having been provided to the notice parties identified in the Motion; such notice having been adequate and appropriate under the circumstances, and it appearing that no other or further notice need be provided; and the Court having reviewed the Motion and held a hearing to consider the relief requested in the Motion on November 16, 2021 (the “**Hearing**”); and upon the record of the Hearing, and upon all of the proceedings had before the Court; and after due deliberation the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and the Court having found that the relief granted herein is in the best interests of the Debtors, their creditors, and all other parties in interest; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is granted to the extent set forth herein.
2. The Carlyle Transactions are hereby approved and the Debtors are authorized (but not directed), pursuant to section 365 of the Bankruptcy Code, to (a) assume the Aircraft Lease on an amended basis on terms substantially consistent with those set forth in the Amended Aircraft Lease and (b) pay all amounts and otherwise perform all obligations under the Amended Aircraft Lease in accordance with the terms thereof. The Aircraft Lease, as amended, shall be deemed assumed by the Debtors upon the effectiveness of the Amended Aircraft Lease in accordance with its terms, and, upon such effectiveness, the Amended Aircraft Lease shall be in full force and effect and the Debtor Lessee shall be obligated to perform all of its obligations thereunder without the need for further notice or action by the Debtor Lessee or the Lessor or further order of the Court.
3. Subject to the Debtor Lessee’s continued compliance with the terms of the Aircraft Lease and the Equipment Stipulation, the Debtor Lessee shall pay \$0.00 to the

Lessor (inclusive of its affiliates) in satisfaction of its obligation to cure any defaults under the Aircraft Lease in accordance with section 365(b)(1)(A) of the Bankruptcy Code.

4. The Debtors are authorized (but not directed) to enter into, and perform their obligations under, all exhibits, addenda, and other agreements contemplated by the Amended Aircraft Lease without further approval of the Court.

5. The Debtors and the Lessor are authorized (but not directed) to (a) execute, deliver, provide, implement, and fully perform any and all obligations, instruments, and papers necessary or advisable to implement the Amended Aircraft Lease and (b) take any and all actions to implement the Amended Aircraft Lease.

6. From and after the effective date of the Amended Aircraft Lease, the obligations of the Debtors under the Amended Aircraft Lease shall constitute administrative expenses of the Debtors' estates pursuant to sections 503(b)(1) and 507(a)(2) of the Bankruptcy Code. For the avoidance of doubt, the Debtors' obligations under the Amended Aircraft Lease shall be binding upon and constitute obligations of the applicable reorganized Debtors or any successor entity notwithstanding the confirmation or effectiveness of any chapter 11 plan of reorganization confirmed in the Chapter 11 Cases.

7. The Claims Settlement is (a) integral and necessary to the Carlyle Transactions, (b) supported by reasonable consideration, (c) fair and equitable and in the best interest of the Debtors' estates, and (d) permitted by the Bankruptcy Code, and thus, is hereby approved pursuant to Bankruptcy Rule 9019(a) and shall be binding on the Debtors, the Lessor, and their respective affiliates.

8. In accordance with the Claims Settlement, the claim assigned number 14028 shall be deemed an allowed non-priority general unsecured claim in the final amount of

\$2,613,060 against the bankruptcy estate of the Debtor Lessee on account of all pre-assumption claims relating to the Aircraft or the Aircraft Lease in the Chapter 11 Cases (or any subsequent chapter 7 case in the event of conversion) (collectively, the “**Allowed Claim**”). For the avoidance of doubt, the Allowed Claim shall constitute the only allowed pre-assumption claim relating to the Aircraft or the Aircraft Lease in the Chapter 11 Cases and nothing herein or in the Motion shall modify or impair any other claims of the Lessor or its affiliated entities relating to any aircraft other than the Aircraft.

9. In accordance with the Claims Settlement, and subject to the Debtor Lessee’s continued compliance with the terms of the Aircraft Lease and the Equipment Stipulation, all other pre-assumption claims against the Debtors relating to the Aircraft or the Aircraft Lease in the Chapter 11 Cases are hereby deemed withdrawn (collectively, the “**Withdrawn Claims**”).

10. The Allowed Claim shall be automatically allowed for all purposes in the Chapter 11 Cases, and the Withdrawn Claims shall be automatically withdrawn, upon the effectiveness of the Amended Aircraft Lease, and no further notice or action shall be required of the Lessor or the Debtors to effectuate the allowance or withdrawal, as applicable, of such claims upon such occurrence. From and after the effective date of the Amended Aircraft Lease, Epiq Corporate Restructuring, LLC is authorized to update the claims register to reflect the terms of this Order, including, among other things, reflecting the allowance of the Allowed Claim and the withdrawal of the Withdrawn Claims as set forth in this Order.

11. A chapter 11 plan shall be deemed a “**Complying Plan**” if it treats the Allowed Claim (a) as an allowed general unsecured non-priority claim not subject to reconsideration under section 502 of the Bankruptcy Code and (b) no worse than the non-

priority unsecured claims of any other aircraft or engine lessor whose claims run solely against the Debtor Lessee (other than de minimis “convenience class” claims).

12. The Lessor or the applicable holder of the Allowed Claim (or any portion thereof) shall support any Complying Plan proposed by the Debtors by voting in favor of a Complying Plan. The obligations under this Order, including, without limitation, the obligation to vote the Allowed Claim in favor of a Complying Plan, shall be binding on the Debtors, the Lessor, any successor or assignee, or the transferee of the Allowed Claims (or any portion thereof).

13. Notwithstanding any subsequent appointment of any trustee(s) under any chapter of the Bankruptcy Code, this Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtors, their estates, and their creditors, their respective affiliates, successors, and assigns, and any affected third parties, including, but not limited to, the Lessor, its affiliates, and all other persons asserting interests in the Aircraft or the Aircraft Lease.

14. The Debtors are authorized to take, or refrain from taking, any action necessary or appropriate to implement and effectuate the terms of, and the relief granted in, this Order without seeking further order of the Court.

15. While the above referenced Chapter 11 Cases are pending, this Court shall retain exclusive jurisdiction over any and all matters arising from or related to the implementation, interpretation, and enforcement of this Order and the Amended Aircraft Lease.

It is agreed as follows:

### **1. INTERPRETATION**

Certain provisions including conditions precedent and representations and warranties have been placed in the schedules and shall take effect as part of this Agreement.

### **2. AGREEMENT TO LEASE**

Subject to and in accordance with the terms and conditions of this Agreement, Lessor agrees to lease the Aircraft to Lessee and Lessee agrees to take the Aircraft on lease from Lessor for the Term. Lessor and Lessee have previously entered into an Aircraft Lease Agreement dated as of December 14, 2012, as assigned, assumed and amended pursuant to that certain Assignment, Assumption and Amendment Agreement dated June 10, 2016, as further amended by that certain Aircraft Lease Extension and Amendment Agreement (MSN 34262) dated as of September 14, 2018, as further amended by that certain Aircraft Lease Second Extension and Amendment Agreement (MSN 34262) dated as of October 31, 2019, and as further amended by that certain Aircraft Lease Third Extension and Amendment Agreement (MSN 34262) dated as of April 29, 2020 (the “**Prior Lease**”) in respect of the Aircraft. The parties acknowledge and agree that this Agreement amends and restates the Prior Lease in its entirety.

### **3. DELIVERY**

#### **3.1 Delivery and Acceptance**

It is acknowledged by Lessee that the Aircraft was delivered to and accepted by Lessee under the Prior Lease on the Original Delivery Date and is currently in the possession of Lessee and no physical delivery of the Aircraft by Lessor to Lessee will be required at Lease Commencement

Date. Subject to satisfaction of the conditions precedent set forth in Clauses 1 and 3 of Schedule 3 (*Conditions Precedent and Post-Closing Matters*), Lessor shall lease the Aircraft to Lessee and Lessee shall have no right to reject the Aircraft under this Agreement due to any defects or deficiencies in its condition on the Lease Commencement Date. Without prejudice to Clause 3 of Schedule 3 (*Conditions Precedent and Post-Closing Matters*), execution of the Lease Commencement Date Confirmation by Lessee shall constitute conclusive proof as between Lessor and Lessee that Lessee has irrevocably and unconditionally accepted the Aircraft under this Agreement without any reservations or exceptions whatsoever.

### 3.2 Risk

Throughout the Term, Lessee shall be responsible for all risks associated with or relating to the Aircraft, including for any loss of or damage to the Aircraft. In recognition of the foregoing, and notwithstanding Lessor's rights under this Agreement, Lessee acknowledges and agrees that, as between Lessor and Lessee, Lessee (a) is in sole operational control of the Aircraft and is in the business of operating commercial aircraft, (b) is solely responsible for the condition, inspection, maintenance, repair, oversight, operation and security of the Aircraft and compliance with all requirements of applicable Regulations, and (c) has not relied upon, and shall not rely upon, any statement, act, or omission of Lessor (or Owner) in connection with the use, operation, maintenance, repair, condition or security of the Aircraft, except as may be expressly agreed by Lessor.

## 4. TERMINATION DATE AND RENEWAL OPTION

### 4.1 Termination Date

The Termination Date shall be the Expiry Date, provided that:

- (a) if Lessor, acting in accordance with Clause 19.2 (*Lessor's Rights*) of this Agreement, terminates or cancels the leasing of the Aircraft to Lessee under this Agreement, the date of such termination or cancellation shall be the Termination Date and Clause 19.2 (*Lessor's Rights*) shall apply;
- (b) if the Aircraft or the Airframe suffers a Total Loss, the Termination Date shall be the date when Lessor receives the full amount of the Agreed Value and all other amounts then due and payable under this Agreement;
- (c) if the period referred to in sub-clause (d) of the definition of Total Loss extends beyond the Expiry Date, the last day of such period shall be the Termination Date;
- (d) if the Term is extended pursuant to Clause 18.2 (*Non-Compliance*), the Termination Date shall be the date on which the Aircraft is redelivered to Lessor pursuant to such Clause; and
- (e) if the leasing of the Aircraft is terminated in accordance with Clause 19.5 (*Illegality*), the date of such termination shall be the Termination Date.

In any event, Rent shall continue to accrue and be payable until the Termination Date or until the Redelivery Date (in accordance with Clause 18.1(d) hereof), unless otherwise agreed herein.

## 4.2 **Renewal Options**

### 4.2.1 **Renewal Notice**

- (a) Lessee shall have the right to extend the Term of this Agreement by [REDACTED] months for operational reasons (the “**Operational Extension**”) by providing Lessor a written notice signed by Lessee at least [REDACTED] ([REDACTED]) days prior to the scheduled Expiry Date (including, for the avoidance of doubt, if such Expiry Date has been extended pursuant to Clause 4.2.1(b) below). All terms and conditions of this Agreement in effect immediately prior to the commencement of an Operational Extension shall remain in full force and effect during any Operational Extension, unless Lessor and Lessee expressly agree otherwise in writing.
- (b) Notwithstanding the Operational Extension in Clause 4.2.1(a), Lessee shall have an additional right to extend the Term of this Agreement up to [REDACTED] ([REDACTED]) times by providing Lessor a Renewal Notice signed by Lessee at least [REDACTED] days prior to the Expiry Date (including, for the avoidance of doubt, if such Expiry Date has been extended pursuant to Clause 4.2.1(a) above). A Renewal Notice shall set forth (i) the Lessee’s decision to extend the leasing of the Aircraft for the relevant Renewal Lease Term and (ii) the Lessee’s decision as to the duration of such Renewal Lease Term which shall be for a [REDACTED] ([REDACTED]) year to [REDACTED] ([REDACTED]) year period.
- (c) Notwithstanding anything to the contrary in this Agreement or any other Operative Document:
  - (i) no Renewal Notice shall be binding on Lessor or oblige Lessor to extend the leasing of the Aircraft hereunder for any Renewal Lease Term, and shall be considered not to have been given, if any Event of Default shall have occurred and be continuing on and as of the date of any such notice; and
  - (ii) any Renewal Notice shall be irrevocable and shall constitute an unconditional obligation of Lessee to extend the leasing of the Aircraft hereunder for the Renewal Lease Term to which such Renewal Notice relates.

### 4.2.2 **Renewal Rent and Documentation**

- (a) Upon receipt of a Renewal Notice, as provided in Clause 4.2.1 (*Renewal Notice*) above, Lessee and Lessor shall [REDACTED]. Whether the amount of the Rent is agreed between Lessee and Lessor within thirty (30) days of the receipt of the Renewal Notice or the amount of Rent is established pursuant to Clause 4.2.2(b), the amount of Rent shall be documented in an amendment to this Agreement within a further period of thirty (30) days, which shall be in form and substance reasonably acceptable to Lessee and Lessor. Thereupon, (i) Lessee and Lessor shall promptly execute and deliver such lease amendment; (ii) Lessor shall procure that Lessor Guarantor executes and delivers a confirmation of the Lessor Guarantee in respect of this Agreement as so amended in form and substance acceptable to Lessee acting reasonably; (iii) Lessee shall provide (w) written evidence of appropriate corporate action authorizing execution and delivery of such amendment, (x) evidence of the issuance of each approval, license and consent which may be required in connection with such amendment, (y) an opinion from Lessee’s in-house counsel addressed to Lessor with respect to such amendment, including that all necessary filings and registrations with respect thereto have been or promptly will be made in the State of Incorporation, which opinion shall be reasonably satisfactory to Lessor, and (z) at

the sole cost of Lessor, an opinion from FAA counsel addressed to Lessor with respect to such amendment, including that all necessary filings and registrations with respect thereto have been or promptly will be made in the State of Registration, which opinion shall be reasonably satisfactory to Lessor; and (iv) Lessor shall provide (x) written evidence of appropriate corporate action by the Lessor authorizing the execution and delivery of such amendment and by the Lessor Guarantor authorizing execution and delivery of such confirmation of the Lessor Guarantee, and (y) evidence of the issuance of each approval, license and consent which may be required in connection with such amendment and such confirmation.

- (b) If, within thirty (30) days of the receipt of the Renewal Notice, Lessee and Lessor are unable to reach an agreement as to the amount to be paid by Lessee as Rent in respect of any Renewal Lease Term, either party may, by written notice to the other (such notice, the **"Appraiser Notice"**), require that each party name an internationally recognized aircraft appraiser from the list of appraisers included in Clause 6 of Part A of the Financial Terms Annex, which list may be updated from time to time by an agreement in writing between Lessor and Lessee if any of the appraisers cease to exist. If either party fails to name an appraiser within fifteen (15) days of receipt of the Appraiser Notice (such fifteenth day, the **"Appraiser Date"**), the decision of the appraiser named by the other party shall control and be binding on the parties; provided, that either party may extend the Appraiser Date by fifteen (15) days in aggregate upon written notice delivered to the other party on or prior to the initial Appraiser Date stating that it is diligently seeking to name an appraiser. Each selected appraiser shall thereafter have a period of fifteen (15) days from the date the second appraiser was named (or if no second appraiser is named, from the date the first appraiser was named) to provide its professional appraisal as to the fair market monthly rent (the **"FM Rent"**) that a willing lessor and a willing lessee would negotiate on an arms-length basis for the lease of the Aircraft for the Renewal Lease Term taking into account the Redelivery Conditions and the Redelivery Maintenance Payment. If the FM Rent determined by the appraiser providing the lower appraisal is less than [REDACTED] the higher appraisal, then [REDACTED] will be the Rent in respect of the Renewal Lease Term to be paid by Lessee. Otherwise, the two appraisers shall jointly name a third internationally recognized aircraft appraiser from the list of appraisers included in Clause 6 of Part A of the Financial Terms Annex, who shall provide its professional appraisal as to the FM Rent within fifteen (15) days of being named, and the Rent in respect of the Renewal Lease Term shall be (i) the FM Rent determined by the third appraiser if such FM Rent amount falls between the FM Rent amounts determined by the first two appraisers, (ii) the [REDACTED] of the two FM Rent amounts determined by the first two appraisers if the FM Rent determined by the third appraiser is [REDACTED] than such FM Rent amounts, and (iii) the [REDACTED] of the two FM Rent amounts determined by the first two appraisers if the FM Rent amount determined by the third appraiser is [REDACTED] than such FM Rent amounts. If the two appraisers named by the parties are unable to agree on a third appraiser within five (5) Business Days, Lessee or Lessor may apply to a court of competent jurisdiction to name the third appraiser. Lessee and Lessor shall each pay the costs and expenses of the appraiser named by it, and shall share equally the costs and expenses of the third appraiser. For purposes of this Clause 4.2.2(b) and the appraisals to be performed, the Aircraft shall be presumed to be in the condition required under this Agreement.
- (c) On the commencement date of each Renewal Lease Term (i) if the Rent payable during such Renewal Lease Term is less than the Rent that was payable hereunder before that renewal, Lessor shall, subject to Clause 7.8, reimburse Lessee a portion of the Security

Deposit equal to the difference between the Rent payable immediately prior to such Renewal Lease Term and the Rent for such Renewal Lease Term (the “**SD Difference**”) and the amount of the required Security Deposit shall be such lesser amount during that Renewal Lease Term and (ii) if the Rent for such Renewal Lease Term is greater than the Rent that was payable immediately prior to such Renewal Lease Term, Lessee shall increase the Security Deposit by an amount equal to the SD Difference and the amount of the required Security Deposit shall be such greater amount during that Renewal Lease Term.

- (d) All terms and conditions of this Agreement during the Base Lease Term shall remain in full force and effect during any Renewal Lease Term, unless Lessor and Lessee expressly agree otherwise in writing.

## **5. RENT**

### **5.1 Rent Periods**

- (a) The Term shall be divided into successive periods (each a “**Rent Period**”) in respect of which Rent shall accrue and be payable.
- (b) The first Rent Period shall commence on the Lease Commencement Date and end on: (i) if the Lease Commencement Date occurs on the first day through the [REDACTED] day of a calendar month, the [REDACTED] day of such calendar month, and (ii) if the Lease Commencement Date occurs on the [REDACTED] day through the last day of a calendar month, the [REDACTED] day of the calendar month immediately succeeding the month in which the Lease Commencement Date occurs, and each subsequent Rent Period shall commence on the date immediately following the last day of the previous Rent Period and end on the [REDACTED] day of the immediately succeeding month, except that the final Rent Period shall end on the Expiry Date.

### **5.2 Rent Date**

During the Term, Lessee shall pay Rent to Lessor in [REDACTED] on each Rent Date.

### **5.3 Rent**

- (a) Rent payable in respect of each Rent Period shall be the amount set forth in Clause 1 of Part A of the Financial Terms Annex.
- (b) If any Rent Period has a duration of less than a month, the Rent payable for that Rent Period shall be prorated by multiplying the amount of the Rent for that Rent Period by a fraction the numerator of which is the number of days in that Rent Period and the denominator of which is 30.

## **6. SECURITY DEPOSIT**

### **6.1 Lessee Payment**

Lessor acknowledges that prior to the date hereof it received from Lessee the Prior Security Deposit pursuant to a letter of credit in the amount set forth in Clause 2 of Part A of the Financial Terms Annex and that it has since drawn down the entirety of such letter of credit and is currently holding the Prior Security Deposit in cash. Lessor shall: (a) on or before the Lease Commencement Date, apply a portion of such Prior Security Deposit to satisfy Lessee’s obligation to pay the Security

Deposit hereunder; and (b) following such application, promptly return the remainder of the Prior Security Deposit to the Lessee.

## 6.2 Lessor Payment

Lessor shall, within [REDACTED] ([REDACTED]) Business Days after the Termination Date, pay to Lessee an amount equal to the Security Deposit (less the sum of amounts applied pursuant to Clause 6.3(b) and not replenished or paid to Lessee under Clause 6.5(a)); provided that Lessor shall not be obliged to pay any such amount to Lessee for so long as any obligation then falling due for performance has not been fully discharged or performed; and provided further that so long as no Event of Default has occurred and is continuing, in the event Lessee is required to pay the Redelivery Maintenance Payment, Lessee may elect to set-off the amount of the cash Security Deposit then held by Lessor against the Redelivery Maintenance Payment.

## 6.3 Concerning the Security Deposit

- (a) The Security Deposit shall be the sole, absolute and unconditional property of Lessor, may be freely commingled by Lessor with its other funds and dealt with by Lessor in such manner as Lessor may see fit and Lessor will not hold any such funds as agent or on trust for Lessee or in any similar fiduciary capacity. If and to the extent that, under applicable Law in any relevant jurisdiction, the Security Deposit is considered to be the property of Lessee, the Security Deposit shall be held by Lessor as security for the timely performance by Lessee of its obligations under the Operative Documents to which Lessee is a party and Lessee hereby grants a Security Interest in and pledge of the Security Deposit, and including all proceeds thereof and general intangibles (including payment intangibles) relating thereto, including any right to payment of an amount equal to the Security Deposit by Lessor to Lessee hereunder, to Lessor as secured party for itself. No interest shall be earned, paid or repaid in respect of the Security Deposit.
- (b) Following the occurrence of an Event of Default which is continuing, in addition to all rights and remedies of Lessor elsewhere in this Agreement or under Law, Lessor may, on behalf of itself or on behalf of any of its Affiliates, immediately or at any time thereafter, without notice to Lessee, use or apply an amount equal to all or part of the Security Deposit in or towards the payment or discharge of any matured obligation owed by Lessee under this Agreement, in such order as Lessor sees fit, and/or exercise any other right or remedy of a secured creditor upon a default provided in the UCC.
- (c) If Lessor exercises any of the rights described in Clause 6.3(b):
  - (i) Lessee shall, upon a demand in writing from Lessor, immediately and in any event within [REDACTED] ([REDACTED]) Business Days of such demand, pay in immediately available funds an amount sufficient to restore the Security Deposit to the level at which it stood immediately prior to such exercise; and
  - (ii) such use, application or retention shall not be deemed a cure of any Event of Default unless such use, application or retention was sufficient to cure such Event of Default (or Lessee has otherwise cured the same) and Lessee has restored the Security Deposit to the level at which it stood immediately prior to such exercise.
- (d) It is hereby agreed that the Security Deposit shall not constitute an agreed liquidated damages amount.

#### 6.4 Provision of Letter of Credit

Lessee may, following execution of this Agreement and at any time during the Term, in lieu of the cash Security Deposit or any other existing Letter of Credit, deliver to Lessor a Letter of Credit substantially in the form set out in Schedule 11 (*Form of Letter of Credit*) or otherwise in a form agreed to by the parties, acting reasonably (the “**Letter of Credit**”), provided that no Event of Default is continuing. Such Letter of Credit shall in any event:

- (a) be denominated in and payable in Dollars and be payable in an amount of not less than the Security Deposit required hereunder;
- (b) be issued by a bank with a long-term unsecured debt rating of [REDACTED] with Standard & Poor’s or [REDACTED] with Moody’s (the “**Acceptable LC Bank Rating**”) or confirmed by such a bank;
- (c) be an irrevocable standby Letter of Credit payable on demand without proof or evidence of entitlement of loss required, at an office in New York City or in another location satisfactory to Lessor, and shall be capable of being drawn by Lessor by hand courier, or post at such office;
- (d) without prejudice to Clause 6.4(c) above, be capable of being drawn if a replacement Letter of Credit is not provided in accordance with Clause 6.5; and
- (e) have a non-cancelable term of at least three hundred and sixty-five (365) days or, if less a non-cancellable term extending thirty (30) days beyond the Expiry Date.

#### 6.5 Letter of Credit

- (a) If Lessee provides Lessor with a Letter of Credit in accordance with the terms of Clause 6.4 (*Provision of Letter of Credit*), then on receipt of such Letter of Credit Lessor shall return any cash Security Deposit paid by Lessee to Lessor pursuant to Clause 6.1 (*Lessee Payment*) less any amounts Lessor has deducted from the Security Deposit as permitted under this Agreement to Lessee no later than [REDACTED] ([REDACTED]) Business Days after receipt of the Letter of Credit.
- (b) If Lessee provides Lessor with a Letter of Credit in accordance with the terms of Clause 6.4 (*Provision of Letter of Credit*), Lessee shall ensure that a Letter of Credit remains in place throughout the Term or any relevant part thereof; provided, however, that Lessee may replace a Letter of Credit with a cash Security Deposit and so long as no Event of Default shall have occurred and be continuing, Lessee shall have the right to put in place a replacement Letter of Credit in accordance with the terms of Clause 6.4 (*Provision of Letter of Credit*). Lessor will return to Lessee the original of the replaced Letter of Credit as soon as reasonably practicable (and in any event within three (3) Business Days) following receipt of a cash Security Deposit or a replacement Letter of Credit.
- (c) Lessee shall procure the renewal of or new issue of a Letter of Credit no later than [REDACTED] ([REDACTED]) days (the “**LC Renewal Date**”) prior to the stated expiry date of any then current Letter of Credit.
- (d) If Lessee fails to put in place a replacement Letter of Credit by the LC Renewal Date in accordance with Clause 6.5(c) and has not notified Lessor that Lessee will replace the same with a cash Security Deposit of like amount by such LC Renewal Date and thereafter does not otherwise in fact replace the Letter of Credit with such cash Security Deposit not later than [REDACTED] Business Days prior to the stated expiry date of such Letter of Credit,

Lessor shall be entitled to drawdown on the Letter of Credit for the full amount thereof and such monies so drawn shall thenceforth be held by Lessor as provided below.

- (e) If at any time the long term unsecured debt rating of the issuing bank or (if applicable) the confirming bank in respect of the Letter of Credit falls below the Acceptable LC Bank Rating then, Lessee shall promptly and in any event within [REDACTED] Business Days of receipt of written demand from the Lessor, either (1) provide Lessor with a replacement Letter of Credit complying with Clause 6.4 (*Provision of Letter of Credit*); or (2) provide a cash Security Deposit that meets the requirements of, and in accordance with the provisions of, Clause 6.1 (*Lessee Payment*), in which event, upon receipt of such replacement Letter of Credit or cash Security Deposit Lessor will return the original Letter of Credit to Lessee as soon as reasonably practicable (and in any event within three (3) Business Days) following receipt of such replacement Letter of Credit or cash Security Deposit.
- (f) Lessor may assign or pledge its interest in the proceeds of the Letter of Credit to any Financing Party and may transfer its interest under the Letter of Credit to any assignee or transferee of the Lessor's interests as permitted by Clause 21.2 (*Lessor, Owner Participant and Owner Transfer*) (and Lessee shall at Lessor's cost perform such acts and deliver such instruments as Lessor may reasonably request in order to carry out and effect any such assignment, pledge or transfer).
- (g) Lessor shall be entitled to make any number of demands under the Letter of Credit at any time following any Event of Default which is continuing or pursuant to Clause 6.5(d). Any amounts drawn under the Letter of Credit shall be treated as if they were a cash Security Deposit under Clause 6.3.
- (h) If in accordance with Clause 6.3 Lessor applies any amount (the "**Paid Amount**") drawn down under the Letter of Credit, then Lessee shall immediately and in any event within [REDACTED] ([REDACTED]) Business Days of demand, either: (i) cause an additional Letter of Credit to be issued and delivered to Lessor complying with the requirements of Clause 6.4 (*Provision of Letter of Credit*) in an amount equal to the Paid Amount and expiring on the same date as the existing Letter of Credit, or (ii) pay to Lessor in immediately available funds an amount equal to the Paid Amount so that Lessor shall at all times have on an aggregate basis the benefit of a Letter of Credit and/or a cash Security Deposit in the amount of the Security Deposit pursuant to Clause 6 (*Security Deposit*).
- (i) If at any time any Letter of Credit delivered to Lessor shall cease to constitute the legal, valid and binding obligations of the issuer thereof or any applicable confirming bank enforceable in accordance with its terms, or amounts payable under any Letter of Credit shall cease to be freely available for drawing, Lessee shall forthwith notify Lessor upon becoming aware of such circumstance(s) and as soon as practicable and in any event within [REDACTED] ([REDACTED]) Business Days after becoming aware of such circumstances or after written demand from Lessor either (i) deliver to Lessor a replacement Letter of Credit complying with the requirements set out in Clause 6.4 (*Provision of Letter of Credit*) or (ii) deliver to Lessor a cash Security Deposit in an amount equal to the undrawn face value of the Letter of Credit, to be held by Lessor in accordance with Clause 6.3, whereupon Lessor shall redeliver to Lessee the first above mentioned Letter of Credit not later than three (3) Business Days following receipt of such replacement Letter of Credit or, as the case may be, cash Security Deposit.

- (j) Subject to the payment, performance and discharge in full of all of Lessee's obligations under each of the Operative Documents to which Lessee is a party, Lessor shall within three (3) Business Days of the Termination Date return to Lessee any Letter of Credit. The provisions of this Clause 6.5(j) shall survive, and remain in full force and effect, notwithstanding the expiration or other termination of this Agreement and/or the leasing of the Aircraft hereunder.

## **7. PAYMENTS**

### **7.1 Account for Lessee Payments**

All payments by Lessee to Lessor under the Operative Documents will be made for value on the due date in Dollars in immediately available funds by SWIFT or wire transfer to the account set out below or to such other account as Lessor may from time to time notify Lessee in writing five (5) Business Days prior to a date for a payment hereunder; provided that the payment and/or indemnity obligations of Lessee under the Operative Documents, measured as of the date any such change is effective, shall not be increased solely as a result of the designation of such other account:

<b>Bank:</b>	Wells Fargo Bank, N.A.
<b>Account No:</b>	[REDACTED]
<b>Account Name:</b>	[REDACTED]
<b>Swift Code:</b>	[REDACTED]
<b>ABA:</b>	121000248
<b>Reference:</b>	[REDACTED]

### **7.2 Default Interest**

If any party hereto fails to pay any amount payable under this Agreement on the due date, such party shall pay to the other party on demand from time to time interest at the Default Rate (both before and after judgment) on that amount, from the due date to the date of payment in full. All such interest will be compounded monthly and calculated on the basis of the actual number of days elapsed in the month and assuming a thirty (30) day month and a three hundred sixty (360) day year.

### **7.3 Absolute Obligations**

- (a) This Agreement is a net lease. Lessee's obligations to pay Rent and to perform any of its other obligations pursuant to this Agreement are absolute and unconditional and shall be paid and performed in full when due without reduction, deduction, set-off, recoupment, claim or counter claim, and Lessor shall have all of the rights and benefits of a lessor under a lease to which Section 2A-407 of the UCC applies as provided therein. Lessee may not regard its obligations as cancelled, terminated, suspended, reduced or altered (and waives to the greatest extent permitted by applicable Laws any rights which it may have at any time to cancel, terminate, suspend, reduce or alter such obligations) by reason of any contingency or circumstance whatsoever, including (but not limited to):
- (i) any right of set-off, counterclaim, recoupment, reduction, reimbursement, claim, defense or other right which Lessee may have against Lessor, any Indemnatee, the Manufacturer, any other vendor, or against any other Person;
  - (ii) any unavailability of the Aircraft for any reason or interruption of or interference with Lessee's use, operation or possession of the Aircraft;

- (iii) any defect in title, airworthiness, condition, design, operation of or use of the Aircraft, merchantability, fitness for any purpose, registration of the Aircraft or any damage to or (subject to the provisions of Clause 16.1 (*Total Loss*)) loss or destruction of the Aircraft;
  - (iv) any insolvency, bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, liquidation or similar proceedings by or against Lessor or Lessee or any other Person;
  - (v) any invalidity or unenforceability of or other defect in this Agreement; and
  - (vi) any other cause or circumstance which but for this provision would or might otherwise have the effect of terminating, canceling, suspending, abating, reducing, deferring or in any way affecting any obligation of Lessee under this Agreement, including to lease the Aircraft or pay Rent. Lessee acknowledges and agrees that it has used its own judgment in selecting the Aircraft, and has not relied on Lessor or on any information supplied by Lessor, and that Lessor is not a manufacturer of or dealer in aircraft.
- (b) Each payment of Rent made by Lessee shall be final. Lessee will not seek to recover all or any part of any payment of Rent for any reason whatsoever except for manifest error.
- (c) The provisions of this Clause 7.3 (*Absolute Obligations*) shall not be construed to limit Lessee's right to institute separate legal proceedings for direct damages or otherwise pursue remedies for direct damages against Lessor in the event of Lessor's breach of the terms of this Agreement or to limit Lessee's rights and remedies against any other Person.
- (d) In the event Lessor, Owner or Owner Participant files a voluntary petition for bankruptcy, insolvency or liquidation, or an involuntary petition for bankruptcy, insolvency or liquidation has been filed against Lessor, Owner or Owner Participant and such involuntary petition has been in effect and unstayed for at least ninety (90) days, any Rent due and payable by the Lessee may, at Lessee's election, be offset by any Prior Maintenance Reserves held by Lessor.

#### 7.4 **Currency Indemnity**

- (a) If, under any applicable Law, whether as a result of a judgment or the liquidation of a party or for any other reason, any payment under or in connection with the Operative Documents is made or is recovered in a currency (the "**other currency**") other than the currency (the "**contractual currency**") in which it is payable pursuant to the Operative Documents then, to the extent that the payment (when converted into the contractual currency at the rate of exchange on the date of payment or, in the case of a liquidation, the latest date for the determination of liabilities permitted by the applicable Law) falls short of the amount unpaid under the Operative Documents, the payor shall as a separate and independent obligation, fully indemnify the party entitled to receive such payment against the amount of the shortfall. For the purposes of this sub-clause "**rate of exchange**" means the rate at which the payor is able on the relevant date to purchase the contractual currency in New York with the other currency.
- (b) Each party waives any right it may have in any jurisdiction to pay any amount under any Operative Document in a currency other than that in which such amount is expressed to be payable.

**7.5 Application of Payments by Lessor**

If any sum paid to Lessor or recovered by Lessor in respect of the liabilities of Lessee under this Agreement is less than the amount then due, Lessor may apply that sum to amounts that are then due from the Lessee under the Operative Documents in such proportions and order and generally in such manner as Lessor may determine in its reasonable discretion.

**7.6 Lessor's Determination of Amounts Due**

Any certificate or determination by Lessor as to any rate of interest or as to any other amount payable under this Agreement shall, in the absence of manifest error, be prima facie evidence of the amount so payable.

**7.7 Business Day Convention**

If any payment due under this Agreement would otherwise be due on a day which is not a Business Day, it shall be due on the immediately succeeding Business Day, or, if that Business Day falls in the following month, in the following year, or after the Termination Date, on the Business Day immediately before such date.

**7.8 Retention of Certain Payments**

Any amount referred to in any Operative Document which is payable to or retainable by Lessee shall not be paid to or retained by Lessee at any time when an Event of Default shall have occurred and be continuing, but instead such amount shall be paid to or held by Lessor as security to be held and applied in accordance with the provisions of this Agreement. At such time as there shall not be continuing any Event of Default, such amount shall be paid to Lessee to the extent not applied in accordance with the preceding sentence. Where Lessor would, but for this Clause 7.8 or any similar provision, be obliged to make any payment to Lessee, Lessor may elect to make such payment but shall be entitled to deduct or withhold from such payment any amount then due and payable under the Operative Documents with prior electronic or written notice to Lessee.

**7.9 Invoices**

Lessor shall provide Lessee with an electronic or paper invoice and supporting documentation before any payment to be made by Lessee to Lessor under the Operative Documents is due (including with respect to the payment of Rent and the Security Deposit), but failure to issue an invoice or the non-receipt of any such invoice shall not affect Lessee's obligation to make such payment.

**8. LESSOR COVENANTS**

**8.1 Quiet Enjoyment**

Lessor agrees that, provided no Event of Default has occurred and is continuing and **provided that** this Agreement shall not have been otherwise terminated, none of Lessor, any other Lessor Party and any Person claiming by, through or under it or any other Lessor Party (including any Financing Party) shall take or cause to be taken any action to interfere with Lessee's or any Permitted Sublessee's right to use, possession and quiet enjoyment of the Aircraft. The foregoing shall not, however, prevent Lessor, or its successors, assigns and transferees, from exercising any rights or remedies under the Operative Documents.

## 8.2 Lessor Obligations following Termination Date

Lessor shall within [REDACTED] Business Days of the Termination Date:

- (a) pay to Lessee a portion of any Rent paid to Lessor to the extent such portion is attributable to the period falling after, but excluding, the Termination Date; and
- (b) pay to Lessee as an independent obligation an amount equal to the Security Deposit in accordance with Clause 6.2 (*Lessor Payment*) or return the Letter of Credit in accordance with Clause 6.5(j), whichever is applicable;

provided that, if any Event of Default has occurred and is continuing, Lessor may hold and apply any such amounts in or toward the cure of such Event of Default and, at such time as no Event of Default is in existence, shall pay the unapplied portion thereof, if any, to Lessee.

## 8.3 Lessor Obligations regarding Tax Information

Lessor shall, and shall cause Owner, Owner Participant and Lessor Guarantor (or, if different, the Rent beneficiary), to provide to Lessee the information described in Clause 20.6(c) hereof, as and when required pursuant to such Clause.

## 8.4 Lessor Obligations Regarding AD Cost Sharing

Subject to Clause 7.8, if Lessee performs an Airworthiness Directive on the Aircraft on a terminating action basis (or to the highest level of compliance available) prior to the expiration of the Term and the cost of performing such Airworthiness Directive on the Aircraft exceeds [REDACTED] Dollars (\$[REDACTED]), Lessor shall, promptly following receipt of an invoice and documentation supporting the cost of performing such Airworthiness Directives on the Aircraft, reimburse Lessee for a portion of such cost determined in accordance with the formula set forth in Clause 5 of Part A of the Financial Terms Annex.

# 9. LESSEE COVENANTS

## 9.1 Performance

- (a) Lessee shall perform and comply with its undertakings, covenants and other agreements in this Agreement at all times during the Term.
- (b) Lessee shall remain liable to Lessor for all of Lessee's obligations and liabilities under this Agreement notwithstanding any delegation by Lessee to another Person of any such obligations or liabilities or any reliance by Lessee on another Person to perform or discharge any such obligations or liabilities, whether or not such delegation or reliance is permitted or contemplated by this Agreement (including any Permitted Sublessee and the related sublease under Clause 10.3 (*Subleasing*)); **provided that** to the extent any such obligation or liability is actually performed or discharged by such other Person on Lessee's behalf, such performance or discharge shall constitute performance or discharge of the corresponding obligation or liability of Lessee.
- (c) Lessee will cause any Post-Closing Authorizations and Filings to be made or obtained as provided in the definition of such term and by the deadline provided in Clause 5 of Schedule 3 (*Conditions Precedent and Post-Closing Matters*).

**9.2 Information – General and Financial**

Lessee shall:

- (a) furnish to Lessor:
  - (i) by making the same available on its website or directly to Lessor if not posted on its website, no later than [REDACTED] ([REDACTED]) days after the last day of each financial year of Lessee, its audited consolidated balance sheet and cash flow statement as of such day and its audited consolidated profit and loss statement for the year ending on such day; and
  - (ii) to the extent that Lessee is permitted by applicable Law and is not bound by confidentiality undertakings to third parties, such other information concerning the business or financial affairs of Lessee as Lessor may from time to time reasonably request; provided, however, that under no circumstances shall Lessee be required to provide Lessor with financial or operational forecasts;
- (b) promptly notify Lessor of the occurrence of any Total Loss or of any event which is likely to result in a claim under the Insurances in excess of the Damage Notification Threshold; and
- (c) promptly notify Lessor of the occurrence of any Event of Default.

**9.3 Operation of the Aircraft**

Lessee shall:

- (a) operate the Aircraft solely for commercial purposes;
- (b) not use or operate the Aircraft in violation of or contrary to any Regulation applicable to it or the Aircraft; provided that, the foregoing shall not prohibit Lessee from operating the Aircraft temporarily in any manner or location in the event of an emergency;
- (c) not knowingly permit any items to be on or transported by the Aircraft if it is prohibited by any Regulation for such item to be on or transported by the Aircraft;
- (d) not use or operate the Aircraft for any purpose for which the Aircraft is not designed or for any purpose other than primarily in passenger service in passenger configuration, or in a manner inconsistent with the Manufacturers' manuals or the Aviation Authority directives;
- (e) not use the Aircraft for purposes of training, qualifying or re-confirming the status of cockpit personnel except for the benefit of Lessee's cockpit personnel, and then only if the use of the Aircraft for such purpose is not disproportionate to the use for such purpose of other aircraft of the same or similar type operated by Lessee in any twelve (12) month period;
- (f) not use or operate the Aircraft or suffer or permit the Aircraft to be used or operated in any manner when the Insurances are not in full force and effect, and not use, operate or locate the Aircraft or suffer or permit the Aircraft to be used, operated or located in any manner not covered by the Insurances or in any area excluded from coverage by the Insurances (and without limiting the foregoing, Lessee will not use, operate or locate the Aircraft or permit it to be used, operated or located in any area of recognized or threatened hostilities when the war risk Insurances are not in full force and effect and applicable thereto);

provided, that, the foregoing shall not prohibit Lessee from operating the Aircraft temporarily in any such locations in the event of an emergency situation; and

- (g) not operate, maintain, modify, insure or deal with the Aircraft or any Engine or Part in a manner which adversely discriminates against the Aircraft or such Engine or Part, when compared with the manner in which Lessee operates, maintains, modifies, insures or deals with similar aircraft, engines or parts in Lessee's fleet.

#### 9.4 **General Covenants, Compliance and Outgoings**

Lessee shall:

- (a) at all times during the Term maintain (i) its business as a commercial scheduled air carrier; (ii) its corporate existence (except as permitted by Clause 9.7 (*Lessee Existence*) below); and (iii) in full force and effect, all consents, licenses, authorizations, approvals, permits, rights and privileges material to its business or to the performance of its obligations under this Agreement;
- (b) comply with all Regulations required for the making of payments, and the performance by Lessee of its other obligations under this Agreement and the Operative Documents;
- (c) not cause or permit the Aircraft to proceed to, or remain at, any location in an Excluded Country, except on a temporary basis in the event of an emergency situation, unless the same are permitted pursuant to applicable consents, exemptions or licenses which have been obtained or apply in respect thereof;
- (d) promptly pay or cause to be paid when due (i) all license, registration, navigation and airport fees and charges assessed and demanded by any Government Entity and/or any other air navigation authority in accordance with applicable Regulations relating to the Aircraft and (ii) all costs, expenses, charges, fees (including, without limitation, license and registration fees), Taxes and other outgoings related to the operation, storage, maintenance, leasing or registration of the Aircraft, which in either case if not paid when due could result in a Security Interest which is not a Permitted Lien being imposed on the Aircraft; and
- (e) comply with all applicable Laws concerning security measures to protect the Aircraft and its passengers from theft, destruction, hijacking, bombing or other acts of terrorism.

#### 9.5 **Registration and Protection**

- (a) Lessee shall to the greatest extent permitted by applicable Law and at its own cost and expense (unless otherwise expressly set forth herein) and subject to Lessee's receipt from Lessor and Owner of any documentation required by the Aviation Authority or any applicable Regulation (provided always that Lessee shall request such necessary documentation from Lessor in a timely manner):
  - (i) so long as Owner continues to be eligible for such registration, cooperate with Owner to keep the Aircraft registered with the FAA in the name of Owner as owner thereof and not take or permit any action contrary to the continued registration of the Aircraft with the FAA in the name of Owner other than (x) with Owner's prior written approval which will not be unreasonably withheld by Owner or (y) in connection with a sublease of the Aircraft to a Permitted Sublessee;

- (ii) subject to sub-clause (iii) below, cooperate with Lessor in relation to the registration and recordation with the FAA and any other relevant public record (or as required to comply with the Cape Town Convention or the Geneva Convention where applicable) of (x) this Agreement (or particulars thereof) and/or (y) the interest of Owner as owner and Lessor as lessor, and, at Lessor's cost, the rights of any Financing Parties having a Security Interest in respect of the Aircraft or this Agreement (as the case may be) on such public record;
  - (iii) cooperate with Owner and Lessor to file and record supplements and amendments with the FAA and any other relevant public record (or as required to comply with the Cape Town Convention or the Geneva Convention where applicable); and
  - (iv) at Lessor's cost, make and cooperate with Lessor in relation to the making of any changes to the registrations referred to at (i), (ii) or (iii) above as may be necessary or advisable (and are consistent with the provisions of this Agreement) to take account of any change permitted by this Agreement in ownership of the Aircraft, any Engine or Part (including any permanent replacement of any Engine or Part) or any change in the financing of the Aircraft.
- (b) Lessee shall not, without the prior written consent of Owner, change the State of Registration other than as permitted pursuant to Clause 9.5(a)(i) and, following the termination of any sublease of the Aircraft during which the Aircraft is registered in a jurisdiction other than the United States of America, Lessee shall also have the right without Lessor's or Owner's consent to re-register the Aircraft with the FAA in the name of the Owner as owner.
- (c) Lessee shall from time to time, do or cause to be done any and all acts and things which may be required or desirable (in the discretion of Lessor acting reasonably, but in each case consistent with the provisions of this Agreement and the other Operative Documents to which Lessee is a party) which are requested in writing by Lessor, acting reasonably, to ensure that Lessor, Owner, and, at Lessor's cost, the Financing Parties, if any, have or obtain the fullest benefit(s) of the Cape Town Convention and/or the Protocol as in effect in the State of Registration in connection with the Aircraft and any Engine, including (but not limited to):
  - (i) any matters connected with registering, perfecting, preserving and/or enhancing any International Interest(s) or other registrable interests vested in the Lessor, the Owner or the Financing Parties with respect to the Aircraft and/or any Engine and constituted by this Agreement;
  - (ii) constituting any International Interest(s) or other registrable interests to be vested in the Lessor, the Owner or the Financing Parties with respect to the Aircraft and/or any Engine in connection with this Agreement;
  - (iii) entry into agreements (subordination or otherwise) to protect, perfect and/or enhance and/or improve the priority of any International Interest(s) or other registrable interests referred to in the foregoing Clause 9.5(c)(i) and/or (ii); and
  - (iv) taking all relevant actions and cooperating as may be requested by Lessor in writing with respect to the issuance of an IDERA in favor of Lessor (or if requested, the Financing Parties Representative) to the extent such instrument becomes recognized in Mexico after the date hereof and all necessary Regulations implementing such recognition and measures with respect to the filing and

acknowledgement of an IDERA have been fully adopted and implemented in Mexico after the date hereof; provided that Lessee shall only be required to take any such action or provide any such cooperation subject to, and in accordance with all applicable laws and regulations of Mexico, and upon the deactivation of the Deregistration Power of Attorney in effect at that time.

- (d) Lessee and Lessor agree that for all purposes of the Cape Town Convention, (i) this Agreement, and any sublease under the terms of this Agreement, will constitute a separate International Interest with respect to the Airframe and/or each Engine, and (ii) the Airframe and each Engine constitute Aircraft Objects.
- (e) The costs and expenses in opening and maintaining the Transacting User Entity accounts for Lessee shall be borne by Lessee, but the costs and expenses in opening and maintaining the Transacting User Entity accounts of the Lessor Parties and any Financing Party shall be borne by the Lessor Parties or the Financing Parties, as the case may be.

#### 9.6 Title and other Property and Security Interests

Lessee shall:

- (a) affix, and maintain fireproof plates (having dimensions of not less than 10 cm. x 7 cm.) with the text and at the positions set forth in Schedule 15 (*Fireproof Plates*) hereto; provided, however, that the replacement of any such fireproof plates due to changes of ownership, lienholders or names of Lessor Parties or Financing Parties shall be arranged and paid for by Lessor.
- (b) not at any time (i) represent to others that Lessor, Owner, Owner Participant or the Financing Parties are in any way connected with or responsible for any operation of the Aircraft or the business of the Lessee or carriage (whether for hire or reward or gratuitously) which may be undertaken by Lessee; or (ii) pledge the credit of Lessor, Owner, Owner Participant or the Financing Parties;
- (c) not hold itself out to any third party as owner of the Aircraft or any part of it, and on all occasions when the ownership of the Aircraft, any Engine or any Part is relevant, make clear to third parties that title is held by Owner;
- (d) not abandon the Aircraft, any Engine or any Part;
- (e) not grant to any person other than Lessor or Financing Parties Representative an IDERA or a deregistration power of attorney with respect to the Airframe or any Engine, and the granting of an IDERA to Lessor or Financing Parties Representative shall be subject to Clause 9.5(c)(iv);
- (f) not allow the Aircraft, any Engine or any Part to become or remain subject to any Security Interest (other than Permitted Liens) and promptly at Lessee's expense take such action as may be necessary to discharge any such Security Interest other than Permitted Liens if the same shall exist at any time; or
- (g) not consent to any interests conflicting with (whether or not taking priority over) the interests of Lessor, Owner or any Financing Party to be registered at the International Registry without the prior written consent of Lessor, Owner, or such Financing Party (as the case may be).

#### 9.7 **Lessee Existence**

Lessee will preserve its corporate existence, will not sell, lease, transfer or otherwise dispose of all or substantially all of its assets (in one or in any series of transactions) to any Person and will continue to be a regularly scheduled, commercial airline; provided that Lessee may sell, lease, transfer or otherwise dispose of all or substantially all of its assets (in one or a series of transactions) to any Person or merge or consolidate with any Person in a transaction in which it is not the surviving Person if the following conditions are satisfied:

- (a) Lessee has provided Lessor with thirty (30) days prior written notice of such transaction, and know-your-customer information in respect of the proposed Surviving Entity which is satisfactory to Lessor;
- (b) the Person acquiring such assets or the Person surviving such merger or consolidation (in either case, the “**Surviving Entity**”) assumes all of the rights and obligations of Lessee under the Operative Documents to which Lessee is a party;
- (c) the tangible net worth of the Surviving Entity is equal to or greater than the tangible net worth of Lessee immediately prior to such merger or consolidation, except where (if the Surviving Entity’s tangible net worth would be lower than such prior tangible net worth of the Lessee), this does not and could not reasonably be expected to cause an Event of Default or have a material adverse effect on the ability of the Surviving Entity to comply with its obligations under the Operative Documents as determined by Lessor acting reasonably;
- (d) the Surviving Entity is duly organized and validly existing under the laws of its state of organization;
- (e) the Surviving Entity shall execute and deliver to Lessor an agreement, in form and substance reasonably satisfactory to Lessor, by which the Surviving Entity assumes the due and punctual performance and observance of each covenant and condition of Lessee under this Agreement and agrees to be bound thereby (such assumption of obligations to be legal, valid, binding and enforceable, except as enforcement of such agreement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting the rights of creditors generally and general principles of equity);
- (f) the Surviving Entity shall execute and deliver to Lessor and/or file such recordations and filings with any Government Entity (including the Aviation Authority) and such other documents as Lessor shall reasonably deem to be necessary or advisable (including, without limitation, to preserve and protect the interests of Lessor, Owner and the Financing Parties) to evidence, or in connection with, such transfer of assets, merger or consolidation; and
- (g) prior to and immediately after giving effect to such transfer of assets, merger or consolidation, no Event of Default shall have occurred and be continuing.

Lessee shall pay all reasonable costs and expenses incurred by Lessor, Owner and, if applicable, any Financing Party (including all reasonable legal fees and expenses) in relation to any such transfer of assets, merger or consolidation following receipt of an invoice and supporting documentation in respect thereof.

#### 9.8 **Recognition of Rights**

Lessee shall procure, when applicable, that any Person to whom possession of the Aircraft, the Airframe or any Engine is given (other than Manufacturers or Approved Maintenance Providers)

in accordance with the provisions of this Agreement acknowledges in writing within a mortgage or lease or other agreement between Lessee and such Person or otherwise, that it will respect the interests of the owner and lessor of the Aircraft, the Airframe or such Engine, as applicable and the interests of the Financing Parties in respect of such Aircraft, the Airframe or such Engine and will not seek to exercise any rights whatsoever in relation to such Aircraft, Airframe or Engine. Lessor hereby acknowledges, on behalf of itself, the other Lessor Parties and any Financing Parties, and for the benefit of any holder of an interest in an engine that may at any time be attached to the Airframe, that it will respect the interests of such holders of interests and will not seek to exercise any rights whatsoever in relation to such engine.

## **10. POSSESSION, SUBLEASING AND POOLING**

### **10.1 Possession**

Lessee will not, without the prior written consent of Lessor (not to be unreasonably withheld or delayed), sublease or otherwise part with possession of the Aircraft, any Engine or any Part, except that Lessee shall have the right to deliver possession of the Aircraft, the Engines or any Part without Lessor's consent:

- (a) with respect to the Aircraft, the Engines or any Part, to the relevant Manufacturer or Approved Maintenance Performer for testing, modification, maintenance, repair, overhaul or other work to the extent required or permitted by this Agreement;
- (b) on a wet lease which complies with Clause 10.2 (*Wet leasing*);
- (c) on a sublease which complies with Clause 10.3 (*Subleasing*); and
- (d) with respect to an Engine or Part as expressly permitted by this Agreement.

### **10.2 Wet leasing**

Lessee shall be permitted to wet lease or charter the Aircraft to a third party **provided that** under the terms of such wet lease or charter:

- (a) the Aircraft shall be operated solely by regular employees of Lessee possessing all current certificates and licenses that are required by applicable Regulations;
- (b) the Aircraft shall remain subject to the insurance coverage required under Clause 15 or such other insurance coverage as is approved by Lessor;
- (c) the Aircraft shall be maintained by Approved Maintenance Performers in accordance with the Maintenance Program and Lessee's normal maintenance practices;
- (d) the Aircraft shall not be subject to any change in its State of Registration;
- (e) such wet lease or charter is expressly subordinated to this Agreement and the rights of Lessor and the Financing Parties hereunder and to the Aircraft;
- (f) shall not cause Lessor or Owner to be in violation of any Regulation of the United Nations, the European Union or the United States of America;
- (g) the Aircraft will neither be based or operated in or to any Excluded Country; and
- (h) the duration of such wet lease or charter (including all extensions and renewals) does not extend beyond the then scheduled Expiry Date.

### 10.3 Subleasing

Lessee may (x) [REDACTED] (the “**Pre-Approved Sublessees**”), or (y) with the written consent of the Lessor (not to be unreasonably withheld or delayed), sublease the Aircraft to any Person not described in sub-clause (x) above. Any proposed sublease shall satisfy each of the following conditions:

- (a) either (i) the sublease shall state that it is subject and subordinate to this Agreement, and the sublessee shall execute an acknowledgment addressed to Lessor, Owner and any Financing Party Representative confirming the foregoing and acknowledging that the sublease will terminate on or before the Termination Date; or (ii) if Lessor notifies the Lessee that Lessor’s counsel in the relevant jurisdiction is of the opinion that a sublease assignment is necessary or advisable in such jurisdiction, Lessee shall grant Lessor, Owner or Financing Parties Representative (as applicable) a security assignment (in form and substance reasonably satisfactory to the Lessor, Owner or Financing Parties Representative, as applicable) assigning all of the Lessee’s rights, title and interest to, in and under such sublease to the Lessor, Owner or the Financing Parties Representative, as applicable;
- (b) the proposed sublessee must be a commercial air carrier or air operator holding a valid air operator’s certificate;
- (c) no Event of Default shall have occurred and be continuing at the time of commencement of such sublease or would result as a consequence of such sublease;
- (d) Lessee shall have given not less than [REDACTED] days’ prior written notice to Lessor of its intention to enter into any sublease agreement or arrangement (which notice shall include a description of the proposed subleasing arrangements, including the identity of the proposed sublessee, the term of the sublease and the proposed delivery date under the sublease) and Lessee shall have provided to Lessor: (i) at least [REDACTED] days prior to execution of the sublease agreement, a copy of the draft sublease agreement and the draft insurance certificate (it being acknowledged that in any event (x) Lessee may redact the amount of Rent and all other economic terms, (y) the conditions below are required to be satisfied prior to commencement of the relevant sublease, and (z) the evidence and/or documentation specified below shall be required to be provided to Lessor prior to commencement of the relevant sublease so as to give Lessor a reasonable period of time to review the same), and (ii) prior to the execution of such sublease agreement, know-your-customer information in respect of the proposed sublessee which is satisfactory to Lessor to the extent such information is requested by Lessor;
- (e) the sublease shall not permit the sublessee to take any action inconsistent with the requirements and obligations of Lessee under this Agreement and shall require the sublessee to operate the Aircraft on substantially similar or more favorable terms as those set out in this Agreement, including without limitation, Clause 9.3 (*Operation of the Aircraft*), Clause 11.4 (*Maintenance and Repair*), and if the sublessee is to maintain Insurances rather than Lessee, Clause 15 (*Insurance*);
- (f) the sublease shall not permit any further subleasing, wet leasing or charter of the Aircraft other than wet leasing on substantially similar terms or more favorable terms as those set out in Clause 10.2 (*Wet Leasing*);
- (g) the sublease shall not have a term which extends or is capable of extending beyond the then scheduled Expiry Date;

- (h) on or prior to the commencement of the sublease, Lessee shall provide to Lessor evidence satisfactory to Lessor confirming that the Aircraft will continue to be insured in accordance with this Agreement;
- (i) the sublessee under the sublease shall not at the time of commencement of the relevant sublease be insolvent or otherwise be subject to any events of the type set out in sub-clauses (h) through (k) of Clause 19 (*Events of Default*);
- (j) the sublessee under the sublease shall hold all certificates, licenses, permits and authorizations required for its use and operation of the Aircraft;
- (k) if the Aircraft is to be registered in a new State of Registration in connection with a sublease or the termination of a sublease, Lessee shall procure that all filings, recordings and registrations are made to the extent necessary (i) to deregister the Aircraft from the registry maintained by the then existing State of Registration, (ii) to register the Aircraft in the new State of Registration in the name of Owner as owner (and if that is not possible, in the name of Lessor, Lessee or the sublessee with the interests of Owner, Lessor and Lessee noted in the registry) in accordance with and to the extent permitted by applicable Law in the new State of Registration, and (iii) to register, record, protect and/or perfect the Security Interest of any Financing Parties Representative in the new State of Registration in accordance with and to the extent permitted by applicable Law in the new State of Registration. Lessor, Owner and the applicable Financing Party Representative shall receive a legal opinion from legal counsel in the new State of Registration confirming that the rights and interests of the Lessor, the Owner and the applicable Financing Party Representative in the Aircraft and this Agreement will be recognized under the laws of the new State of Registration. Lessor shall co-operate and procure that the Lessor Parties and Financing Parties co-operate with Lessee upon reasonable request by Lessee to assist Lessee and/or the sublessee, as the case may be, in promptly making any filings, recordings and registrations in the existing State of Registration and, if applicable, any new State of Registration which are necessary in connection with any subleasing or change in the State of Registration. Lessee shall pay all reasonable and documented out-of-pocket costs and expenses incurred by Lessor and any Financing Party in connection with such opinion, filings, recordings and registrations (and no sublease shall be permitted unless and until such filings, recordings and registrations have been made or arrangements have been made to effect the same following the delivery of the Aircraft under the sublease);
- (l) Lessee shall provide Lessor with a copy of the executed sublease and any amendments thereto within [REDACTED] Business Days after the execution of such sublease or such amendments; such copy may be in electronic form, it being agreed that Lessee may redact the amount of Rent and all other economic terms;
- (m) no subleasing of the Aircraft shall release Lessee from its obligations under this Agreement, and Lessee hereby confirms and agrees that it shall remain fully liable to perform all of its obligations under this Agreement notwithstanding any such subleasing and shall be primarily liable for any act or omission of any sublessee in connection with any such subleasing; provided Lessee's obligations hereunder shall be satisfied to the extent performed by a sublessee; and
- (n) each of Lessor and Lessee may request additions or deletions to the [REDACTED] set forth in sub-clause [REDACTED] of the [REDACTED] paragraph of Clause [REDACTED] from time to time and each party shall consider such proposed addition or deletion, as the case may be, in good faith.

#### 10.4 **Pooling**

##### (a) **Pooling of Engines**

Lessee shall not permit any Engine to become subject to pooling or interchange arrangements or permit any Engine to go out of its possession pursuant to any such arrangement unless:

- (i) no Event of Default has occurred and is continuing;
- (ii) the installation of the Engine on a Pool Aircraft (as defined below) is in accordance with the provisions of an engine pooling arrangement on terms that are customary in the airline industry with the Engine Manufacturer or with an Approved Maintenance Performer or with other responsible, solvent commercial air carriers which, among other things, contains the following requirements:
  - (A) the Engines will only be installed on an aircraft (a “**Pool Aircraft**”) with which it is compatible;
  - (B) the arrangements under which the Pool Aircraft are owned or operated ensure that title to any Engine installed on that aircraft remains vested in Owner following the installation of the Engine on that Pool Aircraft and shall not jeopardize Lessor’s, Owner’s or any Finance Party’s rights in that Engine;
  - (C) the arrangements under which the Pool Aircraft is insured would permit the recovery by Lessor or Owner of an amount at least equal to the full replacement value of that Engine upon the Total Loss of that Pool Aircraft (including the Engine) when the Engine is installed thereon;
  - (D) is entered into in the ordinary course of Lessee’s business with respect to its entire fleet of aircraft of the same type as the Aircraft; and
  - (E) the Engine is re-installed on the Airframe prior to the Expiry Date unless it is replaced by a Replacement Engine in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*).

##### (b) **Pooling of Parts**

Lessee shall not permit any Part to become subject to pooling or interchange arrangements, or allow any Part to go out of its possession pursuant to any such arrangement, except pursuant to an arrangement whereby:

- (i) a record of the location of any Part will be kept and made available to Lessor at any time on request;
- (ii) title to the Part which has gone out of Lessee’s possession pursuant to such arrangement shall remain with Owner until returned to Lessee or replaced with a Replacement Part in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*);
- (iii) is entered into in the ordinary course of Lessee’s business with respect to its entire fleet of aircraft of the same type as the Aircraft;
- (iv) is on terms that are customary in the airline industry; and

- (v) the Part is re-installed on the Aircraft prior to the Expiry Date unless it is replaced by a Replacement Part in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*).
- (c) Notwithstanding any such pooling arrangements, Lessee shall ensure that all provisions of this Agreement applicable to the Engine or Part being pooled are complied with, and Lessee shall continue to be responsible to Lessor for performance of all of Lessee's obligations.

## **11. TECHNICAL REPORTING, AIRCRAFT DOCUMENTS, INSPECTION, MAINTENANCE AND REPAIR**

### **11.1 Maintenance Status Report**

Throughout the Term, Lessee shall:

- (a) provide the Lessor within [REDACTED] days after the end of each calendar month, a technical report for the Aircraft in the form of Schedule 14 (*Form of Maintenance Status Report*) which must have all [REDACTED] and the details of [REDACTED]; and
- (b) give Lessor at least [REDACTED] ([REDACTED]) months written notice as to the workscope time and location of all Heavy Maintenance Checks.

### **11.2 Aircraft Documents**

Lessee shall:

- (a) keep accurate, complete and current records (which records shall form part of the Aircraft Documents and, notwithstanding that such records may be generated by Lessee, shall be deemed to be the property of Lessor and leased to Lessee hereunder) as listed in Schedule 7 (*Aircraft Documents at Redelivery*) or as may otherwise be required by the Aviation Authority, the Maintenance Program and all applicable Regulations and FAR 129;
- (b) maintain all technical Aircraft Documents in English (except for the cockpit and cabin rectification log book which may be maintained in Spanish) in Lessee's format (which may be microfiche, microfilm or digital and/or electronic format or any other form);
- (c) promptly furnish to Lessor all such information as Lessor may from time to time reasonably request regarding the Aircraft or any part thereof, its use, registration, location and condition; and
- (d) retain and store such Aircraft Documents, as required by the Aviation Authority, the Manufacturers, Maintenance Program and all applicable Regulations and other materials at either (i) Lessee's or any Permitted Sublessee's principal place of business, (ii) the facility of an Approved Maintenance Performer, or (iii) a storage location under Lessee's or any Permitted Sublessee's control, and not permit any other Person (other than an Approved Maintenance Performer or a Permitted Sublessee) to have possession of or control over the same without Lessor's prior written consent.

### **11.3 Inspection**

- (a) Upon Lessor's request, Lessee shall arrange that at any reasonable time during the Term (but no more than once per calendar year), Lessor or its authorized representatives (which may include representatives of the Financing Parties) may inspect the Aircraft and the Aircraft Documents, as provided herein, and Lessee shall provide all reasonable assistance and co-operation in connection with such inspection (including facilitating access to the

Aircraft and the Aircraft Documents). If the physical records are stored by any third party, the Lessee will provide a letter granting access to the records for Lessor or its authorized representatives. Any such inspections shall not disrupt Lessee's normal business operations and inspections of the Aircraft shall be limited to a walk-around inspection which may include going on board the Aircraft but shall not include the opening of any panels, bays or disassembly of any components. During any such inspection, Lessor may, at its own expense, make copies of the Aircraft Documents.

- (b) Each such inspecting Person shall be solely responsible for its cost of conducting an inspection (including all reasonable out-of-pocket expenses and insurance coverage) unless an inspection reveals that Lessee has failed to comply in any material respect with its obligations under this Agreement, in which case any follow up inspection required to verify that remedial work has been completed will be at Lessee's cost.
- (c) Lessor shall not have any duty or obligation to inspect the Aircraft and Lessor shall not incur any liability as a result of non-exercise of any inspection rights in this Clause 11.3.
- (d) Any inspection of the Aircraft (including any Aircraft Documents) shall be solely for Lessor's information and failure to notify Lessee of any discrepancies thereafter shall not imply that Lessee is in compliance with this Agreement, its maintenance provisions or applicable Law.

#### 11.4 **Maintenance and Repair**

Lessee shall, or shall procure that an Approved Maintenance Performer shall, maintain, overhaul and repair the Aircraft so that at all times during the Term:

- (a) the Aircraft is kept airworthy in all respects and in good operating condition and repair except while the Aircraft is undergoing maintenance, modification or repair required or permitted by this Agreement;
- (b) Lessee has a current and valid certificate of airworthiness (in the appropriate category for the nature of the operations of the Aircraft) for the Aircraft issued by the Aviation Authority except where the Aircraft is undergoing maintenance, modification or repair required or permitted by this Agreement, and Lessee will from time to time provide to Lessor a copy thereof within ten (10) days of Lessor's request;
- (c) the Aircraft is maintained in accordance with the Maintenance Program through an Approved Maintenance Performer and in at least the same manner and with at least the same care as is the case with respect to similar aircraft owned, leased or otherwise operated by Lessee or, if the Aircraft is being subleased, the Permitted Sublessee (taken as a whole), and as if Lessee were to retain and continue operating the Aircraft in its fleet after the Termination Date, including maintenance scheduling, modification status and technical condition, and all maintenance to the Airframe, any Engine or any Part required to maintain all warranties applicable to the Aircraft in full force and effect in accordance with their terms;
- (d) the Aircraft complies with all Regulations, Mandatory Orders and Airworthiness Directives having a compliance date during the Term regardless of upon whom such requirements are imposed;
- (e) Lessee and the Aircraft are each in compliance with any other applicable Regulation which relates to the maintenance, condition, use or operation of the Aircraft or requires any

modification or alteration to the Aircraft, any Engine or Part regardless of upon whom such requirements are imposed; and

- (f) any replacement of an Engine or Part in the course of maintenance is in accordance with Clause 12 (*Replacement and Interchange of Engines and Parts*).

#### 11.5 **Maintenance Program**

- (a) Lessee shall at all times ensure that the Aircraft is subject to a maintenance program which is approved by the Aviation Authority and based on the Manufacturer's Maintenance Planning Document (the "**Maintenance Program**").
- (b) Upon Lessor's request, Lessee shall furnish to Lessor a copy of the then most current version of the preamble and matrix from the Maintenance Program.

#### 11.6 **Engine Health Monitoring; Electronic Information**

In the event Lessee elects to participate in the Engine Manufacturer's Health Monitoring Program, Lessee will not object if Lessor seeks access from the Engine Manufacturer to its reports or data relating to the Engines, provided there is no cost to Lessee. In addition, if Lessee subscribes to the Airframe Manufacturer's on-line electronic information database and maintains on that system an updated record of the aircraft service bulletins and other configuration embodiment status and to the extent permissible as a result of future developments by the Airframe Manufacturer, Airworthiness Directives, structural repairs and maintenance planning data compliance status, Lessee will not object if Lessor seeks access to such on-line system with respect to the Aircraft, provided there is no additional cost to Lessee.

### 12. **REPLACEMENT AND INTERCHANGE OF ENGINES AND PARTS**

#### 12.1 **Replacement of Engines and Parts**

- (a) Lessee shall have the [REDACTED], (i) subject to [REDACTED], to permanently replace any Engine with a Replacement Engine, or (ii) upon prior written notice to the Lessor (but without the need to seek Lessor's consent), replace any Part with a Replacement Part, in each case, by complying with the terms of Clause 12.6 (*Permanent Replacement of Engines and Parts*). Notwithstanding the foregoing, [REDACTED] shall not be required to permanently replace an Engine if such replacement is in connection with a Total Loss of such Engine or failure of such Engine to meet the Redelivery Conditions so long as replacement qualifies as a Replacement Engine hereunder.
- (b) Lessee shall promptly replace or procure the replacement of any Part which has become time, cycle or calendar-expired, lost, stolen, seized, confiscated, destroyed, damaged beyond economic repair, unserviceable or permanently rendered unfit for use, in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*). All of the parts in the gas path of each Engine shall be parts that have been produced by or on behalf of an OEM, or that have been approved for use by the OEM and manufactured by another party evidenced by the fact that such part has been listed in the OEM's illustrated parts catalog. Repaired parts in the gas path of the engine shall be OEM approved repairs, except for any DER repair that was previously approved by Lessor.

- (c) Lessee shall be entitled to install and permit the installation of engines and parts on the Aircraft other than the Engines and Parts; **provided that:**
  - (i) a permanent replacement of an Engine or Part shall be in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*);
  - (ii) a temporary replacement of an Engine shall be in accordance with Clause 12.3 (*Installation of other engines*); and
  - (iii) a temporary replacement of a Part shall be in accordance with Clause 12.4 (*Installation of other parts*).

## 12.2 **Removed Engines and Parts**

Lessee shall be entitled to remove and permit the removal of an Engine or Part from the Aircraft **provided that:**

- (a) such Removed Engine or Removed Part:
  - (i) is (x) installed on another aircraft in accordance with Clause 12.5 (*Installation of Engines and Parts on Other Aircraft*), (y) properly and safely stored, or (z) in the possession of an Approved Maintenance Performer for repair, maintenance, modification and/or refurbishment in accordance with this Agreement;
  - (ii) is kept free of Security Interests (other than Permitted Liens);
  - (iii) continues to be covered by the Insurances; and
  - (iv) remains the property of the Owner unless and until there has been a permanent replacement in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*) and unless and until title to that Replacement Engine or Replacement Part, as applicable, has passed to the Owner pursuant to and in accordance with this Agreement; and
- (b) Lessee complies with Clause 9.8 (*Recognition of Rights*) with respect to any Removed Engine and Removed Part.

Lessee shall ensure that any Removed Engine or Removed Part is reinstalled on the Aircraft or permanently replaced by a Replacement Engine or Replacement Part in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*) by no later than the Termination Date.

## 12.3 **Installation of other engines**

Lessee may only install and permit the installation of an engine on the Airframe that is not a permanent replacement in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*) if:

- (a) such engine is suitable for operation on the Airframe;
- (b) such engine is owned by or leased or conditionally sold to Lessee or a Permitted Sublessee or in Lessee's or a Permitted Sublessee's possession pursuant to a pooling arrangement;
- (c) that such installation does not create, or permit to exist, any Security Interests on the Aircraft except Permitted Liens and those that apply only to such engine; and
- (d) the Insurances for the Aircraft are not adversely affected.

No later than the Termination Date, Lessee shall remove any engine that is not an Engine and replace it with the relevant Removed Engine or a Replacement Engine in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*).

**12.4 Installation of other parts**

Lessee may install and permit the installation of any part on the Aircraft that is not a permanent replacement pursuant to Clause 12.6 (*Permanent Replacement of Engines and Parts*) if:

- (a) before the Termination Date, Lessee removes that part and replaces it with the relevant Removed Part or a part that is a permanent replacement pursuant to Clause 12.6 (*Permanent Replacement of Engines and Parts*); and
- (b) the Insurances for the Aircraft are not adversely affected.

**12.5 Installation of Engines and Parts on Other Aircraft**

- (a) Lessee shall only be entitled to install or permit the installation of a Removed Engine or Removed Part on another aircraft (the “**Other Aircraft**”) if such aircraft is operated by Lessee or a Permitted Sublessee or a Person that is a party to a pooling arrangement in accordance with Clause 10.4 and if:
  - (i) subject to Clause 12.6 (*Permanent Replacement of Engines and Parts*) below, Owner remains the owner of the Removed Engine or Removed Part unless and until it is permanently replaced pursuant to Clause 12.6 (*Permanent Replacement of Engines and Parts*) and the Removed Engine or Removed Part does not thereby become subject to a Security Interest (other than a Permitted Lien) and remains subject to this Agreement; and
  - (ii) neither the provisions of applicable Law nor the terms of any lease, pooling arrangement or other agreement or Security Interest to which the Other Aircraft is subject, (x) prohibit such installation, or (y) require that the Removed Engine or Removed Part become the property of a Person other than Owner and/or subject to any Security Interest, or (z) will have the effect at any time of divesting or impairing the title and interests of Owner as owner and Lessor as lessor of the Removed Engine or Removed Part (or the rights of the Financing Parties under any Security Interest or assignment in respect of the Removed Engine or Removed Part).
- (b) Lessee shall ensure that any Removed Engine or Removed Part is reinstalled on the Aircraft or permanently replaced by a Replacement Engine or Replacement Part in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*) by no later than the Termination Date.

**12.6 Permanent Replacement of Engines and Parts**

- (a) If an Engine is to be permanently replaced in accordance with Clause 12.1(a), Lessee shall procure that good and marketable title to a Replacement Engine free and clear of all Security Interests other than Permitted Liens is conveyed to Owner and that such Replacement Engine is subject to this Agreement whereupon the Replacement Engine shall be an Engine hereunder and the replaced Engine shall cease to be an Engine and title to the replaced Engine shall vest in the Lessee. The parties shall supply to each other all such title documents as the other may reasonably require to evidence and perfect such transfer of title in accordance with all applicable Laws (including the provision if requested by the

other party of bills of sale, any amendments or supplements to this Agreement and legal opinions), and where the Cape Town Convention applies, the parties shall procure the prompt registration of the transfers of title at the International Registry.

- (b) Upon installation of a Replacement Part on the Airframe or any Engine, that Replacement Part shall without further act be deemed transferred to and owned by Owner and subject to this Agreement, and the replaced Part shall be deemed transferred to and owned by the Lessee and cease to be a Part hereunder.

## 12.7 Equipment Changes

- (a) Lessee may from time to time make or permit Equipment Changes as it may consider desirable in the proper conduct of its business; provided that each Equipment Change (i) is approved by the Aviation Authority, and (ii) (w) is required by the Aviation Authority or the FAA, or (x) is a change to or modification of the cabin configuration, the inflight entertainment system or the Wi-Fi system or connection, or (y) has been approved by Lessor in writing, or (z) does not and will not:
  - (i) result in (A) a breach of Lessee's obligations under this Agreement, (B) any expense payable by Lessor or Owner or (C) any change in the category or status of the Aircraft for purposes of any laws of the State of Registration or of the Aviation Authority;
  - (ii) materially diminish or impair the value, utility or airworthiness of the Aircraft; or
  - (iii) have a cost in excess of US\$[REDACTED] in [REDACTED] Dollars, with such amount to be escalated by [REDACTED]% per annum on each anniversary of the Original Delivery Date after the Lease Commencement Date.
- (b) Title to any equipment installed on the Aircraft pursuant to an Equipment Change after the Original Delivery Date that is owned by Lessee will on installation, without further act, vest in Owner and shall be a Part subject to this Agreement free and clear of all Security Interests (other than Permitted Liens). Lessee will at its own expense take all such steps and execute, and procure the execution of, all such instruments as Lessor may reasonably require and which are necessary to ensure that title so passes to Owner according to all applicable Laws.
- (c) Lessee may remove and retain any Equipment Change to the extent it is severable from the Aircraft and (i) such Equipment Change is not required by a Mandatory Order or an Airworthiness Directive, (ii) such severance will not adversely affect the value, utility, condition or airworthiness of the Aircraft in comparison to its value, utility, condition or airworthiness prior to the installation of such Equipment Change, and (iii) such Equipment Change did not constitute directly or by function a replacement of a Part or Parts installed on the Aircraft on the Original Delivery Date unless the Part or Parts so replaced are reinstalled on the Aircraft. Title to all parts, components, equipment and furnishings comprising any such removed Equipment Change will, on such removal, vest in Lessee free from any claim of Owner or Security Interest of the Financing Parties and all such parts, components, equipment and furnishings shall cease to be Parts subject to this Agreement. For the avoidance of doubt, Lessee shall be entitled to remove any seats or in-flight entertainment equipment installed by Lessee provided that (i) it is severable from the Aircraft and (ii) Lessee reinstalls the seats and/or in-flight entertainment equipment (as the case may be) that was [REDACTED] on the [REDACTED].

## 12.8 Lessee Title

Following (i) transfer of title of a Replacement Engine or Replacement Part in accordance with Clause 12.6(a) and (b) respectively, or (ii) removal of an Equipment Change in accordance with Clause 12.7(c), title to the replaced Engine or Part or removed Equipment Change will, pass to Lessee on an "AS IS, WHERE IS" basis, without recourse, representation or warranty, except that Lessor shall represent and warrant to Lessee that Owner has conveyed to Lessee such title to such replaced Engine or Part or Equipment Change as was conveyed to Owner free and clear of all Lessor Liens, and Lessor will (at Lessee's request and cost) provide such documents as Lessee may reasonably require to evidence and perfect such transfer of title in accordance with all applicable Laws (including the provision, if required, to Lessee of bills of sale), and where the Cape Town Convention applies, cooperate with the prompt registration of the transfers of title at the International Registry.

## 13. MANUFACTURER'S WARRANTIES

- (a) During the Term, Lessor hereby makes available (and agrees to cause the Owner to make available) to Lessee, and authorizes Lessee to exercise, at Lessee's cost, such rights as Lessor or Owner may have under any warranty with respect to the Aircraft, any Engine or any Part made by any manufacturer, vendor, sub-contractor or supplier (including compensation for loss of use of the Aircraft during the Term), to the extent that the same have not otherwise been made available to Lessee pursuant to any other agreement; provided, that if an Event of Default has occurred and is continuing, any cash payments in respect of any warranty claim shall be subject to Clause 7.8 (*Retention of Certain Payments*).
- (b) Lessee shall give Lessor prompt written notice of any warranty claim in respect of the Aircraft which is expected to exceed the Damage Notification Threshold.
- (c) Lessee shall take all steps and execute all documents as are necessary at the end of the Term to ensure that the benefit of any warranties to which this Clause 13 (*Manufacturer's Warranties*) applies and which have not expired is vested in Lessor or Owner including all claims thereunder (whether or not perfected and not including any claims relating to Lessee's loss of use and operation of the Aircraft); provided, that in the event Lessee is required to pursue any such claims, Lessee will agree to do so only upon receipt of satisfactory indemnification for costs and expenses from Lessor.

## 14. INDEMNITIES

### 14.1 General

Lessee agrees to assume liability for (as between itself and the Indemnitees), and to defend and indemnify and hold harmless each of the Indemnitees against any and all Losses (without duplication):

- (a) which may at any time be suffered or incurred by any Indemnatee directly or indirectly as a result of, arising from or connected with the manufacture, ownership, possession, delivery, importation, transportation, pooling, interchange, leasing, subleasing, wet leasing, chartering, storage, registration, insurance, replacement, maintenance, modification, refurbishment, condition, service, repair, overhaul, control, management, use, operation, exportation or redelivery of the Aircraft, any Engine or Part (either in the air or on the ground), whether or not such Losses may be attributable to any defect in the Aircraft, any Engine or any Part or to its design, testing or use or otherwise, and regardless

of whether it arises out of or is attributable to any act or omission, negligent or otherwise, of any Indemnatee;

- (b) which arise as a result of the prevention or attempt to prevent the arrest, confiscation, seizure, taking in execution, impounding, forfeiture of the Aircraft or in securing release of the Aircraft, unless the foregoing occurs as a result of a Lessor Lien; or
- (c) which may at any time be suffered or incurred as a consequence of any design, testing, use of any article or material in the Aircraft, any Engine or any Part, including any defect therein (regardless of whether it is discoverable) or its operation or use constituting an infringement of patent, copyright, trademark, design or other proprietary right,

but excluding any Loss in relation to a particular Indemnatee to the extent that such Loss:

- (i) is attributable to the Gross Negligence or willful misconduct of any Indemnatee; or
- (ii) is attributable to a Lessor Tax or a Lessor Lien; or
- (iii) is, or is in respect of any claim for, a Tax, which shall instead be subject to Clause 20 (*Taxation*); or
- (iv) is attributable to acts or events which occur before the Original Delivery Date or after the Aircraft has been redelivered to Lessor in compliance with Clause 18 (*Redelivery*) and is no longer subject to this Agreement, unless any such act or event is attributable to an act, omission, event or circumstance which occurred during the Term; or
- (v) is attributable to the breach by any Indemnatee of this Agreement or any other Operative Document or any misrepresentation made herein but excluding any such breach or misrepresentation to the extent it is attributable to or arises out of a breach or misrepresentation by Lessee under any Operative Document; or
- (vi) constitutes the ordinary and usual operating and overhead expenses of an Indemnatee; or
- (vii) arises in respect of any voluntary sale, assignment, conveyance, transfer or other disposition by any Indemnatee of (x) the Aircraft, an Engine or any interest therein that is not a replacement thereof under this Agreement or (y) any interest in this Agreement or any other Operative Document;
- (viii) is in respect of any claim for currency indemnification, which shall instead be subject to Clause 7.4 (*Currency Indemnity*);
- (ix) represents or results from any decline in the market value of the Aircraft;
- (x) represents or results from a failure of such Indemnatee to realize any anticipated profit;
- (xi) is a Loss for which Lessor or Owner Participant or any other Indemnatee has expressly agreed to be responsible under any other provision of this Agreement or any other Operative Document;
- (xii) represents or arises out of a claim by the Trust Company or any Financing Party against any Lessor Party or its Affiliates; or

(xiii) is indemnified against elsewhere in this Agreement or any other Operative Document.

#### 14.2 Notification and Contest

Each Indemnatee intending to claim any amounts from Lessee pursuant to Clause 14.1 (*General*), shall promptly notify Lessee in writing of any matter of which such Indemnatee, has received written notice and for which Lessee is obligated to indemnify under this Clause 14 (*Indemnities*) (each a “**Claim**”); **provided, however**, the delay or failure of such Indemnatee to give notice to Lessee in accordance with this Clause 14.2 will not discharge or release Lessee from any of its indemnity obligations under Clause 14.1 (*General*) except, and only to the extent such delay or failure prejudices Lessee’s right to defend any such Claim or results in an increase in the amount which Lessee is required to indemnify (in such case to the extent of such increase). Lessor (and/or any other Indemnatee seeking indemnification, as the case may be) and the Lessee shall, if and for so long as no Event of Default is continuing, then consult with one another in good faith for a period not exceeding [REDACTED] Business Days in order to determine what action (if any) may reasonably be taken to avoid or mitigate such Claim. Following such consultation, Lessee shall have the right to take all reasonable action (on behalf, and, if necessary, in the name, of the Lessor and/or such other Indemnatee) in order to resist, defend or settle (provided such settlement is accompanied by payment) any claims by third parties giving rise to such Claim, providing always that the following conditions are met or (as the case may be) complied with:

- (a) Lessor (and/or any other such Indemnatee) shall have received a written acknowledgment from Lessee satisfactory to it (acting reasonably) of Lessee’s responsibility for all expenses, costs, or other Losses incurred by any Indemnatee arising out of or related to the Claim and such contest and if Lessor or relevant Indemnatee is required by law to pay the Claim, Lessee shall comply with its obligation to indemnify Lessor or such Indemnatee in respect thereof;
- (b) no Event of Default has occurred which is continuing;
- (c) such contest will not result in any danger of the sale, forfeiture or loss of, or the creation of any Security Interest (other than any Permitted Lien) on, the Aircraft; and
- (d) such contest does not involve any risk of criminal liability for Lessor or any other Indemnatee.

Where Lessee or its insurers undertake the defense of an Indemnatee with respect to a Claim, no additional legal fees or expenses of such Indemnatee in connection with such defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the request of Lessee or such insurers or were incurred prior to Lessee’s assumption of the defense of such Claim; provided that, if in the written opinion of counsel to such Indemnatee an actual or potential material conflict of interest exists such that it is advisable for such Indemnatee to be represented by separate counsel, the reasonable fees and expenses of such separate counsel shall be borne by Lessee. Subject to the requirements of any policy of insurance, any Indemnatee may participate at its own expense in any judicial proceeding controlled by Lessee or an insurer pursuant to the preceding provisions, and such participation shall not constitute a waiver of the indemnification provided in this Clause 14 (*Indemnities*).

#### 14.3 Refunds

Any sums paid by Lessee to Lessor and/or any other Indemnatee in respect of any Claim pursuant to Clauses 14.1 (*General*) and 14.2 (*Notification and Contest*) shall be paid subject to the condition

that, in the event that Lessor or such Indemnatee (whichever received the payment) is subsequently reimbursed in respect of that Claim by any other Person, Lessor or such Indemnatee (whichever received the payment) shall promptly pay to the Lessee an amount equal to the sum received by Lessor (not to exceed the sum paid to it by Lessee), including any interest on such amount to the extent attributable thereto and actually received by Lessor or such Indemnatee, less any Tax payable by Lessor or such Indemnatee in respect of such reimbursement and less any costs and expenses incurred by Lessor or such Indemnatee in obtaining such reimbursement (to the extent that Lessor or such Indemnatee has not been reimbursed for such costs and expenses by Lessee).

**14.4 Subrogation**

Upon the payment in full of any indemnity pursuant to this Clause 14 (*Indemnities*) by Lessee, Lessee will be subrogated to any right of the relevant Indemnatee in respect of the matter against which such indemnity has been made.

**14.5 Duration**

The indemnities and obligations contained in this Agreement will continue in full force after the expiration, cancellation or other termination of this Agreement notwithstanding any breach or repudiation of this Agreement by Lessor or Lessee or the termination of the leasing of the Aircraft under this Agreement.

**15. INSURANCE**

**15.1 Insurances**

- (a) Lessee shall, at its own expense, obtain and maintain the Insurances in full force during the Term and thereafter, in each case, as required by this Agreement which shall have such deductibles and be subject to such exclusions as may (in each case) be permitted by this Agreement or as otherwise approved by Lessor (acting reasonably) and with such insurers, brokers and underwriters complying with Clause 15.1(b).
- (b) The Insurances shall be effected either:
  - (i) on a direct basis with insurers of recognized standing who normally participate in aviation insurances in the leading international insurance markets and led by reputable underwriter(s) and through brokers of recognized standing; or
  - (ii) with a single insurer or group of insurers who do not meet the requirements of sub-clause (i) above but who effect substantial reinsurance with reinsurers who normally participate in aviation insurances in the leading international insurance markets and through brokers, each of recognized standing.

**15.2 Requirements**

Requirements as to the Insurances are as specified in this Clause 15 (*Insurance*) and in Schedule 5 (*Insurance Requirements*).

**15.3 Insurance Covenants**

Lessee shall:

- (a) comply with the terms and conditions of each policy of the Insurances and any applicable Regulations and not do, consent or agree to any act or omission which:

- (i) invalidates the Insurances; or
- (ii) renders void or voidable the whole or any part of any of the Insurances; or
- (iii) brings any particular insured liability within the scope of an exclusion or exception to the Insurances;

provided that the foregoing shall not prohibit Lessee from operating the Aircraft temporarily in any manner or location in the event of an emergency;

- (b) not, without the prior written consent of Lessor (acting reasonably) take out any insurance or procure any reinsurance in respect of the Aircraft other than those required to be maintained by Lessee under this Agreement unless relating solely to liability insurance, hull total loss, business interruption, profit commission and deductible risk;
- (c) on request, provide to Lessor such documents and information as may be reasonably requested by Lessor (i) in respect of claims made under the insurances or (ii) evidencing payment of Insurance premiums (including daily status updates of payment or non-payment of premiums after issuance of any notice of cancellation for failure to pay premiums until such time as the policy is reinstated);
- (d) if at any time insurance clause AVN 2000A or its successor is endorsed on the policies of Insurance, ensure that the insurance write back clauses AVN 2001A and AVN 2002A as applicable (or any equivalent clauses) are endorsed on the policies of Insurance required to be maintained under this Agreement and give and comply with all representations, warranties and undertakings required by the insurers or reinsurers in connection with such clauses; and
- (e) provide any other information and assistance in respect of the Insurances which Lessor may from time to time reasonably request.

#### 15.4 **Renewal of Insurances**

Lessee shall commence renewal procedures at least [REDACTED] days prior to the expiry of any Insurances, and provide to Lessor upon written request:

- (a) confirmation of completion of renewal prior to each insurance expiry date; and
- (b) certificates of insurance (and where appropriate certificates of reinsurance), and a brokers' and any reinsurance brokers' letter of undertaking in a form acceptable to Lessor in English, detailing the coverage and confirming the insurers' (and any reinsurers') agreement to the specified insurance requirements of this Agreement within [REDACTED] days after each renewal date.

#### 15.5 **Failure to Insure**

If Lessee fails to maintain the Insurances in compliance with this Agreement, Lessor will be entitled but not bound (without prejudice to any other rights of Lessor under this Agreement):

- (a) to pay the premiums due or to effect and maintain insurances satisfactory to it or otherwise remedy Lessee's failure in such manner (including, without limitation to effect and maintain an owner's interest policy) as Lessor considers appropriate, and any sums so expended by Lessor will become immediately due and payable by Lessee to Lessor together with interest thereon at the Default Rate, from the date of expenditure by Lessor up to the date of reimbursement by Lessee; and

- (b) at any time while such failure is continuing to require the Aircraft to remain grounded until the failure is remedied to its satisfaction.

**15.6 Continuing Insurance for Indemnity**

Except in case of a Total Loss, for a period ending on the earlier of the two year anniversary of the Termination Date and the next due C Check after the Termination Date, Lessee shall effect and maintain for the benefit of the Indemnitees ongoing product liability and completed operations insurance in respect of the risks and liabilities covered by the insurance required by Clause 1(d) of Schedule 5 (*Insurance Requirements*). Additionally, if required to provide such insurance pursuant to a transfer in accordance with Clause 21.2 (*Lessor, Owner Participant and Owner Transfer*) that provides for any transferring Indemnatee to be named as an additional insured, Lessee shall effect and maintain for the benefit of such Indemnitees ongoing product liability and completed operations insurance in respect of the risks and liabilities covered by the insurance required by Clause 1(d) of Schedule 5 (*Insurance Requirements*) for a period ending on the earlier of the two year anniversary of such transfer and the next due C Check after such transfer.

**15.7 Application of Insurance Proceeds**

As between Lessor and Lessee all insurance proceeds shall be paid in accordance with Schedule 5 (*Insurance Requirements*).

**15.8 AVN 67B**

Lessor confirms that notwithstanding the provisions of this Clause 15 (*Insurance*) and Schedule 5 (*Insurance Requirements*), Lessee shall be entitled to maintain insurance in respect of the Aircraft for the purposes of this Agreement which reflects the then current Lloyds' endorsement AVN 67B or any successor Lloyds' endorsement. In the event that any provision of the then current AVN 67B or any successor Lloyds' endorsement conflicts or is otherwise inconsistent with the requirements of this Clause 15 (*Insurance*) and Schedule 5 (*Insurance Requirements*), then (so long as it shall be general industry practice to insure aircraft financed or leased on the basis of any such endorsement) such conflicting or inconsistent provision of AVN 67B or any successor Lloyds' endorsement (as at the date hereof) shall prevail and such endorsement shall be deemed to satisfy the requirements of this Agreement.

**16. LOSS, DAMAGE AND REQUISITION**

**16.1 Total Loss**

- (a) If a Total Loss of the Aircraft or Airframe occurs during the Term, Lessee shall pay the Agreed Value to Lessor on or prior to the earlier of:
  - (i) [REDACTED] days after the Total Loss Date in respect of that Total Loss (subject to Lessor using its commercially reasonable efforts to agree and execute a release agreement in form and substance satisfactory to the relevant insurers and reinsurers); and
  - (ii) [REDACTED] Business Days after the date of receipt of insurance proceeds in respect of that Total Loss.
- (b) Subject to the rights of any insurers and reinsurers or other third parties, upon irrevocable payment in full to Lessor of the Agreed Value and all other amounts which may be or become payable to Lessor under this Agreement, Lessor shall cause Owner to transfer to Lessee all of Owner's right, title and interest in and to the Aircraft including any Engines

and Parts not installed when the Total Loss occurred, on an "AS IS, WHERE IS" basis and without recourse, representation or warranty (except a representation and warranty that Owner is transferring such title to the Aircraft as the transferee from the Airframe Manufacturer received from the Airframe Manufacturer free from all Lessor Liens), and Lessor shall provide (or cause to be provided) such documents as Lessee may reasonably require to evidence and perfect such transfer of title in accordance with all applicable Laws (including the provision, if required, to Lessee of bills of sale and removal of any International Interests created by this Agreement from the International Registry).

- (c) Upon a Total Loss of any Engine not involving a Total Loss of the Airframe, Lessee shall give Lessor prompt written notice thereof, and Lessee shall replace the Engine that suffered the Total Loss by procuring that title to a Replacement Engine is conveyed to Owner in accordance with Clause 12.6 (*Permanent Replacement of Engines and Parts*) within [REDACTED] days of the Total Loss Date in respect of such Total Loss.

## 16.2 Requisition

- (a) During any requisition for use or hire of the Aircraft, any Engine or any Part which does not constitute a Total Loss:
  - (i) the Rent and other amounts payable under this Agreement will not be suspended or abated either in whole or in part, and Lessee will not be released from any of its other obligations under the Agreement (other than operational obligations with which Lessee is unable to comply solely by virtue of the requisition);
  - (ii) so long as no Event of Default has occurred and is continuing, Lessee shall be entitled to any rent or fees paid by the requisitioning authority in respect of the Term;
  - (iii) Lessee shall, as soon as practicable after the end of any such requisition, cause the Aircraft to be put into the condition required by this Agreement; and
  - (iv) Lessor shall be entitled to all compensation payable by the requisitioning authority in respect of any change in the structure, state or condition of the Aircraft arising during the period of requisition, and Lessor shall apply such compensation in reimbursing Lessee for the cost of complying with its obligations under this Agreement in respect of any such change, provided that, if any Event of Default has occurred and is continuing, Lessor may apply the compensation in or towards settlement of any amounts owing by Lessee under this Agreement.

LESSEE CONFIRMS THAT IT IS FULLY AWARE OF THE PROVISIONS OF THIS CLAUSE 17 (*DISCLAIMERS*) AND ACKNOWLEDGES THAT RENT AND OTHER AMOUNTS PAYABLE UNDER THIS AGREEMENT HAVE BEEN CALCULATED TAKING ITS PROVISIONS INTO ACCOUNT.

**18. REDELIVERY**

**18.1 Redelivery**

- (a) On the Required Redelivery Date, Lessee shall (unless a Total Loss has occurred) redeliver the Aircraft and Aircraft Documents (which shall include each of the documents referred to in Schedule 7 (*Aircraft Documents at Redelivery*)) to Lessor at Lessee's expense at the Redelivery Location in accordance with the procedures, and in compliance with the conditions set forth, in Schedule 8 (*Redelivery Conditions*).
- (b) Lessee shall, at the request of Lessor (acting reasonably), promptly assist Lessor in taking all steps necessary to remove this Agreement from the registry of the Aviation Authority and effecting deregistration of the Aircraft and its export from the country where the Aircraft is situated and taking any other steps necessary to enable the Aircraft to be redelivered to Lessor in accordance with this Agreement.
- (c) On the Required Redelivery Date, Lessee shall pay to Lessor the Redelivery Maintenance Payment due and owing pursuant to and calculated in accordance with Part B (*Redelivery Maintenance Payment*) of the Financial Terms Annex. For the avoidance of doubt, no Redelivery Maintenance Payment is payable in the event of an Aircraft or Airframe Total Loss.
- (d) Notwithstanding any other provision hereof to the contrary, Lessee shall not be obligated to pay Rent in respect of any period after the date on which the Aircraft complies with the

conditions set forth in Schedule 8 (*Redelivery Conditions*) to be complied with at or immediately prior to redelivery and Lessee has tendered the Aircraft for redelivery to Lessor at the Redelivery Location in accordance with the terms of this Agreement.

## 18.2 Non-Compliance

- (a) If on the Required Redelivery Date, the condition of the Aircraft does not comply with this Agreement (regardless of the circumstance), then:
  - (i) Lessee shall rectify the non-compliance and/or compensate Lessor as contemplated by Schedule 8 (*Redelivery Conditions*) and to the extent that the non-compliance (including failure to pay any sum in lieu of compliance as permitted by the terms of Schedule 8 (*Redelivery Conditions*)) extends beyond the Expiry Date, the Term will be automatically extended solely for the purpose of enabling such non-compliance to be rectified;
  - (ii) Lessee shall not use the Aircraft in flight operations except such operations directly related to the redelivery of the Aircraft to Lessor;
  - (iii) all Lessee's obligations and covenants under this Agreement will remain in full force until Lessee so redelivers the Aircraft; and

- (b) If on the Required Redelivery Date, the condition of the Aircraft does not comply with this Agreement (regardless of the circumstance), then Lessor may elect (either on first tender of the Aircraft for redelivery or at any time during a period of extension pursuant to Clause 18.2(a)(i)) to accept redelivery of the Aircraft notwithstanding non-compliance with Clause 18.1 (*Redelivery*) or Schedule 8 (*Redelivery Conditions*), in which case Lessee shall pay Lessor its reasonable and documented costs of putting the Aircraft into the condition required by this Agreement. Any discrepancies between the condition of the Aircraft and Aircraft Documents and the Redelivery Conditions resolved by payment of compensation pursuant to the third paragraph of Schedule 8 (*Redelivery Conditions*) or Clause I of Schedule 8 (*Redelivery Conditions*) shall not constitute non-compliance for purposes of this clause.

## 18.3 Export Documents

After redelivery of the Aircraft, and if requested by Lessor and subject to Lessor's cooperation therewith, Lessee shall provide to Lessor, at Lessee's cost and expense (except as set forth in the following sub-clause (y)), all documents necessary to export the Aircraft from the State of Registration (including, without limitation, a valid and subsisting (x) export license, and (y) if provided by the State of Registration, an export certificate of airworthiness for the Aircraft, at Lessor's cost and expense) required in relation to the deregistration of the Aircraft with the Aviation Authority or the re-registration of the Aircraft with another aviation authority.

## 18.4 Acceptance and Acknowledgement

When the Aircraft complies with the conditions set forth in Schedule 8 (*Redelivery Conditions*) to be complied with before redelivery and Lessee tenders the Aircraft to Lessor at the redelivery location, Lessor shall accept redelivery and Lessor shall deliver to Lessee the Redelivery

Acceptance Certificate confirming that Lessee has redelivered the Aircraft to Lessor in accordance with this Agreement; provided that Lessor's failure to execute such Redelivery Acceptance Certificate shall not affect the cessation of Lessee's Rent payment obligations in accordance with Clause 18.1(d).

**18.5 Cooperation with Remarketing**

During the [REDACTED] months immediately preceding the Expiry Date, Lessee shall co-operate in all reasonable respects with the efforts of Lessor or Owner to lease or sell the Aircraft, including, without limitation, permitting potential lessees or purchasers to inspect the Aircraft and the records relating thereto **provided** that the same shall not interfere with Lessee's use or maintenance of the Aircraft or require Lessee to incur out-of-pocket expenses for which it is not reimbursed and Lessor shall use commercially reasonable efforts to minimize the number and frequency of such inspections.

Lessee and Lessor hereby agree that Lessor shall not be required to provide notice to Lessee as set forth in Article IX(6) of the Protocol in connection with a proposal to procure the de-registration and export of the Aircraft without a court order after termination of the leasing of the Aircraft under this Agreement. Lessee expressly agrees to permit Lessor to obtain from any applicable court, pending final determination of any claim resulting from an Event of Default hereunder, speedy relief in the form of any of the orders specified in Article 13 of the Cape Town Convention and Article X of the Protocol as Lessor shall determine, subject to any procedural requirements proscribed by applicable Laws. Lessor and Lessee hereby expressly agree that for purposes of this Agreement, other Operative Documents, and paragraph 2 of Alternative B of Article XI of the Protocol, the insolvency administrator or Lessee, as applicable, shall give Lessor the notice required by said paragraph 2 within [REDACTED] days following a request by Lessor. Lessee hereby consents to the exercise by Lessor of the remedies granted herein and in the Cape Town Convention (in accordance with the terms of the Cape Town Convention). Following termination of the leasing of the Aircraft under this Agreement, Lessee agrees, upon demand by Lessor, to immediately consent to a discharge of any registration made with the International Registry in Lessee's favor.

- (b) **Sale or Re-Lease of Aircraft:** If an Event of Default occurs and the leasing of the Aircraft hereunder is terminated, Lessor or Owner may sell or re-lease or otherwise deal with the Aircraft at such time and in such manner as Lessor or Owner considers appropriate in its sole discretion, free and clear of any interest of Lessee, as if this Agreement had never been entered into.
- (c) **Deregistration/Removal of Lease from Registry:** If an Event of Default occurs and for so long as it continues and the leasing of the Aircraft hereunder has been terminated, Lessor may, to the extent permitted by applicable law and regulations, and Lessee shall at the request of Lessor promptly assist Lessor to, take all steps necessary to remove this Agreement from the registry of the Aviation Authority and to effect deregistration of the Aircraft and its export from the country where the Aircraft is for the time being situated and any other steps necessary to enable the Aircraft to be redelivered to and re-leased or sold by Lessor or Owner in accordance with this Agreement.
- (d) **Payments:** If an Event of Default occurs, Lessor may require that Lessee pay to Lessor, and Lessee shall be liable for and immediately pay to Lessor, and Lessor may proceed by appropriate court action or actions to recover, any or all of the following amounts:

[REDACTED]

- (e) **Interest:** Require Lessee to pay, and Lessee shall pay to Lessor, interest on all unpaid amounts at the Default Rate, from the due date until the date of payment in full.
- (f) **Security Deposit:** Apply (and/or draw under the Letter of Credit and apply) an amount equal to all or part of the Security Deposit to any amounts owing or to be owing to Lessor under this Agreement.
- (g) **No Exclusive Remedy:** No remedy referred to in this Clause 19.2 (*Lessor's Rights*) is intended to be exclusive, but, to the extent permissible under this Agreement or under applicable Law and provided that there shall be no duplication, each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Lessor or Owner at law or in equity or under the Cape Town Convention and in Lessor's or Owner's sole and absolute discretion; and the exercise by Lessor or Owner of any one or more of such remedies shall not preclude the simultaneous or later exercise by Lessor or Owner of any or all of such other remedies. No waiver by Lessor of any Event of Default shall in any way be, or be construed to be, a waiver of any future subsequent Event of Default.

### 19.3 **Lessor's Right To Remedy**

Following the occurrence of an Event of Default, Lessor may, without being in any way obliged to do so or responsible for so doing and without prejudice to the ability of Lessor to treat such non-compliance as an Event of Default, effect compliance on behalf of Lessee, whereupon Lessee shall become liable to pay immediately any sums expended by Lessor together with all costs and expenses (including legal costs) in connection with the non-compliance.

### 19.4 **Mitigation**

Lessor shall, and shall cause Owner to, use commercially reasonable efforts to mitigate any of their respective losses, costs or expenses for which Lessee is liable under this Clause 19 (*Events of Default*), provided that neither Lessor nor Owner shall be obliged to take any step that, in its reasonable opinion, is likely to prejudice Lessor or Owner nor is Lessor or Owner obliged to achieve any particular result from taking any steps under this Clause.

### 19.5 **Illegality**

- (a) If at any time there is a Change in Law binding upon Lessee or Lessor in its jurisdiction of incorporation or where it has its principal office or in any jurisdiction in which any action is required to be performed by it for the purposes of any Operative Document which renders, or which will render, it unlawful for (x) Lessee to perform any of its material obligations or to exercise any of its material rights under any Operative Document (such event, a "**Lessee Illegality Event**") or (y) Lessor to lease the Aircraft to Lessee, or Lessor Parties to perform their quiet enjoyment obligation or any payment obligation hereunder (such event, a "**Lessor Illegality Event**"), Lessor or Lessee (as the case may be) shall forthwith provide written notice of the Illegality Event to the other party.
- (b) Lessor and Lessee shall, for a period of [REDACTED] days from the date of such notice, or such shorter period ending on the Business Day prior to the date on which such Illegality Event takes place, negotiate in good faith to mitigate the effects of such Illegality Event with a view to restructuring the transaction in a manner such that the leasing of the Aircraft to Lessee may continue on the same commercial terms as under the Operative Documents, including, without limitation, by way of amendment, novation or replacement to any Operative Document.

- (c) If Lessor and Lessee are unable to restructure the transaction as contemplated in Clause 19.5(b) within the time period set forth therein, either party may by notice in writing to the other party terminate the leasing of the Aircraft under this Agreement, such termination to take effect on the latest date on which the relevant party may continue to perform such obligations or be a party to such document without being in breach of applicable Laws or regulations, whereupon Lessee shall forthwith redeliver the Aircraft to Lessor: (i) in the case of a [REDACTED], in the condition set forth in [REDACTED], or (ii) in the case of a [REDACTED], in [REDACTED] condition.
- (d) Lessor and Lessee shall bear their own costs and expenses arising out of any negotiations or restructuring pursuant to this Clause 19.5 (*Illegality*).

## **20. TAXATION**

### **20.1 Gross-up**

- (a) All payments by Lessee under or in connection with this Agreement shall be made without set-off or counterclaim, free and clear of and without deduction for or on account of all Taxes unless Lessee is required by Law to make any such deduction or withholding.
- (b) All Taxes (other than Lessor Taxes) in respect of payments under this Agreement shall be for the account of Lessee and shall be paid by Lessee within the period for payment permitted by Law.
- (c) If any Taxes are required to be deducted or withheld from any amount payable hereunder, Lessee shall:
  - (i) if such Tax is not a Lessor Tax, pay such additional amounts, in the same currency as such payment as may be necessary in order that the amount of such payment received on the date of such payment, after deduction or withholding for all such Taxes (including any deduction or withholding with respect to such additional amount), will be equal to the amount that such Tax Indemnitee would have received if such Taxes had not been deducted or withheld;
  - (ii) pay to the relevant authority within the period for payment permitted by applicable Laws the amount necessary to comply with its legal obligations in respect of such deduction or withholding; and
  - (iii) furnish to each Tax Indemnitee evidence of payment to the relevant authority of all amounts deducted or withheld as aforesaid, which evidence may be provided by certification of such payment by a responsible officer of Lessee if it is not possible to obtain a receipt from the relevant Tax authority.
- (d) If any payment is made by Lessee under Clause 20.1(c) or Clause 20.3 (*Tax Indemnity*), and a Tax Indemnitee in good faith determines that it has actually received a credit against, or relief or remission for, or repayment or a refund of, any Tax paid or payable by such Tax Indemnitee in respect of or calculated with reference to Taxes or deduction or withholding giving rise to such payment, such Tax Indemnitee shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and without leaving such Tax Indemnitee in any worse position than that in which it would have been had such deduction or withholding not been required to be made, pay to Lessee such amount as such Tax Indemnitee shall in good faith have determined to be attributable to the relevant Taxes, deduction or withholding.

Nothing in this Clause 20.1(d) shall:

- (i) interfere with the right of Lessor to arrange its tax affairs in whatever manner it thinks fit and, in particular, but without limitation, Lessor shall not be under any obligation to claim credit, relief, remission or repayment from or against its corporate profits or similar Tax liability in respect of the amount of any such deduction or withholding in priority to any other claims, reliefs, credits or deductions available to Lessor; or
- (ii) oblige Lessor to disclose any information relating to its Tax affairs or any computations in respect thereof.

## 20.2 **Covenant to Pay Taxes**

Lessee shall promptly pay when due:

- (a) all Taxes (other than Lessor Taxes) imposed by any Government Entity with respect to the Aircraft, including without limitation the ownership, presence, delivery, leasing, possession, use, operation, maintenance, storage, registration, redelivery, import, export, sale or other disposition of the Aircraft; and
- (b) all Taxes (other than Lessor Taxes) in respect of any premises where the Aircraft, any Engine or any Part thereof is located from time to time,

except to the extent that such payment is being contested in good faith by appropriate proceedings, in respect of which adequate resources have been provided by Lessee and non-payment of which does not give rise to any material risk of the Aircraft or any interest therein being sold, forfeited or otherwise lost or any risk of criminal liability on the part of Lessor or any Financing Party.

## 20.3 **Tax Indemnity**

- (a) Lessee agrees to be liable for, and to indemnify and hold harmless each Tax Indemnitee against all Taxes (other than Lessor Taxes) levied or imposed against or upon any Tax Indemnitee or Lessee or the Aircraft and relating to or attributable to Lessee, this Agreement, or the Aircraft or directly or indirectly in connection with the possession, delivery, purchase, sale, transfer, location, existence, importation, transportation, pooling, interchange, leasing, subleasing, wet leasing, chartering, storage, registration, insurance, replacement, maintenance, modification, refurbishment, condition, service, repair, overhaul, control, management, ownership, presence, use, operation, exportation or redelivery of the Aircraft, any Engine or any Part or any part thereof or any rent, receipts, insurance proceeds, income or other amounts arising therefrom, or the making of any Equipment Change.
- (b) The provisions of Clause 20.3(a) shall not apply to, and Lessee shall have no liability to any Tax Indemnitee in respect of, any Tax to the extent that such Tax (a “**Lessor Tax**”):
  - (i) arises solely as a result of the Gross Negligence or willful misconduct any Tax Indemnitee; or
  - (ii) is imposed as a result of a Lessor Lien; or
  - (iii) is imposed with respect to any period commencing or event occurring after the Aircraft has been redelivered to Lessor and is no longer subject to this Agreement unless such Tax is attributable to any act, omission, event or circumstance which

occurred during the Term and would not have constituted a “Lessor Tax” had it arisen during the Term; or

- (iv) arises solely from the breach by any Tax Indemnatee of this Agreement but excluding any such breach which is attributable to or arises out of any Event of Default; or
  - (v) is imposed as a result of any connection between that Tax Indemnatee and the jurisdiction imposing the Tax that is unrelated to the transactions contemplated by this Agreement or the use or operation of the Aircraft by Lessee or any Permitted Sublessee, or the location or registration of the Aircraft by Lessee or any Permitted Sublessee; or
  - (vi) is imposed or levied on or measured by or with respect to the net income, profits, capital gains, capital, net worth or franchise tax of any Tax Indemnatee by any Government Entity in the United States of America or Ireland or any jurisdiction where any Tax Indemnatee (x) is organized or incorporated, (y) is a resident under the Law of that jurisdiction for Tax purposes, or (z) has a principal place of business; but excluding any Tax imposed by any government or taxing authority of any jurisdiction if and to the extent that such Tax results solely from the use, operation, presence or registration of the Aircraft, the Airframe, any Engine or any Part in the jurisdiction imposing such Tax; or
  - (vii) is imposed in connection with the sale, transfer, assignment (whether legal or equitable) or other disposition by any Tax Indemnatee or Lessor Party of any or all of its rights, title and interest in or with respect to the Aircraft, the Airframe, any Engine or any Part that is not a replacement thereof under this Agreement or the Trust Agreement, this Agreement or any other Operative Document except if such sale, transfer, assignment (whether legal or equitable) or other disposition is in connection with or as a result of an Event of Default; or
  - (viii) is imposed on such Tax Indemnatee due to the failure of any Tax Indemnatee to file any relevant tax return or tax computation that such Tax Indemnatee was obliged to file by the applicable law in its jurisdiction of organization unless relating to a Tax otherwise indemnified pursuant to this Clause 20.3 (*Tax Indemnity*) and imposed as a result of Lessee’s breach of Clause 20.3(c); or
  - (ix) is imposed on such Tax Indemnatee with respect to its employees or independent contractors; or
  - (x) is imposed on or payable by any Tax Indemnatee that would not have been imposed or payable but for the existence of the Financing Documents except Taxes imposed as a result of (A) the gross negligence or willful misconduct of Lessee or any other user of the Aircraft or (B) a breach by Lessee of any of its representations or covenants under this Agreement.
- (c) Lessee will provide each Tax Indemnatee such information as may reasonably be requested by such Tax Indemnatee to enable it to fulfill its Tax filing or other information reporting requirements with respect to the transactions contemplated by this Agreement. If any report, return or statement is required to be made with respect to any Tax which is subject

to indemnification under this Clause 20.3 (*Tax Indemnity*), Lessee will promptly notify Lessor of the requirement, and:

- (i) if permitted by applicable Law, make and file in a timely manner such report, return or statement (except for any report, return or statement that Lessor has notified Lessee that Lessor or any other Tax Indemnatee intends to prepare and file), prepare such return in such manner as will indicate Owner (or Owner Participant as beneficial owner if applicable) as owner and Lessor as lessor of the Aircraft if required or appropriate, and provide Lessor upon request with a copy of each such report, return or statement filed by Lessee, or
- (ii) if Lessee is not permitted by applicable Law to file any such report, return or statement, Lessee will prepare and deliver to Lessor a proposed form of such report, return or statement within a reasonable time prior to the time such report, return or statement is to be filed.

#### 20.4 Notice and Contest Rights.

- (a) If a written notice of any claim is made against any Tax Indemnatee for any Taxes for which Lessee is required to pay or against which Lessee is required to indemnify such Tax Indemnatee pursuant to Clause 20.3(a) or Clause 20.1 (*Gross-up*), such Tax Indemnatee shall promptly notify Lessee thereof in writing; provided that a failure to so notify will not diminish, or relieve Lessee of, any obligations thereunder, except to the extent Lessee's or such Tax Indemnatee's successful defense of such claim is prejudiced thereby or Lessee's liability for costs or Taxes is increased. If reasonably requested by Lessee in writing within thirty (30) days of Lessee's receipt of notice of such claim, and to the extent that there are means available by which to do so, such Tax Indemnatee shall, provided that no Event of Default shall have occurred and be continuing, in good faith diligently contest by pursuing all administrative appeals in the name of such Tax Indemnatee or, in such Tax Indemnatee's discretion if requested by Lessee, contest in the name of Lessee (or permit Lessee, in such Tax Indemnatee's discretion if requested by Lessee, to contest in the name of Lessor) the validity, applicability or amount of such Taxes by (i) resisting payment thereof, if practicable, (ii) paying the same only under protest, if protest is necessary and proper or (iii) if payment shall be made, seeking a refund thereof in appropriate administrative proceedings; provided that (A) prior to taking such action Lessee shall have agreed to indemnify, and shall indemnify on demand, such Tax Indemnatee in a manner reasonably satisfactory to such Tax Indemnatee for all costs and expenses which such Tax Indemnatee may incur in connection with contesting such claim (including all reasonable legal and accountants' fees and disbursements and the amount of any interest, penalties or additions to tax which may be payable as a result of contesting such claim), (B) such Tax Indemnatee shall have determined in good faith that such contest shall not result in any material risk of sale, forfeiture or loss of, or creation of any Lien on, the Aircraft, (C) if such contest is to be initiated by the payment of, and the claiming of a refund for, such Taxes, Lessee shall have advanced to such Tax Indemnatee sufficient funds (on an interest-free basis and, if such Tax Indemnatee shall have determined in good faith that such advance results in taxable income to such Tax Indemnatee, on an after-tax basis) to make such payment, (D) such Tax Indemnatee shall have received an opinion of independent tax counsel selected by such Lessee and reasonably acceptable to Tax Indemnatee that a reasonable basis exists for such contest, (E) in the case of a contest conducted by a Tax Indemnatee and not the Lessee, the amount of the potential indemnity for which Lessee may be liable to pay such Tax Indemnatee under Clause 20.3(a) exceeds US\$[REDACTED] or the equivalent thereof and (F) the contest is not for a Tax, the imposition of which has been previously contested

by Lessee or such Tax Indemnitee, and such contest (including all allowable appeals) was decided adversely to Lessee or such Tax Indemnitee and no change in facts or Law has occurred since then. Nothing contained in this Clause 20.4(a) shall require any Tax Indemnitee to contest, or permit Lessee to contest in the name of such Tax Indemnitee, a claim which such Tax Indemnitee would otherwise be required to contest pursuant to Clause 20.4(a) if such Tax Indemnitee shall waive payment by Lessee of any amount that might otherwise be payable by Lessee under Clause 20.3(a) in connection with such claim.

- (b) Each Tax Indemnitee agrees that it shall, as soon as reasonably practicable after it becomes aware of any circumstances which shall, or could reasonably be expected to, become the subject of a claim for indemnification by such Tax Indemnitee pursuant to Clause 20.3(a) or require the Lessee to indemnify or pay an amount under Clause 20.5 (*Value Added Tax*) or make an increased payment pursuant to Clause 20.1 (*Gross-up*), notify the Lessee in writing accordingly, provided that a failure to so notify will not diminish, or relieve Lessee of, any obligations hereunder or diminish the rights of the Tax Indemnitee. Similarly, Lessee shall, as soon as reasonably practicable after it becomes aware of any circumstances which shall, or would reasonably be expected to, result in a claim for indemnification under Clause 20.3(a) or require Lessee to indemnify or pay an amount under or Clause 20.5 (*Value Added Tax*) or make an increased payment pursuant to Clause 20.1 (*Gross-up*), notify Lessor in writing accordingly. Provided no Event of Default is then continuing, Lessor and Lessee shall then consult with one another in good faith, for a period of up to thirty (30) days in order to determine what action (if any) may reasonably be taken to mitigate or avoid the incidence of the relevant Taxes (and Lessee shall pay Lessor's reasonable out of pocket expenses (including legal fees) in relation to any such consultations). Lessor shall then take such steps as it agreed during such consultation to take for that purpose, provided always that (i) it is fully indemnified by Lessee to Lessor's satisfaction (acting reasonably) for so doing, (ii) it shall not be required to take, or omit to take, any action, if the effect of such action or omission would reasonably be expected to adversely affect Lessor or would be contrary to applicable law, (iii) Lessor shall not be responsible for or obliged to achieve any particular result from the taking of such steps and (iv) nothing in this Clause 20.4(b) shall require Lessor to disclose or interfere with its tax affairs.

## 20.5 Value Added Tax

- (a) For the purposes of this Clause 20.5 (*Value Added Tax*):
- (i) “VAT” means value added tax and any goods and services, sales or turnover tax, imposition or levy of a like nature; and
  - (ii) “supply” includes anything on or in respect of which VAT is chargeable.
- (b) Lessee shall pay to each Tax Indemnitee (without duplication) or the relevant taxing authority, as the case may be, the amount of any VAT chargeable in respect of any supply for VAT purposes under this Agreement except to the extent such VAT is a Lessor Tax.
- (c) Each amount stated as payable by Lessee under this Agreement is exclusive of VAT (if any), and if VAT is payable in respect of any amount as aforesaid, Lessee shall pay all such VAT and shall indemnify each Tax Indemnitee against any claims for the same (and where appropriate Lessee shall increase the payments which would otherwise be required to be made under this Agreement so that such Tax Indemnitee is left in the same position as it would have been in had no VAT been payable); and Lessee shall provide evidence to such Tax Indemnitee, if available, in respect of payment of any such VAT.

**20.6 Information regarding Taxes**

- (a) If Lessee is required by any applicable Laws, or by any third party, to deliver any report or return in connection with any Taxes, Lessee shall complete the same and shall state therein (if appropriate) that Lessee is exclusively responsible for the use and operation of the Aircraft and for any Taxes arising therefrom, and Lessee shall, on request supply a copy of the report or return to Lessor.
- (b) Lessee shall within thirty (30) days after Lessor's written request, furnish to Lessor evidence reasonably satisfactory to Lessor of payment of all Taxes arising in connection with or as a result of the transactions contemplated by this Agreement requiring payment within any Rent Period, including, without limitation, copies of receipts from the relevant Government Entities for payments of withholding taxes, any Sales Taxes, any VAT and payment of customs duties.
- (c) Lessor shall, (i) prior to the Lease Commencement Date, and (ii) on or after the Lease Commencement Date, as soon as practicable upon request by Lessee but no more than once each calendar year during the Term, in each case, deliver to Lessee a certification from the appropriate governmental tax authority confirming: (A) Lessor's (or, if different, the Rent beneficiary's) residency, and (B) from and after the date on which the Lessor Guarantee is first called upon, Lessor Guarantor's residency, in each case, for tax purposes in its jurisdiction of tax residence, being in a jurisdiction with which Mexico has an income tax treaty for the avoidance of double taxation, and provided it remains the practice of the relevant governmental tax authority to provide such certification. In addition to the foregoing, Lessor agrees to furnish, and to procure that any other relevant Tax Indemnatee furnishes, from time to time to Lessee or to such other Person as Lessee may designate, at Lessee's request and expense, such other duly executed and properly completed forms by each Tax Indemnatee as such Tax Indemnatee may be permitted and legally able to deliver and as may be necessary or appropriate in order to claim any reduction of, or exemption from any Tax which Lessee may be required to indemnify against hereunder, unless such Tax Indemnatee determines that furnishing such forms would or could reasonably be expected to have an adverse effect on the business or operations of such Tax Indemnatee.

**20.7 Taxation of Indemnity Payments**

- (a) If and to the extent that any sums payable to any Indemnatee or any Tax Indemnatee by Lessee under this Agreement by way of indemnity or otherwise under this Agreement are insufficient, by reason of any Taxes payable in respect of those sums, for such Indemnatee or such Tax Indemnatee to discharge the corresponding liability to the relevant third party (including any taxation authority), or to reimburse such Indemnatee or such Tax Indemnatee for the cost incurred by it to a third party (including any taxation authority), Lessee shall pay to such Indemnatee or such Tax Indemnatee such sum as will after the tax liability has been fully satisfied leave that Indemnatee or such Tax Indemnatee with the same after-tax amount as it would have been entitled to receive in the absence of that liability.
- (b) If and to the extent that any sums constituting (directly or indirectly) an indemnity or other payment under this Agreement to an Indemnatee or a Tax Indemnatee but paid by Lessee to any Person other than such Indemnatee or such Tax Indemnatee are treated as taxable in the hands of such Indemnatee or such Tax Indemnatee, Lessee shall pay to such Indemnatee or such Tax Indemnatee such sum as will, after the tax liability has been fully satisfied at the applicable marginal rate in such jurisdiction, indemnify such Indemnatee or such Tax

Indemnatee to the same extent as it would have been indemnified in the absence of such liability.

**20.8 Notification**

Each Tax Indemnatee shall notify Lessee in writing of any Taxes of which such Tax Indemnatee has received written notice from a Tax authority as being payable and for which Lessee is obligated to indemnify or pay under this Clause 20 (*Taxation*) (each a “**Tax Claim**”); provided, however, the delay or failure of such Tax Indemnatee to give notice to Lessee in accordance with this Clause 20.8 (*Notification*) will not discharge or release Lessee from any of its indemnity obligations under Clause 20 (*Taxation*) except, and only to the extent, that such delay or failure results in additional amounts payable by Lessee which amounts would not have been imposed in the absence of such delay.

**20.9 Verification**

At Lessee’s written request within thirty (30) days following the Lessee’s receipt of any Tax Indemnatee’s claim for an indemnity pursuant to this Clause 20 (*Taxation*), or of an amount otherwise payable on an after-Tax basis pursuant to this Agreement, the amount of such claim shall be subject to confidential verification in writing by an internationally recognized firm of certified public accountants selected by Lessee and reasonably acceptable to such Tax Indemnatee. The accounting firm shall be requested to complete its review within thirty (30) days of Lessee’s request for such verification. The computations of such accounting firm shall (i) be delivered simultaneously to Lessee and such Tax Indemnatee and (ii) absent prima facie error, be final, binding and conclusive upon the Lessee and such Tax Indemnatee. If Lessee pays any indemnity in whole or in part before completion of the verification procedure, appropriate adjustments will be made promptly after completion of the verification procedure to take into account any redetermination of the indemnity by the accounting firm. The fee and disbursements of such accounting firm shall be paid by Lessee unless such verification shall disclose an error in such Tax Indemnatee’s claimed indemnity amount in favor of such Tax Indemnatee exceeding [REDACTED] percent, in which case such fee and disbursements shall be paid by such Tax Indemnatee. Lessee and such Tax Indemnatee shall cooperate with such accounting firm and (subject to such accounting firm’s execution of a confidentiality agreement reasonably satisfactory to Lessee and such Tax Indemnatee) shall supply such accounting firm with all information reasonably necessary to permit such review and determination.

**20.10 Duration**

The obligations and indemnities contained in this Clause 20 (*Taxation*) shall continue in full force after the expiration, cancellation or termination of this Agreement notwithstanding any breach or repudiation of this Agreement by Lessor or Lessee or the termination of the leasing of the Aircraft under this Agreement.

**21. ASSIGNMENT AND TRANSFER**

**21.1 By Lessee**

Except as expressly permitted by the terms hereof (including without limitation, Clause 10.3 (*Subleasing*) hereof) Lessee will not assign, delegate or otherwise transfer (voluntarily, involuntarily, by operation of law or otherwise) any of its rights or obligations under this agreement or create or permit to exist any Security Interest over any of its rights under this Agreement, and any attempt to do so will be null and void.

21.2 **Lessor, Owner Participant and Owner Transfer**

- (a) Without any consent of Lessee other than as provided in Clause 21.2(e), Lessor, Owner Participant and/or Owner may at their own expense assign or grant a Security Interest over the Aircraft or any interest therein and/or Lessor, Owner Participant and/or Owner may assign or grant a Security Interest over all or any part of its rights under this Agreement, the Trust Agreement, the Head Lease and any other Operative Document or any interest therein, in either case, by way of security to any other Person (an “Assignee”); provided that:
- (i) Lessor shall promptly notify Lessee in writing of any proposed assignment and all relevant details with respect thereto;
  - (ii) such assignment or Security Interest shall not increase any of Lessee’s risk, obligations, responsibilities, liabilities, and costs (including Taxes for which Lessee is responsible pursuant to Clause 20 (*Taxation*)) related to the transactions contemplated by this Agreement, and shall not reduce any of Lessee’s rights and benefits related thereto as based on applicable laws in effect as of the date of such transfer or assignment; provided that, it is agreed that a change in the number of additional insureds and Indemnitees shall not be considered such an increase
  - (iii) prior to any such assignment or Security Interest becoming effective, the Assignee shall execute and deliver to Lessee an undertaking containing terms substantially similar to Clause 8.1 (*Quiet Enjoyment*) hereof to the effect that neither it nor any Person claiming by, through or under it will disturb the quiet use, possession and enjoyment of the Aircraft by Lessee or any Permitted Sublessee during the Term so long as no Event of Default is continuing;
  - (iv) if the Security Deposit is assigned or charged or subject to a Security Interest in favor of the Assignee or if any Assignee is to be named as the beneficiary under any Letter of Credit, the Assignee shall acknowledge that the Security Deposit under its control shall only be applied in accordance with the provisions of this Agreement and that it will not draw under that Letter of Credit except in accordance with the terms of this Agreement and that proceeds of any such drawings shall only be applied in accordance with the provisions of this Agreement. All costs and expenses of such assignment or grant or a Security Interest of change of the beneficiary under any Letter of Credit shall be for the account of the Lessor [REDACTED];
  - (v) as at the date of such assignment and under the laws then in effect in the State of Incorporation, it shall not be unlawful for Lessee to lease an aircraft financed by a Person organized under the laws of the country where the Assignee is organized, and the Assignee shall provide to Lessee representations and warranties in respect of itself on the terms set forth in Clause 22.17 (*Know Your Customer/OFAC Compliance*);
  - (vi) the Assignee and each of the other Financing Parties on whose behalf the Assignee is acting is not an airline, other commercial aircraft operator, freight forwarder, a Person engaged in the business of parcel transport by air or an Affiliate of any of the foregoing or a competitor of Lessee; and
  - (vii) if the Assignee is not reasonably experienced in the business of commercial aircraft leasing, it shall agree with Lessee that upon the enforcement of its rights under the

relevant security documents it shall contract with such a Person experienced in the business of commercial aircraft leasing to manage this Agreement.

- (b) Without any consent of Lessee other than as provided in Clause 21.2(e), Lessor may at its own expense transfer and/or assign all or any part of its rights and obligations under this Agreement and any other Operative Document to any Person (a “**Transferee**”); provided that:
- (i) Lessor shall promptly notify Lessee in writing of any proposed transfer and all relevant details with respect thereto;
  - (ii) the Transferee shall assume all payment and other obligations of Lessor under this Agreement and any other Operative Document to which Lessor is a party;
  - (iii) if the Transferee is not assuming the obligations of Lessor under this Agreement or becoming the “Lessor” under this Agreement as assigned or novated, it shall execute and deliver to Lessee an undertaking containing terms substantially similar to Clause 8.1 (*Quiet Enjoyment*) hereof to the effect that neither it nor any Person claiming by, through or under it will disturb the quiet use, possession and enjoyment of the Aircraft by Lessee or any Permitted Sublessee during the Term so long as no Event of Default is continuing;
  - (iv) the Transferee shall confirm and agree that such transfer or assignment shall not increase any of Lessee’s risk, obligations, responsibilities, liabilities and costs (including Taxes for which Lessee is responsible pursuant to Clause 20 (*Taxation*)) related to the transactions contemplated by this Agreement and shall not reduce any of Lessee’s rights and benefits related thereto, as based on applicable laws in effect as of the date of such transfer or assignment; provided that, it is agreed that a change in the number of additional insureds and Indemnitees shall not be considered such an increase;
  - (v) at the time of such transfer or assignment, the Transferee shall provide to Lessee representations and warranties on the terms set forth in Clause 22.17 (*Know Your Customer/OFAC Compliance*) hereof and Clause 2 (*Lessor’s Representations and Warranties*) of Schedule 2 (*Representations and Warranties*);

## **22. MISCELLANEOUS PROVISIONS**

### **22.1 Rights Cumulative, Waivers**

The rights of Lessor under this Agreement may be exercised as often as Lessor considers appropriate (except as otherwise expressly stated herein), are cumulative and are in addition to its rights under any Law. The rights of Lessor against Lessee or in relation to the Aircraft (whether arising under this Agreement or any Law) cannot be waived or varied other than by an express waiver or variation in writing. Any failure to exercise or any delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right; any defective or partial exercise of any of such rights shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on Lessor's part or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

### **22.2 Delegation**

Lessor may delegate to any Person or Persons all or any of its rights, powers or discretions vested in it by this Agreement, and any such delegation may be made upon such terms and conditions and subject to such regulations (including power to sub-delegate) as Lessor deems fit; provided,

however, that notwithstanding any such delegation, Lessor shall at all times remain primarily liable for the obligations of “Lessor” hereunder.

**22.3 Expenses**

Each of Lessor and Lessee shall pay its own costs and expenses (including legal fees) in connection with the negotiation of this Agreement and the other Operative Documents. Lessee shall pay to Lessor on demand all expenses (including legal, professional, and out-of-pocket expenses) incurred or payable by Lessor in connection with the enforcement or preservation of any of Lessor’s rights or remedies under this Agreement in connection with and following any Event of Default. On the Lease Commencement Date, Lessee will issue, at no cost to Lessor, a customary in-house legal opinion as to Mexican law matters. If Lessor requires an external Mexican legal opinion or FAA counsel opinion, Lessor shall be responsible for the cost of obtaining such legal opinion from Mexican counsel or FAA counsel, as applicable, of its choosing. For the avoidance of doubt, the cost of registering the Aircraft (if not already registered) will be borne by the Lessee.

**22.4 Provisions of Cape Town Convention**

Except to the extent expressly provided herein, any terms of this Agreement which expressly incorporate any provisions of the Cape Town Convention shall prevail in the case of any conflict with any other provision contained herein. Each of the parties hereto acknowledges and agrees that for purposes of the Cape Town Convention (to the extent applicable hereto), separate rights may exist with respect to the Airframe and Engines.

**22.5 Time of Essence**

The time stipulated in this Agreement for all payments by Lessee to Lessor and for the prompt performance of Lessee’s other obligations under this Agreement are of the essence of this Agreement.

**22.6 Entire Agreement**

This Agreement and the other Operative Documents constitute the sole and entire agreement between Lessor and Lessee in relation to the leasing of the Aircraft and supersede all previous agreements in relation to that leasing. Any amendments to this Agreement must be in writing and signed on behalf of Lessor and Lessee.

**22.7 Rights of Third Parties**

- (a) All rights expressed to be granted to each Indemnitee or Tax Indemnitee (other than Lessor) under this Agreement are given to Lessor on behalf of that Indemnitee or Tax Indemnitee, and each Indemnitee or Tax Indemnitee is an express third party beneficiary hereof. Except for Lessor, each Indemnitee and each Tax Indemnitee, no other Person shall be a third party beneficiary of this Agreement.
- (b) Any Tax Indemnitee or Indemnitee who is not a party to this Agreement may enforce the terms of this Agreement expressed to be for its benefit or given by Lessee to or in favor of such Tax Indemnitee or Indemnitee.
- (c) All terms of this Agreement may be varied, amended or otherwise released by an agreement between Lessor and Lessee without reference to any Indemnitee or Tax Indemnitee.
- (d) If an Indemnitee or Tax Indemnitee is not a party to this Agreement, Lessee may require such Indemnitee or Tax Indemnitee to agree in writing, in a form reasonably acceptable to

Lessee, to the terms of Clause 14 (*Indemnities*) and Clause 20 (*Taxation*), as the case may be, prior to making any payments to such Indemnatee or Tax Indemnatee under Clause 14 (*Indemnities*) or Clause 20 (*Taxation*), as the case may be.

**22.8 Counterparts**

This Agreement may be executed in two or more counterparts each of which will be deemed an original but all of which together will constitute one and the same agreement.

**22.9 Language**

All notices, requests, direction and other communications to be given under this Agreement will be in English. Unless otherwise provided herein, all documents delivered to Lessee and Lessor pursuant to this Agreement will be in English or, if not in English, will be accompanied by a certified English translation (except for Lessee's organizational documents, corporate approvals and other authorizations or documents issued by any authority). If there is any inconsistency between the English version of this Agreement and any version in any other language, the English version will prevail.

**22.10 Confidentiality**

This Agreement, the terms hereof and all non-public information obtained by a party about any party are confidential and are among Lessor, Owner, Owner Participant, Lessee and Servicer only. Lessor, Owner, Owner Participant, Lessee and Servicer shall not, and shall procure that their respective officers, employees and agents shall not, disclose the contents of this Agreement or such nonpublic information to any third party (other than (a) to such party's or its Affiliates' auditors, legal advisors, regulators, financial advisors and rating agencies; (b) in connection with any filing or disclosure of this Agreement in accordance with, or as required by, any applicable Regulation; (c) in connection with Lessor's, Owner's, or Owner Participant's potential sale, financing, refinancing of or related to the Aircraft and/or transfer or assignment of this Agreement; provided that Lessor will request, and use reasonable endeavors to obtain confidential treatment of such information by such recipient; or (d) as required for enforcement by either party of its rights and remedies with respect to this Agreement), without the prior written consent of the other party. If any disclosure will result in the Agreement becoming publicly available, Lessor, Owner, Owner Participant, Lessee and Servicer will cooperate with one another to obtain confidential treatment or limit the scope of disclosure as to the commercial terms and other material provisions of this Agreement. Lessee may disclose this Agreement (i) as may be required to obtain the Bankruptcy Court's approval of this Agreement, provided that the Lessee shall seek Bankruptcy Court approval for the sealing or redaction of confidential terms of this Agreement; or (ii) to the U.S. Trustee, or (iii) on a "professional eyes" only basis and subject to written confidentiality arrangements, the Unsecured Creditors Committee or the entities providing the debtor-in-possession financing to the Lessee, its Affiliates and any of their respective related persons.

**22.11 Invalidity of any Provision**

If any provision of this Agreement becomes invalid, illegal or unenforceable in any respect under any Law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

**22.12 Survival**

All indemnities, representations and warranties of Lessee and Lessor shall survive, and remain in full force and effect, notwithstanding the expiration or other termination of this Agreement and/or the leasing of the Aircraft hereunder.

**22.13 Further Assurance**

- (a) Each of the parties agrees to perform (or procure the performance of) all further acts and things within its control, and execute and deliver (or procure the execution and delivery of) such further documents, as may be required by applicable Laws or as may be necessary or reasonably desirable to implement and/or give effect to this Agreement and the transactions contemplated by this Agreement.
- (b) Except as otherwise expressly set forth herein, the out-of-pocket costs and expenses of performing the acts contemplated by sub-clause (a) above shall be borne by the requesting party.

**22.14 No Brokers**

Except for SkyWorks Capital, LLC (whose fees and expenses are the sole responsibility of Lessee), each of the parties represents and warrants to the other that it has not paid, agreed to pay, or caused to be paid directly or indirectly to any Person in any form, any commission percentage contingent fee, brokerage or other similar payments of any kind, in connection with the establishment or operation of this Agreement. Each party agrees to indemnify and hold the other harmless from and against any and all claims, suits, damages, costs and expenses (including, reasonable legal fees and expenses) asserted by any agent, broker or other third party for any commission or compensation of any nature whatsoever based upon this Agreement or the Aircraft, if such claim, suit, damage, cost or expense arises out of any breach by the indemnifying party, its employees or agents of this Clause 22.14 (*No Brokers*).

**22.15 Chattel Paper**

To the extent, if any, that this Agreement constitutes chattel paper (as such term is defined in the UCC as in effect in any applicable jurisdiction), no Security Interest in this Agreement may be created through the transfer or possession of any counterpart other than the original counterpart, which shall be identified as the counterpart designated as the “chattel paper original” on the signature page of this Agreement by the Financing Parties Representative (if any) or Lessor, as the case may be.

**22.16 True Lease**

The parties intend and agree that this Agreement:

- (a) constitutes a “true lease”, and not a “security interest” as defined in Section 1-201(37) of the UCC;
- (b) to the extent applicable, constitutes a “true lease” for United States federal income tax purposes; and
- (c) confers only a leasehold interest on Lessee in and to the Aircraft on and subject to the terms of this Agreement, and no ownership or other interest with respect to the Aircraft is provided to Lessee under this Agreement.

- (i) conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any person described in the preceding sub-clause (b),
  - (ii) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order or any similar laws of Mexico, or

## **SCHEDULE 8 REDELIVERY CONDITIONS**

On the Redelivery Date, the Lessee shall redeliver the Aircraft to Lessor at the Redelivery Location in compliance with the conditions specified below (other than post redelivery obligations specified in Clause A of this Schedule 8 (*Redelivery Conditions*) below), and when Lessee has complied with such conditions Lessor shall execute and deliver to Lessee the Redelivery Acceptance Certificate confirming delivery of the Aircraft to Lessor. For the avoidance of doubt, there shall be no requirements for the redelivery condition of the Aircraft other than those specified in this Schedule.

During the period commencing [REDACTED] months and ending no less than [REDACTED] months prior to the Expiry Date, Lessee and Lessor will agree to conduct a pre-redelivery meeting for the purpose of reviewing and agreeing upon the workscope for the Redelivery Check and, if applicable, any Engine, APU, or Landing Gear shop visit. During such pre-redelivery meeting, Lessor and Lessee will also discuss in good faith potential adjustments to the redelivery conditions so as not to perform any unnecessary work on the Aircraft in view of the onward redeployment or utilization of the Aircraft by Lessor. Lessor and Lessee shall each commit sufficient resources to the Redelivery process to achieve Redelivery by the Expiry Date.

With respect to any discrepancies between the condition of the Aircraft and Aircraft Documents and the Redelivery Conditions described herein [REDACTED], Lessee and Lessor agree, subject to the provisions outlined in Clause I (*Maintenance Carry-Overs*) of this Schedule 8 (*Redelivery Conditions*), that Lessee will have the option of either correcting such discrepancy at its own expense or providing compensation in lieu of such correction in an amount to be mutually agreed upon by Lessee and Lessor.

### **A. Registration & Certification, Maintenance Program & Airworthiness Directives**

The Aircraft shall be registered with the FAA in the name of Owner unless such registration cannot be maintained because of the failure of Owner to comply with the citizenship or other eligibility requirements for registration of the Aircraft. Lessee shall use [REDACTED]. Upon redelivery, the Aircraft shall be [REDACTED]. Lessee will provide an Export Certificate of Airworthiness following redelivery of the Aircraft to Lessor hereunder. The Aircraft shall be in compliance with Lessee's Maintenance Program.

Lessee will comply with any ADs that require compliance within [REDACTED] days following the last day of the Term, with the cost of performing such AD requiring compliance after the last day of the Term to be for the account of Lessor and paid to Lessee upon execution of the Redelivery Acceptance Certificate. [REDACTED].

### **B. General Condition**

The Aircraft shall be (a) in good operating condition, normal wear and tear excepted, (b) clean by international commercial airline standards, (c) in a passenger configuration, (d) with equipment, components and systems fully functional and operating within limits under the Maintenance Program and the Aircraft Maintenance Manual; and (e) equipped with two Engines (which may be Replacement Engines) duly installed thereon. The Aircraft shall be in compliance with Lessee's corrosion prevention and control program.

At least six (6) months prior to the Expiry Date, Lessor may request in writing for Lessee to modify the cabin configuration to a 186 seat layout of passenger accommodation (LOPA); which seats may be any model suitable to the aircraft-type and reasonably acceptable to Lessor, free and clear of Liens and will be refurbished to FAA-certified serviceable condition. If the parties mutually agree to such reconfiguration, Lessor shall reimburse Lessee for the direct out-of-pocket costs of such cabin modification, including the cost of the seats and the engineering and labor costs, which Lessor shall reimburse or credit to open invoices

of Lessee upon receipt by Lessor of satisfactory invoices evidencing such costs. Following such purchase and installation of the compliant replacement seats in accordance herewith, Lessee shall return the removed seats to Lessor but will have the option to purchase such seats from Owner upon mutual agreement between the parties. If the Redelivery Date of the Aircraft is delayed due to such reconfiguration for any reason outside of Lessee's direct control, no Rent shall be due for such period of delay.

**C. Redelivery Check**

The Airframe shall have completed, within [REDACTED] days prior to the Redelivery Date, the Redelivery Check, and following such Redelivery Check the Aircraft shall not be used in commercial passenger operations.

**D. Landing Gear Minimum**

Each of the nose and main Landing Gear shall have no fewer than [REDACTED] months remaining (the "**Hard Time Landing Gear Minimum**") until the next scheduled Landing Gear Overhaul as measured by Flight Hour, Cycle or calendar day, whichever is applicable and most limiting. Each tire shall have at least [REDACTED]. The Landing Gear brakes will each have an average of at least [REDACTED].

**E. Engine LLP Minimum**

No Engine LLP shall have fewer than [REDACTED] remaining to reaching the then manufacturer's published Chapter 5 life limit (the "**Engine LLP Hard Life Cycle Minimum**"). Notwithstanding the foregoing, Lessee may request of Lessor, and Lessor shall consider in good faith, the allowance of an extended hard life Cycle limit that may be achieved via the incorporation of a service bulletin or other action that may only be incorporated on-wing post-redelivery.

**F. Engine Hard Time Performance Restoration Minimum**

Each Engine shall have no fewer than [REDACTED] performance restoration visit of such Engine under the Maintenance Program and based on Engine Manufacturer recommendations (any such visit, an "**Engine Performance Restoration Visit**"), as measured by Lessee's expected time on wing between Engine Performance Restoration Visits for engines in Lessee's fleet of the same make and model as the Engines as evidenced by the Exhaust Gas Temperature (EGT) margin and its degradation as described in Clause L (*Borescope Inspections; Power Assurance Runs*) of this Schedule 8 (*Redelivery Conditions*). [REDACTED].

**G. Components**

Each time controlled component [REDACTED] will have no less than [REDACTED] or the equivalent Flight Hours or Cycles, whichever is applicable, based on Lessee's average utilization, remaining to next scheduled removal, shop inspection or overhaul. Any such time controlled component having an MPD interval of less than [REDACTED] months or the equivalent Flight Hours or Cycles, whichever is applicable, based on Lessee's average utilization, shall have a full replacement interval remaining until its next shop inspection, removal or overhaul.

**J. Paint and Special Markings**

The Aircraft paint will be in the condition as removed from airline service, with Lessee's identification marks removed or painted over. Lessee shall at Redelivery pay Lessor an amount equal to Lessee's average cost to complete the painting of its livery on aircraft of the same type as the Aircraft, based on the average of [REDACTED] recent invoices or quotations for the same.

**K. Records**

No less than [REDACTED] months prior to the targeted Redelivery Check induction date, Lessee will provide for the review of Lessor all Aircraft Documents and, provided that all such Aircraft Documents are made available to Lessor at the commencement of the [REDACTED] month period, Lessor will provide to Lessee its response and findings on such Aircraft Documents at least [REDACTED] days prior to the targeted Redelivery Check date. All Aircraft Documents shall [REDACTED].

**L. Borescope Inspections; Power Assurance Runs**

A hot and cold section video borescope inspection of each Engine and its modules in accordance with the Manufacturer's AMM and a power assurance run for each Engine in accordance with the AMM shall be performed at or before the Redelivery Date by Lessee or its representative [REDACTED]. Lessee will record the Engine power assurance test conditions and results on the Redelivery Acceptance Certificate. Lessee will correct any discrepancies in accordance with the guidelines set out by the Engine Manufacturer which may be discovered during such inspection. In addition, Lessee will provide Lessor the latest trend data for each Engine, based on the last [REDACTED] months of operation, or since last Engine Performance Restoration if such event occurred within the [REDACTED] If the parties [REDACTED] Lessor and Lessee will [REDACTED].

If the demonstration flight reveals any discrepancies from the Redelivery Conditions, Lessee will correct them or pay compensation to Lessor in accordance with the third paragraph of this Schedule 8 (*Redelivery Conditions*).

**N. Liens**

The Aircraft shall be free and clear of Security Interests (other than any Lessor's Liens).

**O. Fuel**

Lessee shall have no obligation to provide any fuel or oil with respect to the Aircraft at redelivery, provided that any fuel or oil remaining on board the Aircraft on the Redelivery Date shall be the property of Lessor without charge.

**P. Inspection**

The Aircraft inspection shall occur during the Redelivery Check. During the Redelivery Check, Lessor and/or its representatives will have an opportunity to observe functional and operational system checks, in accordance with Lessee's procedures, as they are performed, and to perform a visual inspection of the Aircraft only in those areas that are visible during the Redelivery Check and concurrently as the inspection tasks are being performed by Lessee.

3.1. In consideration of Lessee agreeing to enter into the Lessee Acknowledgment and for other good and valuable consideration (the receipt and sufficiency whereof is hereby acknowledged), Guarantor as principal debtor and not merely as surety, with effect from the date hereof, hereby unconditionally and irrevocably guarantees to Lessee the prompt payment and performance by Lessor of all of Lessor’s liabilities and obligations (whether or not for the payment of money) which are now or at any time hereafter may be due, owing or payable by the Lessor to the Lessee in any currency, actually or contingently, on any account whatsoever pursuant to the Lease or any other Operative Documents, or as a consequence of any breach, non-performance, disclaimer or repudiation by the Lessor (or by any liquidator, receiver, administrative receiver, administrator or any similar officer of the Lessor) of any of its obligations, covenants or representations or warranties of Lessor contained in the Lease and other Operative Documents

(such obligations of Lessor being referred to as the “Guaranteed Obligations”) and undertakes to the Lessee that, if and each time that Lessor does not make payment of any amount of the Guaranteed Obligations, Guarantor shall pay to Lessee the amount not so paid upon first written demand by the Lessee; and

As a separate, additional, continuing and primary obligation, the Guarantor hereby unconditionally and irrevocably undertakes to the Lessee that, should the Guaranteed Obligations not be recoverable from the Guarantor under Clause 3.1 for any reason (including, but without limitation, by reason of any provision of the Lease or any of the other Operative Documents being or becoming void, voidable, unenforceable or otherwise invalid or illegal under any applicable law for any reason whatsoever then, notwithstanding that the same may have been known to the Lessee, the Guarantor shall, upon first written demand by the Lessee under Clause 3.1, make payment and performance of the Guaranteed Obligations by way of a full indemnity and agrees to and will indemnify the Lessee on demand (and by payment to the Lessee) against all reasonable losses, claims, costs, charges and expenses suffered or incurred by the Lessee, resulting from a failure or delay by the Lessor to make payment and/or perform any of the Guaranteed Obligations under or in accordance with the Lease or any other Operative Documents.

3.3. The obligations of the Guarantor contained in this Guarantee shall be in addition to and independent of every other security which the Lessee may at any time hold in relation to any of the Guaranteed Obligations.

3.4. Guarantor acknowledges having received a copy of the Lease and the other Operative Documents and confirms its awareness and acceptance of the provisions thereof.

4. **RELEASE.** Once all the Guaranteed Obligations have been irrevocably and unconditionally paid and satisfied in full and Guarantor does not have any further actual or contingent liabilities thereunder, upon the request of Guarantor Lessee shall irrevocably and unconditionally release and discharge Guarantor from this Guarantee.

## 5. **PAYMENTS.**

5.1. If Guarantor is required to withhold any taxes from any amount payable by Guarantor hereunder, Guarantor (i) shall pay an additional amount such that the net amount actually received by the recipient of such payment will, after such withholding (including withholding from any additional amount payable pursuant to this sentence), be equal to the amount that the recipient would have received, (ii) shall pay or cause to be paid to the relevant tax authority the full amount required to be withheld in accordance with applicable law, and (iii) will furnish to the recipient of Guarantor’s payment an official receipt (or a certified copy thereof) if reasonably obtainable by Guarantor or such other documentation as is reasonably obtainable by Guarantor and acceptable to the recipient of Guarantor’s payment evidencing such payment of withheld taxes to the relevant tax authority.

5.2. Guarantor acknowledges that the specification of United States Dollars in the Lease and any other Operative Document is of the essence and that such Dollars shall be the currency of account in any and all events. Guarantor waives to the extent permitted by law, any right it may have in any jurisdiction to pay any amount under this Guarantee in a currency other than such Dollars. If Lessee receives an amount in respect of Guarantor’s liability under this Guarantee or if such liability is converted into a claim, proof, judgement or order in a currency other than such Dollars, Guarantor will indemnify Lessee as an independent obligation against any loss arising out of or as a result of such conversion if the amount received by Lessee, when converted into such Dollars (at the market rate at which Lessee is able on the date of receipt by Lessee (or on the next date thereafter on which under normal banking practice Lessee is able to convert the amount received into such Dollars) to purchase such Dollars in New York, or at its option, London with that other currency) is less than the amount owed in such Dollars, Guarantor will,

forthwith on demand, pay to Lessee an amount in such Dollars equal to the deficit and Guarantor will pay to Lessee on demand any exchange costs and taxes payable in connection with the conversion.

6. **MISCELLANEOUS.**

6.1. **Governing Law; Submission to Jurisdiction.** The provisions of Section 24.1 (Governing Law) and 24.2 (Jurisdiction) of the Lease are incorporated in this Guarantee by reference as if such provisions were set forth herein (provided that references to Lessor therein shall be construed as references to Guarantor).

6.2. **Successors and Assigns.** The terms of this Guarantee shall be binding on, and inure to the benefit of, Lessee and Guarantor and their respective permitted successors and assigns.

6.3. **Assignment.** Guarantor may assign, transfer, novate or otherwise dispose of any or all of its rights or obligations under or pursuant to this Guarantee without the prior written consent of Lessee provided, in the case of an assignment, novation or transfer, that such assignee or transferee has a tangible net worth of at least US\$[REDACTED] (or its obligations are guaranteed by a replacement guarantee in favor of Lessee on the same terms and conditions as this Guarantee by an entity with such net worth) and, in any other case where Guarantor disposes of any or all of its rights or obligations under or pursuant to this Guarantee, that Lessee is provided with a replacement guarantee on the same terms and conditions as this Guarantee by an entity with a tangible net worth of at least US\$[REDACTED].

6.4. **Waiver of Notice and Defense.** Except as provided in Clause 3.1, Guarantor hereby waives diligence, promptness, presentment, demand for payment or performance and protest and notice of protest, notice of acceptance and any other notice in respect of the Guaranteed Obligations or any part of them, and any defense arising by reason of any disability or other defense. The obligations of Guarantor under this Guarantee shall remain in full force and effect, and shall not be negated, discharged or impaired, irrespective of (a) the impossibility or the illegality of performance on the part of Lessor of any obligation under the Guaranteed Obligations; (b) the involvement of Lessor or any other affiliate of Lessor in any bankruptcy, reorganization, assignment for benefit of creditors, appointment of trustee or receiver, insolvency or any other such proceedings; (c) any time or other indulgence being granted or agreed to be granted to the Lessor; (d) any amendment to, or any variation or waiver of (but not including the release or discharge of) any obligations of the Lessor under the Lease or any other Operative Documents; (e) any failure to take, or fully to take, any security agreed to be taken in relation to any of the Guaranteed Obligations or (f) any other circumstances, occurrence or condition, whether similar or dissimilar to any of the foregoing, that might otherwise constitute a legal or equitable defense, discharge or release of a guarantor or surety. Guarantor shall be subrogated to all rights of Lessee in respect of any amounts paid by Guarantor pursuant to the provisions of this Guarantee, provided, however, that Guarantor shall be entitled to enforce, or to receive any payments arising out of or based upon, such right of subrogation only after the obligations guaranteed hereunder have been irrevocably and unconditionally paid and satisfied in full.

6.5. **Reinstated.** If any discharge, release or arrangement (whether in respect of the obligations of the Lessor or any security for those obligations or otherwise) is made by the Lessee in whole or in part on the basis of any payment or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Guarantor under this Guarantee will continue or be reinstated as if the discharge, release or arrangement had not occurred.

6.6. **Severability.** Should any one or more of the provisions of this Guarantee be held to be invalid, illegal or unenforceable in any jurisdiction, the same shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity,

legality and enforceability of the remaining provisions hereof; and the invalidity, illegality or unenforceability of a particular provision in a particular jurisdiction shall not render such provision invalid, illegal or unenforceable in any other jurisdiction.

6.7. **Waivers, Amendments and Variations in Writing.** The provisions of this Guarantee shall not be capable of being waived, amended or varied otherwise than by an express waiver or amendment between Guarantor and Lessee in writing; and in particular any failure to exercise or any delay in exercising any of such rights shall not operate as a waiver, amendment or variation of that or any other such right; any defective or partial exercise of any of such rights shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on Lessee's part or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension of any variation or amendment of any such right and the rights of Lessee under this Guarantee may be exercised as often as necessary, are cumulative and not exclusive of its rights under any law.

6.8. **Notices.** All notices and other communications under, or in connection with, this Guarantee will, unless otherwise stated, be given and will become effective in the same manner as provided in Section 23 (Notices; Electronic Signatures) of the Lease provided that references to Lessor therein shall be construed as references to Guarantor.

The notice details of Guarantor are as follows:

6.9. **Costs.** The Guarantor agrees to cover all cost and expenses (including legal fees, stamp duties and any value added tax) incurred by the Lessee in connection with a valid claim and successful enforcement of any of its rights under this Guarantee.

6.10. **Counterparts.** This Guarantee may be executed in two or more counterparts and by each party on separate counterparts, each of which will be an original, but all of which will constitute but one and the same instrument. Delivery of an executed counterpart of this Guarantee by facsimile, email, "electronic signature" or other "electronic record" will be deemed as effective as delivery of an originally executed counterpart.
