A detailed description of the Debtors and their businesses, and the facts and circumstances supporting the Debtors' chapter 11 cases, are set forth in greater detail in the *Declaration of Domenic J. Dell'Osso, Jr., Executive Vice President and Chief Financial Officer of Chesapeake Energy Corporation in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 37] (the "First Day Declaration"), filed contemporaneously with the Debtors' voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), on June 28, 2020 (the "Petition Date").

### **Relief Requested**

1. By this motion, the Debtors seek entry of an order, substantially in the form attached hereto (the "Order"), (a) authorizing and approving the Debtors' entry into the settlement agreement attached hereto as **Exhibit A** (the "Settlement Agreement") by and among Chesapeake Energy Corporation, Chesapeake Exploration L.L.C., and Chesapeake Appalachia L.L.C. (collectively, the "FOV Debtors") and the United States on behalf of the Environmental Protection Agency (the "EPA"), and (b) granting related relief.

#### **Jurisdiction and Venue**

The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.
  - 3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
- 4. The bases for the relief requested herein are sections 105(a) and 363(b) of the Bankruptcy Code and Bankruptcy Rules 2002 and 9019.

#### **Background**

## II. Alleged Environmental Violations.

5. The EPA has alleged that the FOV Debtors violated the Clean Air Act, 42 U.S.C. §§ 7401-7671q (the "Clean Air Act" or the "Act"), and the Ohio State Implementation Plan issued under Section 110 of the Act at oil and natural gas production facilities formerly owned and operated by Chesapeake Exploration L.L.C. and Chesapeake Appalachia L.L.C. in Ohio

(the "Ohio Well Pads"). Specifically, on December 21, 2016, the EPA issued a Finding of Violation under Section 113(a)(3) of the Act, 42 U.S.C. § 7413(a)(3) (the "2016 FOV") for alleged violations at 15 Ohio Well Pads. On December 20, 2018, the EPA also issued a Notice and Finding of Violation under Section 113(a) of the Act, 42 U.S.C. § 7413(a) (the "2018 NOV/FOV") for alleged violations at an additional 49 Ohio Well Pads. In addition, following the issuances of the 2016 FOV and 2018 NOV/FOV, the EPA notified the FOV Debtors of additional alleged violations of the Clean Air Act that were not set forth in the 2016 FOV or 2018 NOV/FOV. Between the 2016 FOV, the 2018 NOV/FOV, and subsequent discussions, the EPA identified a total of 159 Ohio Well Pads in violations of the Act.

- 6. In the 2016 FOV and 2018 NOV/FOV, and in subsequent discussions with the FOV Debtors, the EPA alleged that the FOV Debtors violated (a) the requirements set forth in Section 111 of the Clean Air Act, the Standards of Performance for Crude Oil and Natural Gas Production, Part Transmission, Distribution found at 40 C.F.R. 60. Subpart OOOO and ("NSPS Subpart OOOO"); (b) the Standards of Performance for Crude Oil and Natural Gas Production, Transmission, and Distribution for Which Construction, Modification, or Reconstruction Commenced After September 18, 2015 found in 40 C.F.R. Part 60, Subpart OOOOa ("Subpart OOOOa"); and (c) federally-enforceable general operating permits applicable to the Ohio Well Pads issued by the Ohio Environmental Protection Agency known as General Permit 12 ("GP 12"), General Permit 12.1 ("GP 12.1") and General Permit 12.2 ("GP 12.2"). Specifically, these violations (collectively, the "Alleged Environmental Violations") consist of the following:
  - a. failure to comply with the cover requirements on its storage vessel affected facilities at 43 Ohio Well Pads in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5411(b), 60.5411a(b), and GP 12.1 Condition C.7.c)(2) and/or GP 12.2 Condition C.7.c)(2);

- b. failure to design and operate the closed vent systems at its storage vessel affected facilities with no detectable emissions, as determined using olfactory, visual, and auditory inspections at 43 Ohio Well Pads in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5411(c)(1) and (2), 60.5411a(c)(1) and (2), and GP 12.1 Condition C.7.c)(2) and/or GP 12.2 Condition C.7.c)(2);
- c. failure to maintain and operate storage vessels at 43 Ohio Well Pads, including associated air pollution control equipment, in a manner consistent with good air pollution control practice for minimizing emissions at all times, including periods of startup, shutdown, and malfunction, in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5370(b), 60.5370a(b);
- d. failure to demonstrate initial compliance with one or more of the NSPS Subparts OOOO and/or OOOOa requirements for its storage vessels at 43 Ohio Well Pads by the dates such demonstration was due, in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5410(h), 60.5410a(h);
- e. failure to repair leaks in ancillary equipment by the required deadlines at 42 Ohio Well Pads in violation of GP 12, GP 12.1 and/or GP 12.2;
- f. failure to use an analyzer to detect equipment leaks at 129 Ohio Well Pads in accordance with the instrument manufacturer's operation and maintenance instructions and U.S. EPA Method 21, 40 C.F.R. Part 60, Appendix A in violation of GP 12, Condition C.5.d)(1); and
- g. failure to perform initial and annual inspections and monitoring of equipment, including storage tank components, to determine if leaks exist at 129 Ohio Well Pads in violation of GP 12, Condition C.5.d)(1).
- 7. The EPA further alleged that these violations resulted in the excess emission of volatile organic compounds ("VOCs") and other pollutants.
- 8. In light of the number of Alleged Environmental Violations, many of which allegedly continued for a period of years, the EPA estimates that the statutory maximum penalty for the Alleged Environmental Violations is in the billions of dollars. Section 113(e) of the CAA, 42 U.S.C. § 7413(e), sets forth factors a Court should consider in determining the penalty amount, including the seriousness of the violations, duration of the violations, economic benefit gained from non-compliance, size of the business and economic impact on the violator, and good faith

4

efforts of the violator to comply with the CAA. After assessing these factors, the EPA believes that an appropriate penalty for the Alleged Environmental Violations set forth above could exceed \$25 million and that it is entitled to injunctive relief in the form of an order requiring the FOV Debtors to undertake measures to mitigate the excess tons of VOCs that Chesapeake emitted as a result of the Alleged Environmental Violations.

- 9. The Debtors do not admit liability for any of the Alleged Environmental Violations.
- 10. The Debtors intend to seek recovery of a portion of any amount paid in connection with the Alleged Environmental Violations from Encino Energy Corporation (through its subsidiary EAP OHIO, LLC), which purchased the facilities at issue from the Debtors in 2018 and contractually committed to indemnify the Debtors for certain assumed liabilities, including, as the Debtors assert, a majority of the Alleged Environmental Violations (and the associated civil penalty).
- 11. In an effort to avoid costly litigation with respect to the Debtors' (and Encino Energy Corporation's) liability, the EPA and the Debtors (collectively, the "Parties") began negotiating with respect to the penalty figure initially proposed by the EPA.

## III. The Chapter 11 Cases.

- 12. On June 28, 2020, the Debtors commenced these chapter 11 cases.
- 13. In connection with the Alleged Environmental Violations, the Debtors scheduled claims at Schedule Nos. 233037490 (Chesapeake Energy Corporation), 239455990 (Chesapeake Exploration, L.L.C.), and 247088960 (Chesapeake Appalachia, L.L.C.). The claims were identified as contingent, unliquidated, and disputed, and the scheduled amounts were undetermined.
- 14. On September 11, 2020, the Debtors filed the *Joint Chapter 11 Plan of Reorganization of Chesapeake Energy Corporation and Its Debtor Affiliates* [Docket No. 1150].

On October 8, 2020, the Debtors filed the Amended Joint Chapter 11 Plan of Reorganization of Chesapeake Energy Corporation and Its Debtor Affiliates [Docket No. 1330]. On October 30, 2020, the Debtors filed the Second Amended Joint Chapter 11 Plan of Reorganization of Chesapeake Energy Corporation and Its Debtor Affiliates [Docket No. 1644]. On December 13, 2020, the Debtors filed the Third Amended Joint Chapter 11 Plan of Reorganization of Chesapeake Energy Corporation and Its Debtor Affiliates [Docket No. 2336]. On December 27, 2020, the Debtors filed the Fourth Amended Joint Chapter 11 Plan of Reorganization of Chesapeake Energy Corporation and Its Debtor Affiliates [Docket No. 2630] (as may be amended, modified, or supplemented from time to time, the "Plan").

15. On December 9, 2020, EPA filed Claim No. 13372 related to the Alleged Environmental Violations.

#### IV. The Settlement.

- 16. The Parties continued their arm's-length negotiations after the Petition Date. During such negotiations, the Parties agreed that pursuant to the terms of the Settlement Agreement and subject to the public comment process set forth in the Settlement Agreement,<sup>3</sup> in exchange for the EPA covenanting not to sue over the Alleged Environmental Violations, the Debtors will pay the United States \$1.2 million in cash on the later of (a) the effective date of the Plan; or (b) 20 days after entry of the Order.<sup>4</sup>
- 17. The Debtors believe the Settlement Agreement is in the best interests of the Debtors and their estates. The Settlement Agreement resolves significant disputes between the Parties, the

The Settlement Agreement is subject to a public comment process under environmental law. The United States on behalf of the EPA will advise the Court on its evaluation of the public comments received in accordance with paragraphs 14 and 15 of the Settlement Agreement.

The Debtors assert that Encino Energy Corporation (through its subsidiary EAP OHIO LLC) is responsible for indemnifying the Debtors pursuant to an indemnification agreement in the Purchase and Sale Agreement transferring the well pads at issue from the Debtors to EAP OHIO LLC.

outcome of which are inherently uncertain. Specifically, the Settlement Agreement caps the Debtors' potential liability with respect to the Alleged Environmental Violations and obviates the need for the Parties to litigate with respect to whether the Alleged Environmental Violations are dischargeable in bankruptcy or entitled to administrative expense treatment. Further, the Settlement Agreement represents a compromise with federal regulators, who expressed interest in securing a sum-certain cash payment in exchange for their claims. The Debtors continue to interact with the same federal regulators across their basins and have a vested interest in maintaining a collaborative and positive relationship with such regulators. Further, entering into the Settlement Agreement will minimize the Debtors' litigation expenses. Accordingly, to finally resolve the Debtors' dispute with the EPA, the Debtors seek authorization and approval of the Settlement Agreement.

## **Basis for Relief**

- I. Settlements Are Favored in Bankruptcy, and Debtors' Business Judgment Is Given Significant Deference.
  - 18. Bankruptcy Rule 9019(a) provides, in relevant part:

On motion by the [debtor in possession] and after notice and a hearing, the court may approve a compromise or settlement. Notice shall be given to creditors, the United States trustee.... and indenture trustee as provided in Rule 2002 and to any other entity as the court may direct.

Fed. R. Bankr. P. 9019(a).

19. "To minimize litigation and expedite the administration of a bankruptcy estate, compromises are favored in bankruptcy." *Myers v. Martin (In re Martin)*, 91 F.3d 389, 393 (3d Cir. 1996) (internal quotations omitted) (citing 9 Collier on Bankruptcy ¶ 9019.03[1] (15th ed. 1993)). Settlements are considered a "normal part of the process of reorganization" and a "desirable and wise method[] of bringing to a close proceedings otherwise lengthy, complicated,

and costly." *Rivercity v. Herpel (In re Jackson Brewing Co.)*, 624 F.2d 599, 602 (5th Cir. 1980) (citations omitted) (decided under the Bankruptcy Act).

- 20. Pursuant to Bankruptcy Rule 9019(a), a bankruptcy court may, after appropriate notice and a hearing, approve a compromise or settlement so long as the proposed settlement is fair, reasonable, and in the best interest of the estate. *See In re Age Ref. Inc.*, 801 F.3d 530, 540 (5th Cir. 2015). Ultimately, approval of a compromise is within the "sound discretion" of the bankruptcy court. *United States v. AWECO, Inc. (In re AWECO, Inc.)*, 725 F.2d 293, 298 (5th Cir. 1984); *see also Jackson Brewing Co.*, 624 F.2d at 602–03 (same).
- 21. Generally, the role of the bankruptcy court is not to decide the issues in dispute when evaluating a settlement. *Watts v. Williams*, 154 B.R. 56, 59 (S.D. Tex. 1993). Instead, the court should determine whether the settlement as a whole is fair and equitable. *Protective Comm.* for *Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968).<sup>5</sup>
- 22. "Great judicial deference is given to the [debtor's] exercise of business judgment." *GBL Holding Co., Inc. v. Blackburn/Travis/Cole, Ltd. (In re State Park Bldg. Grp., Ltd.)*, 331 B.R. 251, 254 (Bankr. N.D. Tex. 2005) (citation omitted). "As long as [the decision] appears to enhance a debtor's estate, court approval of a debtor-in-possession's decision . . . should only be withheld if the debtor's judgment is clearly erroneous, too speculative, or contrary to the provisions of the Bankruptcy Code." *Richmond Leasing Co.*, 762 F.2d 1303, 1309 (5th Cir. 1985) (citation omitted).

Further, under section 105(a) of the Bankruptcy Code, the Court "may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." Authorizing the Debtors to proceed with the Settlement Agreement falls squarely within the spirit of Bankruptcy Rule 9019, if not the letter, as well as the Bankruptcy Code's predilection for compromise. Thus, to the extent necessary, section 105(a) relief is appropriate in this instance and would best harmonize the settlement processes contemplated by the Bankruptcy Code.

## V. The Settlement Agreement Satisfies the Three-Factor Test Courts in the Fifth Circuit Employ to Analyze Proposed Settlements.

- 23. The Fifth Circuit has established a three-factor balancing test under which bankruptcy courts are to analyze proposed settlements. The factors a court must consider in determining whether a compromise is "fair, equitable, and in the best interest of the estate" are: "(1) [t]he probability of success in litigating the claim subject to settlement, with due consideration for the uncertainty in fact and law; (2) [t]he complexity and likely duration of litigation and any attendant expense, inconvenience, and delay; and (3) [a]ll other factors bearing on the wisdom of the compromise." *In re Roqumore*, 393 B.R. 474, 479 (Bankr. S.D. Tex. 2008) (citing the factors set forth by the court in *Jackson Brewing*); see also Age Ref. Inc., 801 F.3d at 540 (same).
- 24. Under the rubric of the third factor referenced above, the Fifth Circuit has specified two additional factors that bear on the decision to approve a proposed settlement. *First*, the court should consider "the paramount interest of creditors with proper deference to their reasonable views." *Conn. Gen. Life Ins. Co. v. United Cos. Fin. Corp.* (*Matter of Foster Mortg. Corp.*), 68 F.3d 914, 917 (5th Cir. 1995); *see also Age Ref. Inc.*, 801 F.3d at 540 (noting the *Foster Mortgage* factors). "While the desires of the creditors are not binding, a court 'should carefully consider the wishes of the majority of the creditors." *Foster Mortg. Corp.*, 68 F.3d at 917 (quoting *In re Transcon. Energy Corp.*, 764 F.2d 1296, 1299 (9th Cir. 1985)). *Second*, the court should consider the "extent to which the settlement is truly the product of arms-length bargaining, and not of fraud or collusion." *Age Ref. Inc.*, 801 F.3d at 540; *Foster Mortg. Corp.*, 68 F.3d at 918 (citations omitted).

## B. The Debtors Are Not Certain to Succeed in Litigating the Issues Between the Debtors and the EPA.

25. With respect to "the probability of success in litigating the claim subject to settlement," the Debtors, in consultation with their advisors, do not believe it is certain that they

would succeed in litigation related to the Alleged Environmental Violations. Resolution of the disputes between the Parties would rest in a court's discretion to weigh the relevant facts and circumstances. Due to the inherently uncertain nature of the dispute between the Parties, it is not possible to guarantee a successful outcome thereof, which likely would require a time-consuming and extensive trial.

## C. Litigation with the EPA Would Be Complex and Result in Delay and Distraction.

26. Litigation with the EPA with respect to its claim likely would be costly and time-consuming, involving taking and defending multiple depositions, preparing and filing motions, and preparing for trial. Further, post-effective date litigation between the Parties with respect to the EPA's claim would require substantial focus from the Debtors' management team, distracting them from day-to-day operations and from successfully running their business after emergence from chapter 11.

### D. The Settlement Agreement Is in the Best Interests of Creditors.

- 27. The Settlement Agreement will provide all stakeholders with certainty regarding the resolution of the disputes between the Debtors and the EPA with respect to the Alleged Environmental Violations. The Settlement Agreement fixes the Debtors' liability with respect to the Alleged Environmental Violations, obviates the need to litigate with respect to treatment of related claims in bankruptcy, and provides the EPA with a sum-certain cash payment. Further, the Settlement Agreement arises out of arm's-length bargaining between the Debtors and the EPA.
- 28. As discussed, the Debtors intend to seek recovery of a portion of the settlement amount from Encino Corporation, which purchased the facilities at issue from the Debtors in 2018 and contractually committed to indemnify the Debtors for Alleged Environmental Violations other

than those covered by the 2016 FOV. Funds recovered from Encino Corporation would be available for the Debtors' other creditors.

29. Based on the foregoing considerations, the Debtors respectfully submit that the Settlement Agreement represents a fair and reasonable compromise that is in the best interest of the Debtors' estates. Accordingly, the Debtors respectfully request that the Court authorize and approve the Settlement Agreement and allow the Debtors to implement the terms of the Settlement Agreement, as such action is a reasonable exercise of the Debtors' business judgment and in the best interest of their bankruptcy estates.

#### **Reservation of Rights**

30. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this motion or any order granting the relief requested by this motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance

all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

#### **Notice**

31. The Debtors will provide notice of this motion to: (a) the United States Trustee for the Southern District of Texas; (b) counsel to the official committee of unsecured creditors; (c) the administrative agent under the Debtors' debtor-in-possession credit facility and counsel thereto; (d) the administrative agent under the Debtors' prepetition revolving credit facility and counsel thereto; (e) the administrative agent for the Debtors' prepetition term loan facility and counsel thereto; (f) the indenture trustee for the Debtors' senior secured second lien notes and counsel thereto; (g) the indenture trustees for the Debtors' unsecured notes; (h) counsel to the ad hoc group of term loan lenders; (i) counsel to certain affiliates of Franklin Advisers, Inc.; (j) the United States Attorney's Office for the Southern District of Texas; (k) the Internal Revenue Service; (l) the United States Securities and Exchange Commission; (m) the EPA and similar state environmental agencies for states in which the Debtors conduct business; (o) the EPA; and (p) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

**WHEREAS,** on December 20, 2018, the EPA issued a Notice and Finding of Violation to Chesapeake under Section 113(a) of the CAA, 42 U.S.C. § 7413(a), (the "2018 NOV/FOV") for violations at some of its Ohio Well Pads.

**WHEREAS,** following the issuances of the 2016 FOV and 2018 NOV/FOV, the Department of Justice ("<u>DOJ</u>") on behalf of EPA, notified Chesapeake of additional violations of the CAA that were not set forth in the 2016 FOV or 2018 NOV/FOV.

WHEREAS, in the 2016 FOV and 2018 NOV/FOV, and in subsequent discussions with Chesapeake, the United States, on behalf of EPA, alleged that Chesapeake violated the requirements set forth in Section 111 of the CAA, the Standards of Performance for Crude Oil and Natural Gas Production, Transmission, and Distribution found at 40 C.F.R. Part 60, Subpart OOOO ("NSPS Subpart OOOO"), the Standards of Performance for Crude Oil and Natural Gas Production, Transmission, and Distribution for Which Construction, Modification, or Reconstruction Commenced After September 18, 2015 found in 40 C.F.R. Part 60, Subpart OOOOa ("NSPS Subpart OOOOa"), and federally-enforceable general operating permits applicable to the Ohio Well Pads issued by the Ohio Environmental Protection Agency known as General Permit 12 ("GP 12"), General Permit 12.1 ("GP 12.1"), and General Permit 12.2 ("GP 12.2"). Specifically, these violations (the "Alleged Violations") consist of the following:

- (1) failure to comply with the cover requirements on its storage vessel affected facilities at 43 Ohio Well Pads listed in Appendix A in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5411(b), 60.5411a(b), and GP 12.1 Condition C.7.c)(2) and/or GP 12.2 Condition C.7.c)(2);
- (2) failure to design and operate the closed vent systems at its storage vessel affected facilities with no detectable emissions, as determined using olfactory, visual, and auditory inspections at 43 Ohio Well Pads listed in Appendix A in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5411(c)(1) and (2), 60.5411a(c)(1) and (2), and GP 12.1 Condition C.7.c)(2) and/or GP 12.2 Condition C.7.c)(2);
- (3) failure to maintain and operate storage vessels at 43 Ohio Well Pads listed in Appendix A, including associated air pollution control equipment, in a manner consistent with good air pollution control practice for minimizing emissions at all times, including periods of startup, shutdown, and malfunction, in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5370(b), 60.5370a(b);
- (4) failure to demonstrate initial compliance with one or more of the NSPS Subparts OOOO and/or OOOOa requirements for its storage vessels at 43 Ohio Well Pads listed in Appendix A by the dates such demonstration was due, in violation of NSPS Subparts OOOO and/or OOOOa, 40 C.F.R. §§ 60.5410(h), 60.5410a(h);
- (5) failure to repair leaks in ancillary equipment by the required deadlines at 42 Ohio Well Pads listed in Appendix A in violation of GP 12, GP 12.1 and/or GP 12.2;
- (6) failure to use an analyzer to detect equipment leaks at 129 Ohio Well Pads in accordance with the instrument manufacturer's operation and maintenance instructions and U.S. EPA Method 21, 40 C.F.R. Part 60, Appendix A in violation of GP 12, Condition C.5.d)(1); and
- (7) failure to perform initial and annual inspections and monitoring of equipment, including storage tank components, to determine if leaks exist at 129 Ohio Well Pads listed in Appendix A in violation of GP 12, Condition C.5.d)(1).

**WHEREAS,** the United States alleges that these violations resulted in the excess emissions of volatile organic compounds ("<u>VOCs</u>") and other pollutants.

WHEREAS, the Debtors included the following on their Schedules filed in these cases:

(i) Schedule No. 233037490 (Chesapeake Energy Corporation); and (ii) Schedule No.

239455990 (Chesapeake Exploration, L.L.C.) (collectively, the "Subject Claims"). The Subject Claims were identified as being contingent, unliquidated, and disputed, and the scheduled amounts were undetermined.

WHEREAS, the United States alleges that pursuant to Section 113(b) of the CAA, as amended by Federal Civil Penalties Inflation Adjustment Act of 1990, and the Debt Collection Improvement Act, Chesapeake is liable for injunctive relief and civil penalties for the Alleged Violations up to \$37,500 per day per violation for violations of the CAA that occurred between January 12, 2009 and November 2, 2015, and up to \$101,439 per day per violation for violations that occurred after November 3, 2015 if the penalty is assessed on or after January 13, 2020. *See* 42 U.S.C. § 7413(b); 28 U.S.C. § 2461; 31 U.S.C. § 3701; 40 C.F.R. § 19.4; 84 Fed. Reg. 1751 (Jan. 13, 2020).

WHEREAS, in light of the number of violations, many of which continued for a period of years, the United States estimates that the statutory maximum penalty for the Alleged Violations is billions of dollars. Section 113(e) of the CAA, 42 U.S.C. § 7413(e), sets forth factors a Court should consider in determining the penalty amount, including the seriousness of the violations, duration of the violations, economic benefit gained from non-compliance, size of the business and economic impact on the violator, and good faith efforts of the violator to comply with the CAA. After assessing these factors, the United States believes that an appropriate penalty for the Alleged Violations set forth above could exceed \$25 million and that it is entitled to injunctive relief in the form of an order requiring Chesapeake to undertake measures to mitigate the excess tons of VOCs that Chesapeake emitted as a result of the Alleged Violations.

**WHEREAS**, Chesapeake does not admit any liability for the Alleged Violations.

WHEREAS, Chesapeake alleges it has defenses to the Alleged Violations and would dispute the amount of the penalties sought by the United States on behalf of EPA but recognizes that defending against these allegations would be resource and time intensive.

WHEREAS, the Parties wish to resolve their disagreements and have negotiated this Settlement Agreement to provide for resolution of Chesapeake's civil liability for penalties and injunctive relief for the Alleged Violations as provided herein.

**WHEREAS** pursuant to and in accordance with this Settlement Agreement, the Parties agree to a final resolution and full satisfaction of all liabilities of the Debtors with respect to civil penalties and injunctive relief for the Alleged Violations.

WHEREAS, the United States, on behalf of the EPA, has agreed to this Settlement Agreement based on the unique facts and circumstances present in the Debtors' chapter 11 cases (the "Chapter 11 Cases") and nothing in this Settlement Agreement shall be treated as having any precedential value in any other non-bankruptcy or bankruptcy matter (outside of the Chapter 11 Cases) with different facts and circumstances.

WHEREAS, this Settlement Agreement shall be effective upon its approval by the Bankruptcy Court pursuant to Bankruptcy Rule 9019 after an opportunity for public comment as provided by Section VI below.

**WHEREAS,** this Settlement Agreement is fair and reasonable and in the public interest, and is an appropriate means of resolving Debtors' civil liability for the Alleged Violations.

**NOW, THEREFORE,** without any adjudication on any issue of fact or law, and upon the consent and agreement of the Parties by their attorneys and authorized officials, it is hereby agreed as follows:

The civil penalty to the United States shall be paid by Electronic Funds Transfer ("EFT") to the United States Department of Justice, in accordance with current EFT procedures and reference DOJ Case Number 90-5-2-1- and the civil action case name and case number of this action. The costs of such EFT shall be the Debtors' responsibility. 7. Except as provided in Paragraph 9 below, and in consideration of the payment to be made pursuant to Paragraph 4 above, the United States on behalf of EPA covenants not to file a civil action or take administrative action against Chesapeake or any of the Debtors for the Alleged Violations. This covenant not to file a civil action or to take administrative action shall take effect upon United States' receipt of the payment required by Paragraph 4 above.

- 8. Nothing in this Settlement Agreement shall be deemed to limit the authority of the United States to take any action under the CAA, 42 U.S.C. § 7401 *et seq.*, or any other applicable statute or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the United States pursuant to such authority; *provided*, *however*, that nothing in this Paragraph 8 affects the covenant set forth in Paragraph 7 of this Settlement Agreement.
- 9. The covenant set forth in Paragraph 7 above does not pertain to any matters other than those expressly specified therein. Notwithstanding anything to contrary herein, the United States specifically reserves, and this Settlement Agreement is without prejudice to the following: (i) any action to enforce any term of this Settlement Agreement; (ii) liability for civil penalties and injunctive relief for the Debtors' or the Reorganized Debtors' violations that occurred after the date that Debtors execute this Settlement Agreement; (iii) claims for violations other than the Alleged Violations; (iv) recovery of response costs incurred and to be incurred by the United States under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601-9675; and (v) any criminal liability.

- 11. This Settlement Agreement in no way impairs the scope and effect of any discharge or exculpation of the Debtors under Section 1141 of the Bankruptcy Code, the Plan, and/or Order confirming the Plan.

#### VI. PUBLIC PARTICIPATION AND COURT APPROVAL

12. The settlement reflected in this Settlement Agreement shall be subject to approval by the Bankruptcy Court pursuant to Federal Rule of Bankruptcy Procedure 9019.

- 13. Within twenty (20) business days of this Settlement Agreement being fully executed, Chesapeake shall file a motion seeking Bankruptcy Court approval of entry by Debtors into this Settlement Agreement (the "Approval Motion") and serve notice of the Approval Motion on all parties entitled to receive notice in the case pursuant to Federal Rule of Bankruptcy Procedure 2002 (the "Notice Parties"). Attached to the Approval Motion shall be the following: (i) a copy of this Settlement Agreement; and (ii) a proposed order approving this Settlement Agreement substantially in the form attached hereto as Exhibit A (the "Approval Order").
- 14. Upon the filing of the Approval Motion, this Settlement Agreement shall be subject to a thirty (30) day period of public comment following publication of notice of the Settlement Agreement in the *Federal Register*. The United States reserves the right to withdraw or withhold its consent to this Settlement Agreement prior to approval of the Settlement Agreement by the Bankruptcy Court if the public comments regarding the Settlement Agreement disclose facts or considerations that indicate that this Settlement Agreement is inappropriate, improper, or inadequate.
- 15. After the public comment period set forth in Paragraph 14 above has expired, the United States shall advise the Court as to whether it withdraws its consent to the Settlement Agreement pursuant to Paragraph 14 above, or joins in the Approval Motion filed by Chesapeake. If the United States joins in the Approval Motion, it shall file with the Bankruptcy Court copies of all comments received on the Settlement Agreement and state why the Settlement Agreement is fair, reasonable and in the public interest notwithstanding comments received.

- 16. Within ten (10) calendar days of the United States joining the Approval Motion, Chesapeake shall provide the Notice Parties with at least twenty-one (21) days' notice of the initial hearing on the Approval Motion (the "Approval Hearing"). Except as otherwise agreed in writing by both Chesapeake and the United States, any objections or responses to the Approval Motion shall be filed and served so as to be received by Chesapeake and the United States at least seven (7) calendar days prior to the date of the Approval Hearing.
- This Settlement Agreement shall be deemed approved when: (i) the Bankruptcy Court enters the Approval Order and (ii) the Approval Order becomes a Final Order, unless such requirement is waived in writing signed by all of the Parties or their successors in interest.

  For purposes of this Settlement Agreement, a "Final Order" means an order, the implementation, operation, or effect of which is not stayed as to which order (or any revision, modification, or amendment thereof) the time to appeal or seek review, rehearing, or petition for writ of certiorari has expired (excepting under Federal Rule of Bankruptcy Procedure 9024 or Federal Rule of Civil Procedure 60(b)) and as to which no appeal or petition for review, reconsideration, rehearing, or certiorari is pending.
- 18. If for any reason: (i) the United States' consent to this Settlement Agreement is withdrawn as provided in Paragraph 14 above, (ii) the Bankruptcy Court does not approve this Settlement Agreement pursuant to Paragraph 17 above; (iii) the Bankruptcy Cases are dismissed or converted to cases under Chapter 7 of the Bankruptcy Code prior to the effective date of a Plan; or (iv) a Plan is not confirmed by the Bankruptcy Court, then: (i) this Settlement Agreement shall be null and void, and the Parties hereto shall not be bound under the Settlement Agreement or under any documents executed in connection herewith; (ii) the Parties shall have no liability to one another arising out of or in connection with this Settlement Agreement or

under any documents executed in connection herewith; (iii) this Settlement Agreement and any documents prepared in connection herewith shall have no residual or probative effect or value; and (iv) insofar as is possible, the Parties shall be restored to their respective positions when this Settlement Agreement was executed and without prejudice to any claim or defense then available to any Party.

Any proof of claim filed by the United States on behalf of the EPA relating to the violations referenced herein shall be deemed satisfied in full in accordance with the terms of this Settlement Agreement. Moreover, the approval of this Settlement Agreement by the Court, together with any proof of claim filed, shall be deemed to satisfy any requirement for the United States on behalf of the EPA to file in the Chapter 11 Cases any claim, request, or demand for the distributions and payments provided for herein. No further proof of claim or other request or demand by the United States on behalf of the EPA for the violations referenced herein shall be required. Any and all claims, requests, or demands deemed to be filed pursuant to this Paragraph 19 shall also be deemed satisfied in full in accordance with the terms of this Settlement Agreement.
