P. 4001 And 9014 (I) Authorizing Debtor To Obtain Postpetition Financing And (II) Granting Liens And Super-Priority Claims To Postpetition Lender* and the *Declaration of Kevin W. Donovan In Support Of Debtor’s Emergency Motion For Entry of Interim And Final Orders Pursuant To 11 U.S.C. §§ 105, 362, 364, 503 And 507 and Fed. R. Bankr. P. 4001 And 9014 (I) Authorizing Debtor To Obtain Postpetition Financing And (II) Granting Liens And Super-Priority Claims To Postpetition Lender* (the “**Declarations**”); and a hearing to consider entry of the Interim DIP Order having been held before the Court on March 26, 2021 (the “**Interim Hearing**”); and the Court having entered the Interim DIP Order [ECF No. ____] on _____, 2021; and a hearing to consider entry of the Final DIP Order having been held on _____, 2021 (the “**Final Hearing**”); and on all of the pleadings filed with the Court, all evidence presented in support of the Motion, the arguments of counsel stated on the record of the Interim Hearing and the Final Hearing, and all of the proceedings held before the Court; and after due deliberation and consideration, and good and sufficient cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any

findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Final Hearing, the Motion and the relief sought therein has been given under the circumstances, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor's immediate postpetition liquidity needs. As a result, an immediate and critical need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

(1) in the forms of

- (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
 - (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with the Interim DIP Order, this Final DIP Order or any Loan Document shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Final DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED**.
2. All objections to the Motion or the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow the full amount available under the DIP Facility, to be used solely as expressly provided in the Loan Documents, including the Loan Agreement.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.
6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of the Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.
7. The Loan Agreement and the "**Obligations**" (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the

Debtor, its estate and its successors and assigns in accordance with the terms of the Interim DIP Order, this Final DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under the Interim DIP Order, this Final DIP Order, or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor's accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor's Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor's Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall

- (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,

- (b) bear interest and incur fees at the rates set forth in the Loan Agreement,
- (c) be secured in the manner specified below and under the applicable Loan Documents,
- (d) be payable in accordance with the applicable Loan Documents, and
- (e) otherwise be governed by the terms set forth in this Final DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of the Interim DIP Order, this Final DIP Order, or any of the Loan Documents, including, without limitation,

- (a) to implement the DIP Facility authorized by the Interim DIP Order, this Final DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the

Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, all of which shall be Collateral.

15. The DIP Liens became effective immediately upon entry of the Interim DIP Order. The Interim DIP Order and this Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages,

security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the DIP Liens and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however, no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of the Interim DIP Order or this Final DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of the Interim DIP Order or this Final DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Interim DIP Order, the Final DIP Order, and the Loan Documents, for filing and recording, and to deem the Interim DIP Order and the Final DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or
- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any rights, remedies, claims, privileges, liens, or security interests granted in favor of, or conferred on the DIP Lender by the terms of the Interim DIP Order, the Final DIP Order, or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Final DIP Order.

20. Notwithstanding anything in this Final DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in the Interim DIP Order, this Final DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,

- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,
- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with the Interim DIP Order, this Final DIP Order and the Loan Document,
- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the Line of Credit Termination Date, as defined in the Loan Agreement.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,

- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to the Interim DIP Order, this Final DIP Order, and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in the Interim DIP Order, this Final DIP Order or the Loan Documents, other than to

contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the automatic stay shall be deemed vacated immediately to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based on a finding that an Event of Default has not occurred and is not continuing and/or that

any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of the Interim DIP Order and this Final DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,
- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by the Interim DIP Order and this Final DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Final DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Final DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in accordance with the Interim DIP Order, this Final DIP Order, and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Final DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Final DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of the Interim DIP Order, this Final DIP Order, and the Loan Documents, the terms and provisions of this Final DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "**APA**" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Final DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in the Interim DIP Order or this Final DIP Order shall not affect the enforceability of such provision.

If, because of the acceleration of maturity, the payment of interest in advance or any other reason, the Borrower is required, under the provisions of any Loan Document or otherwise, to pay interest at a rate in excess of such maximum rate, the rate of interest under such provisions shall immediately and automatically be reduced to such maximum rate, and any payment made in excess of such maximum rate, together with interest thereon at the rate provided herein from the date of such payment, shall be immediately and automatically applied to the reduction of the unpaid principal balance of the Obligations as of the date on which such excess payment was made. 2.8 Voluntary and Mandatory Payments. The Obligations may pre-paid, in whole or in part and without penalty, at any time prior to the Line of Credit Termination Date. If the unpaid principal balance of the Line of Credit Note thereon exceeds the Line of Credit Commitment at any time, the Borrower shall immediately pay to the Lender for application to the Line of Credit Note an amount equal to such excess. All Obligations shall be due and payable in full on the Line of Credit Termination Date. In addition, in the event that, prior to the Line of Credit Termination Date, the Borrower receives any amounts pursuant to the CARES Act or any other governmental stimulus program (including the American Rescue Plan Act of 2021), to the extent such amounts were not included in the Budget and are available for payment of expenses stated in the Budget, the Borrower shall, within two (2) Business Days of receipt of such amounts, pre-pay any then outstanding Obligations and, to the extent such amounts exceed the then outstanding Obligations,

8.8 Severability. Any provision contained in this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Indemnity. The Borrower hereby agrees to pay, assume liability for, and indemnify, protect, defend, save and keep harmless the Lender from and against, any and all liabilities, obligations, losses, damages, settlements, claims, actions, suits, penalties, costs and

expenses (including, but not limited to, legal and investigative fees and expenses) of whatsoever kind and nature, including, but not limited to claims based upon negligence, strict or absolute liability, liability in tort, latent and other defects (whether or not discoverable), and any claim for patent, trademark or copyright infringement which may from time to time be imposed on, incurred by or asserted against the Lender (whether or not any such claim is also indemnified or insured against by any other person) relating to or resulting from this Agreement, any Loan Document, or any of the transactions contemplated herein or therein (but excluding the APA or any of the transactions contemplated therein) except to the extent arising out of Lender's gross negligence or willful misconduct. The provisions of this Section 8.9 shall survive the payoff, release, foreclosure or other disposition, as applicable, of this Agreement, the Obligations or the Collateral. On and after the APA Closing Date, any amounts due to the Lender under this indemnification shall be Damages, as that term is defined in Section 9.1 of the APA, and shall be subject to all applicable provisions in the APA relating to enforcement of indemnification claims by Buyer Indemnified Parties, as that term is defined in Section 9.1 of the APA.

8.10 Waiver of Trial by Jury; Jurisdiction.

(a) To the extent permitted by law, each party to this Agreement agrees that any suit, action, or proceeding, whether claim or counterclaim, brought or instituted by either party hereto or any successor or assign of any party on or with respect to this Agreement or any other Loan Document or which in any way relates, directly or indirectly, to the Loans or any event, transaction, or occurrence arising out of or in any way connection with the Loans, or the dealings of the parties with respect thereto, shall be tried only by a court and not by a jury. EACH PARTY HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH SUIT, ACTION, OR PROCEEDING. THE BORROWER ACKNOWLEDGES AND AGREES THAT THIS SECTION 8.10 IS A SPECIFIC AND MATERIAL ASPECT OF THIS AGREEMENT BETWEEN THE PARTIES AND THAT THE LENDER WOULD NOT EXTEND THE LOANS TO THE BORROWER IF THIS WAIVER OF JURY TRIAL SECTION WERE NOT A PART OF THIS AGREEMENT.

(b) To the extent permitted by law, for the purpose of any suit, action or proceeding arising out of or relating to this Agreement, the Line of Credit Note or the Loan, the Borrower hereby irrevocably consents and submits to the jurisdiction and venue of the Courts of the State of New Hampshire, the Federal District Court for the District of New Hampshire and the United States Bankruptcy Court for the District of New Hampshire, and agrees to accept and acknowledge all service of process in connection with any such matter by certified or registered mail or by any other legally permissible means. The Borrower irrevocably waives any objection which it may now or hereinafter have to the laying of the venue of any suit, action or proceeding brought in such court and any claim that such suit, action or proceeding brought in such a court has been brought in an inconvenient forum and agrees that service of process in accordance with the foregoing sentence shall be deemed in every respect effective and valid personal service of process upon the Borrower. The provisions of this Section 8.10(b) shall not limit or otherwise affect the right of the Lender to institute and conduct action in any other appropriate manner, jurisdiction or court.

8.11 Actions Against Lender; Release.

(a) Any action brought by the Borrower against the Lender which is based, directly or indirectly, or on this Agreement or any other Loan Document or any matter in or related to this Agreement or any other Loan Document, including but not limited to the making of the Loans or the administration or collection thereof, shall be brought only in the Courts of the State of New Hampshire or the Federal District Court or Bankruptcy Court for the District of New Hampshire.

(b) Upon full payment and satisfaction of the Loans and the interest thereon, as provided in Section 2 hereof, the parties shall thereupon automatically each be fully, finally, and forever released and discharged from any further claim, liability or obligation in connection with the Loans except as expressly set forth herein, except to the extent an payment received by the Lender is determined to be a preference or similar voidable transfer, in which case the claims of the Lender shall not be released.

8.12 Performance by Lender. If the Borrower shall fail to observe or perform any of the terms, agreements or covenants contained in this Agreement, or in any other Loan Document, the Lender may, in its discretion, but without any obligation or duty to do so, and without waiving any Default, or Event of Default, perform any of such terms, agreements or covenants, in part or in whole, and any money advanced or expended by the Lender in or toward the fulfillment of such terms, agreements or covenants, shall be due on demand and become a part of and be added to the indebtedness due under the Line of Credit Note and secured as herein provided with interest thereon at the rate specified in such Note from the date of the respective advance or expenditure. Lender's rights contained in this Section 8.12 shall be in addition to all of Lender's rights under Section 5.5(b) and otherwise, and Lender may, at its sole election, exercise any one or more, or all, of such rights alternatively or concurrently.

8.13 Counterparts. This Agreement may be executed by facsimile or electronic PDF signature and in any number of counterparts with then same effect as if the signatures thereto and hereto were upon the same instrument, but all of such counterparts taken together shall be deemed to constitute one and the same instrument.

8.14 Further Actions. The Borrower shall execute and deliver such documents and instruments, and take such other actions, as the Lender deems necessary to consummate the transactions described in this Agreement.

8.15 Section 506(c) Waiver. In consideration of the agreements of the Lender stated in the Loan Documents, each Borrower hereby agrees not to assert and affirmatively waives any claim it otherwise might have under Section 506(c) of the Bankruptcy Code and agrees that the Collateral securing the Obligations may not be charged with costs or expenses or administration including Permitted Expenses and other expenses which are permitted uses of the proceeds of the Line of Credit.

8.16 Section 510, 544, 547, 548 and 549 Waiver, Etc. In consideration of the agreements of the Lender stated in the Loan Documents, the Borrower hereby agrees not to assert and hereby affirmatively waives any claim it may have under Sections 510, 544, 547, 548, or 549

of the Bankruptcy Code against the Lender, in any form or manner whatsoever, any right it may have to challenge the extent and validity of the Liens granted to the Lender as security under the Loan Documents.

8.17 Entire Agreement. This Agreement and the Loan Documents represent the entire agreement between the Lender and the Borrower with respect to the financing transactions to which they relate, and cannot be changed or amended except by an agreement in writing signed by the party against whom enforcement of the change or amendment is sought.

8.18 Bankruptcy Court Approval. Neither this Agreement, nor the Loan Documents, shall be binding upon any party prior to entry of the Interim DIP Order.

P. 4001 And 9014 (I) Authorizing Debtor To Obtain Postpetition Financing And (II) Granting Liens And Super-Priority Claims To Postpetition Lender* (the “**Declarations**”); and a hearing to consider entry of the Interim DIP Order having been held before the Court on [REDACTED], 2021 (the “**Interim Hearing**”); and the Court having entered the Interim DIP Order [ECF No. [REDACTED]] on [REDACTED], 2021; and a hearing to consider entry of the Final DIP Order having been held on [REDACTED], 2021 (the “**Final Hearing**”); and on all of the pleadings filed with the Court, all evidence presented in support of the Motion, the arguments of counsel stated on the record of the Interim Hearing and the Final Hearing, and all of the proceedings held before the Court; and after due deliberation and consideration, and good and sufficient cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made

applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Final Hearing, the Motion and the relief sought therein has been given under the circumstances, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor's immediate postpetition liquidity needs. As a result, an immediate and critical need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

- (1) in the forms of
 - (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
 - (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with the Interim DIP Order, this Final DIP Order or any Loan Document shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Final DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED**.
2. All objections to the Motion or the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow the full amount available under the DIP Facility, to be used solely as expressly provided in the Loan Documents, including the Loan Agreement.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.
6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of the Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.
7. The Loan Agreement and the "**Obligations**" (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the Debtor, its estate and its successors and assigns in accordance with the terms of the Interim DIP

Order, this Final DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under the Interim DIP Order, this Final DIP Order, or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor's accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor's Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor's Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall

- (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,
- (b) bear interest and incur fees at the rates set forth in the Loan Agreement,

- (c) be secured in the manner specified below and under the applicable Loan Documents,
- (d) be payable in accordance with the applicable Loan Documents, and
- (e) otherwise be governed by the terms set forth in this Final DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of the Interim DIP Order, this Final DIP Order, or any of the Loan Documents, including, without limitation,

- (a) to implement the DIP Facility authorized by the Interim DIP Order, this Final DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the

Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, all of which shall be Collateral.

15. The DIP Liens became effective immediately upon entry of the Interim DIP Order. The Interim DIP Order and this Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages,

security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the DIP Liens and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however, no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of the Interim DIP Order or this Final DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of the Interim DIP Order or this Final DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Interim DIP Order, the Final DIP Order, and the Loan Documents, for filing and recording, and to deem the Interim DIP Order and the Final DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or
- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any rights, remedies, claims, privileges, liens, or security interests granted in favor of, or conferred on the DIP Lender by the terms of the Interim DIP Order, the Final DIP Order, or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Final DIP Order.

20. Notwithstanding anything in this Final DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in the Interim DIP Order, this Final DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,

- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,
- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with the Interim DIP Order, this Final DIP Order and the Loan Document,
- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the Line of Credit Termination Date, as defined in the Loan Agreement.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,

- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to the Interim DIP Order, this Final DIP Order, and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in the Interim DIP Order, this Final DIP Order or the Loan Documents, other than to

contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the automatic stay shall be deemed vacated immediately to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based on a finding that an Event of Default has not occurred and is not continuing and/or that

any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of the Interim DIP Order and this Final DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,
- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by the Interim DIP Order and this Final DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Final DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Final DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in accordance with the Interim DIP Order, this Final DIP Order, and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Final DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Final DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of the Interim DIP Order, this Final DIP Order, and the Loan Documents, the terms and provisions of this Final DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "**APA**" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Final DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in the Interim DIP Order or this Final DIP Order shall not affect the enforceability of such provision.

² All capitalized terms used but not defined herein shall have the meanings stated in the Loan Agreement.

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Motion, and the relief sought therein has been given under the circumstances, and no other or further notice is required except as set forth herein with respect to the hearing to be conducted to approve the DIP Facility on a final basis (the "**Final Hearing**"). A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor's immediate postpetition liquidity needs. As a result, an immediate and critical

need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

- (1) in the forms of
 - (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code, or
 - (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with this Interim DIP Order, or any Loan Document, shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Interim DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED** to the extent set forth in this Order.
2. All objections to the Motion as it relates to the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice.
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow up to three million dollars (\$3,000,000.00) of the total available under the DIP Facility, to be used solely as expressly provided in the Loan Documents.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.

6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of this Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.

7. The Loan Agreement and the “**Obligations**” (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the Debtor, its estate, and its successors and assigns in accordance with the terms of this Interim DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under this Interim DIP Order or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor’s accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor’s Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor’s Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield

and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall
 - (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,
 - (b) bear interest and incur fees at the rates set forth in the Loan Agreement,
 - (c) be secured in the manner specified below and under the applicable Loan Documents,
 - (d) be payable in accordance with the applicable Loan Documents, and
 - (e) otherwise be governed by the terms set forth in this Interim DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of this Interim DIP Order or any of the other Loan Documents, including, without limitation,

- (a) to implement the DIP Facility to the extent authorized by this Interim DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, of which shall be Collateral.

15. The DIP Liens shall be effective immediately on entry of this Interim DIP Order. This Interim DIP Order shall be sufficient and conclusive evidence of the validity, perfection,

and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages, security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the DIP Liens, and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of this Interim DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of this Interim DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by this Interim DIP Order and the Loan Documents, for filing and recording, and to deem this Interim DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or

- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any rights, remedies, claims, privileges, liens or security interests granted in favor of, or conferred on the DIP Lender by the terms of this Interim DIP Order or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Interim DIP Order.

20. Notwithstanding anything in this Interim DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the *Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief* [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in this Interim DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly, by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,
- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,
- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with this Interim DIP Order and the Loan Document,
- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the earlier of

- (a) the Line of Credit Termination Date and
- (b) April 13, 2021 unless the "**Final DIP Order**" (as defined in the Loan Agreement) has been entered as of such date.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the

Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,
- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to this Interim DIP Order and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the

proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in this Interim DIP Order or the Loan Documents, other than to contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the

automatic stay shall be deemed vacated immediately on entry of this Interim DIP Order solely to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of this Interim DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,
- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by this Interim DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Interim DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Interim DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in accordance with this Interim DIP Order and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Interim DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Interim DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of this Interim DIP Order and the Loan Documents, the terms and provisions of this Interim DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "APA" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Interim DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in this Interim DIP Order shall not affect the enforceability of such provision.

41. The Debtor shall promptly serve by United States mail, first class postage prepaid, copies of this Interim DIP Order and a notice of the Final Hearing (the "**Final Hearing Notice**") to be held on [REDACTED], 2021, at [REDACTED]:[REDACTED]M. (EDT), to consider entry of the Final DIP Order on the following:

- (f) counsel to Key, counsel to HUD and all other known parties asserting a lien against the Debtor's assets, and

Copies of the Motion, this Interim DIP Order, and the Final Hearing Notice also shall be served upon all persons requesting service of papers pursuant to Bankruptcy Rule 2002 by United States mail, first class postage prepaid, promptly following the receipt of such request.

42. IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any

findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Final Hearing, the Motion and the relief sought therein has been given under the circumstances, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor's immediate postpetition liquidity needs. As a result, an immediate and critical need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

(1) in the forms of

- (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with the Interim DIP Order, this Final DIP Order or any Loan Document shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Final DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED**.
2. All objections to the Motion or the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow the full amount available under the DIP Facility, to be used solely as expressly provided in the Loan Documents, including the Loan Agreement.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.
6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of the Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.
7. The Loan Agreement and the "**Obligations**" (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the

Debtor, its estate and its successors and assigns in accordance with the terms of the Interim DIP Order, this Final DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under the Interim DIP Order, this Final DIP Order, or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor's accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor's Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor's Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall

- (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,

- (b) bear interest and incur fees at the rates set forth in the Loan Agreement,
- (c) be secured in the manner specified below and under the applicable Loan Documents,
- (d) be payable in accordance with the applicable Loan Documents, and
- (e) otherwise be governed by the terms set forth in this Final DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of the Interim DIP Order, this Final DIP Order, or any of the Loan Documents, including, without limitation,

- (a) to implement the DIP Facility authorized by the Interim DIP Order, this Final DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the

Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, all of which shall be Collateral.

15. The DIP Liens became effective immediately upon entry of the Interim DIP Order. The Interim DIP Order and this Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages, security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the

DIP Liens and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however, no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of the Interim DIP Order or this Final DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of the Interim DIP Order or this Final DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Interim DIP Order, the Final DIP Order, and the Loan Documents, for filing and recording, and to deem the Interim DIP Order and the Final DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or
- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any rights, remedies, claims, privileges, liens, or security interests granted in favor of, or conferred on the DIP Lender by the terms of the Interim DIP Order, the Final DIP Order, or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Final DIP Order.

20. Notwithstanding anything in this Final DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in the Interim DIP Order, this Final DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,
- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under

chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,

- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with the Interim DIP Order, this Final DIP Order and the Loan Document,
- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the Line of Credit Termination Date, as defined in the Loan Agreement.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, ~~if one is appointed~~ Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,
- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to the Interim DIP Order, this Final DIP Order, and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in the Interim DIP Order, this Final DIP Order or the Loan Documents, other than to contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the automatic stay shall be deemed vacated immediately to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based on a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of the Interim DIP Order and this Final DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,
- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by the Interim DIP Order and this Final DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Final DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Final DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in

accordance with the Interim DIP Order, this Final DIP Order, and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Final DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Final DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of the Interim DIP Order, this Final DIP Order, and the Loan Documents, the terms and provisions of this Final DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "APA" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Final DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in the Interim DIP Order or this Final DIP Order shall not affect the enforceability of such provision.

RECITALS

WHEREAS, Borrower is a debtor-in-possession under Chapter 11 of the Bankruptcy Code in a case (the “**Reorganization Case**”) pending in the United States Bankruptcy Court for the District of New Hampshire (together with any other court having jurisdiction over the Reorganization Case or any proceedings therein from time to time, the “**Bankruptcy Court**”), as Case No. 20-10892. Borrower has requested that Lender extend financing to Borrower in connection with the Reorganization Case in accordance with the provisions of this Agreement.

The Section headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. At all times prior to termination of the APA, to the extent of any direct conflict between the representations and covenants of the Borrower hereunder and the representations and covenants of the Seller under the APA, the representations and covenants of the Seller under the APA shall control. At all times after termination of the APA, the representations and covenants of the Borrower hereunder shall be fully enforceable notwithstanding any direct conflict with the representations and covenants of the Seller under the APA.

8.8 Severability. Any provision contained in this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Indemnity. The Borrower hereby agrees to pay, assume liability for, and indemnify, protect, defend, save and keep harmless the Lender from and against, any and all liabilities, obligations, losses, damages, settlements, claims, actions, suits, penalties, costs and expenses (including, but not limited to, legal and investigative fees and expenses) of whatsoever kind and nature, including, but not limited to claims based upon negligence, strict or absolute liability, liability in tort, latent and other defects (whether or not discoverable), and any claim for patent, trademark or copyright infringement which may from time to time be imposed on, incurred by or asserted against the Lender (whether or not any such claim is also indemnified or insured against by any other person) relating to or resulting from this Agreement, any Loan Document, or any of the transactions contemplated herein or therein (but excluding the APA or any of the transactions contemplated therein) except to the extent arising out of Lender's gross negligence or willful misconduct. The provisions of this Section 8.9 shall survive the payoff, release, foreclosure or other disposition, as applicable, of this Agreement, the Obligations or the Collateral. On and after the APA Closing Date, any amounts due to the Lender under this indemnification shall be Damages, as that term is defined in Section 9.1 of the APA, and shall be subject to all applicable provisions in the APA relating to enforcement of indemnification claims by Buyer Indemnified Parties, as that term is defined in Section 9.1 of the APA.

8.10 Waiver of Trial by Jury; Jurisdiction.

(a) To the extent permitted by law, each party to this Agreement agrees that any suit, action, or proceeding, whether claim or counterclaim, brought or instituted by either party hereto or any successor or assign of any party on or with respect to this Agreement or any other Loan Document or which in any way relates, directly or indirectly, to the Loans or any event, transaction, or occurrence arising out of or in any way connection with the Loans, or the dealings of the parties with respect thereto, shall be tried only by a court and not by a jury. EACH PARTY HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH SUIT, ACTION, OR PROCEEDING. THE BORROWER ACKNOWLEDGES AND AGREES THAT THIS SECTION 8.10 IS A SPECIFIC AND MATERIAL ASPECT OF

THIS AGREEMENT BETWEEN THE PARTIES AND THAT THE LENDER WOULD NOT EXTEND THE LOANS TO THE BORROWER IF THIS WAIVER OF JURY TRIAL SECTION WERE NOT A PART OF THIS AGREEMENT.

(b) To the extent permitted by law, for the purpose of any suit, action or proceeding arising out of or relating to this Agreement, the Line of Credit Note or the Loan, the Borrower hereby irrevocably consents and submits to the jurisdiction and venue of the Courts of the State of New Hampshire, the Federal District Court for the District of New Hampshire and the United States Bankruptcy Court for the District of New Hampshire, and agrees to accept and acknowledge all service of process in connection with any such matter by certified or registered mail or by any other legally permissible means. The Borrower irrevocably waives any objection which it may now or hereinafter have to the laying of the venue of any suit, action or proceeding brought in such court and any claim that such suit, action or proceeding brought in such a court has been brought in an inconvenient forum and agrees that service of process in accordance with the foregoing sentence shall be deemed in every respect effective and valid personal service of process upon the Borrower. The provisions of this Section 8.10(b) shall not limit or otherwise affect the right of the Lender to institute and conduct action in any other appropriate manner, jurisdiction or court.

8.11 Actions Against Lender; Release.

(a) Any action brought by the Borrower against the Lender which is based, directly or indirectly, or on this Agreement or any other Loan Document or any matter in or related to this Agreement or any other Loan Document, including but not limited to the making of the Loans or the administration or collection thereof, shall be brought only in the Courts of the State of New Hampshire or the Federal District Court or Bankruptcy Court for the District of New Hampshire.

(b) Upon full payment and satisfaction of the Loans and the interest thereon, as provided in Section 2 hereof, the parties shall thereupon automatically each be fully, finally, and forever released and discharged from any further claim, liability or obligation in connection with the Loans except as expressly set forth herein, except to the extent an payment received by the Lender is determined to be a preference or similar voidable transfer, in which case the claims of the Lender shall not be released.

8.12 Performance by Lender. If the Borrower shall fail to observe or perform any of the terms, agreements or covenants contained in this Agreement, or in any other Loan Document, the Lender may, in its discretion, but without any obligation or duty to do so, and without waiving any Default, or Event of Default, perform any of such terms, agreements or covenants, in part or in whole, and any money advanced or expended by the Lender in or toward the fulfillment of such terms, agreements or covenants, shall be due on demand and become a part of and be added to the indebtedness due under the Line of Credit Note and secured as herein provided with interest thereon at the rate specified in such Note from the date of the respective advance or expenditure. Lender's rights contained in this Section 8.12 shall be in addition to all of Lender's rights under Section 5.5(b) and otherwise, and Lender may, at its sole election, exercise any one or more, or all, of such rights alternatively or concurrently.

8.13 Counterparts. This Agreement may be executed by facsimile or electronic PDF signature and in any number of counterparts with then same effect as if the signatures thereto and hereto were upon the same instrument, but all of such counterparts taken together shall be deemed to constitute one and the same instrument.

8.14 Further Actions. The Borrower shall execute and deliver such documents and instruments, and take such other actions, as the Lender deems necessary to consummate the transactions described in this Agreement.

8.15 Section 506(c) Waiver. In consideration of the agreements of the Lender stated in the Loan Documents, each Borrower hereby agrees not to assert and affirmatively waives any claim it otherwise might have under Section 506(c) of the Bankruptcy Code and agrees that the Collateral securing the Obligations may not be charged with costs or expenses or administration including Permitted Expenses and other expenses which are permitted uses of the proceeds of the Line of Credit.

8.16 Section 510, 544, 547, 548 and 549 Waiver, Etc. In consideration of the agreements of the Lender stated in the Loan Documents, the Borrower hereby agrees not to assert and hereby affirmatively waives any claim it may have under Sections 510, 544, 547, 548, or 549 of the Bankruptcy Code against the Lender, in any form or manner whatsoever, any right it may have to challenge the extent and validity of the Liens granted to the Lender as security under the Loan Documents.

8.17 Entire Agreement. This Agreement and the Loan Documents represent the entire agreement between the Lender and the Borrower with respect to the financing transactions to which they relate, and cannot be changed or amended except by an agreement in writing signed by the party against whom enforcement of the change or amendment is sought.

8.18 Bankruptcy Court Approval. Neither this Agreement, nor the Loan Documents, shall be binding upon any party prior to entry of the Interim DIP Order.

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any

findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Final Hearing, the Motion and the relief sought therein has been given under the circumstances, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor's immediate postpetition liquidity needs. As a result, an immediate and critical need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

(1) in the forms of

- (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
 - (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with the Interim DIP Order, this Final DIP Order or any Loan Document shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Final DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED**.
2. All objections to the Motion or the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow the full amount available under the DIP Facility, to be used solely as expressly provided in the Loan Documents, including the Loan Agreement.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.
6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of the Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.
7. The Loan Agreement and the "**Obligations**" (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the Debtor, its estate and its successors and assigns in accordance with the terms of the Interim DIP

Order, this Final DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under the Interim DIP Order, this Final DIP Order, or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor's accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor's Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor's Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall
- (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,
 - (b) bear interest and incur fees at the rates set forth in the Loan Agreement,

- (c) be secured in the manner specified below and under the applicable Loan Documents,
- (d) be payable in accordance with the applicable Loan Documents, and
- (e) otherwise be governed by the terms set forth in this Final DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of the Interim DIP Order, this Final DIP Order, or any of the Loan Documents, including, without limitation,

- (a) to implement the DIP Facility authorized by the Interim DIP Order, this Final DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the

Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, all of which shall be Collateral.

15. The DIP Liens became effective immediately upon entry of the Interim DIP Order. The Interim DIP Order and this Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages, security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the

DIP Liens and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however, no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of the Interim DIP Order or this Final DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of the Interim DIP Order or this Final DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Interim DIP Order, the Final DIP Order, and the Loan Documents, for filing and recording, and to deem the Interim DIP Order and the Final DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or
- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any rights, remedies, claims, privileges, liens, or security interests granted in favor of, or conferred on the DIP Lender by the terms of the Interim DIP Order, the Final DIP Order, or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Final DIP Order.

20. Notwithstanding anything in this Final DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in the Interim DIP Order, this Final DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,
- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under

chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,

- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with the Interim DIP Order, this Final DIP Order and the Loan Document,
- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the Line of Credit Termination Date, as defined in the Loan Agreement.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, ~~if one is appointed~~ Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,
- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to the Interim DIP Order, this Final DIP Order, and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in the Interim DIP Order, this Final DIP Order or the Loan Documents, other than to contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the automatic stay shall be deemed vacated immediately to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based on a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of the Interim DIP Order and this Final DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,
- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by the Interim DIP Order and this Final DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Final DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Final DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in

accordance with the Interim DIP Order, this Final DIP Order, and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Final DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Final DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of the Interim DIP Order, this Final DIP Order, and the Loan Documents, the terms and provisions of this Final DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "APA" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Final DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in the Interim DIP Order or this Final DIP Order shall not affect the enforceability of such provision.

P. 4001 And 9014 (I) Authorizing Debtor To Obtain Postpetition Financing And (II) Granting Liens And Super-Priority Claims To Postpetition Lender* and the *Declaration of Kevin W. Donovan In Support Of Debtor’s Emergency Motion For Entry of Interim And Final Orders Pursuant To 11 U.S.C. §§ 105, 362, 364, 503 And 507 and Fed. R. Bankr. P. 4001 And 9014 (I) Authorizing Debtor To Obtain Postpetition Financing And (II) Granting Liens And Super-Priority Claims To Postpetition Lender* (the “**Declarations**”); and a hearing to consider entry of this Interim DIP Order having been held before the Court on [REDACTED], 2021 (the “**Interim Hearing**”); and on all of the pleadings filed with the Court, all evidence presented in support of this Interim DIP Order, the arguments of counsel stated on the record of the Interim Hearing, and all of the proceedings held before the Court; and after due deliberation and consideration, and good and sufficient cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Rule 52(a) of the Federal Rules of Civil Procedure, made

applicable to this proceeding pursuant to Bankruptcy Rules 7052 and 9014. To the extent any findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any conclusions of law herein constitute findings of fact, they are adopted as such.

B. The Court has jurisdiction over the Motion and the transactions contemplated by the Loan Documents pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 77.4(a) of the Local Rules of the United States District Court for the District of New Hampshire, and this matter is a core proceeding pursuant to 28 U.S.C. § 157. Venue of this case and this matter in this district is proper under 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with or without violating Article III of the U.S. Constitution.

C. The statutory bases for the relief requested in the Motion are Sections 105, 364, 503, and 507 of the Bankruptcy Code.

D. Good and sufficient notice of the Interim Hearing, the Motion, and the relief sought therein has been given under the circumstances, and no other or further notice is required except as set forth herein with respect to the hearing to be conducted to approve the DIP Facility on a final basis (the “**Final Hearing**”). A reasonable opportunity to object or be heard regarding the relief provided herein has been afforded to parties in interest.

E. The Debtor remains in possession of its property and is authorized to operate its business pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

F. The use of cash that is property of the Debtor would be insufficient, alone, to meet the Debtor’s immediate postpetition liquidity needs. As a result, an immediate and critical need exists for the Debtor to obtain postpetition financing to continue the operation of its business.

G. The Debtor is unable to obtain sufficient postpetition financing to continue operation of its business

- (1) in the forms of
 - (a) unsecured debt incurred in the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code, or
 - (b) unsecured debt incurred outside the ordinary course of business allowable as an administrative expense under Section 503(b)(1) of the Bankruptcy Code or
- (2) on terms more favorable than those embodied in the Loan Agreement and the other Loan Documents.

The DIP Lender is prepared to enter into the DIP Loans solely on the terms set forth in the Loan Agreement and the other Loan Documents.

H. The terms of the DIP Loans are fair, just, and reasonable under the circumstances, reflect the Debtor's exercise of its prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

I. The terms of the DIP Loans have been negotiated in good faith and at arm's length by and between the Debtor and the DIP Lender.

J. Any credit extended or other indebtedness or liabilities arising under, in respect of, or in connection with this Interim DIP Order, or any Loan Document, shall be deemed to have been extended in "good faith" by the DIP Lender as that term is used in Section 364(e) of the Bankruptcy Code, and in express reliance upon the protections afforded by Section 364(e) of the Bankruptcy Code.

K. The relief requested in the Motion is necessary and appropriate for the management and preservation of the Debtor's property and the operation of the Debtor's business and is in the best interests of the Debtor, its estate and creditors.

L. Absent the relief granted herein, the Debtor's estate will be immediately and irreparably harmed.

M. Good, adequate, and sufficient cause has been shown to justify the relief granted herein and the immediate entry and effectiveness of this Interim DIP Order.

IT IS HEREBY ORDERED THAT:

1. The Motion is **GRANTED** to the extent set forth in this Order.
2. All objections to the Motion as it relates to the relief provided herein that have not been withdrawn, waived or settled, and all reservations of rights included therein, hereby are overruled and denied on the merits with prejudice.
3. The Loan Documents, including the Loan Agreement, are approved, and the Debtor is hereby authorized to execute and enter into, deliver, and perform all obligations thereunder.
4. The Debtor is hereby authorized to borrow up to three million dollars (\$3,000,000.00) of the total available under the DIP Facility, to be used solely as expressly provided in the Loan Documents.
5. In furtherance of the foregoing and without further approval of this Court, the Debtor is hereby authorized to perform all acts, to make, execute, and deliver all instruments and documents, and to pay all related fees, that may be required or necessary for the Debtor's performance of its obligations under the DIP Loans.
6. All of the DIP Liens (defined below) shall be effective and perfected as of the date of entry of this Interim DIP Order without the necessity of the execution, recording, or filing of security agreements, pledge agreements, financing statements, or other agreements or instruments.
7. The Loan Agreement and the "**Obligations**" (as defined in the Loan Agreement) constitute valid, binding, and non-avoidable obligations of the Debtor enforceable against the

Debtor, its estate, and its successors and assigns in accordance with the terms of this Interim DIP Order and the Loan Documents, and shall survive the dismissal of this Case or the conversion of this Case to a case under another Chapter of the Bankruptcy Code.

8. No obligation, payment, transfer, or grant of security under this Interim DIP Order or the Loan Documents shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity. Nothing herein is intended to alter or interfere with the rights of any third party payor to exercise their right of setoff or recoupment with regard to the Debtor's accounts receivable owed by such payors under applicable law or as allowed by order of this Court. For the avoidance of doubt, the preceding sentence shall not modify any restrictions on the recoupment, setoff or other rights of payors under, (a) the Order Setting the Cure Amounts for the Debtor's Contracts with UnitedHealthcare Insurance Company and its Affiliates [ECF No. 476], (b) the Order Setting the Cure Amounts for the Debtor's Contracts with Anthem Health Plans of New Hampshire, Inc. D/B/A Anthem Blue Cross and Blue Shield and Matthew Thornton Health Plan, Inc. [ECF No. 504], or (c) the Order Setting the Cure Amounts for the Debtor's Contracts with Humana Insurance Company and Humana Health Plan, Inc. [ECF No. 509].

9. The DIP Loans shall

- (a) be evidenced by the books and records of the DIP Lender and, although not required, upon the request of the DIP Lender, a note executed and delivered to the DIP Lender by the Debtor in accordance with the terms of the Loan Documents,

- (b) bear interest and incur fees at the rates set forth in the Loan Agreement,
- (c) be secured in the manner specified below and under the applicable Loan Documents,
- (d) be payable in accordance with the applicable Loan Documents, and
- (e) otherwise be governed by the terms set forth in this Interim DIP Order and the Loan Documents.

10. The automatic stay provisions of Section 362 of the Bankruptcy Code and any other restriction imposed by an order of the Court or applicable law are hereby modified and vacated without further notice, application, or order of the Court to the extent necessary to permit the DIP Lender to perform any act authorized or permitted under or by virtue of this Interim DIP Order or any of the other Loan Documents, including, without limitation,

- (a) to implement the DIP Facility to the extent authorized by this Interim DIP Order and pursuant to the terms of the Loan Documents,
- (b) to take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the “**Collateral**” (as defined in the Loan Agreement”), and
- (c) to assess, charge, collect, advance, deduct, and receive payments with respect to the Obligations, including, without limitation, all principal, interest, fees, costs, and expenses permitted under the Loan Documents, and to apply such payments to the Obligations pursuant to the Loan Documents.

11. The DIP Lender shall have no obligation to make any DIP Loans or any other financial accommodation under the respective Loan Documents unless the conditions precedent to make such extensions of credit under the respective Loan Documents have been satisfied in full or waived in accordance with such Loan Documents.

12. Pursuant to Section 364(c)(1) of the Bankruptcy Code, the Obligations constitute (without the need to file a proof of claim) superpriority claims (the “**DIP Superpriority Claims**”) against the Debtor, with priority over any and all administrative expenses of the

Debtor, whether now existing or hereafter arising or incurred, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code.

13. As security for the full and timely payment of the Obligations, the DIP Lender is hereby granted, pursuant to Sections 364(c)(2) and 364(c)(3) of the Bankruptcy Code, valid, enforceable, non-avoidable, and fully perfected security interests in and liens on all Collateral (as defined in the Loan Agreement) (collectively, the “**DIP Liens**”), which shall have the priorities stated in the Loan Agreement.

14. For the avoidance of doubt, “**Collateral**” shall not include (i) any causes of action arising under chapter 5 of the Bankruptcy Code or applicable state law equivalents and the proceeds thereof and (ii) any pre-petition and post-petition commercial tort claims (as such term is defined in the Uniform Commercial Code as in effect in the State of New Hampshire) and the proceeds thereof, including, without limitation, any and all causes of action (and the proceeds thereof) against current and former directors and officers of the Debtor and/or any of its affiliates. The foregoing shall not apply to First Priority Collateral, of which shall be Collateral.

15. The DIP Liens shall be effective immediately on entry of this Interim DIP Order. This Interim DIP Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of executing, filing, or recording any mortgage, security agreement, pledge agreement, financing statement, or other instrument or document, or the taking of any other act that otherwise may be required under state or federal law, rule, or regulation of any jurisdiction to validate or perfect the DIP Liens or to entitle the DIP Lender to the priorities granted herein; however, the Debtor may execute, and the DIP Lender is hereby authorized to execute, file, and/or record mortgages, security agreements, pledge agreements, financing statements, and/or other instruments or documents to evidence the

DIP Liens, and the Debtor is hereby authorized, promptly on a demand by the DIP Lender made in accordance with the terms of the Loan Documents to execute, file, and/or record any such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents as the DIP Lender may request; however no such execution, filing, or recordation shall be necessary or required in order to create or perfect the DIP Liens. A copy of this Interim DIP Order may, in the discretion of the DIP Lender, be filed with or recorded in any filing or recording office in addition to or in lieu of such mortgages, security agreements, pledge agreements, financing statements, or other instruments or documents, and each and every federal, state, and local governmental agency, department, or office is hereby directed to accept a copy of this Interim DIP Order and any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by this Interim DIP Order and the Loan Documents, for filing and recording, and to deem this Interim DIP Order to be in proper form for filing and recording.

16. The DIP Liens shall not be

- (a) subject to any lien that is avoided and preserved for the benefit of the Debtor's estate under Section 551 of the Bankruptcy Code or
- (b) except as provided in the Loan Agreement, subordinated to or made *pari passu* with any other lien under Section 364(d) of the Bankruptcy Code or otherwise.

17. Absent payment in full in cash of all Obligations of the Debtor and termination of the Loan Agreement, the Debtor shall not

- (a) grant or impose any liens on the Collateral or
- (b) prime or seek to prime the DIP Liens.

18. In no event shall any person or entity who pays (or through the extension of credit to the Debtor, causes to be paid) any of the Obligations, be subrogated, in whole or in part, to any

rights, remedies, claims, privileges, liens or security interests granted in favor of, or conferred on the DIP Lender by the terms of this Interim DIP Order or any of the Loan Documents, until all of the Obligations are paid in full in cash and termination of the Loan Agreement.

19. The DIP Liens and the DIP Superpriority Claims shall continue after conversion of the Case to a case under Chapter 7 of the Bankruptcy Code and in any successor Case for the Debtor under any Chapter of the Bankruptcy Code, and all liens, security interests, and claims shall maintain their priority as provided in this Interim DIP Order.

20. Notwithstanding anything in this Interim DIP Order, any Loan Documents, or any other order of this Court to the contrary, the DIP Superpriority Claims and the DIP Liens shall not be subject nor subordinate to the Carve-Out (as defined in the *Fifth Order Authorizing Interim Use of Cash Collateral and Granting Adequate Protection and Related Relief* [Docket No. 506]) or any similar right granted in any other order.

21. Notwithstanding anything in this Interim DIP Order, any Loan Document, or any other order by this Court to the contrary, no proceeds of the DIP Loans or Collateral may be used, directly or indirectly, by the Debtor, or any other person or entity, to fund

- (a) any investigation of or challenge to
 - (i) the enforceability of any amounts due under the DIP Loans or the Loan Documents or on account of the DIP Superpriority Claims or
 - (ii) the validity, perfection, priority or extent of the DIP Liens,
- (b) any investigation or prosecution of any claims, defenses, or causes of action (including, without limitation, any claims or causes of action under chapter 5 of the Bankruptcy Code) against the DIP Lender or its agents, affiliates, representatives, attorneys, or advisors,
- (c) any effort to prevent, hinder or otherwise delay the DIP Lender's assertion, enforcement, or realization against or upon the Collateral, in accordance with this Interim DIP Order and the Loan Document,

- (d) any effort to seek to modify any of the rights granted to the DIP Lender hereunder or under the Loan Documents, or
- (e) any effort to take any other action prohibited by the Loan Agreement.

22. The Debtor's authorization to use the DIP Facility shall immediately terminate on the earlier of

- (a) the Line of Credit Termination Date and
- (b) April 13, 2021 unless the "**Final DIP Order**" (as defined in the Loan Agreement) has been entered as of such date.

23. No costs or expenses of administration which have been or may be incurred in the Case shall be recovered from the DIP Lender or be charged against the Collateral pursuant to Sections 105 or 506(c) of the Bankruptcy Code or otherwise. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The DIP Liens shall not be subject to Sections 510, 549, 550, or 551 of the Bankruptcy Code.

24. Professionals for the DIP Lender shall not be required to file fee applications, provided that invoices (subject in all respects to applicable privilege and work product doctrines) shall be provided to counsel for the Debtor, the Committee, ~~if one is appointed~~ Key, HUD and the United States Trustee, which parties shall have fourteen (14) days to object to such invoices in the absence of which such invoices shall be paid by the Debtor and, if not paid by the Debtor, may be paid by the DIP Lender as an advance under the DIP Facility regardless whether

- (a) the DIP Facility has terminated,
- (b) an Event of Default has occurred under the Loan Agreement or would be caused by such payment, or
- (c) such payment would cause the principal balance of the DIP Facility to exceed the maximum permissible principal amount under the Loan Agreement.

25. In determining to extend credit under the DIP Facility, or in exercising any rights or remedies pursuant to this Interim DIP Order and the Loan Documents, the DIP Lender shall not be deemed to be in control of the Debtor's operations or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtor (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. The Debtor may not obtain postpetition loans or other financial accommodations pursuant to Section 364(c) or 364(d) of the Bankruptcy Code, other than from the DIP Lender, or as may be otherwise expressly permitted under the Loan Documents, unless the Debtor uses the proceeds of such postpetition loans or other financial accommodations to pay in full in cash all Obligations.

27. In any hearing regarding any exercise of rights or remedies by the DIP Lender following an alleged Event of Default, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing and/or whether any required notice has been provided, and the Debtor hereby waives its right to seek relief, including without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the DIP Lender, as set forth in this Interim DIP Order or the Loan Documents, other than to contest whether an Event of Default has occurred or is continuing and/or whether any required notice has been provided.

28. In the absence of express prior written consent, no consent to a sale, transfer, lease, encumbrance, or other disposition of any portion of the Collateral shall be implied from any action, inaction, or acquiescence by the DIP Lender.

29. On the occurrence of an Event of Default under the Loan Agreement and following five (5) business days written notice thereof (the “**Stay Termination Notice**”) to counsel to the Debtor, counsel to the Committee, counsel to Key, counsel to HUD, and the United States Trustee (collectively, the “**Notice Parties**”), and unless an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided) is entered prior to the date which is five (5) business days after the date of service of the Stay Termination Notice as set forth below, the automatic stay of Section 362 of the Bankruptcy Code shall be deemed automatically vacated and the DIP Lender shall be immediately permitted to, among other things, pursue any and all of its remedies against the Debtor and the Collateral; however, the automatic stay shall be deemed vacated immediately on entry of this Interim DIP Order solely to the extent necessary to allow the DIP Lender to enforce its entitlement to payment in full of all Obligations from the proceeds of sale of any Acquired Assets. Following the service of a Stay Termination Notice by the DIP Lender to the Notice Parties, the Notice Parties shall be entitled to an emergency hearing before this Court; however, if the Court does not, prior to the date which is five (5) business days after the date of service of the Stay Termination Notice, enter an Order extending the automatic stay (based upon a finding that an Event of Default has not occurred and is not continuing and/or that any required notice has not been provided), the automatic stay shall terminate as provided above notwithstanding the filing or pendency of any request for such emergency hearing.

30. The provisions of this Interim DIP Order and any actions taken pursuant hereto or thereto shall survive the entry of any order:

- (a) confirming a chapter 11 plan in the Case,

- (b) converting the Case to case under chapter 7 of the Bankruptcy Code, or
- (c) dismissing the Case, and the Obligations and DIP Liens shall maintain their enforceability and priority as provided by this Interim DIP Order until all of the Obligations are paid in full in cash in accordance with the Loan Documents.

31. This Interim DIP Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Court.

32. The terms, conditions, and provisions of this Interim DIP Order are in addition to and without prejudice to the rights of the DIP Lender to pursue any and all rights and remedies under the Bankruptcy Code, the Loan Documents, or any other applicable agreement or law, including, without limitation, rights

- (a) to seek relief from the automatic stay,
- (b) to seek an injunction,
- (c) to oppose any request for use of cash collateral or for the granting of any interest in the Collateral, or of priority in favor of any other party,
- (d) to object to any sale of assets, or
- (e) to object to applications for allowance or payment of compensation of professionals or other parties seeking compensation or reimbursement from the Debtor's estate.

33. Notwithstanding anything to the contrary contained in any prior or subsequent order of this Court, the DIP Lender shall not be required to file proofs of claim in order to maintain its claims with respect to the Obligations, all of which shall be due and payable in accordance with this Interim DIP Order and the Loan Documents without the necessity of filing any such proof of claim.

34. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), and 7062, any other Bankruptcy Rule, and any other rule governing procedure in this Court, this Interim DIP Order shall be immediately effective and enforceable on its entry, and there shall be no stay of execution or effectiveness of this Interim DIP Order.

35. In the event of any inconsistency or conflict between any of the terms and provisions of this Interim DIP Order and the Loan Documents, the terms and provisions of this Interim DIP Order shall govern.

36. The Debtor's cash management system shall at all times be maintained in accordance with any order of this Court approving the maintenance of the Debtor's cash management system. The DIP Lender shall be deemed to have "control" over all such accounts for all purposes of perfection under the Uniform Commercial Code.

37. The DIP Lender shall have the unqualified right to credit bid up to the full amount of the applicable outstanding Obligations, including any accrued interest, in the sale of substantially all property of the Debtor's estate under the "APA" (as defined in the Loan Agreement) or any sale of the Collateral (or any part thereof), without the need for further Court order authorizing the same, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

38. This Court shall retain jurisdiction to interpret, implement, and enforce the provisions of this Interim DIP Order and the Loan Documents, including the Loan Agreement.

39. The DIP Lender is hereby granted all protections afforded by Section 364(e) of the Bankruptcy Code.

40. The failure to reference any provision of the Loan Documents in this Interim DIP Order shall not affect the enforceability of such provision.

41. The Debtor shall promptly serve by United States mail, first class postage prepaid, copies of this Interim DIP Order and a notice of the Final Hearing (the “**Final Hearing Notice**”) to be held on [REDACTED], 2021, at [REDACTED]: [REDACTED] M. (EDT), to consider entry of the Final DIP Order on the following:

- (b) the United States Securities and Exchange Commission,
- (c) the Internal Revenue Service,
- (d) the Office of the United States Attorney for the District of New Hampshire,
- (e) those entities or individuals listed on the Debtor’s list of 20 largest unsecured creditors,
- (f) counsel to Key, counsel to HUD and all other known parties asserting a lien against the Debtor’s assets, and

Copies of the Motion, this Interim DIP Order, and the Final Hearing Notice also shall be served upon all persons requesting service of papers pursuant to Bankruptcy Rule 2002 by United States mail, first class postage prepaid, promptly following the receipt of such request.

42. (EDT), which objections shall be served so that the same are received on or before such date and time by
