion, the Purchase Agreement, approval of the Sale and the transactions contemplated by the Purchase Agreement and all relief set forth herein; and all objections, if any, to the Motion having been withdrawn, resolved, or overruled on the merits; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is in the best interests of the Debtors and their

respective estates and creditors, and other parties in interest in these Chapter 11 Cases; it is hereby **FOUND, CONCLUDED, AND DETERMINED THAT:**³

A. The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to these Chapter 11 Cases pursuant to Bankruptcy Rule 9014.

B. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

C. The Court has jurisdiction to consider the Motion and the relief requested therein under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This is a core proceeding under 28 U.S.C. § 157(b). Venue over these Chapter 11 Cases and the Motion is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order with respect to the Motion, the Sale, the transactions contemplated thereby, and all related relief, in each case, consistent with Article III of the United States Constitution.

D. This Sale Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, this Court finds that there is no just reason for delay in the implementation of this Sale Order, and directs entry of judgment as set forth herein.

3 All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Motion are hereby incorporated herein to the extent not inconsistent herewith.

E. The Purchased Assets constitute property of the Debtors' bankruptcy estates and title thereto is vested in the Debtors' bankruptcy estates within the meaning of section 541(a) of the Bankruptcy Code.

F. The statutory bases for the relief requested in the Motion and provided for herein are sections 105(a), 363, 365, 503, and 507 of the Bankruptcy Code and Bankruptcy Rules 2002, 3007, 6004, 6006, 9007, 9014, and Local Rule 6004-1.

G. On October 9, 2018 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the Petition Date, the Debtors have continued to maintain their business and manage their property as Debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.

H. Given that the Debtors' assets have been extensively marketed since 2018, multiple potential buyers have failed to perform or otherwise consummate transactions for the Debtors' assets, and that parties in interest were recently noticed of a potential sale of substantially all of the Debtors' assets (the "August 2020 Transaction"), upon the Debtors' motion, this Court entered the *Order Shortening the Time For Notice of The Hearing to Consider the Debtors' Sale Motion* [Docket No. 975] (the "Scheduling Order") on October 21, 2020 having determined that sufficient cause existed to shorten the notice period in connection with the Sale Motion. Accordingly, as evidenced by the affidavits of service and publication that were filed with the Court in connection with the August 2020 Transaction [Docket Nos. 922, 923, 932], and based on the representations of counsel at the Sale Hearing, due, proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, and the assumption and assignment of the Assigned Contracts to the Buyer at Closing pursuant to this Sale Order and the Purchase Agreement has been provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy

Code and Bankruptcy Rules 2002, 6004, 9007, and 9014, and to each party entitled to such notice, including, as applicable: (a) the U.S. Trustee; (b) the DIP Lender; (c) the Debtors' prepetition lenders; (d) the Committee; (e) the Internal Revenue Service; (f) the United States Attorney for the District of Delaware; (g) all federal, state, and local regulatory or taxing authorities or recording offices that have a reasonably known interest in the relief requested herein; (h) any party known or reasonably believed to have asserted any lien, claim or encumbrance or other interest in the Debtors' assets; (i) any party known or reasonably believed to have expressed an interest in acquiring some or substantially all of the Debtors' assets; (j) the non-Debtor counterparties to the Assigned Contracts; and (k) any parties that have requested notice in these cases pursuant to Bankruptcy Rule 2002. With respect to entities whose identities are not reasonably ascertained by the Debtors, publication in connection with the August 2020 Transaction, as evidenced by the affidavit of service filed by the Debtors at Docket Nos. 922 and 923, was and is deemed, sufficient, and reasonably calculated under the circumstances to reach such entities. The notices described above were sufficient and appropriate under the circumstances, and no other or further notice of the Motion, the Sale, and the Sale Hearing is, or shall be, required.

I. The Debtors have served notices [Docket No. 982] (the "Assumption and Assignment Notices") upon the counterparties to the Assigned Contracts ("Non-Debtor Counterparties"): (i) that the Debtors seek to assume and assign to the Buyer the Assigned Contracts on the closing of the Sale (the "Closing Date"); and (ii) of the relevant cure amounts as stated in the Assumption and Assignment Notice or as otherwise agreed by the Buyer and the applicable Non-Debtor Counterparty, (each, a "Cure Amount" and collectively, the "Cure Amounts"). The service of such notices was good, proper, timely, reasonable, adequate, sufficient, and appropriate under the circumstances, and no other or further notice need be given in respect

of establishing a Cure Amount for the Assigned Contracts. Each of the Non-Debtor Counterparties has had a reasonable opportunity to object to the Cure Amounts set forth in the applicable Assumption and Assignment Notice to the Buyer of the applicable Assigned Contract.

J. Subsequent to the filing of the Motion, the Debtors received certain other indications of interest and potential offers for the Debtors' assets. As a result, the Debtors intended to conduct an auction (the "Auction"), as governed by bidding procedures [Docket No. 1024, as revised Docket No. 1040] (the "Bidding Procedures"), by video conference on November 16, 2020, to determine the highest or otherwise best offer with respect to the Debtors' assets [Docket Nos. 1023, 1026, 1031, 1032, and 1042]. Despite adjourning the Auction multiple times to provide an opportunity for bidders to submit Qualified Bids (as defined in the Bidding Procedures), no Qualified Bid for the Purchased Assets, other than the Purchase Agreement, was received and the Debtors filed a notice [Docket No. 1049] that the Auction was cancelled in accordance with the Bidding Procedures.

K. The Debtors have articulated good and sufficient reasons for this Court to grant the relief requested in the Motion as it pertains to the Sale and as provided for herein.

L. The Sale Notice provided all interested parties with timely and proper notice of the Sale and the Sale Hearing.

M. The disclosures made by the Debtors in the Motion, the Sale Notice, and related documents filed with the Court concerning the Purchase Agreement, the Sale, and the Sale Hearing were complete and adequate.

N. A reasonable opportunity to object and to appear and be heard with respect to the Sale, the Motion, and the relief requested therein, including but not limited to the assumption

and assignment of the Assigned Contracts and the Cure Amounts related thereto, has been afforded to all interested parties, including the Notice Parties.

O. The deadline to file an objection to the Assumption and Assignment Notice and the deadline to file an objection to the Sale have expired. To the extent that any Non-Debtor Counterparty timely filed an Objection to an Assumption and Assignment Notice or an Objection to the Sale that has not been resolved, withdrawn, overruled, or adjourned to a later hearing by agreement of the parties, the Buyer and any applicable Non-Debtor Counterparty are authorized to mutually agree upon a resolution of any pending disputes that does not impose any liability on, or otherwise adversely affect, the Debtors without any further notice to or action, order or approval of the Bankruptcy Court. To the extent that any such Non-Debtor Counterparty did not timely file an Objection to an Assumption and Assignment Notice or an Objection to the Sale, such party shall be deemed to have consented to (i) the assumption and assignment of the Assigned Contract to the Buyer, and (ii) the proposed Cure Amount set forth on the Assumption and Assignment Notice.

P. The terms contained in the Purchase Agreement constitute the highest or otherwise best offer for the Purchased Assets, and will provide a greater recovery for the Debtors' bankruptcy estates for the Purchased Assets than would be provided by any other available alternative. The Debtors' determination that the Purchase Agreement constitutes the highest or otherwise best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

Q. The Purchase Agreement and the Sale contemplated thereby represent a fair and reasonable offer to purchase the Purchased Assets. No higher or otherwise better offer was

submitted to the Debtors to purchase the Purchased Assets for greater economic value to the Debtors' bankruptcy estates than provided by the Buyer pursuant to the Purchase Agreement.

R. Approval of the Motion and the Purchase Agreement and the consummation of the Sale contemplated thereby is in the best interests of the Debtors, their respective bankruptcy estates and creditors and other parties in interest in these Chapter 11 Cases.

S. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the Sale of the Purchased Assets because, among other reasons, (i) the Purchase Agreement constitutes the highest or otherwise best offer for the Purchased Assets, (ii) the Purchase Agreement and the closing thereon will present the best opportunity to realize the value of the Purchased Assets, and (iii) any other transaction would not have yielded as favorable an economic result. The Buyer is purchasing the Purchased Assets in good faith, is a good-faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and is not an "insider" (as defined under section 101(31) of the Bankruptcy Code) of the Debtors, and therefore is entitled to the full benefits and protections of section 363(m) of the Bankruptcy Code, and otherwise has proceeded in good faith in all respects in connection with the Sale in that: (i) the Buyer recognized that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets; (ii) all payments to be made by the Buyer and other agreements or arrangements entered into by the Buyer in connection with the Sale have been disclosed; (iii) the Buyer has not violated section 363(n) of the Bankruptcy Code by any action or inaction; (iv) the Buyer agreed to provisions in the Purchase Agreement that would enable the Debtors to accept a higher or better offer in respect of the Sale; and (v) the negotiation and execution of the Purchase Agreement, including the Sale contemplated thereby, were at arms' length and in good faith. The Buyer has at all times acted in good faith and will continue to be

acting in good faith within the meaning of section 363(m) of the Bankruptcy Code in closing the transactions contemplated by the Purchase Agreement.

T. The Purchase Agreement and the transactions contemplated thereby cannot be avoided under section 363(n) of the Bankruptcy Code. The Debtors, the Buyer and their respective agents, representatives and affiliates have not engaged in any conduct that would cause or permit the Purchase Agreement or the consummation of the transactions contemplated thereby to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

U. The consideration provided by the Buyer pursuant to the Purchase Agreement: (i) is fair and adequate, and constitutes reasonably equivalent value and fair consideration and value, under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia (including the Uniform Fraudulent Transfer Act); and (ii) will provide a greater recovery for the Debtors' bankruptcy estates and creditors than would be provided by any other reasonably practicable available alternative.

V. By consummating the Sale, the Buyer is not a mere continuation of the Debtors or their respective bankruptcy estates, and there is no continuity, no common identity, and no continuity of enterprise between the Debtors and the Buyer. The Buyer is not holding itself out to the public as a continuation of the Debtors. The Buyer is not a successor to the Debtors or their respective bankruptcy estates by reason of any theory of law or equity, and the Sale does not amount to a consolidation, merger, or de facto merger of the Buyer and the Debtors. Neither the Buyer nor any of its agents, representatives or affiliates shall assume or in any way be responsible for any obligation or liability of the Debtors and their respective bankruptcy estates except as expressly provided in this Sale Order or the Purchase Agreement. None of the transactions

contemplated by the Purchase Agreement, including, without limitation, the Sale or the assumption and assignment of any Assigned Contracts, is being undertaken for the purpose of hindering, delaying, or defrauding any creditors under the Bankruptcy Code, under the laws of the United States, or under the laws of any state, territory, possession, or the District of Columbia. Neither the Debtors nor the Buyer is entering into the transactions contemplated by the Purchase Agreement fraudulently for the purpose of statutory or common law fraudulent conveyance or fraudulent transfer claims or similar claims.

W. The Sale neither impermissibly restructures the rights of the Debtors' creditors, nor impermissibly dictates the terms of a plan of reorganization of the Debtors. The Sale does not constitute a *sub rosa* plan.

X. The Debtors, acting by and through their agents, representatives, and officers, have (i) full corporate power and authority to execute and deliver the Purchase Agreement and all other documents contemplated thereby, and (ii) taken all corporate action necessary to authorize and approve the Purchase Agreement and the consummation of the transactions contemplated thereby. The Sale has been duly and validly authorized by all necessary corporate action. No consents or approvals, other than those expressly provided for in the Purchase Agreement, are required for the Debtors to consummate the Sale, execute the Purchase Agreement, or consummate the transactions contemplated thereby.

Y. The transfer of each of the Purchased Assets to the Buyer will be as of the Closing Date a legal, valid, and effective transfer of such assets, and vests or will vest the Buyer with all right, title, and interest to the Purchased Assets free and clear of all Encumbrances (as defined below).

Z. Not transferring the Purchased Assets free and clear of all Encumbrances (other than Assumed Liabilities) of any kind or nature whatsoever, including rights or claims based on any theory of successor liability, and/or any applicable state, federal, or foreign law or otherwise, would adversely impact the Debtors' efforts to maximize the value of their estates, and the transfer of the Purchased Assets other than pursuant to a transfer that is free and clear of all Encumbrances (other than Assumed Liabilities) of any kind or nature whatsoever would be of substantially less benefit to the Debtors' estates.

AA. The Debtors may sell the Purchased Assets free and clear of all Encumbrances against the Debtors, their respective bankruptcy estates, or any of the Purchased Assets because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. Those holders of Encumbrances against the Debtors, their respective bankruptcy estates, or any of the Purchased Assets who did not object, or who withdrew their objections, to the Sale or the Motion are deemed to have consented thereto pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of such Encumbrances who did object fall within one or more of the other subsections of section 363(f) and are adequately protected by having their Encumbrances, if any, in each instance against the Debtors, their respective bankruptcy estates, or any of the Purchased Assets, attach to the cash proceeds of the Sale ultimately attributable to the Purchased Assets in which such creditor alleges an Encumbrance, in the same order of priority, with the same validity, force, and effect that such creditor had prior to the Sale, subject to any claims and defenses that the Debtors and their respective bankruptcy estates may possess with respect thereto. All other holders of Encumbrances could be compelled in a legal or equitable proceeding to accept money satisfaction of such claim or interest, or otherwise fall within section 363(f) of the Bankruptcy Code.

BB. If the Sale were not free and clear of all Encumbrances, or if the Buyer would, or in the future could, be liable for any Encumbrances, the Buyer would not have entered into the Purchase Agreement and would not consummate the Sale, thus adversely affecting the Debtors, their respective bankruptcy estates and creditors.

CC. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign the Assigned Contracts to the Buyer pursuant to the terms of this Sale Order and the Purchase Agreement, in each case in connection with the consummation of the Sale, and the assumption and assignment of the Assigned Contracts is in the best interests of the Debtors, their respective bankruptcy estates and creditors and other parties in interest. The Assigned Contracts being assigned to the Buyer under the Purchase Agreement are an integral part of the Purchase Agreement and the Sale, and accordingly such assumptions and assignments are reasonable and enhance the value of the Debtors' bankruptcy estates. Any Non-Debtor Counterparty to any Assigned Contract that has not actually filed with the Court an objection to such assumption as of the date hereof is deemed to have consented to such assumption and assignment.

DD. The Debtors and the Buyer have, to the extent necessary, satisfied the requirements of section 365 of the Bankruptcy Code, including sections 365(b)(1)(A), 365(b)(1)(B), and 365(f) of the Bankruptcy Code, in connection with the sale and assumption and assignment of the Assigned Contracts to the extent provided under this Sale Order and the Purchase Agreement and have: (i) cured any default existing prior to the date hereof under any of the Assigned Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code; and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the

Assigned Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code, and the Buyer has provided adequate assurance of future performance with respect to the Assigned Contracts, within the meaning of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. The Assigned Contracts are assignable notwithstanding any provisions contained therein to the contrary.

EE. Except as expressly assumed by the Buyer under the Purchase Agreement, the transfer of the Purchased Assets to the Buyer and the assignment to the Buyer of the Assigned Contracts will not subject the Buyer to any liability whatsoever which may become due or owing under the Assigned Contracts prior to the Closing Date (other than Cure Amounts), or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, or foreign jurisdiction, based, in whole or in part, directly or indirectly, on any theory of law or equity, including any theory of successor liability, in accordance with Section 8.8 of the Purchase Agreement.

FF. The Purchase Agreement and Sale must be approved and the Closing must occur promptly to preserve the value of the Purchased Assets and the Debtors' respective bankruptcy estates.

GG. Given the adequacy and fair value of the consideration provided by the Buyer under the Purchase Agreement, the Sale constitutes a reasonable and sound exercise of the Debtors' business judgment, is in the best interests of the Debtors, their respective bankruptcy estates and creditors and other parties in interest in these Chapter 11 Cases, and should be approved.

HH. The consummation of the Sale is legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a),

363(b), 363(f), 363(m), 365(b), and 365(f), and all of the applicable requirements of such sections have been complied with in respect of the Sale.

II. To maximize the value of the Purchased Assets, it is essential that the Sale occur within the time constraints set forth in the Purchase Agreement. Time is of the essence in consummating the Sale. Given all of the circumstances of these Chapter 11 Cases and the adequacy and fair value of the Purchase Price under the Purchase Agreement, the proposed Sale constitutes a reasonable and sound exercise of the Debtors' business judgment and should be approved. Accordingly, cause exists to waive the stay to the extent necessary, as contemplated by Bankruptcy Rules 4001(a), 6004(h), and 6006(d) to permit the immediate effectiveness of this Sale Order.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The relief requested in the Motion is granted as set forth herein and on the record of the Sale Hearing, which is incorporated herein as if fully set forth in this Sale Order.

2. All objections to, reservations of rights regarding, or other responses to the Motion or the relief requested therein, the Purchase Agreement, all other Ancillary Documents, the Sale, the entry of this Sale Order, or the relief granted herein, including, without limitation, any objections to Cure Amounts or relating to the cure of any defaults under any of the Assigned Contracts or to the assumption and assignment of any of the Assigned Contracts to the Buyer by the Debtors, that have not been withdrawn, waived, adjourned or settled by announcement to this Court during the Sale Hearing or by stipulation filed with this Court or otherwise been resolved pursuant to the terms thereof, including any and all reservations of rights included in such objections or otherwise, are hereby denied and overruled on the merits with prejudice. Those parties who did not object or withdrew their objections to the Motion or the entry of this Sale Order are deemed to have consented to the relief granted herein for all purposes, including without limitation, pursuant to section 363(f)(2) of the Bankruptcy Code.

3. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to these Chapter 11 Cases pursuant to Bankruptcy Rule 9014. To the extent that any of the findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the conclusions of law constitute findings of fact, they are adopted as such.

Approval of the Sale of the Purchased Assets

4. The Purchase Agreement, including all other Ancillary Documents, and all of the terms and conditions thereof, and the Sale of the Purchased Assets to the Buyer as provided in the Purchase Agreement, are hereby approved.

5. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors, acting by and through their agents, representatives and officers, are authorized and empowered to take any and all actions necessary or appropriate to: (a) consummate and close the Sale pursuant to and in accordance with the terms and conditions of this Sale Order and the Purchase Agreement; (b) transfer and assign all right, title, and interest to all property, licenses, and rights to be conveyed in accordance with the terms and conditions of this Sale Order and the Purchase Agreement; and (c) execute and deliver, perform under, consummate, and implement this Sale Order and the Purchase Agreement and all additional instruments and documents that may be reasonably necessary or desirable to implement this Sale Order, the Purchase Agreement and the Sale, including any other Ancillary Documents, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by this Sale Order, the Purchase Agreement and any such other Ancillary Documents.

6. This Sale Order shall be binding in all respects upon the Debtors, their respective bankruptcy estates, and creditors, all holders of equity interests in the Debtors, all holders of any Encumbrances against the Debtors, any holders of Encumbrances against or on all

or any portion of the Purchased Assets, all counterparties to any executory contract or unexpired lease of the Debtors, the Buyer and all agents, representatives, affiliates, and permitted successors and assigns of the Buyer, and any trustees, examiners, or other fiduciary under any section of the Bankruptcy Code, if any, subsequently appointed in these Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code of these Chapter 11 Cases, or other plan fiduciaries, plan administrators, liquidating trustees, or other estate representatives appointed or elected in these Chapter 11 Cases. The terms and provisions of the Purchase Agreement and this Sale Order shall inure to the benefit of the Debtors, their respective bankruptcy estates and creditors, the Buyer and all agents, representatives, affiliates, and permitted successors and assigns of the Buyer, and any other affected third parties, including all persons asserting any Encumbrances in the Purchased Assets to be sold to the Buyer pursuant to the Purchase Agreement, notwithstanding any subsequent appointment of any trustee(s), party, entity, or other fiduciary under any section of any chapter of the Bankruptcy Code, as to which trustee(s), party, entity, or other fiduciary such terms and provisions likewise shall be binding.

Sale and Transfer of Purchased Assets

7. Pursuant to sections 105(a), 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, upon the Closing Date and pursuant to the Purchase Agreement, the Purchased Assets shall be transferred to the Buyer free and clear of all encumbrances, claims, interests, and liens accruing, arising or relating thereto any time prior to the Closing Date, including the Excluded Liabilities, mortgages, restrictions, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, licenses, options, deeds of trust, security interests, other interests, conditional sale or other title retention agreements, pledges, and other liens (including mechanics', materialman's, and other consensual and non-consensual liens and statutory liens), judgments, demands, encumbrances, rights of first refusal, offsets, contracts,

rights of recovery, claims for reimbursement, contribution, indemnity, exoneration, products liability, alter-ego, environmental, or tax, decrees of any court or foreign or domestic governmental entity, or charges of any kind or nature, if any, including any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership, debts arising in any way in connection with any agreements, acts, or failures to act, including any pension liabilities, retiree medical benefit liabilities, liabilities related to the Employee Retirement Income Security Act of 1974, liabilities related to the Internal Revenue Code, or any other liability relating to Debtors' current and former employees, including any withdrawal liabilities or liabilities under any collective bargaining agreement or labor practice agreement, of the Debtors or any of the Debtors' predecessors or affiliates, claims, whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of these Chapter 11 Cases, and whether imposed by agreement, understanding, law, equity or otherwise, including claims otherwise arising under doctrines of successor liability (other than Assumed Liabilities) (collectively, the "Encumbrances"), with all such Encumbrances to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect that they now have as against the Purchased Assets, subject to any claims and defenses the Debtors and their respective bankruptcy estates may possess with respect thereto. For the avoidance of doubt, the Purchased Assets shall include that certain fiber optical system owned by the Debtors located in the vicinity of Albuquerque International Sunport, together with all conduit, infrastructure, cable, easements, rights of way, and all other physical aspects and rights associated with the fiber optical system.

8. On the Closing Date, this Sale Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Purchased Assets or a bill of sale transferring good and marketable title in such Purchased Assets to the Buyer pursuant to the terms set forth in this Sale Order and the Purchase Agreement. For the avoidance of doubt, the Excluded Assets set forth in the Purchase Agreement are not included in the Purchased Assets, and the Excluded Liabilities set forth in the Purchase Agreement are not Assumed Liabilities.

9. Subject to the terms and conditions of this Sale Order, the transfer of the Purchased Assets to the Buyer pursuant to the Purchase Agreement and the consummation of the Sale and any related actions contemplated thereby do not require any consents other than as specifically provided for in this Sale Order and the Purchase Agreement, constitute a legal, valid, and effective transfer of the Purchased Assets, and shall vest the Buyer with right, title, and interest in and to the Purchased Assets as set forth in this Sale Order and the Purchase Agreement, as applicable, free and clear of all Encumbrances.

10. The Sale of the Purchased Assets is not subject to avoidance by any person or for any reason whatsoever, including, without limitation, pursuant to section 363(n) of the Bankruptcy Code and the Buyer shall not be subject to damages, including any costs, fees, or expenses under section 363(n) of the Bankruptcy Code.

11. Upon closing of the Sale, the cash proceeds of the Sale shall be used to make distributions pursuant to order of the Court.

12. The Buyer, to the extent provided by this Sale Order or the Purchase Agreement, shall be authorized, subject to compliance with applicable federal, state, and local governmental agency requirements, as of the Closing Date, to operate under any license, permit,

registration, and governmental authorization or approval of the Debtors constituting Purchased Assets, and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date as provided by this Sale Order and the Purchase Agreement. To the extent provided by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any grant, permit, or license relating to the operation of the Purchased Assets sold, transferred, assigned, or conveyed to the Buyer on account of the filing or pendency of these Chapter 11 Cases or the consummation of the Sale. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the Sale.

13. All entities that are presently, or on the Closing may be, in possession of some or all of the Purchased Assets to be sold, transferred, or conveyed (wherever located) to the Buyer pursuant to this Sale Order and the Purchase Agreement are hereby directed to surrender possession of the Purchased Assets to the Buyer on the Closing Date.

14. Upon consummation of the Sale, if any person or entity that has filed financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing Encumbrances against or in the Purchased Assets shall not have delivered to the Debtors prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfactions, releases of all Encumbrances that the person or entity has with respect to the Purchased Assets, or otherwise, then (a) the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Purchased Assets, and (b) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this Sale Order, which, once filed, registered

or otherwise recorded, shall constitute conclusive evidence of the release of all Encumbrances against or in the Purchased Assets of any kind or nature; provided that, notwithstanding anything in this Sale Order or the Purchase Agreement to the contrary, the provisions of this Sale Order shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate, and implement the provisions of this Sale Order. For the avoidance of doubt, upon consummation of the Sale, the Buyer is authorized to file termination statements, lien terminations, or other amendments in any required jurisdiction to remove and record, notice filings or financing statements recorded to attach, perfect, or otherwise notice any Encumbrance that is extinguished or otherwise released pursuant to this Sale Order under section 363 of the Bankruptcy Code and the related provisions of the Bankruptcy Code.

15. Except to the extent included in Assumed Liabilities, or to enforce the Purchase Agreement, all entities, including all lenders, debt security holders, equity security holders, governmental, tax, and regulatory authorities, parties to contracts and leases, customers, employees and former employees, dealers and sale representatives, and trade or other creditors holding Encumbrances against or in the Debtors and their respective bankruptcy estates or the Purchased Assets arising under or out of, in connection with, or in any way relating to, the transfer of the Purchased Assets to the Buyer, or any entities or individuals asserting any interests in the Purchased Assets, hereby are forever barred and estopped from asserting any Encumbrances against the Buyer, the permitted successors and assigns of the Buyer, the property of the Buyer or its permitted successors and assigns, or the Purchased Assets conveyed in accordance with the Purchase Agreement.

16. As of and after the Closing: (a) each of the Debtors' creditors is hereby authorized and directed to execute such documents and take all other actions as may be necessary to release its Encumbrances in the Purchased Assets (if any) as such Encumbrances may have been recorded or may otherwise exist; and (b) any Purchased Asset that may be subject to a statutory lien, mechanic's lien or the like shall be turned over and such liens shall attach to the proceeds of the Sale in the same priority they currently enjoy with respect to the Purchased Assets.

17. The Buyer shall not have any liability or other obligation of the Debtors arising under or related to any of the Purchased Assets, including, but not limited to, any liability for any liabilities whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtors or any obligations of the Debtors, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' business, which may become due or owing (a) prior to the Closing Date, or (b) from and after the Closing Date but which arise out of or relate to any act, omission, circumstances, breach, default, or other event occurring prior to the Closing Date.

18. To the greatest extent available under applicable law, the Buyer shall be authorized, as of the Closing Date, to operate under any license, trademark, permit, registration, and governmental authorization or approval of the Debtors with respect to the Purchased Assets, and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been, and hereby are, deemed to be transferred to the Buyer as of the Closing Date.

19. Subject to the terms, conditions, and provisions of this Sale Order, all entities are hereby forever prohibited and barred from taking any action that would adversely affect or interfere (a) with the ability of the Debtors to sell and transfer the Purchased Assets to Buyer in

accordance with the terms of the Purchase Agreement and this Sale Order, and (b) with the ability of the Buyer to acquire, take possession of, use and operate the Purchased Assets in accordance with the terms of the Purchase Agreement and this Sale Order.

Contracts to be Assumed and Assigned

20. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, and subject to and conditioned upon the occurrence of the Closing Date, the Debtors' assumption and assignment to the Buyer, and the Buyer's assumption, on the terms set forth in this Sale Order and the Purchase Agreement, of the Assigned Contracts, are hereby approved in their entirety, and the requirements of section 365 of the Bankruptcy Code with respect thereto are hereby deemed satisfied.

21. The Debtors are hereby authorized in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code to assume and assign to the Buyer, effective upon the Closing Date, the Assigned Contracts free and clear of all Encumbrances and execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and transfer the Assigned Contracts to the Buyer.

22. Upon the Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested in all right, title, and interest in and of each Assigned Contract.

23. The Assigned Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Buyer in accordance with their respective terms, notwithstanding any provision in any such Assigned Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer.

24. Pursuant to sections 365(b)(1)(A) and (B) of the Bankruptcy Code, the Buyer shall pay to the respective counterparty the Cure Amounts relating to any Assigned Contract, which Cure Amounts shall not exceed the amount for each Cure Amounts set forth in Schedule 2.3(b)(i) of the Purchase Agreement.

25. Except with respect to any Pending Assigned Contract or as otherwise agreed in writing between the Debtors and the Non-Debtor Counterparties to the Assigned Contracts or stated on the record of the Sale Hearing, the Cure Amounts to be paid by the Buyer for the Assigned Contracts are hereby fixed at the amounts set forth in the Assumption and Assignment Notice and the Non-Debtor Counterparties to such Assigned Contracts are forever bound by such Cure Amounts and, upon payment of such Cure Amounts, are hereby forever barred and prohibited from taking any action against the Debtors and their respective bankruptcy estates, the Buyer and all agents, representatives, affiliates, and permitted successors and assigns of the Buyer, or the Purchased Assets with respect to any claim for cure under any Assigned Contract.

26. The Buyer shall have no liability arising or accruing under the Assigned Contracts on or prior to the Closing, except as otherwise expressly provided in the Purchase Agreement or this Sale Order. Unless as otherwise set forth in this Sale Order or the Purchase Agreement, the Non-Debtor Counterparties to the Assigned Contracts are barred from asserting against the Debtors, their estates, the Buyer, and their respective successors and assigns, any default or unpaid obligation allegedly arising or occurring before the Closing, any pecuniary loss resulting from such default, or any other obligation under the Assigned Contracts arising or incurred prior to the Closing, other than the Cure Amount set forth in the Assumption and Assignment Notice or such other Cure Amount as agreed to by the Debtors (with the consent of the Buyer) or as determined by the Court.

27. The payment of the applicable Cure Amounts (if any) shall effect a cure of all defaults existing as of the date that such executory contracts or unexpired leases are assumed and compensate for any actual pecuniary loss to such Non-Debtor Counterparty resulting from such default.

28. To the extent a Non-Debtor Counterparty to an Assigned Contract failed to timely object to a Cure Amount in accordance with the Scheduling Order, such Cure Amount shall be deemed to be finally determined and any such Non-Debtor Counterparty shall be prohibited from challenging, objecting to, or denying the validity and finality of the Cure Amount at any time, and such Cure Amount, when paid, shall be deemed to resolve any defaults or other breaches with respect to any Assigned Contract to which it relates. The Cure Amounts with respect to any Pending Assigned Contract shall be determined, fixed and paid in accordance with Sections 2.3, 2.6 and 3.3 of the Purchase Agreement and the Debtors, the Buyer and any Non-Debtor Counterparty shall be authorized to mutually agree upon a resolution of any pending disputes that does not impose any liability on, or otherwise adversely affect, the Debtors without any further notice to or action, order or approval of the Bankruptcy Court.

29. The Buyer shall have assumed the Assigned Contracts, and pursuant to section 365(f) of the Bankruptcy Code, the assignment by the Debtors of such Assigned Contracts shall not be a default thereunder. After the payment of the relevant Cure Amounts, neither the Debtors and their respective bankruptcy estates nor the Buyer shall have any further liabilities to the Non-Debtor Counterparties to the Assigned Contracts, other than the Buyer's obligations under the Assigned Contracts that accrue after the date that such Assigned Contracts are assumed.

30. Any provisions in any Assigned Contracts that prohibit or condition the assignment of such Assigned Contract or allow the party to such Assigned Contract to terminate,

recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Assigned Contract constitute unenforceable anti-assignment provisions that are void and of no force and effect. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of the Assigned Contracts have been satisfied.

31. Any party having the right to consent to the assumption or assignment of any Assigned Contract that failed to object to such assumption or assignment is deemed to have consented to such assumption and assignment as required by section 365(c) of the Bankruptcy Code.

32. If following the service of the Assumption and Assignment Notices, the Buyer elects to designate additional Contracts as Assigned Contracts (“Additional Assigned Contracts”) in accordance with the terms of the Purchase Agreement and this Order, the Debtors shall file with the Court and serve by first-class mail additional notice(s) (each, an “Additional Assumption and Assignment Notice”) on each Non-Debtor Counterparty to the Additional Assigned Contracts. Such Additional Assumption and Assignment Notice shall (a) identify the Non-Debtor Counterparty to each Additional Assigned Contract; (b) identify the Buyer as the proposed assignee; (c) set forth the Cure Amount with respect to such Additional Assigned Contracts; and (iv) identify the effective date of the assumption and assignment for each such Additional Assigned Contract. The Non-Debtor Counterparty will have seven days following delivery of an Additional Assumption and Assignment Notice to file and duly serve an objection (if any) to the proposed assumption and assignment as set forth in the Additional Assumption and Assignment Notice. If any such objection is filed, the parties shall attempt to resolve the dispute and, if the parties are unable to reach a resolution, the matter may be set for hearing and resolution

by the Court. If no objection to such Additional Assumption and Assignment Notice is timely filed, (i) such Additional Assigned Contracts shall be assumed by the Debtors and assigned to the Buyer effective as of the date set forth on such Additional Assumption and Assignment Notice and (ii) the Cure Amount to be paid by the Buyer with respect to any Additional Assigned Contract shall be fixed at the amount set forth in such Additional Assumption and Assignment Notice and the counterparty to such Additional Assigned Contract shall be forever bound by such Cure Amount and, upon payment of such Cure Amount, shall be forever barred from taking any action against the Debtors and their respective bankruptcy estates, the Buyer and all agents, representatives, affiliates, and permitted successors and assigns of the Buyer, or the Purchased Assets with respect to any claim for cure under such Additional Assigned Contract.

33. Up and until two (2) Business Days prior to the Closing Date, Buyer may, in its sole discretion, add or remove any Contract listed on the Assumption and Assignment Notice as an Assigned Contract to be assumed and assigned to Buyer or its designee on the Closing Date in accordance with Section 2.6 of the Purchase Agreement. The Buyer may remove any such Contracts by providing written notice thereof to the Debtors for such Contract to be removed from the Closing Assumed Contract List (as defined in the Purchase Agreement). The Buyer may add any such Contract as an Additional Assigned Contract by providing written notice thereof to the Debtors, following which the Debtors shall file and serve an Additional Assumption and Assignment Notice in accordance with paragraph 32 hereof. For the avoidance of doubt, any Contract removed by Buyer from the Closing Assumed Contract List prior to the Closing shall, in accordance with paragraph 34 of this Order, remain subject to assumption and assignment (unless

Buyer designates such Contract for exclusion and rejection)⁴ until expiration of the Designation Deadline, and shall not constitute an Assigned Contract unless Buyer designates such Contract for assumption and assignment after the Closing.

34. As to each Contract that is neither designated as an Assigned Contract nor excluded and rejected as of the Closing Date, at any time until the expiration of the Designation Deadline, in accordance with the terms of Section 2.6(c) of the Purchase Agreement, Buyer may, in its sole and absolute discretion, designate such Contract as an Assigned Contract by providing written notice to the Debtors, specifying the Contract to be assumed by the Debtors and assigned to Buyer. Upon delivery of a notification by Buyer with respect to any such Contract to be designated for assumption and assignment, the Debtors shall file and serve an Additional Assumption and Assignment Notice in accordance with paragraph 32 hereof within two (2) days of receipt of such notice to assign such Contract to Buyer and shall assume and assign to, and Buyer shall accept the assignment of and assume such Contract. Unless and until Buyer accepts the designation of such Contract, Buyer shall not be obligated to perform or cause to be performed the Debtors' obligations under such Contract, and shall not retain any liabilities thereunder.

35. The Buyer shall be deemed to be substituted for the Debtors as a party to the applicable Assigned Contracts, and the Debtors and their respective bankruptcy estates shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Assigned Contracts.

36. This Sale Order shall forever bar and prohibit any party to a Contract that has been rejected by the Debtors that in any way relates to the Purchased Assets from taking any

⁴ For the avoidance of doubt, the rejection of any executory contract or unexpired lease shall be subject to Court approval pursuant to section 365(a) of the Bankruptcy Code.

action against the Buyer in connection with the Sale, whether pursuant to the Bankruptcy Code or any other statutory or non-statutory federal, state, or local law.

37. The Buyer has provided adequate assurance of future performance under the Assigned Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code.

38. There shall be no assignment fees, increases, rent-acceleration, or any other fees charged to the Buyer or the Debtors and their respective bankruptcy estates as a result of the assumption and assignment of the Assigned Contracts.

39. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, all counterparties to the Assigned Contracts are forever barred and prohibited from raising or asserting against the Debtors and their respective bankruptcy estates or the Buyer any assignment fee, default, breach, claim, pecuniary loss, or condition to assignment, arising under or related to the Assigned Contracts, existing as of the date that such Assigned Contracts are assumed or arising by reason of the Closing.

40. Neither the Buyer nor any permitted successor or assign of the Buyer shall be responsible for or be subject to any Encumbrances or obligations arising out of any of the contracts, agreements, or understandings that are not Assigned Contracts after the Closing Date.

Additional Provisions

41. The Debtors and the Buyer hereby waive, and shall be deemed to waive, any requirement of compliance with, and any claims related to non-compliance with, the provisions of any bulk sales, bulk transfer, or similar law of any jurisdiction that may be applicable.

42. Following the Closing, no holder of an Encumbrance in or against the Debtors and their respective bankruptcy estates or the Purchased Assets shall interfere with the Buyer's title to or use and enjoyment of the Purchased Assets based on or related to such

Encumbrance or any actions that the Debtors and their respective bankruptcy estates may take in these Chapter 11 Cases or any successor bankruptcy case.

43. The Debtors, including their respective officers, employees and agents, are hereby authorized and directed to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Purchase Agreement and this Sale Order. The Debtors shall be, and hereby are, authorized and directed to take all such actions as may be necessary to effectuate the terms of this Sale Order and the relief granted pursuant to this Sale Order.

44. The Sale is undertaken by the Buyer without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Assigned Contracts by the Buyer, if any, and the sale free and clear of all Encumbrances), unless such authorization and consummation of such Sale are duly stayed pending such appeal. The Buyer is a good-faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and as such is entitled to the full benefits and protections of such section.

45. As a good-faith purchaser of the Purchased Assets, the Buyer has not colluded with any of the other bidders, potential bidders, or any other parties interested in the Purchased Assets, and therefore the sale of the Purchased Assets may not be avoided pursuant to section 363(n) of the Bankruptcy Code.

46. Notwithstanding any provision to the contrary in the Sale Motion, this Order, the Purchase Agreement, and/or related sale documents (“Sale Documents”), nothing in the Sale Documents shall: (1) release, nullify, preclude or enjoin the enforcement of any police or

regulatory liability to a governmental unit that any entity would be subject to as the post-sale owner or operator of property after the date of entry of this Order; (2) authorizes the transfer or assignment of any governmental (i) license, (ii) permit, (iii) registration, (iv) authorization, or (v) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law; (3) authorize the assumption, sale, assignment or other transfer to the Buyer of any federal (i) grants, (ii) grant funds, (iii) contracts, (iv) property, (v) leases, or (vi) agreements, (collectively, “Federal Interests”) without compliance by the Debtors and the Buyer with all terms of the Federal Interests and with all applicable non-bankruptcy law; (4) be interpreted to set cure amounts or to require the government to novate, approve or otherwise consent to the assumption, sale, assignment or other transfer of any Federal Interests; (5) affect the government’s rights to offset or recoup any amounts due under, or relating to, the Federal Interests; or (6) confer exclusive jurisdiction to the Bankruptcy Court with respect to the Federal Interests, except to the extent set forth in 28 U.S.C. Section 1334 (as limited by any other provisions of the United States Code). Nothing in this Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order.

47. Without limiting the foregoing and for the avoidance of doubt, no provision in the Sale Documents relieves any person from the rules, regulations, and orders promulgated by the Federal Aviation Administration (“FAA”). Any license, certificate, and/or authorization issued by the FAA to any Debtor may not be transferred to or held by any entity without the FAA’s approval pursuant to applicable FAA regulations. Specifically, in the event that the Buyer does not meet the U.S. citizenship requirements set forth in 14 C.F.R. § 47.65, Debtor Eclipse Aerospace, Inc. may not continue to hold its Dealer’s Aircraft Registration Certificate unless it

obtains from FAA an exemption from such U.S. citizenship requirements. The FAA's rights and powers to take any action pursuant to its regulatory authority are fully preserved and nothing herein shall proscribe or constrain the FAA's exercise of such power or authority.

48. Moreover, no provision in the Sale Documents relieves any Debtor holding any license and/or authorization (a "Regulated Entity") issued and/or regulated by the Federal Communications Commission ("FCC") or reorganized Regulated Entity from its obligation to comply with the Communications Act of 1934, as amended, and the rules, regulations and orders promulgated thereunder by the FCC. No transfer of any FCC license or authorization held by a Regulated Entity or transfer of control of a Regulated Entity, or transfer of control of a FCC licensee controlled by a Regulated Entity shall take place prior to the issuance of FCC regulatory approval for such transfer pursuant to applicable FCC regulations. The FCC's rights and powers to take any action pursuant to its regulatory authority including, but not limited to, imposing any regulatory conditions on any of the above described transfers, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority.

49. The Debtors are authorized to pay from the proceeds of the sale of the Purchased Assets approved by this Sale Order: (a) \$123,717.80 in outstanding actual and documented fees and expenses owing to the Prepetition First Lien Agent; and (b) \$43,371.70 in outstanding actual documented fees and expenses owing to Crystal.

50. As set forth in the record of the hearing held before the Court on September 3, 2020, the Confirmation Order [Docket No. 707] is null and void.

51. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in these Chapter 11 Cases, any subsequent chapter 7 or chapter 11 cases

of the Debtors, or any related proceeding subsequent to entry of this Sale Order, shall conflict with or derogate from the terms of this Sale Order or the Purchase Agreement.

52. The failure specifically to include any particular provisions of the Purchase Agreement including any of the Ancillary Documents, agreements, or instruments executed in connection therewith in this Sale Order shall not diminish or impair the efficacy of such provision, document, agreement, or instrument, it being the intent of this Court that the Purchase Agreement and each document, agreement or instrument be authorized and approved in its entirety.

53. All time periods set forth in this Sale Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

54. To the extent that this Sale Order is inconsistent with any prior order or pleading with respect to the Motion in these Chapter 11 Cases, the terms of this Sale Order shall govern.

55. To the extent there are any inconsistencies between the terms of this Sale Order and the Purchase Agreement (including all Ancillary Documents executed in connection therewith), the terms of this Sale Order shall govern.

56. To the extent that such modification, amendment or supplement does not have a material adverse effect on the Debtors, the Purchase Agreement and any related agreements, documents or other instruments may be so modified, amended or supplemented by the parties thereto in accordance with the terms thereof without further order of this Court.

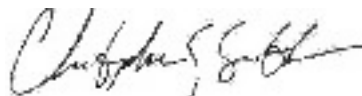

57. The provisions of this Sale Order are nonseverable and mutually dependent.

58. Notwithstanding the provisions of Bankruptcy Rules 6004(h), 6006(d) or 7062 or any applicable provisions of the Local Rules, this Sale Order shall not be stayed after the entry hereof, but shall be effective and enforceable immediately upon entry, and the fourteen (14)

day stay provided in Bankruptcy Rules 6004(h) and 6006(d) is hereby expressly waived and shall not apply.

59. This Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Sale Order and the Purchase Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtors are a party or which has been assigned by the Debtors to the Buyer, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Sale.

(r) all other assets related to the Eclipse Project as set forth on Schedule 2.1(r).

2.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall the Sellers be deemed to sell, transfer, assign or convey, and the Sellers shall retain all right, title and interest to, in and under the following assets, properties, interests and rights of the Sellers (collectively, the "**Excluded Assets**"):

(a) copies of any and all information not relating to the Eclipse Project or the Purchased Assets that is stored on the Sellers' computer systems, data networks or servers;

(n) all assets expressly excepted from the subsections of Section 2.1, including those set forth on applicable schedules, regardless of whether such assets are listed in this Section 2.2.

2.3 Assumption of Liabilities. On the terms and subject to the conditions set forth in this Agreement and the Sale Order, effective as of the Closing, Purchaser shall assume from the Sellers (and pay, perform, discharge or otherwise satisfy in accordance with their respective terms or as required by Law), and the Sellers shall irrevocably convey, transfer and assign to Purchaser,

the following Liabilities (and only the following Liabilities) (collectively, the “**Assumed Liabilities**”):

(a) all Liabilities of the Sellers arising from the ownership of the Purchased Assets, relating to periods occurring on or after the Closing; and

(b) all Liabilities and obligations of the Seller under the Assigned Contracts, including any costs of cure with respect to the Assigned Contracts (the “**Cure Amounts**,” or with respect to an individual Assigned Contract, the “**Cure Amount**”) in each case to the extent arising and relating to the period through the Closing Date. In accordance with Section 2.6(g), the Parties understand and agree that to the extent that the aggregate Cure Amounts for the Assigned Contracts (as determined by the Bankruptcy Court or otherwise agreed to by the Parties and the counterparties to the Assigned Contracts) exceeds the aggregate amount of the Cure Amounts for such Assigned Contracts set forth on Schedule 2.3(b)(i), Purchaser shall be solely liable for such excess; provided, however, that with respect to any Assigned Contract set forth on Schedule 2.3(b)(ii) (each, a “**Pending Assigned Contract**”), to the extent that the Purchaser and the applicable lessor or contract counterparty to a Pending Assigned Contract stipulate and agree to an aggregate Cure Amount for such Pending Assigned Contract that exceeds the amount of the Cure Amount for such Pending Assigned Contract as set forth on Schedule 2.3(b)(ii), the aggregate amount of such excess (the “**Excess Cure Amount**”) shall be borne fifty percent (50%) by the Sellers by means of a reduction to the Purchase Price and fifty percent (50%) by Purchaser, subject to and in accordance with the holdback requirements set forth in Section 3.3; provided that, to the extent the Excess Cure Amount is determined after the Closing, Sellers’ aggregate liability for such Excess Cure Amount shall be limited to the amount set forth in the Holdback Escrow Account.

Notwithstanding the foregoing or any other provisions of this Agreement, Purchaser shall not assume hereunder, and “Assumed Liabilities” shall not include, Liabilities under any Contract to the extent such Liabilities arise as a result of a breach or failure of such Contract occurring prior to, as of, or as a result of, the Closing.

The assumption by Purchaser of the Assumed Liabilities shall not, in any way, enlarge the rights of any third parties relating thereto.

2.4 Excluded Liabilities. Notwithstanding any provision in this Agreement to the contrary, Purchaser is assuming only the Assumed Liabilities and is not assuming, and shall not be deemed to have assumed, any other Liabilities of the Sellers of whatever nature (whether arising prior to, at the time of, or subsequent to Closing), whether absolute, accrued, contingent or otherwise, whether due or to become due and whether or not assets, and whether or not known or unknown or currently existing or hereafter arising or matured or unmatured, direct or indirect, and the Sellers shall be solely and exclusively liable for any and all such Liabilities, including without limitation, those Liabilities set forth below (collectively, the “**Excluded Liabilities**”):

(a) all Liabilities of the Seller relating to or otherwise arising, whether before, on or after the Closing, out of, or in connection with, any of the Excluded Assets;

(b) any and all Liabilities for Indebtedness with respect to borrowed money;

(c) subject to Section 2.3, all Liabilities of the Sellers resulting from the conduct of the Sellers or ownership or lease of any properties or assets or any properties or assets

previously used by the Sellers at any time, or other actions, omissions or events and which (i) constitute, may constitute or are alleged to constitute a tort, breach of contract or violation of any Law or (ii) relate to all Actions against the Sellers or their predecessors or Affiliates whether past, present, future, known or unknown, liquidated or unliquidated, accrued or unaccrued, pending or threatened;

(d) any and all Liabilities of the Sellers in respect of Contracts that are not Assigned Contracts;

(e) all Liabilities related to or with respect to any employees, including with respect to wages, commissions, vacation, sick leave, personal time;

(f) all Liabilities arising out of or relating to any business or property formerly owned or operated by the Sellers, any Affiliate or predecessor thereof, but not presently owned and operated by the Sellers;

(g) all Environmental Liabilities and Obligations arising or relating to any period prior to the Closing;

(h) any and all Liabilities of the Sellers for any (i) Taxes (including any Taxes owed by the Sellers and arising in connection with the consummation of the transactions contemplated by this Agreement), and (ii) Taxes attributable to the Purchased Assets or the operation of the Eclipse Project for any Pre-Closing Tax Period; and

(i) any and all Liabilities of the Sellers arising under this Agreement and/or any Ancillary Document executed and delivered by the Sellers to Purchaser in connection with the transactions contemplated hereby, or any side agreement between the Sellers and Purchaser entered into on or after the Agreement Date.

2.5 Post-Closing Liabilities. Purchaser acknowledges that Purchaser shall be responsible for all Liabilities and obligations relating to Purchaser's ownership or use of, or right to use, the Purchased Assets and the Assumed Liabilities after the Closing Date, including, without limitation, all Taxes arising out of or related to the Purchased Assets or the operation of conduct of the Purchased Assets acquired pursuant to this Agreement for all Tax periods beginning on or after the Closing Date.

2.6 Assumption/Rejection of Certain Contracts.

(a) The Sale Order shall provide for the assumption by the Sellers (to the extent not already assumed by the Sellers), and the assignment to the extent legally capable of being assigned by the Sellers to Purchaser or its designee, of the Assigned Contracts on the terms and conditions set forth in the remainder of this Section 2.6, and shall provide for the Designation Deadline. At Purchaser's reasonable request, the Sellers shall reasonably cooperate from the date hereof forward with Purchaser: (i) to allow Purchaser or its designee to enter into an amendment of any Contract upon assumption of such Contract by Purchaser or its designee (and the Sellers shall reasonably cooperate with Purchaser or its designee to the extent reasonably requested with Purchaser or its designee in negotiations with the lessors and contract counterparties thereof), or (ii) to otherwise amend any Contract to the extent such amendments would not adversely affect the Sellers; provided, that the Sellers shall not be required to enter into any such amendment if

such amendment would result in an assumption by the Sellers of such Contract, unless such Contract will be assigned to Purchaser or its designee at the time of such assumption and the Sellers will have no Liability in connection therewith following such assignment and assumption. The Sellers shall have no obligation to Purchaser to provide adequate assurances of future performance under any Assigned Contract in connection with the assignment and assumption thereof by the Seller.

(b) Purchaser has identified the Contracts that Purchaser has decided will be Assigned Contracts to be assumed and assigned to Purchaser or its designee on the Closing Date by providing a list thereof to the Sellers consisting of the Closing Contracts and the Closing Assumed Leased Real Property (as updated in accordance with this Agreement, the “**Closing Assumed Contract List**”), as set forth on Schedule 2.6(b). Until two (2) Business Days prior to the Closing Date, Purchaser may, in its sole discretion, add or remove any Contract as an Assigned Contract to be assumed and assigned to Purchaser or its designee on the Closing Date by amending the Closing Assumed Contract List, and, in connection with the Closing, the Sellers shall move in the Bankruptcy Court to assign any such Contract on the Closing Assumed Contract List to Purchaser or its designee, and at the Closing shall assign to, and Purchaser or its designee shall accept the assignment of and assume such Contract. Until two (2) Business Days prior to the Closing Date, Purchaser may, in its sole discretion, designate a Contract for exclusion and rejection by delivering written notice to the Sellers and, in connection with the Closing, such Contract will be deemed rejected as of the Closing (which date shall constitute the Rejection Effective Date with respect thereto).

(c) From and after the Agreement Date until the Designation Deadline, with respect to any Contract that was neither included on the Closing Assumed Contract List nor excluded and rejected as of the Closing Date, Purchaser may, in its sole discretion, designate such Contract as an Assigned Contract by providing written notice to the Sellers, specifying the Contract to be assumed by the Sellers and assigned to Purchaser or its designee. All Contracts not designated as an Assigned Contract by the expiration of the Designation Deadline shall be deemed rejected as of the Closing (the “**Rejection Effective Date**”) and no Seller shall have any obligation to assign any such Contract to Purchaser (such contract, an “**Excluded Contract**”). Upon delivery of a notification by Purchaser with respect to any Contract to be designated for assumption and assignment, the applicable Seller shall move in the Bankruptcy Court within two (2) days of receipt of such notice to assign such Contract to Purchaser or its designee and shall assume and assign to, and Purchaser or its designee shall accept the assignment of and assume such Contract. Unless and until Purchaser or its designee accepts the designation of such Contract, Purchaser or its designee shall not be obligated to perform or cause to be performed Sellers’ obligations under such Contract, and shall not retain any liabilities thereunder.

(d) After the Closing and prior to the Designation Deadline, the Sellers shall not terminate, amend, supplement, modify, waive any rights under, or create any lien with respect to any Contract, or take any affirmative action not required by the terms thereof, without the prior written consent of Purchaser (not to be unreasonably withheld or delayed), unless Purchaser has provided notice to the Sellers in writing designating such Contract for rejection pursuant to Section 2.6(c).

(e) Within two (2) Business Days of Purchaser’s delivery of any notice of designation of any Contract as an Assigned Contract pursuant to Section 2.6(c), or such lesser time

as is approved by the Bankruptcy Court, the Sellers shall give notice of the designation of such Contract as an Assigned Contract to the other parties thereto.

(f) As part of the Sale Motion (or as necessary in one or more separate motions), the Sellers shall request that, by virtue of the Sellers' providing notice of its intent to assume and assign any Contract, the Bankruptcy Court deem any non-debtor party to such Contract to have given any required consent to the assumption of the affected Contract by the relevant Seller and assignment to Purchaser or its designee.

(g) Subject to Section 2.3(b) and Section 3.3, in connection with the assumption and assignment to Purchaser or its designee of any Assigned Contract that is executory pursuant to this Section 2.6, the Cure Amounts, as determined by the Bankruptcy Court, if any, necessary to cure all defaults, if any, and to pay all actual or pecuniary losses that have resulted from such defaults under the Assigned Contracts, including any amounts payable to any landlord under any lease that is an Assigned Contract that relates to the period prior to the Assumption Approval, shall be paid by Purchaser, on or before the Closing.

(h) The Sellers shall use their commercially reasonable efforts to obtain an order of the Bankruptcy Court to assign the Assigned Contracts to Purchaser or its designee (the "***Assumption Approval***") on the terms set forth in this Section 2.6. In the event the Sellers are unable to assign any such Assigned Contract to Purchaser or its designee pursuant to an order of the Bankruptcy Court, then the Parties shall use their commercially reasonable efforts until the Designation Deadline to obtain, and to cooperate in obtaining, all consents from Governmental Bodies and third parties necessary to assume and assign such Assigned Contracts to Purchaser or its designee.

(i) To the extent that any consent that is required to assign to Purchaser or its designee any Assigned Contract is not obtained by the Designation Deadline, the Sellers shall, with respect to each such Assigned Contract, from and after the Closing and until the earliest to occur of (x) the date on which such applicable consent is obtained (which consents the Parties shall use their reasonable best efforts, and cooperate with each other, to obtain promptly; provided, however, that none of the Parties or any of their respective Affiliates shall be required to pay any consideration therefor other than filing, recordation or similar fees, which shall be borne by Purchaser), (y) the date on which such Contract is rejected following the written request of Purchaser, and (z) thirty (30) days after the Closing Date, use commercially reasonable efforts during the term of such Assigned Contract to (i) provide to Purchaser or its designee the benefits under such Assigned Contract, (ii) cooperate in any reasonable and lawful arrangement (including holding such Contract in trust for Purchaser or its designee pending receipt of the required consent) designed to provide such benefits to Purchaser or its designee and (iii) use its commercially reasonable efforts to enforce for the account of Purchaser or its designee any rights of the Sellers under such Assigned Contract (including the right to elect to terminate such Assigned Contract in accordance with the terms thereof upon the written direction of Purchaser). Purchaser shall reasonably cooperate with the Sellers in order to enable Seller to provide to Purchaser the benefits contemplated by this Section 2.6(i).

(j) Notwithstanding the foregoing, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser or its designee to the extent that such Contract (i) is rejected by the Sellers or terminated by the Sellers in accordance with the terms hereof or by the other party thereto, or terminates or expires by its terms, on or prior to the

Designation Deadline and is not continued or otherwise extended upon assumption, or (ii) requires a consent of any Governmental Body or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its designee of the Sellers' rights under such Contract, and no such consent has been obtained prior to the Designation Deadline. In addition, a Permit shall not be assigned to, or assumed by, Purchaser or its designee to the extent that such Permit requires a Consent of any Governmental Body or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its designee of the Sellers' rights under such Permit, and no such consent has been obtained prior to the Closing.

ARTICLE III.

CONSIDERATION

3.1 Consideration. The aggregate consideration for the Purchased Assets shall be equal to the sum of a cash payment to the Sellers of \$5,250,000 (the "**Purchase Price**"), subject to adjustment in accordance with Section 2.3(b), Section 3.2, Section 3.3 and Section 3.4. On the Closing Date, any payment required to be made pursuant to any provision hereof in cash shall be made by the Purchaser by wire transfer of immediately available funds to such bank account as shall be designated in writing by the Sellers not later than two (2) Business Days prior to the Closing Date.

3.2 Deposit. On the first Business day following the execution of this Agreement, Purchaser shall deposit a deposit in the amount of \$500,000 (the "**Deposit**"), by wire transfer of immediately available funds into an account mutually acceptable to the Sellers and Purchaser (the "**Escrow Account**"). If the Closing occurs, the Sellers and Purchaser shall deliver a joint written instruction to an authorized representative of the Escrow Account authorizing such Person to release from the Escrow Account the entire Deposit, by wire transfer of immediately available funds to an account designated by the Sellers, and the Deposit shall be credited against the amount required to be paid by Purchaser to the Sellers at Closing. If this Agreement is validly terminated by the Sellers in accordance with the terms of this Agreement prior to Closing pursuant to Section 4.4(h), then the Sellers and Purchaser shall deliver a joint written instruction to an authorized representative of the Escrow Account authorizing such Person to release from the Escrow Account the entire Deposit, by wire transfer of immediately available funds to an account designated by Sellers, with such Deposit to be retained by the Sellers as the Sellers' sole and exclusive remedy as liquidated damages for any and all losses or damages of any nature against Purchaser in respect of this Agreement or the transactions contemplated hereby. In all other circumstances, if this Agreement is validly terminated in accordance with the terms of this Agreement prior to Closing, then within two (2) Business Days of such termination, the Sellers and Purchaser shall deliver a joint written instruction to an authorized representative of the Escrow Account authorizing such Person to release all funds held in the Escrow Account, including any interest or earnings thereon, by wire transfer of immediately available funds to an account designated by Purchaser.

3.3 Holdback Escrow Account. If the Purchaser and the applicable lessor or contract counterparty to any Pending Assigned Contract set forth on Schedule 2.3(b)(ii) fail to stipulate and agree to an aggregate Cure Amount in respect of such Pending Assigned Contract on or prior to the Closing Date, then on the Closing Date, the portion of the Purchase Price payable by Purchaser to Sellers at Closing shall be reduced by the Holdback Escrow Amount and Purchaser shall deposit with an escrow agent mutually acceptable to the Sellers and Purchaser (the "**Escrow Agent**"), the

Holdback Escrow Amount, by wire transfer of immediately available funds for deposit into a separate escrow account (the “**Holdback Escrow Account**”), established pursuant to a mutually acceptable escrow agreement, to be executed by and among the Sellers, Purchaser and the Escrow Agent (the “**Escrow Agreement**”). From the Closing Date through until the Designation Deadline, the Parties shall use good faith efforts to finalize the Cure Amounts with respect to the Pending Assigned Contracts set forth on Schedule 2.3(b)(ii). Within two (2) Business Days following the earlier of (a) the Designation Deadline, or (b) the date upon which the Purchaser and the applicable lessor or contract counterparty stipulate and agree to the aggregate Cure Amount in respect of such Pending Assigned Contract, the Sellers and Purchaser shall deliver a joint written instruction to the Escrow Agent authorizing the Escrow Agent to release from the Holdback Escrow Account the amount therein as follows: (i) fifty percent (50%) of the Excess Cure Amount to Purchaser, and (ii) the remainder to the Sellers.

3.4 Escrow Agent Fees and Expenses. Fifty percent (50%) of the fees and expenses of the Escrow Agent shall be borne by the Purchaser and fifty percent (50%) of such fees and expenses shall be borne by the Sellers.

ARTICLE IV.

CLOSING AND TERMINATION

4.1 Closing. Subject to the satisfaction or waiver by the appropriate Party of the conditions set forth in Article IX, the closing of the purchase and sale of the Purchased Assets, the payment of the Purchase Price, the assumption of the Assumed Liabilities and the consummation of the other transactions contemplated by this Agreement (the “**Closing**”) shall occur as soon as practicable following the satisfaction or waiver of all conditions set forth in this Agreement (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions). The Closing shall take place at such place as the Parties may agree. Unless otherwise agreed by the Parties in writing, the Closing shall be deemed effective and all right, title and interest of each of the Sellers in the Purchased Assets to be acquired by Purchaser hereunder shall be deemed to have passed to Purchaser and the assumption of all of the Assumed Liabilities shall be deemed to have occurred as of 12:01 a.m., Eastern Time on the Closing Date.

4.2 Closing Deliveries by the Sellers. At or prior to the Closing, the Sellers shall deliver to Purchaser:

(a) a Bill of Sale in form and substance satisfactory to Purchaser in its sole and exclusive discretion (the “**Bill of Sale**”) duly executed by each Seller;

(h) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of each of the Sellers certifying that the conditions set forth in Section 9.3 have been satisfied;

(i) a copy of the resolutions adopted by the Board of Directors or similar governing body of each Seller evidencing the authorization of the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, certified by an authorized officer of each Seller;

(j) an IRS Form W-9 executed by each Seller;

(k) copies of all certificates of airworthiness for the Eclipse Aircraft included in the Purchased Assets, as applicable;

(l) copies of any statements of account from each subscription, program, and service provider on the Eclipse Aircraft included in the Purchased Assets, including the corresponding engines, propellers or APU, as applicable, of such Eclipse Aircraft owned or leased by any Seller, confirming in each case that the relevant statement of account has been paid in full, with no account deficit, failing which any deficit amounts shall be paid out of the purchase price proceeds owing to the applicable Seller at Closing;

(m) access to all of Sellers’ Transacting User Entity accounts on the International Registry, including any necessary passwords to the extent such access is required and related to the Eclipse Project;

(n) an irrevocable power of attorney (and any necessary authorizing documents), duly executed by each applicable Seller, in form(s) and substance satisfactory to Purchaser, granting Purchaser the power to take any and all appropriate action and to make, execute, endorse, deliver, file and/or record registrations at the FAA or International Registry in connection with the Eclipse Aircraft included in the Purchased Assets and any prior owned Eclipse Aircraft, including any corresponding engines, propellers or APU, by Sellers for which such actions are required to be taken and Sellers are unable to take such actions;

(o) such other bills of sale, deeds, endorsements, assignments and other good and sufficient instruments of conveyance and transfer, in form reasonably satisfactory to Purchaser,

4.4 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 4.4. This Agreement may be terminated at any time prior to the Closing, as follows:

- (a) by the mutual written consent of the Sellers and Purchaser;
- (b) by written notice of either the Sellers or Purchaser to such other Party, if the Closing shall not have been consummated prior to November 27, 2020 (the "***Outside Date***"); provided, however, that the Outside Date may be extended by the mutual written consent of the Sellers and Purchaser, for a period up to fifteen (15) days to the extent that all conditions to Closing set forth in this Agreement are capable of being satisfied as of such time; provided, further, however, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 4.4(a) if such Party is in material breach of this Agreement; provided, further, however, that if the Closing has not occurred by the Outside Date, but on such date all of the conditions set forth in Article 10 have been satisfied or waived (to the extent such conditions may be waived) other than

the condition set forth in Section 9.1(b), then the Outside Date shall automatically be extended until the earlier to occur of the following: (i) the date all of the conditions set forth in Article 10 have been satisfied or waived (to the extent such conditions may be waived), or (ii) December 11, 2020 (and such extended date shall be deemed to be the “Outside Date” for all purposes hereunder) unless two (2) Business Days prior to the end of the earlier to occur of (i) or (ii) hereof, Purchaser provides written notice to the Sellers that it is no longer extending the Outside Date pursuant to this Section 4.4(a);

(c) by written notice from Purchaser to the Sellers, if (i) the Sellers seek to have the Bankruptcy Court enter an Order dismissing, or converting the Bankruptcy Case into a case(s) under chapter 7 of the Bankruptcy Code, or appointing a trustee in the Bankruptcy Case or appointing a responsible officer or an examiner with enlarged powers relating to the operation of the Eclipse Project (beyond those set forth in Section 1106(a)(3) or (4) of the Bankruptcy Code) under Section 1106(b) of the Bankruptcy Code, or (ii) an order of dismissal, conversion or trustee appointment is entered for any reason and is not reversed or vacated within twenty-one (21) days after entry thereof;

(d) by written notice from Purchaser to the Sellers, if (i) the Sale Hearing has not taken place on or prior to October 30, 2020, (ii) the Bankruptcy Court has not entered the Sale Order on or prior to October 30, 2020, or (iii) the Sale Order shall have been stayed (and such stay results in the Closing not being consummated prior to the Outside Date), vacated, modified or supplemented without Purchaser’s prior written consent;

(e) by written notice from Purchaser to the Sellers, if following its entry, the Sale Order shall fail to be in full force and effect or shall have been stayed (and such stay results in the Closing not being consummated prior to the Outside Date), reversed, modified or amended in any material respect without the prior written consent of Purchaser;

(f) by written notice from Purchaser to the Sellers, if the Sellers publicly announce their intention to pursue an Alternative Transaction;

(g) automatically upon the consummation of an Alternative Transaction;

(h) by written notice from the Sellers to Purchaser, if Purchaser breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform: (i) would give rise to the failure of a condition set forth in Article X, (ii) cannot be or has not been cured within ten (10) days following delivery of notice to Purchaser of such breach or failure to perform and (iii) has not been waived by the Sellers;

(i) by written notice from Purchaser to the Sellers, if the Sellers breach or fail to perform in any respect any of their representations, warranties or covenants contained in this Agreement and such breach or failure to perform: (i) would give rise to the failure of a condition set forth in Article X, (ii) cannot be or has not been cured within ten (10) days following delivery of notice to the Sellers of such breach or failure to perform and (iii) has not been waived by Purchaser; or

(j) by Sellers, if the Deposit is not timely paid by Purchaser in accordance with Section 3.2.

Each condition set forth in this Section 4.4 pursuant to which this Agreement may be terminated shall be considered separate and distinct from each other such condition. If more than one of the termination conditions set forth in this Section 4.4 is applicable, the applicable Party shall have the right to choose the termination condition pursuant to which this Agreement is to be terminated. The Parties acknowledge and agree that no notice of termination or extension of the Outside Date provided pursuant to this Section 4.4 shall become effective until two (2) Business Days after the delivery of such notice to the other Parties (unless such Outside Date is less than two (2) Business Days after the delivery of such notice, in which case such notice shall become effective upon the Outside Date), and only if such notice shall not have been withdrawn during such two (2) Business Day (or shorter) period.

4.5 Procedures Upon Termination. In the event of termination and abandonment by Purchaser or the Sellers, or both such Parties, pursuant to Section 4.4 hereof, written notice thereof shall forthwith be given to the other Party or Parties, and this Agreement shall terminate, and the purchase of the Purchased Assets and the assumption of the Assumed Liabilities hereunder shall be abandoned, without further action by Purchaser or the Sellers. If this Agreement is terminated as provided herein, each Party shall return all documents, work papers and other material of any other Party relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to the Party furnishing the same. If this Agreement is terminated pursuant to Section 4.4(f), the Parties shall have no further obligations to one another except for any obligations that, by their terms, survive the termination of this Agreement, as described in Section 4.6.

4.6 Effect of Termination. In the event of termination of this Agreement pursuant to Section 4.4, this Agreement shall forthwith become null and void and there shall be no Liability on the part of any Party or any of its partners, officers, directors or shareholders; provided, however, that this Section 4.6, Section 3.2 (Deposit) and Article XI (Miscellaneous), shall survive any such termination. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by Law. Each Party acknowledges that the agreements contained in this Section 4.6 and in Section 4.5 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement, and that any amounts payable pursuant to this Section 4.6 and Section 4.5 do not constitute a penalty.

ARTICLE V.

REPRESENTATIONS AND WARRANTIES OF THE SELLERS

Subject to the exceptions noted in the schedules delivered by the Sellers concurrently herewith (any matters listed or referenced on one schedule will be deemed to be listed or referenced on any other schedule, regardless of the absence of a cross reference, if the applicability of such matter is reasonably apparent), and with the Sellers having the right (but not the obligation) to supplement or amend the schedules hereto, prior to the Closing Date, with respect to any change, event, occurrence, state of facts, development or effect so long that, individually or in the aggregate, such supplements or amendments are not likely to result in a Material Adverse Effect on the assets, Liabilities, business, properties, or financial condition of the Sellers, taken as a whole, the Sellers represent and warrant to Purchaser as follows as of the date hereof and as of the Closing Date:

5.1 Organization and Qualification. Each Seller is duly incorporated or organized under the Laws of the jurisdiction of its formation. Each Seller has previously delivered to Purchaser complete and correct copies of its Organizational Documents, as amended and in effect on the Agreement Date.

5.2 Authorization of Agreement. Subject to the entry of the Sale Order, the Sellers have or will have at Closing all requisite power and authority to execute and deliver this Agreement and each of the Ancillary Documents to which it is a party, to perform their obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and each of the Ancillary Documents to which they are a party, the performance by the Sellers of their obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby have been or will be at the Closing duly and validly authorized by all necessary action on the part of the Sellers. This Agreement has been, and at or prior to the Closing, each of the Ancillary Documents to which they are a party will be, duly and validly executed and delivered by the Sellers and (assuming the due authorization, execution and delivery by the other Parties, and the entry of the Sale Order) this Agreement constitutes, and each Ancillary Document to which they are a party when so executed and delivered (assuming the due authorization, execution and delivery by the other parties thereto) will constitute, legal, valid and binding obligations of the Sellers, enforceable against the Sellers in accordance with its terms. Subject to entry of the Sale Order, except (a) for entry of the Sale Order, (b) for notices, filings and consents required in connection with the Bankruptcy Case and (c) for the notices, filings and consents set forth on Schedule 5.2, no Seller is required to give any notice to, make any registration, declaration or filing with or obtain any consent, waiver or approval from, any Person (including any Governmental Body) in connection with the execution and delivery of this Agreement and each of the Ancillary Documents or the consummation or performance of any of the transactions contemplated hereby and thereby, other than such notices, registrations, declarations, filings, consents, waivers, or approvals, the failure of which to make or obtain would not have a Material Adverse Effect.

5.3 Conflicts; Consents; Compliance with Law.

(a) Except as set forth on Schedule 5.3(a), the execution, delivery and performance by the Sellers of this Agreement or any Ancillary Document to which they are a party, the compliance by the Sellers with any of the provisions hereof or thereof, the consummation of the transactions contemplated hereby or thereby and the taking by the Sellers of any other action contemplated hereby or thereby, do not and will not at the Closing contravene, violate or conflict with any term or provision of its respective Organizational Documents.

(b) Except (i) for the entry of the Sale Order, and (ii) as set forth on Schedule 5.3(b), no filing with, notice to or consent from any Person is required in connection with the execution, delivery and performance by the Sellers of this Agreement or the Ancillary Documents to which they are a party, the compliance by the Sellers with any of the provisions hereof or thereof, the consummation of the transactions contemplated hereby or thereby, or the taking by the Sellers of any other action contemplated hereby or thereby, other than such filings, notices or consents, the failure of which to make or obtain would not have a Material Adverse Effect.

(c) Each Seller is in compliance in all material respects with all applicable Laws. Except as set forth on Schedule 5.3(c), neither any Seller nor any Subsidiary has received any outstanding written notice from any Governmental Body regarding any actual or possible

material violation of, or failure to comply in any material respect with, any Law. The Sellers are not in default in any material respect of any order, writ, injunction, judgment or decree applicable to the Purchased Assets.

(d) Each Seller is in compliance in all material respects with all applicable laws and regulations of applicable Governmental Bodies, including the Department of Transportation and the FAA and each other civil aviation authority and respective jurisdiction that has oversight with respect to any of the Purchased Assets, including, without limitation, all valid and enforceable (i) Type Certificate(s), (ii) Production Certificate(s), (iii) Production Under Type Certificate(s), (iv) Parts Certificate(s), (v) Part 145 repair station certificates, and (vi) Supplemental Type Certificate(s) relating to the Eclipse Aircraft (collectively the “*Aircraft Certificates*”), as set forth on Schedule 5.3(d).

5.4 Brokers and Finders. Except as set forth on Schedule 5.4, no Person has acted, directly or indirectly, as a broker, finder or financial advisor for the Sellers in connection with the transactions contemplated by this Agreement and Purchaser is not or will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transactions contemplated by this Agreement based upon any arrangement made by or on behalf of the Sellers.

5.5 Title to Purchased Assets. Except for Permitted Encumbrances, the Sellers have good title to the Purchased Assets and, at the Closing, Purchaser, pursuant to this Agreement and the Sale Order, shall acquire good and marketable title in, and under all of such Purchased Assets, in each case free and clear of all Encumbrances (other than Permitted Encumbrances) and other claims and interests to the fullest extent permissible under Section 363(f) of the Bankruptcy Code. For the sake of clarity, the right to use any assets included in the Purchased Assets in which the Sellers have leasehold or non-ownership rights to use shall be assigned to Purchaser only through the assumption and assignment of the Assigned Contracts in accordance with and subject to this Agreement.

5.6 Intellectual Property. Schedule 5.6 sets forth an accurate and complete list of all material Purchased Intellectual Property. The Sellers own all right, title and interest to the Purchased Intellectual Property, such rights, title and interest are valid and enforceable, and the Sellers can convey the Purchased Intellectual Property free and clear of liens and other claims and interests pursuant to the Sale Order. To the Knowledge of the Sellers, (i) no Person is engaging in any activity that infringes any Purchased Intellectual Property and (ii) no claim has been asserted to the Sellers that the use of any Purchased Intellectual Property or the operation of the Eclipse Project infringes or violates the Intellectual Property of any third party. The representations set forth in this Section 5.6 are the only representations given by the Sellers with respect to matters related to Intellectual Property and no other representations given by the Sellers relate to Intellectual Property.

5.7 Litigation. Except as set forth on Schedule 5.7 and other than in connection with the Bankruptcy Case, there is no Action, in progress or pending against or relating to the Sellers or any Order which, in any case, would adversely affect the ability of the Sellers to enter into this Agreement or to consummate the transactions contemplated hereby.

Permits are valid and in full force and effect, and no proceeding is pending or threatened, the object of which is to revoke, limit or otherwise affect any such Permit.

5.9 Tax Returns: Taxes.

(a) Except as set forth on Schedule 5.9(a), all Tax Returns required to have been filed by the Sellers have been duly and timely filed and are true, correct and complete in all material respects, and no material fact has been omitted therefrom. Except as set forth on Schedule 5.9(a), no Seller is currently the beneficiary of any extension of time within which to file any Tax Return. True, correct and complete copies of such Tax Returns have been delivered to Purchaser (or its representatives) prior to the Agreement Date.

(b) Except as set forth on Schedule 5.9(b) or except as precluded by the Bankruptcy Code, all Taxes due and payable by the Sellers have been paid in full. All Taxes of the Sellers attributable to Tax periods (or portions thereof) commencing after the date hereof have arisen in the ordinary course of business.

(c) The Sellers have not waived any statute of limitations affecting any Liability for Taxes or agreed to any extension of time during which a Tax assessment or deficiency assessment may be made or extending the time within which to file any Tax Return.

(d) No amount of income (or deduction) will be required to be included in (or excluded from) taxable income by any Person for any Post-Closing Tax Period with respect to the Purchased Assets or the Eclipse Project as a result of any prepaid amount received during a Pre-Closing Tax Period, or for any other reason.

(e) No material Tax Proceeding is being asserted in writing with respect to the Sellers, nor to the Knowledge of the Sellers has any claim with respect to Taxes been threatened or asserted. Except as set forth on Schedule 5.9(e), all deficiencies for Taxes asserted or assessed against the Sellers have been fully and timely paid or settled.

(f) No Seller is a party to any Tax sharing, indemnity or similar agreement (written or otherwise), and the Sellers have no Liability for the Taxes of any other Person as a transferee or successor, or by Contract or otherwise. To the Sellers' Knowledge, no Seller has received any Tax Refund to which it is not entitled, either pursuant to applicable Law or any Contract.

(g) Except as set forth on Schedule 5.9(g), there are no Encumbrances or other liens with respect to Taxes on the Purchased Assets.

(h) Except as set forth on Schedule 5.9(h), each Seller has properly and timely imposed, collected and paid all sales, use and similar Taxes as required by Law with respect to the sale, rental or lease of any product or service in connection with the Purchased Assets and the Eclipse Project.

(i) No transaction contemplated by this Agreement is subject to withholding under any Law (including Section 1445 of the Code), and the Purchaser's acquisition of the Purchased Assets will not otherwise result in any Tax liability to the Purchaser (or any direct or indirect owner thereof).

(j) No Seller has ever been subject to Tax in a jurisdiction in which it does not currently file Tax Returns or pay Taxes, and no claim has been made by any Governmental Body in a jurisdiction where such Seller does not file Tax Returns that it is or may be subject to Tax by that jurisdiction. The Sellers have no permanent establishment in any country other than the United States.

For purposes of this Section 5.9, any reference to a Seller shall be deemed to include any Person that merged, or was merged, with or was liquidated into such Seller. The representations set forth in this Section 5.9 are the only representations given by the Sellers with respect to matters related to Taxes and no other representations given by the Sellers relate to Taxes.

(a) Except as set forth on Schedule 5.10(a), Sellers have the full power, right and authority to sell and convey the Eclipse Aircraft to Purchaser.

(b) Except as set forth on Schedule 5.10(b), at the time of the Closing, Sellers shall convey to Purchaser good and marketable title to the Eclipse Aircraft, free and clear of all Encumbrances except Permitted Encumbrances.

(c) Neither Sellers nor any of their employees (or any assignee) are listed by the United States Department of Treasury on the Specifically Designated Nationals and Blocked Persons List or by the United States Department of Commerce on the Denied Persons List. There exists no prohibition on the transactions contemplated by this Agreement related to the identity, citizenship, location or business of Sellers or to the purpose for which the Eclipse Aircraft were previously used.

5.11 Aircraft Certificates.

(a) Schedule 5.3(d) lists, as of the Closing Date, all Aircraft Certificates and their applicable expiration dates.

(b) As of the Closing Date, Sellers are in compliance with the terms of, and there exists no default under or breach of, the Aircraft Certificates it holds. No Seller, to any Seller's knowledge, has been issued any citations, written notices, or orders of non-compliance under any Aircraft Certificate that are still pending or otherwise unresolved, and no Governmental Body or holder of Intellectual Property related to such Aircraft Certificate has given written notice to any Seller of, or otherwise indicated in writing, any violation of, or failure to comply with, any Aircraft Certificate. To the extent applicable to the Aircraft Certificates, no Seller has received any written notice that an Aircraft Certificate will not be renewed in the ordinary course and no Governmental Body has taken, or, to any Seller's knowledge, threatened to take, any action to terminate, cancel, fail to renew or reform any Aircraft Certificate.

5.12 Environmental Matters. Except for facts, circumstances or conditions that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) with respect to the Purchased Assets, there is no Order by any Governmental Body nor has Seller received any verbal or written notice, complaint or inquiry from a Governmental Body respecting Environmental Laws, (b) there is no investigation, action or proceeding pending, or, to the Knowledge of the Sellers, threatened that could reasonably be expected to result in any Seller(s)

or Purchaser incurring any Environmental Liabilities or Obligations, (c) the Sellers are not aware of and have not caused or allowed the Release of Hazardous Materials at, on or under the Closing Assumed Leased Real Property, and (d) to the Sellers' Knowledge, the Sellers have obtained and have complied with all Permits, and all Permits remain effective which are required under or pursuant to Environmental Laws for the operation of the Purchased Assets. The Sellers have delivered or made available to Purchaser copies of all Permits, Permit applications, reports, assessments or tests with respect to compliance of the Purchased Assets with any Environmental Laws or the presence of Hazardous Material which are in the Sellers' possession, custody or control, including the following records: (i) reports concerning the removal of underground storage tanks from the Closing Assumed Leased Real Property and Remedial Actions; (ii) correspondence from Governmental Bodies informing the Sellers that no further action is required to address Releases which have been the subject of Remedial Action conducted by or on behalf of the Sellers; (iii) the most recent final Phase I Environmental Site Assessment reports for any Closing Assumed Leased Real Property; (iv) Permits, Permit applications, and Permit disapprovals; and (v) inventories of asbestos and asbestos-containing materials, if any, for the Purchased Assets. The representations set forth in this Section 5.12 are the only representations given by the Sellers with respect to matters related to Environmental Laws and Environmental Liabilities or Obligations and no other representations given by the Sellers relate to Environmental Laws and Environmental Liabilities or Obligations.

5.13 No Other Representations or Warranties. The representations and warranties set forth in this Agreement constitute the sole and exclusive representations and warranties of the Sellers to Purchaser in connection with the transactions contemplated by this Agreement and by the Ancillary Documents. Except as expressly set forth in this Agreement, no Seller or its Representatives, nor any other Person, make any representation or warranty, expressed or implied, under contract, at Law, or in equity, with respect to any of the Purchased Assets or the Assumed Liabilities, including representations or warranties with respect to merchantability or fitness for any particular purpose, suitability, usage, workmanship, quality, physical condition, or value, and any and all such other representations and warranties are hereby expressly disclaimed. Without limiting the generality of the foregoing, no Seller or its Representatives, nor any other Persons make any representations or warranties with respect to (a) any projections, estimates, or budgets delivered to or made available to Purchaser of future financial reserves, future revenues, future results of operations (or any component thereof), future cash flows, future financial condition (or any component thereof) of the Sellers, or the future business and operations of the Sellers or (b) any other information or documents made available to Purchaser or its counsel, accountants, or advisors with respect to the Sellers or the Eclipse Project, including in any data room. Except for the representations and warranties of the Sellers specifically set forth in this Agreement, all of the Purchased Assets and the Assumed Liabilities are being acquired or assumed "as is, where is" on the Closing Date and in their present condition, with all faults, and Purchaser shall rely on its own examination and investigation thereof in making its acquisition investment decision. Except as otherwise set forth herein, there shall be no Purchase Price adjustments of any type or manner, including any quality assessment of the Purchased Assets or Assumed Liabilities being conveyed.

ARTICLE VI.

REPRESENTATIONS AND WARRANTIES OF PURCHASER

Subject to the exceptions noted in the schedules delivered by Purchaser concurrently herewith, Purchaser represents and warrants to the Sellers as follows as of the date hereof and as of the Closing Date:

6.1 Organization and Qualification. Purchaser is duly formed, validly existing and in good standing under the Laws of its jurisdiction of formation. Purchaser has all requisite power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted, except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Purchaser's ability to consummate the transactions contemplated hereby.

6.2 Authority. Purchaser has the requisite power and authority to execute and deliver this Agreement and each of the Ancillary Documents to which it is a party, to perform its obligations hereunder and thereunder, to consummate the transactions contemplated hereby and thereby and to assume and perform the Assumed Liabilities. The execution and delivery of this Agreement by Purchaser and each of the Ancillary Documents to which it is a party, the performance by Purchaser of its obligations hereunder and thereunder, the consummation of the transactions contemplated hereby and thereby and the assumption and performance of the Assumed Liabilities have been duly and validly authorized by all necessary actions on the part of Purchaser. This Agreement has been, and at or prior to the Closing, each of the Ancillary Documents to which it is a party will be, duly and validly executed and delivered by Purchaser. Assuming the due authorization, execution and delivery of this Agreement and the Ancillary Documents by the Sellers and subject to the effectiveness of the Sale Order, this Agreement constitutes, and each Ancillary Document to which Purchaser is a party when so executed and delivered will constitute, legal, valid and binding obligations of Purchaser, enforceable against Purchaser in accordance with its terms.

6.3 No Inconsistent Obligations. Neither the execution and delivery of this Agreement or any other documents contemplated hereby, nor the consummation of the transactions contemplated herein or therein in accordance with the Sale Order, will, to Purchaser's knowledge, result in a violation or breach of, or constitute a default under, (a) the certificate of incorporation, as amended, the bylaws, or other organizational instruments of Purchaser, (b) any applicable ruling or order of any Governmental Body, (c) any term or provision of any contract or agreement, (d) any writ, order, judgment, decree, Law, rule, regulation or ordinance, and (e) any other commitment or restriction to which Purchaser is a party, nor will such actions result in the creation of a lien.

6.4 Conflicts: Consents.

(a) The execution, delivery and performance by Purchaser of this Agreement or any Ancillary Document to which it is a party, the compliance by Purchaser with any of the provisions hereof or thereof, the consummation of the transactions contemplated hereby or thereby and the taking by Purchaser of any other action contemplated hereby or thereby, do not and will not contravene, violate or conflict with any term or provision of its Organizational Documents.

(b) Except as set forth on Schedule 6.4(b), no consent, waiver, approval, order or authorization of, or registration, qualification, designation or filing with any Person or Governmental Body is required in connection with the execution, delivery and performance by Purchaser of this Agreement or the Ancillary Documents to which it is a party, the compliance by Purchaser with any of the provisions hereof or thereof, the consummation of the transactions contemplated hereby or thereby, the assumption and performance of the Assumed Liabilities or the taking by Purchaser of any other action contemplated hereby or thereby, other than such filings, notices or consents, the failure of which to make or obtain would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Purchaser's ability to perform its obligations under this Agreement and the Ancillary Documents to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the transactions contemplated hereby or thereby.

6.5 Brokers. No Person has acted, directly or indirectly, as a broker, finder or financial advisor for Purchaser in connection with the transactions contemplated by this Agreement and the Sellers are not or will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transactions contemplated by this Agreement based upon any arrangement made by or on behalf of Purchaser.

6.6 Adequate Assurances Regarding Assigned Contracts. As of the Closing, Purchaser will be capable of satisfying the conditions contained in Sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Contracts.

6.7 No Litigation. To Purchaser's knowledge, there are no material actions, suits, claims, investigations, hearings, or proceedings of any type pending (or, to the knowledge of Purchaser, threatened) instituted against Purchaser challenging the legality of the transactions contemplated in this Agreement (other than with respect to any objection which may be filed in connection with the Bankruptcy Case).

6.8 Sufficient Funds. The Purchaser will have sufficient funds, including its committed financing, available to pay the Purchase Price, its obligations hereunder, and any expenses incurred by the Purchaser in connection with the transactions contemplated by this Agreement.

ARTICLE VII. BANKRUPTCY COURT MATTERS

7.1 Sale Order. The Sale Order shall be entered by the Bankruptcy Court. The Sale Order shall, among other things, (i) approve, pursuant to Sections 105, 363 and 365 of the Bankruptcy Code, (A) the execution, delivery and performance by the Sellers of this Agreement, (B) the sale of the Purchased Assets to Purchaser on the terms set forth herein and free and clear of all Claims, Liabilities and Encumbrances (other than Liabilities and Encumbrances included in the Assumed Liabilities and Permitted Encumbrances), and (C) the performance by Sellers of their obligations under this Agreement; and (ii) find that Purchaser is a "good faith" Purchaser within the meaning of Section 363(m) of the Bankruptcy Code, not a successor to any Seller and grant Purchaser the protections of Section 363(m) of the Bankruptcy Code. Purchaser agrees that it will promptly take such actions requested by the Sellers to assist in obtaining Bankruptcy Court approval of the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes, among others, of (a) demonstrating that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code, and (b) establishing

adequate assurance of future performance within the meaning of Section 365 of the Bankruptcy Code.

7.2 Bankruptcy Filings. From and after the Agreement Date and until the Closing Date, the Sellers shall use their reasonable efforts to deliver to Purchaser drafts of any and all material pleadings, motions, notices, statements, schedules, applications, reports and other papers to be filed or submitted in connection with this Agreement for Purchaser's prior review and comment, and such filings shall be reasonably acceptable to Purchaser to the extent they relate to the Purchased Assets, any Assumed Liabilities or any of Purchaser's obligations hereunder. The Sellers shall comply with all notice requirements (i) of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, or (ii) imposed by the Sale Order, in each case, in connection with any pleading, notice or motion to be filed in connection herewith.

7.3 Sale Free and Clear. The Sellers acknowledge and agree, and the Sale Order shall provide that, on the Closing Date and concurrently with the Closing, all then existing or thereafter arising obligations, Liabilities and Encumbrances (other than Permitted Encumbrances and Assumed Liabilities) of, against or created by the Sellers or their bankruptcy estates shall be fully released from and with respect to the Purchased Assets. On the Closing Date, the Purchased Assets shall be transferred to Purchaser free and clear of all obligations, Liabilities and Encumbrances, other than Permitted Encumbrances and the Assumed Liabilities.

ARTICLE VIII. COVENANTS AND AGREEMENTS

8.1 Conduct of the Sellers. During the Pre-Closing Period, the Sellers shall use commercially reasonable efforts, except as otherwise required, authorized or restricted pursuant to the Bankruptcy Code or an Order of the Bankruptcy Court or this Agreement, to (A) maintain the Purchased Assets (normal wear and tear excepted), and (B) continue to operate the Purchased Assets in all material respects in compliance with all Laws applicable to the Sellers, it being understood by the Purchaser that the Sellers' employees currently are furloughed. Without limiting the generality of the foregoing, and except (i) as otherwise expressly provided in, permitted by or contemplated by this Agreement, or (ii) required, authorized or restricted pursuant to the Bankruptcy Code or an Order of the Bankruptcy Court, on or prior to the Closing Date, the Sellers may not, without the prior written consent of Purchaser, which consent may be withheld, denied, delayed or conditioned in Purchaser's sole and exclusive discretion, take any of the following actions with respect to the Eclipse Project or the Purchased Assets:

- (a) sell, lease or otherwise dispose of mortgage, hypothecate or otherwise encumber any Purchased Asset;
- (b) amend, terminate or renew any Assigned Contract;
- (c) remove or permit to be removed from any building, facility, or real property any asset or any Inventory;
- (d) fail to use commercially reasonable efforts to maintain the validity of the Sellers' rights in, to or under any Purchased Intellectual Property;

(e) fail to use commercially reasonable efforts to maintain all material Permits of the Sellers used in the operation of the Eclipse Project or the Purchased Assets; and

(f) agree, whether in writing or otherwise, to do any of the foregoing.

8.2 Access to Information. The Sellers agree that, between the Agreement Date and the earlier of the Closing Date and the date on which this Agreement is terminated in accordance with Section 4.4, Purchaser shall be entitled, through its Representatives, to have such reasonable access to and make such reasonable investigation and examination of the books and records, properties, businesses, assets, employees, accountants, auditors, counsel and operations of the Sellers as Purchaser's Representatives may reasonably request. Any such investigations and examinations shall be conducted during regular business hours upon reasonable advance notice and under reasonable circumstances. The Sellers shall use commercially reasonable efforts to cause their Representatives to reasonably cooperate with Purchaser and Purchaser's Representatives in connection with such investigations and examinations, and Purchaser shall, and use its commercially reasonable efforts to cause its Representatives to, reasonably cooperate with the Sellers and their Representatives, and shall use its commercially reasonable efforts to minimize any disruption to the Eclipse Project.

8.3 Reasonable Efforts; Cooperation.

(a) Subject to the other provisions hereof, each Party shall use its commercially reasonable efforts to perform its obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable under applicable Law to cause the transactions contemplated herein to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and shall cooperate in a commercially reasonable manner with each other Party and its Representatives in connection with any step required to be taken as a part of its obligations hereunder.

(b) In the event that any of the Parties to this Agreement discovers a Contract related to the Eclipse Project, the Purchased Assets or the Assumed Liabilities during the period from and after the Agreement Date, and such Contract (i) was unknown as of the Agreement Date, (ii) is a Contract that Purchaser wishes to assume the rights and obligations of and (iii) such Contract would not be deemed an excluded Contract by Seller, Purchaser and the Sellers shall execute, acknowledge and deliver such other instruments and take such further actions as are reasonably practicable for Purchaser to assume the rights and obligations under such Contract.

(c) The obligations of the Sellers pursuant to this Section 8.3 shall be subject to any orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Case), and the Sellers' obligations as a debtor-in-possession to comply with any order of the Bankruptcy Court (including the Sale Order) and the Sellers' duty to seek and obtain the highest or otherwise best price for the Eclipse Project as required by the Bankruptcy Code.

8.4 Further Assurances. Each Party shall execute and cause to be delivered to each other Party such instruments and other documents, and shall take such other actions, as such other Party may reasonably request (prior to, at or after the Closing) for the purpose of carrying out or evidencing any of the transactions contemplated by this Agreement. After the Closing, the Sellers shall promptly transfer or deliver to Purchaser cash, checks (which shall be properly endorsed) or

other property that the Sellers may receive in respect of any deposit, prepaid expense, receivable or other item that constitutes part of the Purchased Assets or relates to the Assumed Liabilities.

8.5 Confidentiality. Purchaser acknowledges that the confidential information provided to it in connection with this Agreement, including under Section 8.2, and the consummation of the transactions contemplated hereby, is subject to the Purchaser's covenant and agreement to maintain the confidentiality thereof.

8.6 Publicity. Neither the Sellers nor Purchaser shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other party hereto, which approval will not be unreasonably withheld or delayed, unless, in the sole judgment of Purchaser or the Sellers, disclosure is otherwise required by applicable Law or by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement.

8.7 Casualty Loss. Notwithstanding any provision of this Agreement to the contrary, if, before the Closing, all or any material portion of the Purchased Assets is (a) condemned or taken by eminent domain, or (b) is damaged or destroyed by fire, flood or other casualty, the Sellers shall notify Purchaser promptly in writing of such fact, (i) in the case of condemnation or taking, the Sellers shall assign or pay, as the case may be, any proceeds thereof to Purchaser at the Closing, and (ii) in the case of fire, flood or other casualty, the Sellers shall assign the insurance proceeds therefrom to Purchaser at Closing. Notwithstanding the foregoing, the provisions of this Section 8.7 shall not in any way modify Purchaser's other rights under this Agreement, including any applicable right to terminate the Agreement if any condemnation, taking, damage or other destruction resulted in a Material Adverse Effect.

8.8 No Successor Liability. The Parties intend that, except where expressly prohibited under applicable Law, upon the Closing, Purchaser shall not be deemed to: (i) be the successor of the Sellers, (ii) have, de facto, or otherwise, merged with or into the Sellers, (iii) be a mere continuation or substantial continuation of the Sellers or the enterprise(s) of the Sellers, or (iv) be liable for any acts or omissions of the Sellers in the conduct of the Eclipse Project or arising under or related to the Purchased Assets other than as set forth in this Agreement. Without limiting the generality of the foregoing, and except as otherwise provided in this Agreement, the Parties intend that Purchaser shall not be liable for any Encumbrance (other than Assumed Liabilities and Permitted Encumbrances) against the Sellers or any of the Sellers' predecessors or Affiliates, and Purchaser shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing Date, whether now existing or hereafter arising, or whether fixed or contingent, with respect to the Eclipse Project, the Purchased Assets or any Liabilities of Seller arising prior to the Closing Date. The Parties agree that the provisions substantially in the form of this Section 8.8 shall be reflected in the Sale Order.

8.9 Change of Name. Promptly following the Closing, the Sellers shall, and shall cause their direct and indirect Subsidiaries to, discontinue the use of its current name (and any other trade names or "d/b/a" names currently utilized by the Sellers or its direct or indirect Subsidiaries) and shall not subsequently change its name to or otherwise use or employ any name which includes the words "Eclipse," "Eclipse Aviation," or any derivation thereof, without the prior written consent of Purchaser, and the Sellers shall cause the names of the Sellers in the caption of the Bankruptcy Case to be changed to the new name of the Sellers.

8.10 Certifications. Prior to the Closing Date, to extent applicable or reasonably necessary, the Sellers shall cooperate with and provide reasonable assistance to the Purchaser in connection with the Purchaser's negotiation with (i) all EASA authorities, employees, officials and personnel to obtain the issuance to Purchaser of a new EASA certificate, of the same quality and type, and as applicable to each Seller, as the Sellers' Eclipse EASA Certificate (the "***New EASA Certificate***") and (ii) all FAA authorities, employees, officials and personnel to obtain the issuance to Purchaser of a new (w) FAA Repair Station Certificate(s) (the "***New FAA Repair Station Certificate(s)***"), (x) FAA Production Certificate (the "***New FAA Production Certificate***"), (y) FAA Type Certificate (the "***New FAA Type Certificate***"), and (z) FAA Parts Certificate (the "***New FAA Parts Certificate***" and collectively with the New EASA Certificate, New FAA Repair Station Certificate(s), New FAA Production Certificate, and New FAA Type Certificate, the "***New Certificates***"), in each case of the same quality and type, and as applicable to each Seller, as the Eclipse Production Certificate, Eclipse Type Certificate and Eclipse Parts Certificate. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, it is expressly understood and agreed by the Sellers and Purchaser that Purchaser shall bear all risk that the New Certificates are not obtained by Purchaser.

ARTICLE IX.

CONDITIONS TO CLOSING

9.1 Conditions Precedent to the Obligations of Purchaser and Sellers. The respective obligations of each Party to this Agreement to consummate the transactions contemplated by this Agreement are subject to the satisfaction (or to the extent permitted by Law, written waiver by each of the Sellers and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) there shall not be in effect any order, writ, injunction, judgment or decree entered by a Governmental Body of competent jurisdiction, or any Law preventing, enjoining, restraining, making illegal or otherwise prohibiting the consummation of the transactions contemplated by this Agreement or the Ancillary Documents; and

(b) the Bankruptcy Court shall have entered the Sale Order (as provided in Article VII) in form and substance reasonably satisfactory to the Sellers and Purchaser, which orders shall not have been reversed, modified, amended or stayed.

9.2 Conditions Precedent to the Obligations of the Sellers. The obligations of the Sellers to consummate the transactions contemplated by this Agreement are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions, any of which may be waived in writing by the Sellers in their sole discretion:

(a) the representations and warranties made by Purchaser in this Agreement shall be true and correct in all material respects (without giving effect to any materiality or similar qualification contained therein), in each case as of the Agreement Date and as of the Closing Date, with the same force and effect as though all such representations and warranties had been made as of the Closing Date (other than representations and warranties that by their terms address matters only as of another specified date, which shall be so true and correct only as of such other specified date), except where the failure of such representations or warranties to be so true and correct has

not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Purchaser's ability to consummate the transactions contemplated hereby;

(b) Purchaser shall have performed and complied in all material respects with all obligations and agreements required by this Agreement to be performed or complied with by Purchaser on or prior to the Closing Date; and

(c) Purchaser shall have delivered, or caused to be delivered, to Seller all of the items set forth in Section 4.3.

9.3 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the transactions contemplated by this Agreement are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions, any of which may be waived in writing by Purchaser in its sole discretion:

(a) The Sellers shall have delivered to Purchaser (i) a file-stamped copy of the Sale Order (which shall contain the terms described in Section 7.1) and (ii) copies of all affidavits of service of the Sale Motion or notice of such motion filed by or on behalf of Seller;

(b) the representations and warranties made by each Seller in this Agreement shall be true and correct in all material respects (provided, that any such representation or warranty that is subject to any materiality, Material Adverse Effect or similar qualification shall be true and correct in all respects after giving effect to any such qualification), in each case as of the Agreement Date and as of the Closing Date, with the same force and effect as though all such representations and warranties had been made as of the Closing Date (other than representations and warranties that by their terms address matters only as of another specified date, which shall be so true and correct only as of such other specified date), except where the failure of such representations and warranties to be true and correct as of the applicable date would not have a Material Adverse Effect;

(c) The Sellers shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by them on or prior to the Closing Date; and

(d) The Sellers shall have delivered, or caused to be delivered, to Purchaser, all of the items set forth in Section 4.2.

ARTICLE X.

TAXES

10.1 Certain Taxes. Any sales, use, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use or other Taxes and recording charges which may be payable by reason of the sale of the Purchased Assets or the assumption of the Assumed Liabilities under this Agreement or the transactions contemplated hereby, and that are not exempt under Section 1146(a) of the Bankruptcy Code, shall be borne and timely paid by the Sellers. The Sellers shall, at their own expense, timely file any Tax Return or other document required to be filed with respect to such Taxes, and Purchaser shall join in the execution of any such Tax Return if required by Law.

10.2 Allocation of Purchase Price.

(a) As soon as reasonably practicable after the Closing Date, the Purchaser shall determine the allocation of (i) the Purchase Price, plus (ii) the Assumed Liabilities, plus (iii) all other items required to be treated as consideration for federal income Tax purposes, among the Purchased Assets and the agreements provided for herein, for all purposes (including financial, accounting and Tax) (the “**Allocation**”). The Purchaser and the Sellers shall each report the federal, state and local income and other Tax consequences of the transactions contemplated hereby in a manner consistent with the Allocation, including, if applicable, the preparation and filing of Forms 8594 under Section 1060 of the Code (or any successor form or successor provision of any future Tax Law) with their respective federal income Tax Returns for the taxable year which includes the Closing Date, and neither will take any position inconsistent with the Allocation unless otherwise required under applicable Law. The Sellers shall provide the Purchaser and the Purchaser shall provide the Sellers with a copy of any information required to be furnished to the Secretary of the Treasury under Code Section 1060.

(b) Notwithstanding the allocation of the Purchase Price in Section 11.2(a), nothing in the foregoing shall be determinative of values ascribed to the Purchased Assets or the allocation of the value of the Purchased Assets in any chapter 11 plan of reorganization or liquidation that may be proposed. The Sellers reserve the right on their own behalf and on behalf of the Sellers’ estates, to the extent not prohibited by applicable law and accounting rules, for purposes of any chapter 11 plan of reorganization or liquidation, to ascribe values to the Purchased Assets and to allocate the value of the Purchased Assets to the Sellers in the event of, or in order to resolve, creditor disputes in the Bankruptcy Case.

10.3 Cooperation on Tax Matters. The Purchaser and the Sellers agree to provide each other with such information and assistance as is reasonably necessary, including access to records, Tax Returns and personnel, for the preparation of any Tax Returns or for the defense of any Tax claim or assessment, whether in connection with a Tax Proceeding or otherwise.

10.4 Tax Refunds. The Sellers agree to cooperate with the Purchaser in all respects, and take or cause to be taken any steps necessary, in order to apply for and obtain any Tax Refunds with respect to the Sellers for any taxable year, provided, that the Purchaser pays all reasonable expenses incurred in connection therewith.

ARTICLE XI.

MISCELLANEOUS

11.1 Payment of Expenses. The Purchaser shall bear its own expenses incurred or to be incurred in connection with the negotiation and execution of this Agreement and the Ancillary Documents and the consummation of the transactions contemplated hereby and thereby, regardless of whether or not such contemplated transactions are consummated.

11.2 Survival of Representations and Warranties; Survival of Confidentiality. The Parties agree that the representations and warranties contained in this Agreement shall expire upon the Closing Date. The Parties agree that the covenants contained in this Agreement to be performed at or after the Closing shall survive in accordance with the terms of the particular covenant or until fully performed.

11.3 Entire Agreement; Amendments; Waivers. This Agreement, together with the Ancillary Documents, represents the entire understanding and agreement between the Parties with respect to the subject matter hereof. This Agreement may be amended, supplemented or changed, and any provision hereof may be waived, only by written instrument making specific reference to this Agreement signed by each Party; provided, that the Schedules hereto may be amended in accordance with Section 2.6. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, condition, covenant or agreement contained herein. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by applicable Law.

11.4 Execution of Agreement; Counterparts; Electronic Signatures.

(a) This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties; it being understood that all Parties need not sign the same counterparts.

(b) The exchange of copies of this Agreement and of signature pages by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether mediated by the worldwide web), by electronic mail in “portable document format” (“*.pdf*”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means, shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of the original Agreement for all purposes. Signatures of the Parties transmitted by facsimile shall be deemed to be their original signatures for all purposes.

11.5 Governing Law. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH FEDERAL BANKRUPTCY LAW, TO THE EXTENT APPLICABLE, AND WHERE STATE LAW IS IMPLICATED, THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN, WITHOUT GIVING EFFECT TO THE CHOICE OF LAW PRINCIPLES THEREOF (EXCEPT FOR ANY LAWS OF THAT STATE WHICH WOULD RENDER SUCH CHOICE OF LAWS INEFFECTIVE), INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

11.6 Jurisdiction, Waiver of Jury Trial.

(a) THE BANKRUPTCY COURT WILL HAVE JURISDICTION OVER ANY AND ALL DISPUTES BETWEEN OR AMONG THE PARTIES, WHETHER AT LAW OR IN EQUITY, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY AGREEMENT CONTEMPLATED HEREBY; PROVIDED, HOWEVER, THAT IF THE BANKRUPTCY COURT IS UNWILLING OR UNABLE TO HEAR ANY SUCH DISPUTE, THE COURTS OF THE STATE OF NEW YORK AND THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA LOCATED IN NEW YORK COUNTY, NEW YORK WILL HAVE SOLE

JURISDICTION OVER ANY AND ALL DISPUTES BETWEEN OR AMONG THE PARTIES, WHETHER AT LAW OR IN EQUITY, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY AGREEMENT CONTEMPLATED HEREBY.

(b) EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.7 Notices. Unless otherwise set forth herein, any notices, consents, waivers and other communications required or permitted by this Agreement shall be in writing and shall be deemed given to a Party when (a) delivered to the appropriate address by hand or by nationally recognized overnight courier service (costs prepaid), or (b) sent by facsimile or e-mail, in each case, if sent during the normal business hours of the recipient, with confirmation of transmission by the transmitting equipment confirmed with a copy delivered as provided in clause (a), in the case of each of clauses (a) and (b), to the following addresses, facsimile numbers or e-mail addresses and marked to the attention of the person (by name or title) designated below (or to such other address, facsimile number, e-mail address or person as a Party may designate by notice to the other Parties):

11.8 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to entry of the Sale Order, the Sellers, and inure to the benefit of the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Case or any successor Chapter 7 case. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any Person or entity not a party to this Agreement except as provided below. No assignment of this Agreement or of any rights or obligations hereunder may be made by the Sellers or Purchaser (by operation of law or otherwise) without the prior written consent of the other Parties other than by Purchaser to any of its Affiliates; provided that no such assignment shall relieve Purchaser of its obligations hereunder. Any attempted assignment without such required consents shall be void.

11.9 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction and in lieu of such invalid, illegal or unenforceable provision or portion of any provision, there will be added automatically as a part of this Agreement a valid legal and enforceable provision as similar in terms to such invalid, illegal or unenforceable provision as may be possible.

11.10 Bulk Sales Laws. Each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the transactions contemplated by this Agreement or any Ancillary Document.

11.11 Access and Right to Use. Purchaser shall, at the Sellers’ sole cost and expense, upon reasonable advance written notice and under reasonable circumstances including the execution of appropriate confidentiality and non-use restrictions, afford to the Sellers’ officers, independent public accountants, attorneys, consultants and other representatives, reasonable

access during normal business hours to the Purchased Assets and all records pertaining to the Purchased Assets on a royalty-free basis solely for the purpose of enabling the Sellers to conduct an orderly wind-down of the Sellers' operations until such time as the wind-down is completed on or before the one-year anniversary of the Closing Date. The Sellers' shall, and use its commercially reasonable efforts to cause its Representatives to, to minimize any disruption to Purchaser and the Purchased Assets. The Sellers expressly acknowledge that nothing in this Section is intended to give rise to any contingency to the Sellers' obligations to proceed with the transactions contemplated herein or any subsequently appointed trustee (either in a chapter 7 or 11 bankruptcy case), liquidating trustee, plan administrator or similar successor to the Sellers. In addition, the Purchaser agrees that it shall use commercially reasonable efforts to maintain and safeguard all of the Sellers' books and records (both hard copies and those electronically stored) in a similar manner as the Purchaser has maintained its own books and records for a period of at least two (2) years from and after the Closing Date.

11.12 Enforcement of Agreement. Each Party acknowledges and agrees that the other Parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by any of the Parties could not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which the Parties may be entitled, at law or in equity, each Party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

11.13 Interpretation; Drafting. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

11.14 Waiver of Setoff. All payments hereunder by the Sellers to the Purchaser or by the Purchaser to the Sellers shall be made without setoff, counterclaim or other defense and each of the Purchaser and the Sellers hereby waives any and all of its rights to assert any right of setoff, counterclaim or other defense to the making of a payment due hereunder to the Sellers or the Purchaser, as the case may be.
